WEST JAVA PROJECT - PHASE I

MONTHLY REPORT

JUNE - 1976

The following summarizes events and progress made during the month of June 1976.

A. PERSONNEL

1. ENGINEER

a. Mr. F.M. Boxold, former Project Manager, lost his life in an automobile accident near Bandung on 22 June 1976.

b. Biographical data on a Transmission Engineer, an Electrical Engineer and on a Communications Engineer (temporary assignment) were presented to PLN. ENGINEER is hopeful of prompt approval by PLN and USAID.

c. End of the month strength was as follows :

NAME	TITLE	ARRIVAL DATE
T.A. O'Hare	Projects Coordinator (1)	
K.A. Smith	Acting Project Manager (2)	2 Dec. 1975
C.J. Whitby	Manager of Administration(2)	10 Sept.1974
R.W. Horlacher	Survey Engineer	5 Apr. 1975
E.H. Knight	Distribution Engineer	3 June 1974
T.J. Plaskota	Substation Engineer	3 Oct. 1974

(1) Performs the same function for the Tuntang, Ketenger, Interim Generation and West Java II Projects.

(2) Performs the same function for the West Java II Project.

d. During the month, T.J. Plaskota continued to assist with the Interim Generation Contract work in Jakarta and is now assisting with substation work in Central

Java. These assignments were for short periods of time and did not hinder the work in West Java.

2. PLN

a. Twenty one (21) Field Personnel were transferred to West Java II.
