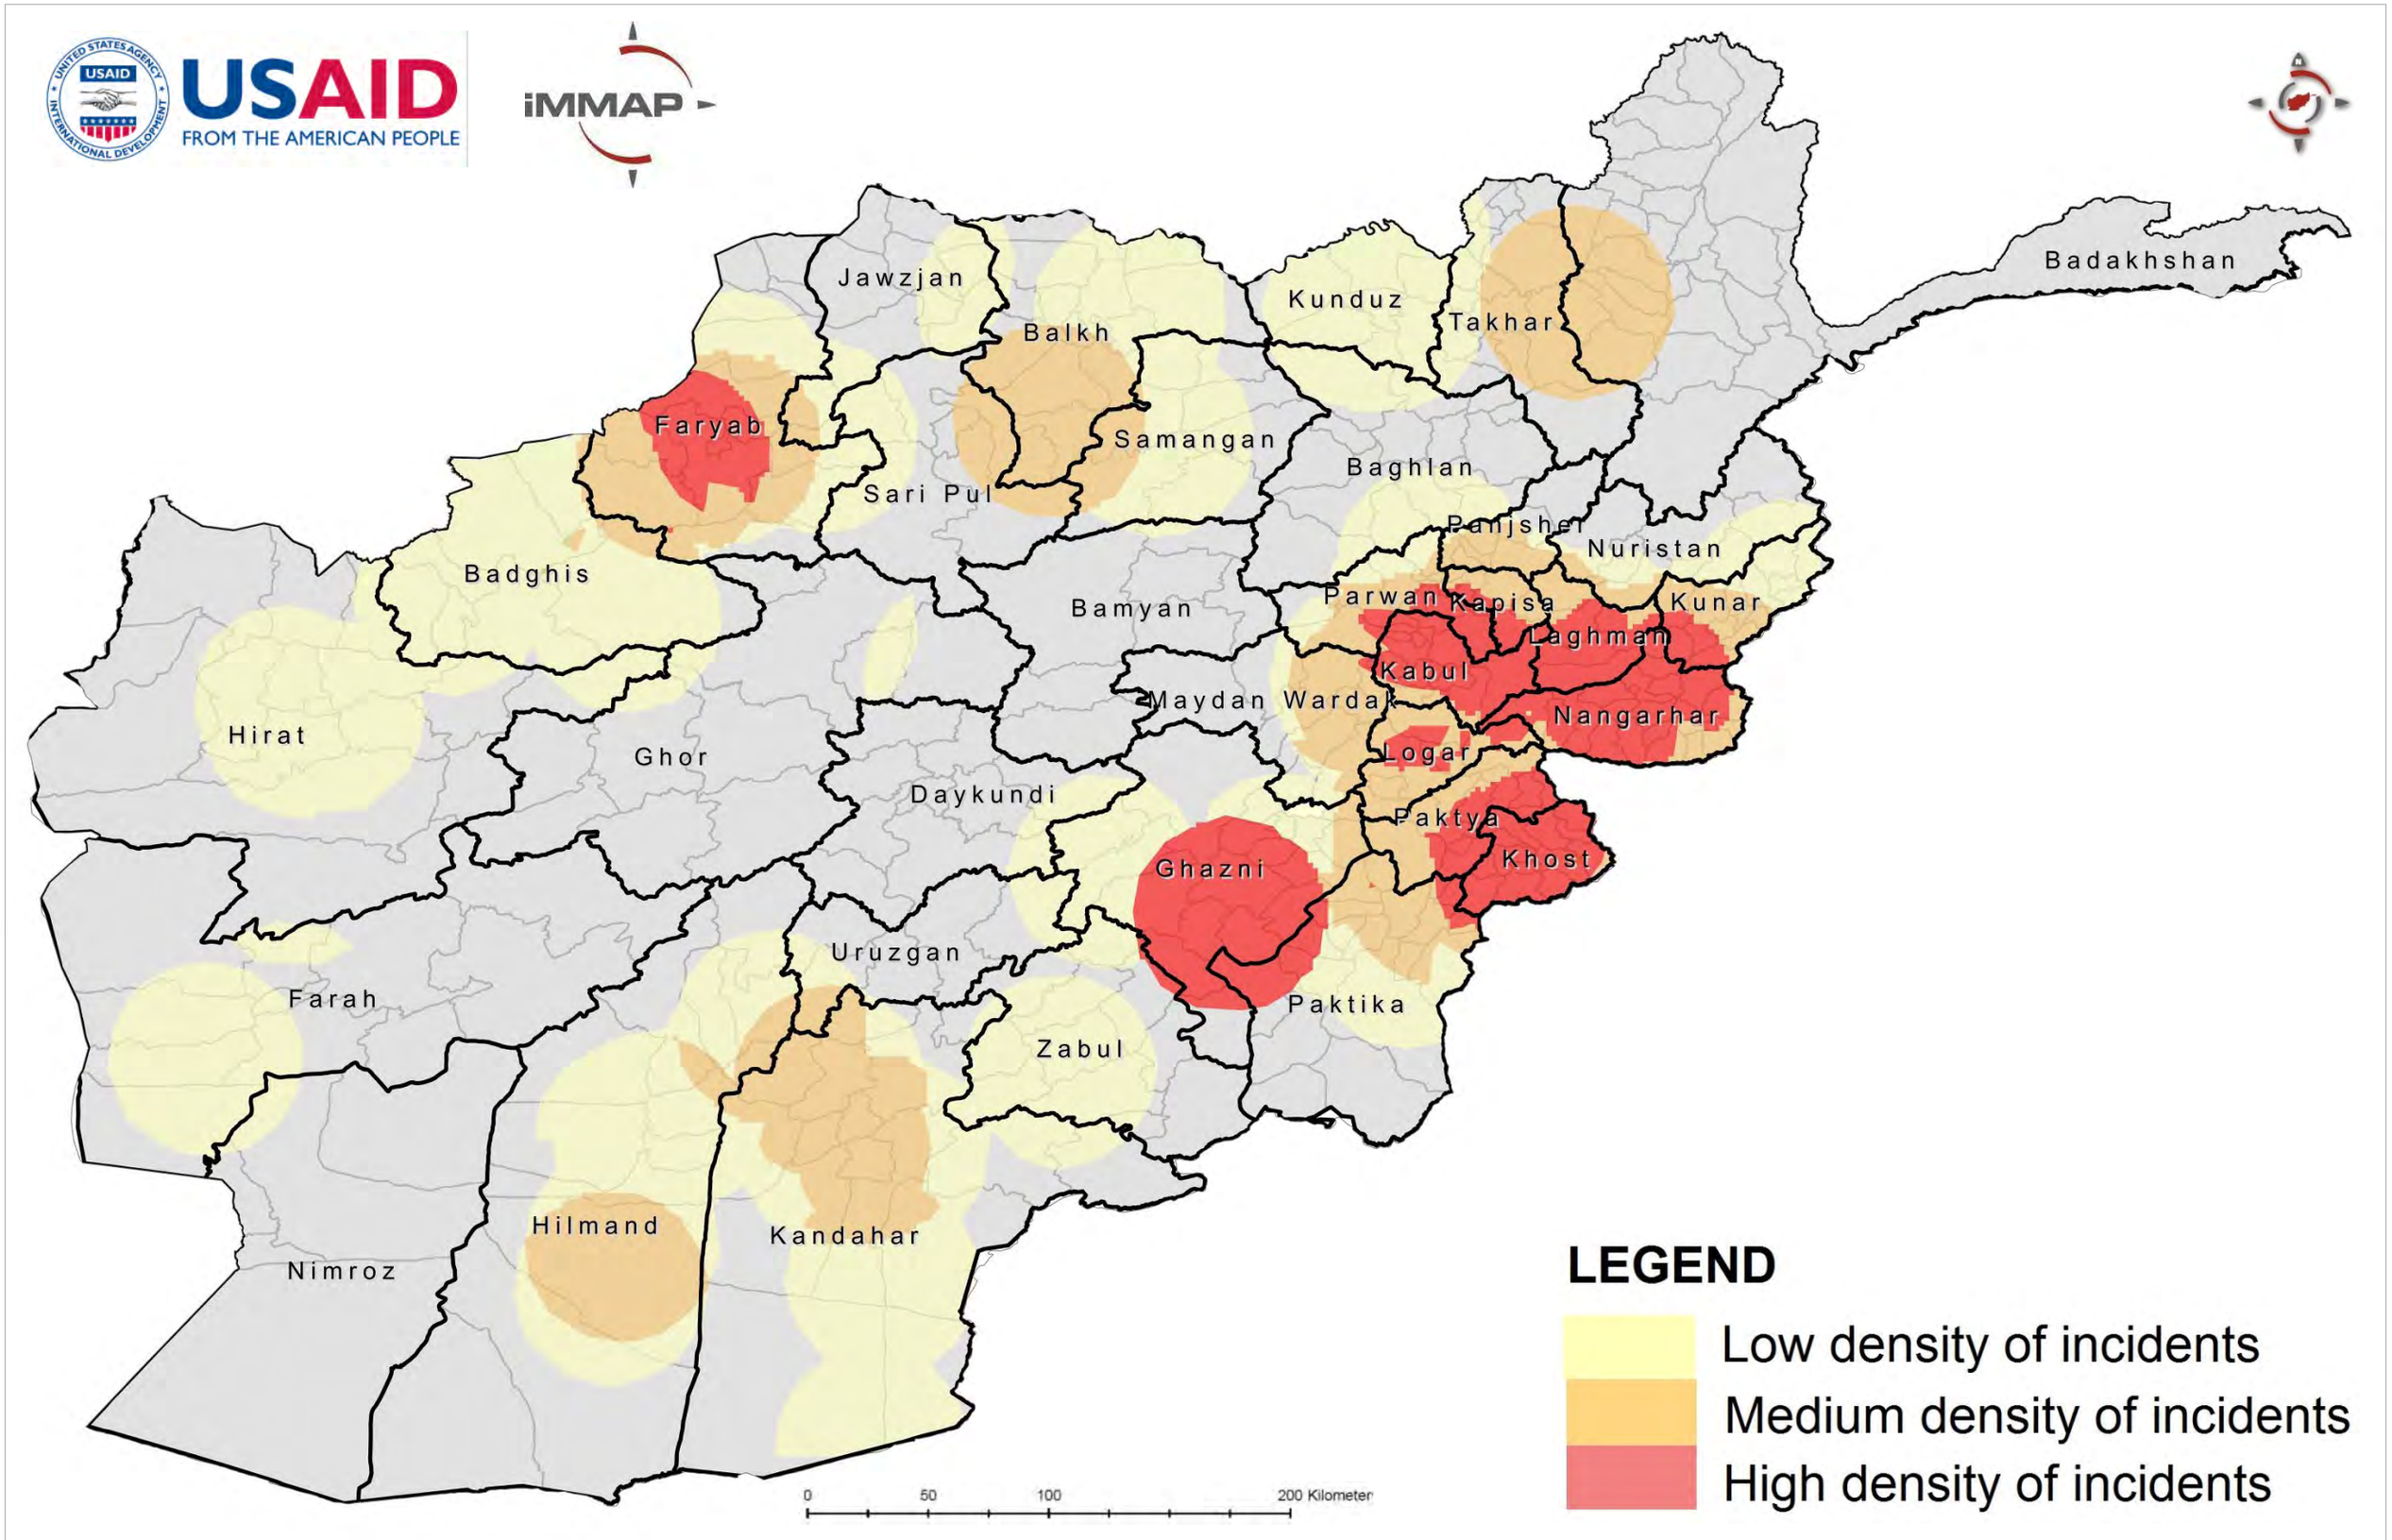
AFGHANISTAN Local (civilian) population targeted in security incidents for the month of April 2012



Disclaimer and Source

This map is compiled by iMMAP. Datum/Projection: WGS84/Geographic. iMMAP in Afghanistan is funded by The United States Agency for International Development (USAID)/ Office of U.S. Foreign Disaster Assistance (OFDA). The data, boundaries and names and the designations used on this map do not imply official endorsement or acceptance by iMMAP or USAID/OFDA. All information is the best available at the time this map was produced. For copies or information regarding specific data sources and methodology: Afghanistan@immap.org

Data sources: Incident data is mapped by iMMAP from UNDSS-SIOC reports, British Embassy and open sources. Data is cross-checked for duplication and cleaned where possible. Casualty figures are not official figures. Target of incidents against local population refers to the actual target of an event, and does not consider the intended target. The casualty figures include all civilian casualties

Definitions: Civilian: Inhabitant of Afghanistan following the pursuits of civil life, especially one who is not an active member of the military, the police, or a belligerent group. **Attacks:** an offensive action to set upon in a forceful, violent, hostile, or aggressive way,with weapons of different technological level, including guns, granades, RPGs, rockets.
