ROLE OF REGIONAL AND LOCAL ELECTIONS IN DEVELOPMENT SETTINGS

MICHAEL ARDOVINO, PH.D.

KSC Research Series

ABSTRACT: This document is a bibliography of resources focusing on development assistance funding and monitoring of local and regional elections. The document is organized by geographic region including Afghanistan-Pakistan, Africa, Asia, Europe and Eurasia, Latin America-Caribbean, the Middle East and a general category for multiple region evaluations.

Sources of these documents include donor organizations such as USAID and the United Nations, as well as non-governmental or nonprofit organizations involved in development work like International Republic Institute (IRI), International IDEA and IFES. Academic journals such as *Public Administration and Development* are also included.

The USAID Knowledge Services Center is operated by Bridgeborn, Inc. and Library Associates, and funded by M/CIO/KM and M/HR/TE under contract AID-OAA-C-08-00004. The contents of this document are the sole responsibility of the Knowledge Services Center and do not necessarily reflect the views of USAID or the United States Government.
