PROJECT AGREEMENT
BETWEEN AID AND
THE OFFICE OF COMMUNITY DEVELOPMENT
AN AGENCY OF THE GOVERNMENT OF
DOMINICAN REPUBLIC

1. Project/Activity No. 517-11-990-000

2. Agreement No. 74-4

3. Project/Activity Title
Technical Support - Selected Dev. Problems (Community Development - Overseas Education Fund)

3. [x] Original or Revision No. ____

The purpose of this agreement is to provide for short-term technical services of one American consultant to the Comité Gestor Nacional and its provincial and local affiliates and to assist with the organizational and training aspects of civic education programs, particularly programs involving the participation of women.

The AID-financed contract with the Overseas Education Fund of the League of Women Voters has assisted in civic education programs in the Dominican Republic since 1967. Civic education and community development groups have progressed in recent years and Dominican organizations carry the major responsibility for continuing with such programs. Because of this progress, AID-funded technical assistance is not required to the extent it once was, and plans are to terminate it. However, in order to assist the Dominican organizations to adapt to the lack of AID technical assistance, this agreement provides for technical services as described in PIO/T No. 40029 during the period July 1, 1974 to June 30, 1975 and in the amount of $6,000. This will be the final AID-financed period of services.

El presente acuerdo tiene por objeto financiar los servicios a corto plazo de un técnico americano, quien asesorará al Comité Gestor Nacional y a sus afiliaciones provinciales y locales, en las fases de organización y entrenamiento de los programas de educación cívica, con especial énfasis en aquellos programas que requieran la participación femenina.

El contrato con el Overseas Education Fund of the League of Women Voters, financiado por la AID, ha facilitado la realización de programas de educación cívica en la República Dominicana desde el año 1967. Las organizaciones dedicadas a la educación cívica y al desarrollo comunitario han avanzado notablemente en los últimos años y hoy en día son las organizaciones dominicanas las que cargan con la mayor responsabilidad para la continuación de estos programas. En consecuencia, la asistencia económica y técnica de la AID no es tan necesaria como solía ser, y existen planes para descontinuarla. No obstante, para facilitar la transición entre la parcial dependencia de estas organizaciones sobre los fondos de AID, y su eventual independencia, la AID se propone financiar mediante el presente acuerdo, los servicios de un técnico americano, según se describe en el PIO/T No. 40029, que cubre el lapso desde el 1ro. de julio de 1974 al 30 de junio de 1975, y el cual asciende a $6,000. Esta será definitivamente la última aportación de la AID al mencionado programa.

Regional and local organizations will continue with their development activities and fund the expenses for them. For example, it is estimated that the regional organizations alone will expend RD$3,000 for meetings and training programs. At least another $5,000 will be expended by local organizations. If more precise information on expenditures should be required by AID, the Office of Community Development will assist the regional and local organizations in providing it to USAID/DR.

Las organizaciones locales y regionales continuarán sus actividades de desarrollo, pero con sus propios fondos. Por ejemplo, se estima que las organizaciones regionales, por sí solas, gastarán RD$3,000 en conferencias y programas de entrenamiento. Por su parte, las organizaciones locales gastarán por lo menos otros $5,000 para estos fines. Si la AID requiriera informes precisos sobre los gastos, la Oficina de Desarrollo de la Comunidad asistirá a las organizaciones regionales y locales a recopilar los datos y transmitirlos a la AID.
