Definitions: The following definitions apply to this Standard Operating Procedure:

**Budget**: the document through which government or any organization presents its expenditure, revenue, taxation and financing plans for the coming year.

**Approved budget**: the budget approved for expenditure by legislation and stakeholders for budgetary units to be used during one year, for Kabul Municipality MoF budget is approved by Parliament and the internal budget is approved by Mayor and MoF.

**Expenditures**: An expense or expenditure is an outflow of money to another person or group to pay for an item or service. For example staff salaries, travel allowances, construction of roads and so on.

**Allotments**: an allotment is a portion of the budget allocated by the Budget Department of MoF or the Budget Department of Kabul Municipality through the B27 form, which authorizes the expending entity for the expenditure. The allotment is issued by four quarters in major object codes level (21, 22 and 25) for the operating budget but for the development budget it is issued according to payment schedule/contract of each project.

**Budget year**: the next fiscal year is called the budget year.

**Operating budget**: Operating budgets consider the recurrent and operational costs such as salaries, utilities, maintenance and other routine activities. It has three major object codes of wages and salaries, goods and services and acquisition of assets. Operating budget is usually determined by closely reviewing existing costs and using known facts or assumptions to estimate future costs.

**Development Budget**: is the budget considered for funding of capital and infrastructure projects.

**Applicability**: According to Kabul Municipality budget policy the Standard Operating Procedure applies to all Kabul Municipality central and district offices and will be applied for both MoF and KM internal budget.

The Kabul Municipality has the following two different budgeting processes which starts in different statues of a fiscal year, however it is mentioned in budget policy that these processes should be started in the same time of the year:

a) Development budget funded by Ministry of Finance, it follows the MoF procedure and process/time table

b) The KM internal budget funded by revenue which is also divided to development budget and operating budget, the process will start according approved time table by DM for Finance and Administration.

**Procedures**:

**The following procedure should be applied for both MoF and KM internal budget**

1. According to KM budget policy all KM’s expenditure funded by MoF and KM’s revenue should be prepared in line with government budget reforms in program budget format.
2. The first step in preparing KM operating and development budget, KM should create a Budget Committee comprising of DM Finance and Administration, DG Administration and Finance, DG Revenue, DG Policy and Coordination, operating and development budget managers and any other assigned functionaries by the Mayor.

3. The KM’s Revenue Directorate will prepare the Revenue Projection Plan for preparing next year budget. The Revenue Projection Plan will be presented to the Mayor for approval.
