**KABUL MUNICIPALITY STANDARD OPERATING PROCEDURE  
FOR  
URBAN FORESTRY**

**Overview:** Kabul Municipality, once a green and verdant city, has suffered over time from massive deforestation. It is our vision to restore a Green Kabul.

**Purpose:** The purpose of this SOP is to ensure the implementation and execution of the procedures and tasks necessary for the greening of Kabul

**Applicability:** This SOP will apply to all greening activities in the Municipality

**Policy:** This SOP will effect positively upon the operations and environment of the Kabul Municipality and bring effective changes to the Kabul Municipality as a whole.

**Procedures:**

**LEVEL OF SERVICE:** It is the responsibility of the Kabul Municipality and all citizens to replant and care for trees on both public and private lands.

It is our policy to start to plant as many trees as possible each year in parks, along roadsides, and on hillsides surrounding the city.

It shall be the responsibility of the Greenery Directorate to maintain trees in the public areas. At the same time, no citizen should remove or damage any tree on public land without the expressed written permission of the DG/Greenery.

All Greenery workers shall be trained in the planting, pruning, watering, and necessary care of trees in the urban forest.

Kabul Municipality shall continuously promote the planting and care trees in the Municipality.

**Benefit:** The implementation of this SOP will ensure that citizens live in community that protects their health, safety, and welfare.
