Subchapter is determined by the following contents:

- Significance of required improvement:
- Status of subchapter:
- To-do list:
- Obstacles:
- Technical obstacles:
- Implementing partners:
- Necessary resources:
- Timing:

Internal Action Plan schedule

Presentation of REAP's documents

- Internal Action Plan
- Activity Gantt chart

Next steps

- Present Internal Action Plan to all stakeholders
- Stakeholders to give their opinion and suggestions in relation to the proposed Internal Action Plan
- Develop final version of Internal Action Plan document for continuation of the sector reform
