Number of communes with functional health committees	Not for this trimester		
Number of local organizations provided with technical assistance for health related institutional capacity building	Not yet available		
Number of NEW functional (trained, equipped, and supervised) community health workers (new indicator)	Not for this trimester		
Number of functional (trained, equipped, and supervised) community health workers	Not for this trimester		

SECTION 3: COVERAGE

1. *Not yet for this first trimester*

SECTION 4: PROGRESS OF ACHIEVING THE WORKPLAN

1) *RESULT AND ACHIEVEMENT*

- a) **OBJECTIVE 1: Provide support and technical leadership in MNH at the national level**

1.1 Work with partners and through national level technical groups to harmonize approaches and develop coordinated plans of action	Ongoing
1.2 Coordinate with and provide direct technical support to strengthen UNFPA's midwifery faculty training	Not done because of conflict of time
1.3 Work with UNFPA to revise the existing in-service EmONC training course(s)	Not done because of conflict of time
1.4 Build the capacity of and work with the Federation des Sages Femmes (Federation of Nurse Midwives, or FSF) to train providers and improve intrapartum and immediate Postpartum and Newborn Care (PP/NBC)	MOU and Planning developed
1.5 Collaborate with the Pediatrics Society of Madagascar (SoMaPed) to improve the quality of care provided to newborns in health facilities	MOU and Planning developed
1.6 Advocate and provide technical basis for improved MNH/FP practices	Not done

- b) **OBJECTIVE 2: To contribute nationally relevant program learning on integrated community and peripheral health facility approaches to MNH, based on demonstration activities in three districts**

2.1 Finalize district selection, conduct situation assessment and develop detailed implementation plans with district partners	Not yet done
2.2 Support the implementation of demonstration activities with district partners	Not yet done
2.3 Monitor, evaluate and document results and lessons learned in the demonstration districts	Not yet done
2.4 Disseminate findings and innovations from the demonstration districts, in real time, through national Safe Motherhood Working Group and other national meeting	Not yet done

2) *ISSUES AND CONSTRAINTS*

- a) Administrative process
- b) Registration process

SECTION 5: WORKPLAN MODIFICATION

1. Not comment
