The Ins and Outs of PPIUCD: Focusing on PFFP/PPIUCD “Experience from India”

Dr. Bulbul Sood

International Conference on Family Planning
November 12 - 15, 2013
Addis Ababa, Ethiopia

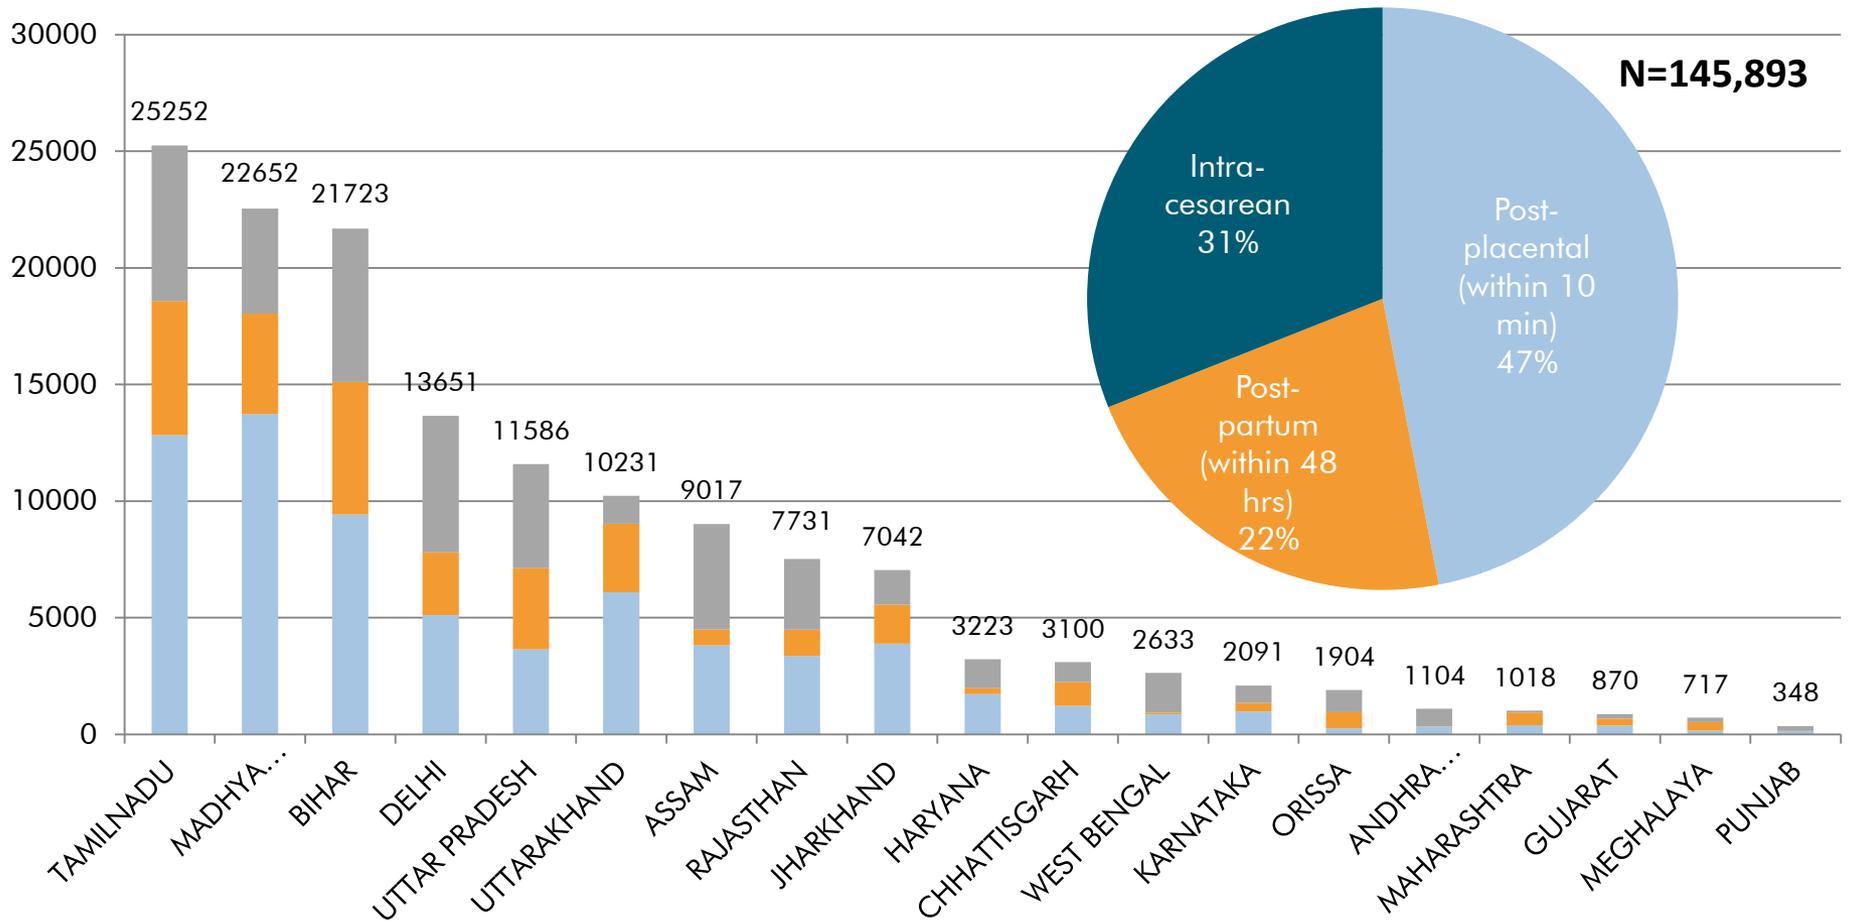

Situation in India

- Renewed effort of the **GOI** to focus on **spacing** by revitalizing use of IUD both PPIUCD and interval IUCD
- MCHIP provided TA to support both demand & supply side of the equation
- Developed a range of training, counseling, BCC & service support materials for the scale up of PFP/PPIUD in the country
- Staff Nurses allowed to insert PPIUCD
- > 200,000 PPIUCD inserted in the country

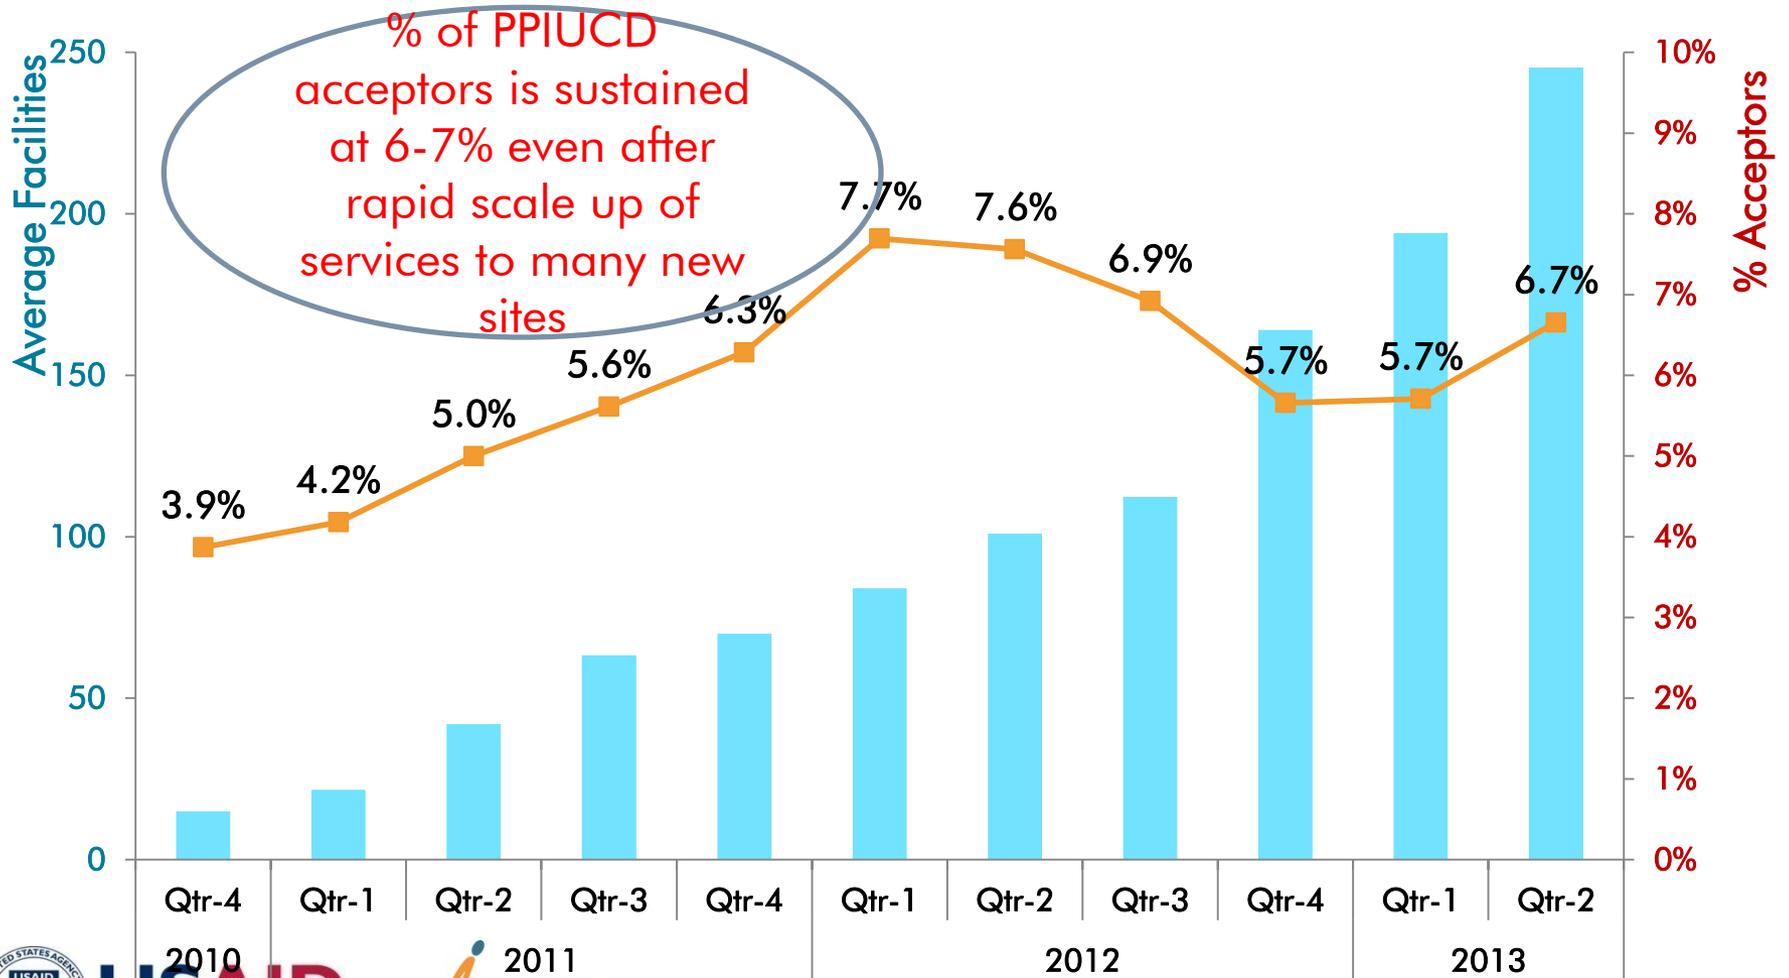

PPIUCD Experience In India

Total Reported PPIUCD Insertions since Feb-2010

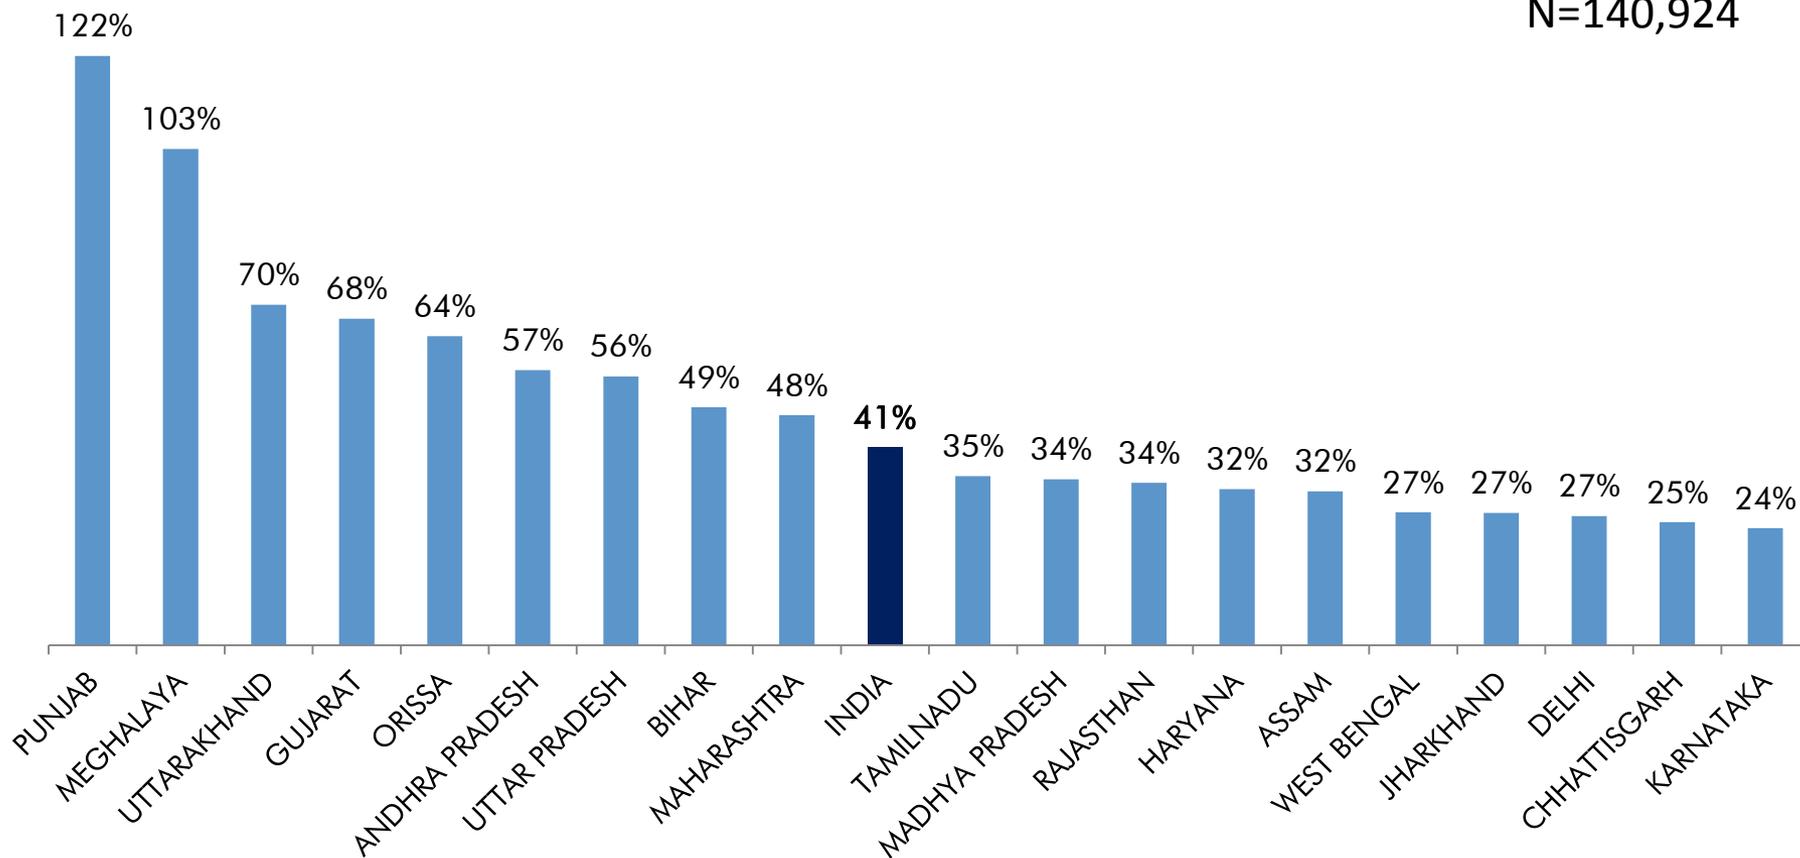

INDIA : Trend of PPIUCD acceptors
