

USAID
FROM THE AMERICAN PEOPLE

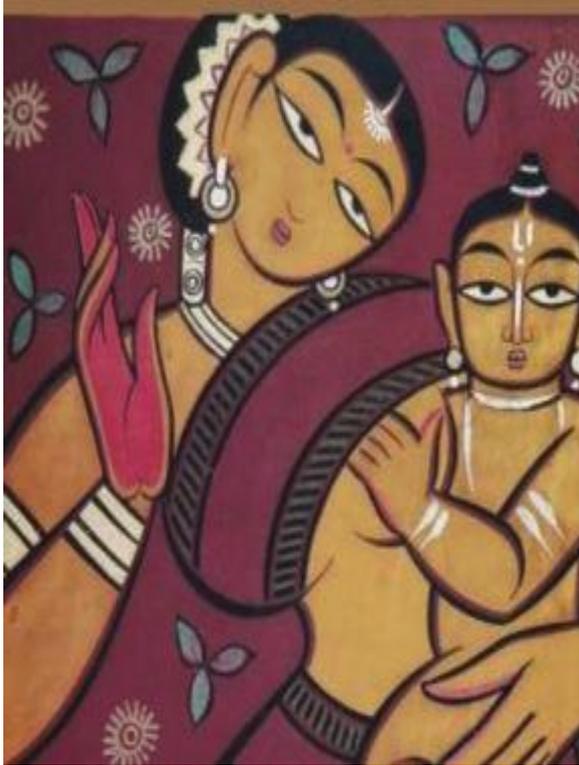

Strengthening Pre-Service Nursing and Midwifery Education

Technical Support through USAID
supported MCHIP Initiative

INDIA'S CALL TO ACTION SUMMIT FOR CHILD SURVIVAL AND DEVELOPMENT AT MAHABALIPURUM

- Inter-linkages between different interventions at various stages of the life cycle
- Linking child survival to other interventions such as reproductive health, family planning , maternal health
- Sharper focus on adolescents
- **Recognizing nurses as 'pivots' for service delivery**
- Expanding focus on child development and quality of life

Skilled and empowered Nursing cadre critical to the success of RMNCH+A strategy of GoI.

Goal of strengthening PSE Program in India

To strengthen the foundation of ANM/GNM education resulting in:

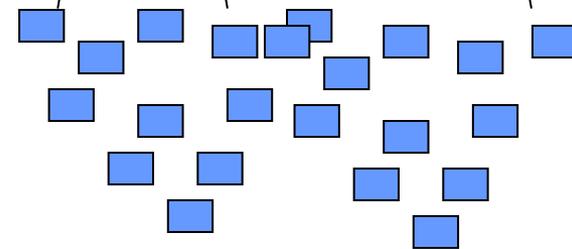

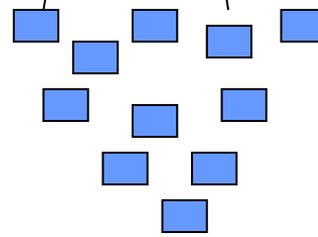

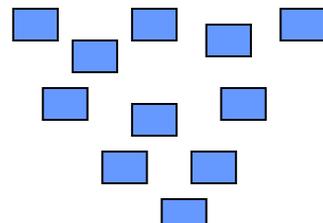

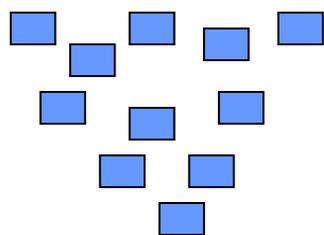

- better prepared service providers,
- higher functioning educational institutions and
- ANMs/GNMs who are **competent, confident and ready to work upon graduation.**

Initiative led by MoHFW, Indian Nursing Council

IPP Before and After Training

Activities in Uttarakhand

- 2 ANMTCs strengthened in 2011-2012
- Early success led to scaling up this to remaining ANMTCs and GNM schools in 2012-2013
- Tremendous interest in the state to improve the quality of Nursing education as well as Nursing Cadre
- Road map for Strengthening PSE at 5 ANMTCs, 2 GNMTCS and CON was prepared and shared with State for implementation
- Gaps filled through PIP funds from NRHM
- Mentoring visit by Teaching Coordinators of NNC to SNC & ANMTCs
- New teaching faculty and support staff hired at all 7 ANM/GNM schools as per INC norms

% Performance standard achieved in all 5 ANMTCs in Uttarakhand

College of Nursing developed as state nodal center for improving PSE in Uttarakhand

Courses available:

- M.Sc Nursing
- B.Sc Nursing
- Post Basic Nursing
- GNM/ANM Nursing

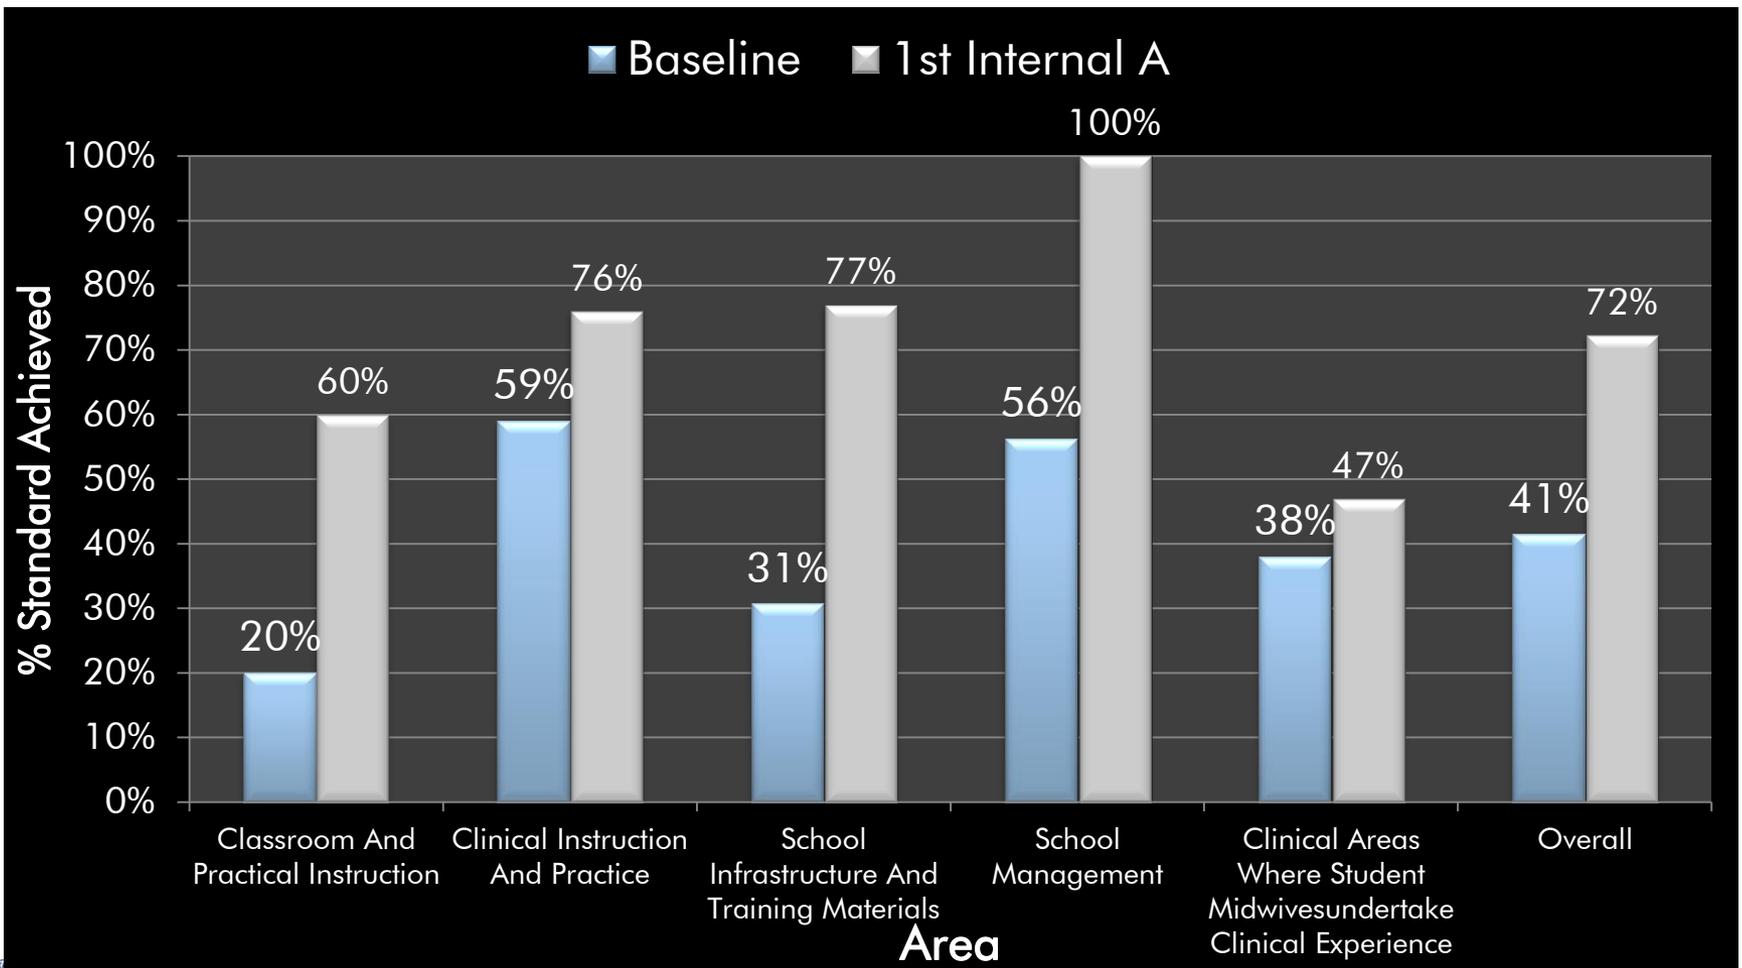

SNC certified by the INC.
Training of ANM/GNM
faculty from the state will
be initiated soon.

State College of Nursing, Dehradun

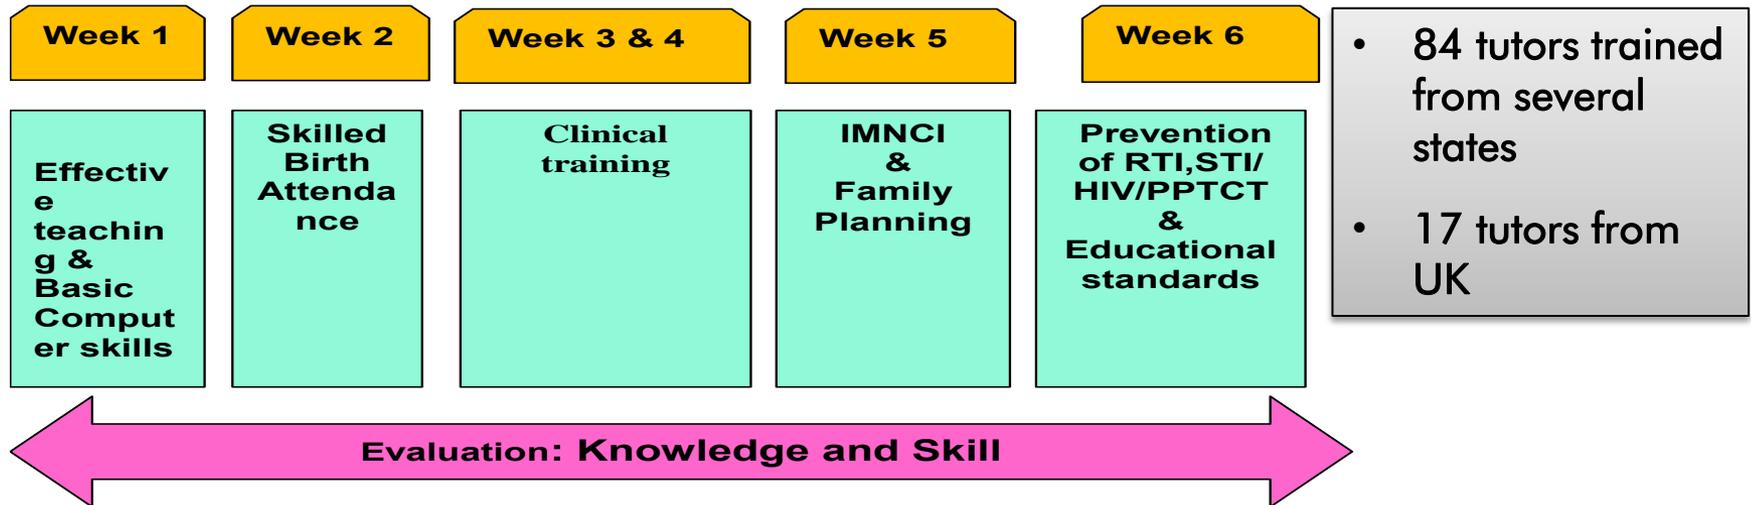

Strengthening of State Nodal Center

Quality improvement at the SNC using the SBM-R approach

Capacity Building of the Faculty: 6 weeks training at NNC Kolkata
