ACKNOWLEDGEMENTS

The Training Report was undertaken from April to June, 2013 and provides information on training sessions and number of participants divided by component. The training report is for the period of 3 months, and is presented by each component: Irrigation Water Management, Agriculture Development and Livestock Enhancement, Nutrition Enhancement Home Economic and Gender Equity and Economic Development Support Services.

The Family Farming Program expresses our gratitude to USAID Family Farming for financial support and guidance throughout the program.

Special appreciation and acknowledgement goes USAID Family Farming staff that provided technical consultation, information and assistance to implement the goal and objectives of the program. In particular, we recognize Mr. James Campbell, William C. Bell, Sanjay Rimal and local staff.

SUMMARY

TRAINING OBJECTIVES

Since 2011, the USAID Family Farming Program (FFP) has provided training sessions including demonstrations and field days to target beneficiaries in twelve districts of Khatlon Oblast. The aim and objectives of FFP training sessions is to raise awareness, as well disseminate the useful and practical information related to agriculture, water management and nutrition of rural people improving the standard of living by helping them in using their natural resources like land, irrigation water and nutritious food in the appropriate way. Beneficiaries gain the information through the training sessions and apply it in their daily life.

METHODS OF TRAINING

Farmers, water users and women prefer presentation and demonstrations through the field day, cross visit) as a training method. The training sessions include formal presentations, informal discussions, and demonstrations and provide opportunities to try out new skills and knowledge in the field that could be adaptable in certain area.

TRAINING TOPICS

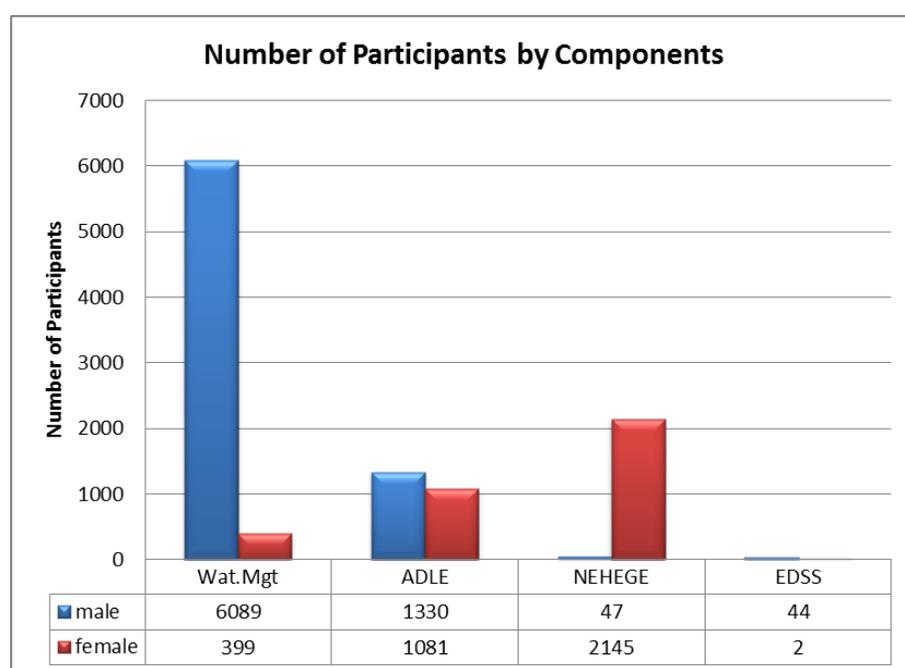

To achieve the training objectives, this quarter FFP provided on the following topics:

- Organizational Leadership Skills Developments;
- Financial Management Activities in WUA;
- Training on Conflict Management;
- Maintenance and Operation Plan of Irrigation System;
- Training on Recommendation on Environmental Compliance;
- Field Day/Best Practices of Planting and Growing Tomato, Sweet Pepper and eggplant seeds in tunnel;
- Field Day/Best Practices of Growing Cabbage & Cauliflower: seed & land selection, planting, watering, weed & pest control, harvesting, storage & marketing;
- Field Day/Best Practices of Growing Onion: seed & land selection, planting, watering, weed & pest control, harvesting, storage & marketing;
- Pesticide application and its safety use;
- Best Practices of Growing Tomato in GH (Green Houses);
- Best Practices of Growing Cucumber in GH;
- Tomato diseases and Pest Control;
- Marketing and Prices;
- Demonstration: Complementary Feeding to children from 2 up to 5 years;
- Demonstration: on Nutritious and diverse diets for Pregnant and Lactating Women;
- Education Session on Breastfeeding and Diverse and Quality Food for Children under 2 years;
- Education Session on Nutritious and diverse diets for Pregnant and Lactating Women;
- Education Session on Hygiene and Drinking Water Sanitation;

- Healthy Nutrition Days at schools;
- Grant Management;

As a result of these sessions participants will be able to apply their knowledge and skills in their daily life. A total of **11,137** individuals attended **584** training sessions for the period of April-June, 2013. For the period of April-June, 2013 the Irrigation Water Management Component had the highest participation of men compared to other components and Nutrition Enhancement Home Economic and Gender Equity had the highest participation of women. Agriculture Development and Livestock Enhancement demonstrate balanced participation of both genders. As the closure of Economic Development Support Services Component only Grant Management Training were provided to Water Users Associations members. (see the Figure 1.)

CONCLUSION AND RECCOMENDATION

FFP trained large number of beneficiaries in target zones compared to the last period. Based on modification Nutrition Enhancement Home Economic and Gender Equity, Agriculture Development and Livestock Enhancement and Economic Development Support Services components will be closed, therefore FFP will increase efforts to engage women to the training sessions of Irrigation Water Management Component.

PLANS FOR THE NEXT QUARTER

- To monitor and evaluate training sessions of Irrigation Water Management component;
- To update USAID Trainet data base
