***Rehabilitation of Muzaffargarh TPS under FARA:***

Rehabilitation of boiler super heater tubes at Unit 1, 2 & 3' has been completed, adding 280MW of capacity. For the remaining FARA items delays are anticipated in the procurement process due to the GENCO's weak financial standing to pay on time through a letter of credit. EPP experts are working with USAID in redefining the reimbursement process and revising the FARA to facilitate the GENCO in making timely payments.

The Environmental Mitigation and Monitoring Plan (EMMP) was approved by the Mission Environmental Officer (MEO) on January 12 to ensure the project is environmentally compliant with GOP and USAID regulations, and is being implemented by the GENCO management.

Amendment No. 1 to the Activity Agreement, revised the completion date to November 30, 2012. From the \$15.193 million assistance amount committed for Muzaffargarh, the total disbursement as of January 2012 is \$4,872,500.
