INTRODUCTION

Mr. Richard P. Smith, Senior Generation Specialist, and Mr. Abdul Waris Khan, Senior Energy Expert, visited Muzaffargarh Thermal Power Station on September 6-7, 2012. The plant visit was undertaken in response to a formal request from the plant's FARA Coordinator. The purpose of the visit was to verify equipment received by the plant was in accordance with PIL numbers 19, 20, and 28 of Project Implementation Letter number 1, Activity Agreement Number 391-006-AA-MUZ-2012-00.

SUMMARY of INSPECTION VISIT and FINDINGS:

1. PIL Number 19: Purchasing of GRC Fan Impellor/Rotor for Unit #5

The equipment inspected is in accordance with the specifications as given in Project Implementation Letter number 1, Activity Agreement Number 391-006-AA-MUZ-2012-00, **PIL #19**. (Appendix 1 for associated photographs)

2. PIL Number 20: Purchasing of Cooling Tower Fan Gear Boxes, its parts shafts and fan blades for Units #5 and 6

The Plant is awaiting the visit of the National Insurance Company Surveyor to open the containers with the equipment.

An AEAI representative will carry out an inspection visit once survey is being completed by the National Insurance Company.

3. PIL Number 28: Purchasing of 0.4kV Motors for Cooling Tower Fans and Air Preheaters for Units #5 and 6

The Plant is awaiting the visit of the National Insurance Company Surveyor to open the containers with the equipment. As such, no equipment inspection was possible by the AEAI representatives.

An AEAI representative will carry out an inspection visit once survey is being completed by the National Insurance Company.
