

National Integrity Action Limited

Annotated Outline of **Final Performance Report** for Combatting Corruption in Jamaica Project

Award # AID-532-A-12-00002

The report is divided into seven sections along with an Appendix that gives tabular listing of many of the activities which NIA planned, collaborated to execute or were invited to over the life of the project

1. Introduction
 - ✓ Provides basic information about the award, the implementing organisation and the context in which the award was made.
2. Cost Share
 - ✓ Provides an overview of the intended and actual cost share levels attained throughout the life of the award
3. Project Activities
 - ✓ Contains summarised narratives of the areas of activity engaged over the life of the project, namely:
 - a) Public Awareness/Media Campaign – use of communications to build public awareness and demand
 - b) Legislative Agenda – details of advocacy efforts to effect the implementation of new law and the enforcement of existing anti-corruption law.
 - c) Public Sector Training/Capacity Building – efforts to strengthen the will and capacity of the nation’s investigative, prosecutorial and judicial cohorts
 - d) Membership Building – NIA’s efforts to build its membership to add voices to the anti-corruption cause
 - e) Youth Engagement – Specially targeted efforts to reach out to youth, to play a greater civic role in society
 - f) Outreach – Broader engagement of the citizenry at the grassroots level
 - g) Support to Victims of Corruption and Injustice – Legal assistance and advice provided to persons who believe they have been victims of corruption and/or injustice
 - h) Engaging International Development Partners – Dialogue with Jamaica’s partners to work towards reducing corruption in Jamaica
4. Programmatic Achievements
 - ✓ Successes achieved over the life of the project
5. Programmatic Indicators
 - ✓ A discussion of the Monitoring and Evaluation indicators used during the project.
6. Lessons Learned and Programmatic Recommendations
 - ✓ An effort to note important lessons learned in the implementation of this project and any recommendations that may guide other or similar projects being implemented elsewhere.
7. List of DEC Submissions
 - ✓ A listing of the submissions made to the Development Experience Clearinghouse.
