

## Direct Overt U.S. Aid Appropriations for and Military Reimbursements to Pakistan, FY2002-FY2016

Prepared by the Congressional Research Service for distribution to multiple congressional offices, February 10, 2015

**Note: Final obligation and disbursement totals typically are lower than program account appropriations**

(rounded to the nearest millions of dollars)

**Sources:** U.S. Departments of State, Defense, and Agriculture; U.S. Agency for International Development

**Abbreviations:**

- CN: Counternarcotics Funds (Pentagon budget)
- CSF: Coalition Support Funds (Pentagon budget)
- CSH: Child Survival and Health (Global Health and Child Survival, or GHCS, from FY2010)
- DA: Development Assistance
- ESF: Economic Support Funds
- FMF: Foreign Military Financing
- HRDF: Human Rights and Democracy Funds
- IDA: International Disaster Assistance (Pakistani earthquake, flood, and internally displaced persons relief)
- IMET: International Military Education and Training
- INCLE: International Narcotics Control and Law Enforcement (includes border security)
- MRA: Migration and Refugee Assistance (also includes Emergency Refugee and Migration Assistance or ERMA)
- NADR: Nonproliferation, Anti-Terrorism, Demining, and Related (the great majority allocated for Pakistan is for anti-terrorism assistance)
- PCF/PCCF: Pakistan Counterinsurgency Fund/Counterinsurgency Capability Fund (PCF overseen by the Pentagon, PCCF overseen by State)

**Notes:**

- a. Includes \$312 million “global train and equip” funds from FY2006-FY2009 as authorized by Section 1206 of the National Defense Authorization Act (NDAA) for FY2006 (P.L. 109-163), within which \$100 million in FY2008 and FY2009 funds went to train and equip Pakistan’s paramilitary Frontier Corps.
- b. P.L.480 Title I (loans), P.L.480 Title II (grants), and Section 416(b) of the Agricultural Act of 1949, as amended (surplus agricultural commodity donations). Food aid totals do not include freight costs.
- c. CSF is Defense Department funding to reimburse Pakistan for its logistical and operational support of U.S.-led. military operations; it is technically not foreign assistance. Figures in the CSF row reflect *actual payments by appropriation year* and not appropriations themselves.
- d. Congress authorized Pakistan to use the FY2003 and FY2004 ESF allocations to cancel a total of \$1.5 billion in debt to the U.S. government.
- e. The NDAA for FY2013 disallowed reimbursements to Pakistan for the period during which U.S. ground lines of communication to Afghanistan were closed (November 2011-July 2012). The NDAA for FY2014 limits FY2014 CSF for Pakistan to \$1.2 billion. The NDAA for FY2015 authorizes up to \$1 billion in additional CSF to Pakistan.
- f. This funding is “requirements-based;” there are no pre-allocation data.
- g. Because the State Department has not to date released actual country-specific figures for FY2015, the figures in this column reflect the Administration’s original request.
