National Buildings Organisation and UN Regional Housing Centre ECAFE. Selected Lectures and Notes of Second Training Course on Housing and Building Statistics.
New Delhi: National Buildings Organisation, March, 1969

A collection of papers concerned primarily with statistics on housing in the ECAFE region. The papers are devoted to data collection, organization, and interpretation. The statistics on housing are in the areas of urban and rural housing needs, finance, manpower and buildings material requirements of the construction industry and present buildings activity.

Centre for Housing, Building and Planning
Housing Standards

National Buildings Organisation and UN Regional Housing Centre at Delhi.
Selected Papers from Symposium on Housing Finance. New Delhi, 1-3 Feb. 1965
New Delhi: National Buildings Organisation, 1965

A collection of 18 papers concerned with financial aspects of housing - mortgages, loans, credit systems, etc: The papers deal with the ECAFE region generally but there are specific papers on Burma, Indonesia, India, Japan and the Federal Republic of Germany .

Centre for Housing, Building and Planning
Housing Finance

National Buildings Organisation and UN Regional Housing Centre, ECAFE.
Symposium on the Role of Housing in National Economies (March 12, 1969 -
march 14, 1969): Selected Papers and Reports.

A collection of forty papers, mostly technical building material papers, relating the construction industry to the economic development of India. Other areas covered by the volume include new towns, urban economies, industrial planning and housing finance.

Centre for Housing, Building and Planning
Housing

National Buildings Organisation and UN Regional Housing Centre for ECAFE
Region. Third Short Term Training Course on Sociological and Economic Problem
in the Field of Housing. (November 13, 1967 - December 23, 1967). New Delhi:
Indian Institute of Technology

A collection (28) of papers dealing primarily with technical aspects of housing and planning demands in the ECAFE region, mostly India. There are also papers devoted to demography, sociology and economics as related to housing.

Centre for Housing, Building and Planning
Housing

Nekrasov, N. Problems of Distribution of Industry in the USSR (Theory and Practice). Minsk seminar (UNIDO) ID/WG.9/17

A discussion of planning practice in the Soviet Union. Factors accounted for are noted and a description of regional planning for industry is given.

Nelson, Linda. Role of FAO in Assisting in the Solutions of Problems Related to Slums and Uncontrolled Settlements. UN, Interregional Seminar on Improvement of Slums and Uncontrolled Settlements, Medellin, Columbia, 15 February - 1 March 1970

Description of FAO policies and studies concerning food and nutritional problems related to urbanization

Nofal, Henri. Proposals for Increasing Domestic Resources for Housing and Urban Development in Syria. Country monograph #E/12. UN Interregional Seminar on Financing of Housing and Urban Development, Copenhagen, 25 May - 10 June 1970.

Review of the housing finance sources in Syria (91% ~~XXXXXXXXXXXX~~ from private sector) with proposals for increasing available capital. The major recommendation is involvement of the public sector

Centre for Housing, Building and Planning

Office of Intl. Housing, Housing and Home Finance Agency. Proposed Minimum Standards for Permanent Low-Cost Housing and for the Improvement of Existing Substandard Areas. July 1965 in Transitional Settlements box.

A thorough exposition of standards for building codes. Standards for single and multi-family housing and for squatter areas are given..

Oficina Municipal de Planeamiento Urbano, Distrito Federal. Caracas 1990: Plan de Desarrollo Urbano, 1969

master plan for Caracas

Shamma, M. The Improvement of Slums and Uncontrolled Settlements in Iraq. Country Monograph #8. UN, Interregional Seminar on the Improvement of Slums and Uncontrolled Settlements, Medellin, Columbia, 15 February - 1 March, 1970

A descriptive paper of the development problems of Iraq, most of which is devoted to the measures by the Iraq government to control squatters. The Iraqis have utilized rural development to stop migration and assistance (free land for low and middle income, credit, and slum clearance) policies to the cities. The paper merely tells of the policies but provide no information concerning success or failure.

Shubin, John A. Regional Location and Efficiency of Industrial Complexes in Relation to the Provision of Infrastructure. UNIDO Minsk seminar ID/WG.9/10

Dealing with infrastructure as power and transportation supply, this paper examines industrial location within regions.

Soesilo, M. Modernizing the Indonesian Dwelling. mimeo Indonesia
A ~~fine discussion~~ fine discussion of housing in Indonesia.

Solow, Anatole A. The Role of Industrial Estates, Areas and
Zones in Providing an Industrial Base in Urban and Regional
Development Plans. prepared for Interregional Seminar on Devel-
opment Policies and Planning in Relation to Urbanization.
Working paper #2 Univ. of Pittsburgh 24 Oct.-7 Nov. 1966.

A discussion of the uses of industrial estates as a tool in
development planning. Use of as an aid to development is stressed.

South Pacific Commission. Regional Conference on Low Cost Housing in the South
Pacific. Report and Recommendations.
Technical Papers Suva, Fiji 6-15 June 1963

The papers and report from a conference on low cost housing on the islands of the
South Pacific. The report and recommendations deal with land, building materials,
planning of services, standards and finance. Technical papers are primarily case
studies of housing in Fiji, New Hebrides, New Caledonia, Papua and New Guinea. Some of
the papers are interesting because they are dealing with the technical problems of
housing in the tropics and the local government response to housing needs.

Moscow seminar.

A general discussion of new towns, stressing the technical economic and financial considerations in their development.

National Swedish Institute for Building Research. Social Aspects of ~~Max~~ Housing and Urban Development: A Bibliography. Document # 3:1969. In UNCHBP.

This is a geographically organized bibliography of about 1300 items. About half of the references are descriptively annotated.

Swinney, Olive Walker and Irene Cox. Public Welfare in Housing. Country monograph # 28. UN, Interregional Seminar on Improvement of Slums and Squatter Settlements, Medellin, Columbia, 15 February - 1 March 1970

A report to the U.S. Congress in 1969 on public housing and welfare recipients in the U.S., Guam, Puerto Rico and the Virgin Islands.

Centre for Housing, Building and Planning

Tange, Kenyo. Planned Development of Urban Settlements in Japan. ECAFE Seminar on Planning for Urban and Regional Development, Nagoya, Japan, 10-20 October 1966 UN # I&NR/PURD/15

A general paper on postwar urbanization in Japan which makes no conclusions due to lack of data

Taylor, B. G. H. Brooke. A Note on English Housing Problems with Special References to New Towns. Social programming seminar ESA/HBP/AC.1/6.

A discussion of new towns relating to English housing problems.

Team on Urban Housing. Report on India's Urban Housing. Govt. of India, Ministry of Works and Housing, July 1965. 2 vols. India box

This is the result of a Ford Foundation study team survey. There are several recommendations, and the entire study is aimed at the economic aspects of housing.

Technical College, Ibadan, Dept. of Town Planning, Physical Survey of Industries in Ibadan and Environs. The College, 1969 Nigeria box.

A concise but thorough survey.

T. E. P. Ltd. Technical and Economic Promotion Co. In Israel box.

A brochure illustrating the work of a consortium of consultants

Tosco, E. S. Relevance of Intermediate Industries and Industrial Services
for Correct Location Planning UNIDO Minsk seminar ID/WG.9/12

Turner, John F. C. Uncontrolled Urban Settlements: Problems and
Policies. Working paper #11 Pittsburgh seminar.

This is the complete paper. Summarized in Breese, The
City in Newly Developing Countries. Copies at UNCHBP.

Tyrwhitt, Jaqueline. Report on Town Planning for Bathurst and Kombo St. Mary, Gambia, West Africa. Bureau of Technical Assistance, United Nations January, 1963

This is a complete report on the planning for Bathurst and Kombo, St. Mary, Gambia. Gambia has a tradition of British town planning (1943) with planning ordinances (1958). The authoress focuses on four areas: population trends; economic and industrial base; social and community development; and the public sector (primarily in construction). There are 14 pages of recommendations.

Centre for Housing, Building, and planning
African States

Uiginn, Padraig Oh. Social Indicators Relatin to Housing and Urban Development. working paper. UN, Ad Hoc Group of Experts on Social Indicators for Housing and Urban Development, Dublin, 4-8 October 1971
UN# ESA/GBP/AC.2/3

A brief discussion paper about social indicators with the recommendation that in the field of housing sectoral analysis be utilized. There are two pages of areas of possible investigation which have the statistical information.

Centre for Housing, Building and Planning

UNBSA. Population Movements and the Distribution of Social Services.

Finding rapid urbanization undesirable, the suggestion of an incentive approach to guide population movement is made. Use of a growth pole strategy is posited.

UN Bureau of Social Affairs. R Urban Growth and Social Development in Africa. Pittsburgh Seminar & Working paper #5.

A discussion of urbanization in Africa, typical with the addition of statistics. Interesting recommendations are the development of middle-level cities. There is a strong distaste for primate development - decentralization with comprehensive planning seems much preferred.

UN Bureau of Social Affairs. Urban-Rural Population Distribution and Settlement Pattern in Asia: Their Relation to Development Policies Pittsburgh Seminar Paper #7.

Advances the thesis that there is as yet no one perfect pattern for urban development planning in Asia (or anywhere else). Large-scale and small-scale development are discussed in terms of their respective economies and dis-economies. Strongly in favor of flexibility.

UNCHBP. Economic Aspects of Urbanization. prepared for the
Pittsburgh Seminar. Working paper #4

A fine discussion of the economic aspects of urbanization.
Discussion on the role of the city and of the role of economic
factors. Interesting notes on economies of scale and externalities
are included. Little that is new.

UNCHBP. Housing Management: Hong Kong Housing Society. Case
Report #1 April 1967.

Report of techniques used in organizing and running housing
estates (projects). They would seem efficient but rather bureau-
cratic.

UN Economic and Social Affairs Office in Beirut. A Preliminary Review of the Situation and Development Policies with Respect to Slums and Uncontrolled Settlements in Six Countries of the Middle East. ~~XXXXXXXXXXXXXXXXXXXX~~
Working Paper #4. UN, Interregional Seminar on Improvement of Slums and Uncontrolled Settlements, Medellin, Columbia, 15 February - 1 March 1970

A well done examination of the slums and uncontrolled settlements in Iraq, Jordan, Kuwait, Lebanon, Saudi Arabia and Syria. The paper analyzes both the causes and the characteristics of the slums and the policy approaches of the various governments. The concluding argument of the paper, short term measures instead of long term programs, is worth attention.

UN Industrial Development Organization, Vienna. Industrial Location and Regional Development: AN Annotated Bibliography. New York: UN, 1970

Sales # E.70.II.B.15 \$2.50
