The Government of Morocco, the Moroccan National Family Planning Association and the Agency for International Development of the United States (AID), through their appropriate agencies, do hereby agree to cooperate in a joint project described below:

I. Development Objectives

The general objectives of the Family Planning Support Project are to assist and encourage the expansion and improvement of Moroccan Government and Voluntary Agency Maternal and Child Health and Family Planning (PMI-PF) institutions and services.

In accordance with these general objectives, the specific purpose of this agreement is to assist the Moroccan National Family Planning Association in gaining experience in the use of educational FP mobile units and demonstrating their value as disseminators of family planning information and education to urban and rural populations.

II. Fiscal Year - Implementation

A. Organizational Responsibilities The organization, planning and execution of this project will be the joint responsibility of the Ministry of Public Health and the Moroccan National Family Planning Association with technical assistance from the Population Council and USAID Public Health Advisors.

B. Scope of Work - Work Plan Under this project agreement

a) The Ministry of Public Health agrees to carry out the following work programs:

1. Assist the National Family Planning Association in planning, implementing and coordinating this program with similar ones conducted by the Ministry.
2. The Division of Health Education (Education Sanitaire) will receive the audio-visual equipment procured for this project by USAID and will be responsible for installing the equipment in the vehicle (acquired by the Association for this purpose) and for the maintenance of this equipment.

b) The Moroccan National Family Planning Association agrees to:

1. Cover outside costs for electrical installation and for equipping the vehicle with wooden storage cabinets. (cont'd)

Use this form to complete the information required in any block of a PIO or PAA form.

2. Staff and operate the mobile educational unit in urban as well as in rural areas of the district to which it will be assigned.

3. Cooperate with the Ministry of Public Health in the coordination of this program with the Ministry's educational programs in the field of family planning.

4. For the purpose of program evaluation the Association will provide monthly reports of the localities visited by the mobile unit, the number of educational sessions held and estimates of the number of attendants at the different sessions.

c) The USAID agrees to

1. Provide the audio-visual equipment described in the attached PIO/C for one mobile educational unit.

2. Pending the outcome of this demonstration project, and subject to the availability of funds, the USAID agrees to consider the purchase of audio-visual equipment for two or three additional mobile units at a later date.

C Funding Plan In carrying out the work to be performed under this project as described above, it is understood that each party to this agreement is committed only to those financial undertakings described below. Additional undertakings and contributions in implementation of project objectives may be made, as required and subject to availability of funds, through appropriate amendments.

1. U.S. contribution - FY 1973 \$ 3,000
commodities

2. Moroccan National FP Association contrib.
