Memorandum

TO : TA/PPU, Mr. Carl Fritz

DATE: October 13, 1976

FROM : TA/EHR, Robert W. Schmeding *[Signature]*

SUBJECT: Extension of Educational Technology Field Support Project Paper

The project paper for the Field Support Program in Educational Technology was approved for funding through the Transitional Quarter (T.Q.) and for services through FY 77. The project was funded at a total of \$1,899,000 of which \$1,639,000 was obligated. No money was obligated during the T.Q.

TA/EHR is in the process of revising this project paper in the new project paper format (PP) to bring it into line with the recommendations of TA/PPU. This revision process has taken more time than initially anticipated, but it will be completed and reviewed by the R&DC within the next few months.

We are requesting from ^{obligation authorization} TA/PPU an extension up to three months of the present project paper from October 1, 1976 to December 30, 1976. This extension will allow time for revision and also make possible the continuation of two projects under the project paper which are about to expire.

* the second activity will be a one month extension of Task Order #2 under the Academy for Educational Development BOA.

APPROVED: *[Signature]*

DISAPPROVED: _____

DATE: 10/20/76

** This actually represents approval to use FY 77 funds within a previously AA/TA approved project funding level. The contract previously was extended for two months. This extension makes a total of 5 months.*
