Summary Progress Statement for On-Going Population Projects

Project Title Family Planning/Non-Formal Educ. Goal or Reg. 5  
Project No. 820 Contractor/Grantee/PASA World Education

Implementation Progress

401I/400

OK  
PDAIF Bal. to 113  
3501 } only

Outputs

820

1. Develop literacy programs with a family planning content in LDCs.
2. Motivate LDC public to practice family planning.
3. Conduct workshop conferences and seminars in LDCs to train functional educators in the use of family planning materials.
4. Establish a publication program related to family planning materials commensurate with functional education curriculum.

Progress to Date & Relationship to Project Purpose and Goal

820

1. An analysis of 34 LDC's has been made defining the location and viability of functional education programs with estimates of their capability of incorporating family planning concepts for adult education programs.
2. Eight regional workshop conferences have been conducted to disseminate the availability of technical assistance to LDC's Ministries of Education or voluntary agencies to initiate family planning curricula in existing adult education programs.
3. An extensive population program of regular "reports", "population issues" curriculum design and other educational mini texts has been established.

**II. Project on Schedule; Life-of-Project Budget Accurate?**

**Project on schedule.**

**III. Significant Change(s) in Project Proposed?**

**None**
