Advice of Program Change

Country : Peru
Project Title : Expanded Urban Food for Work Program
Project No. : 527-0205
FY 1978 CP Reference : None
Appropriation Category : Food & Nutrition
FY 1978 Obligation : \$100,000

This is to advise that A.I.D. intends to obligate \$100,000 in FY 1978 for the Expanded Urban Food for Work program in Peru. A.I.D. will make an Operational Program Grant (OPG) to the Seven Day Adventists' World Services (SAWS), a U.S. private voluntary organization (PVO). The OPG will permit SAWS and its Peruvian PVO counterpart, OFASA, to expand and strengthen their food distribution program which is directed toward the urban poor of Lima's shantytowns. The OPG will be coordinated with an expanded P.L. 480 food-for-work program which will enable SAWS/OFASA to increase the number of participants in the program from 33,000 to 133,000 persons.

Over the three-year life of project, A.I.D. will supply \$288,000 which will be used principally to finance personnel and project support costs. SAWS, OFASA, and other cooperating local groups will provide \$238,000 to the project. The principal category of project costs financed by the PVOs is tools. Other costs to be financed include personnel, transportation, and project support.
