Between THE REPUBLIC OF INDONESIA ("Grantee") and
THE UNITED STATES OF AMERICA, acting through the
AGENCY FOR INTERNATIONAL DEVELOPMENT ("A.I.D.").

Article 1. The Agreement

The purpose of this agreement is to set out the understandings of the parties named above ("Parties") with respect to the undertaking by the Grantee of the project described below, and with respect to the financing of the Project by the Parties.

Article 2. The Project

SECTION 2.1. Definition of Project. The Project, which is further described in Annex 1, is designed to upgrade the Center for Educational Communication Technology for Education and Culture and develop the instructional technology departments of 4 teacher training institutions.

Annex 1, attached which forms a part of this agreement, amplifies the above definition of the Project. Within the limits of the above definition of the Project, elements of the amplified description stated in Annex 1 may be changed by written agreement of the authorized representatives of the Parties named in Section 8.2, without formal amendment of this Agreement.

SECTION 2.2. Incremental Nature of Project

(a) A.I.D.'s contribution to the Project will be provided in

increments, the initial one being made available in accordance with Section 3.1. of the Agreement. Subsequent increments will be subject to availability of funds to A.I.D. for this purpose, and to the mutual agreement of the Parties, at the time of a subsequent increment, to proceed.

(b) Within the overall Project Assistance Completion Date stated in this Agreement, A.I.D., based upon consultation with the Grantee, may specify in Project Implementation Letters appropriate time periods for the utilization of funds granted by A.I.D. under an individual increment of assistance.

Article 3. Financing

SECTION 3.1. The Grant. To assist the Grantee to meet the costs of carrying out the Project, A.I.D., pursuant to the Foreign Assistance Act of 1961, as amended, agrees to grant the Grantee under the terms of this agreement not to exceed one million United States ("U.S.") dollars (\$1,000,000) ("Grant").

The Grant may be used to finance foreign exchange and local currency costs, as defined in Sections 6.1. and 6.2, of services and training required for the Project.

SECTION 3.2. Grantee Resources for the Project

(a) The Grantee agrees to provide or cause to be provided for the Project all funds, in addition to the Grant, and all other resources to carry out the Project effectively and in a timely manner. The Government of Indonesia agrees that its contribution will be provided on a timely basis.

(b) The resources provided by the Grantee for the total project (both Grant and Loan) will be not less than the equivalent of \$1,000,000 including costs borne on an "in-kind" basis.

SECTION 3.3. Project Assistance Completion Date

(a) The "Project Assistance Completion Date" (PACD), which is December 31, 1983 or such other date as the Parties may agree to in writing, is the date by which the Parties estimate that all services financed under the Grant will have been performed and all goods financed under the Grant will have been furnished for the Project as contemplated in this agreement.

(b) Except as A.I.D. may otherwise agree in writing, A.I.D. will not issue or approve documentation which would authorize disbursement of the Grant for services performed subsequent to the PACD or for goods furnished for the Project, as contemplated in this Agreement, subsequent to the PACD.

(c) Requests for disbursement, accompanied by necessary supporting documentation prescribed in Project Implementation Letters are to be received by A.I.D. or any bank described in Section 7.1. no later than nine (9) months following the PACD, or such other period as A.I.D. agrees to in writing. After such period, A.I.D., giving notice in writing to the Grantee, may at any time or times reduce the amount of the Grant by all or any part thereof for which requests for disbursement, accompanied by necessary supporting documentation prescribed in Project Implementation Letters, were not received before the expiration of said period.

Article 4. Conditions Precedent to Disbursement

(b) A copy of the decree establishing the Center for Communication Technology for Education and Culture.

(c) Written assurance that the estimated annual expenditures for each year during which the project is being conducted (other than U.S. dollar costs funded under the grant) will be made available to permit the work of the project to proceed on a timely basis, and a budgetary allocation for the project will be made for the Indonesia financial year 1979-80.

SECTION 4.2. Notification. When A.I.D. has determined that the condition precedent specified in Section 4.1. has been met, it will promptly notify the Grantee.

SECTION 4.3. Terminal Dates for Conditions Precedent. If the condition precedent specified in Section 4.1. has not been met within 90 days from the date of this agreement, or such later date or dates as A.I.D. may agree to in writing, A.I.D., at its option, may terminate this agreement by written notice to Grantee.

AMPLIFIED DESCRIPTION OF THE PROJECT1. Purpose

To assist the Government of Indonesia (GOI) with the development and implementation of a national capability in educational communications technology.

2. Financing

The project will be financed from funds provided by A.I.D. and the Government of Indonesia (GOI). AID will provide in US FY79 up to \$1,000,000 in grant funds (AID Grant No.497-0296). These initial funds will assist the GOI in carrying out its Educational Communication Development Program for fiscal years 1979/80 and 1980/81. The GOI agrees to provide not less than \$1,000,000 making total funds available for the project of \$2,000,000 as described in the attached Financial Plan.

Subject to the availability of funds, an additional \$1,000,000 of grant funds plus \$4,000,000 of loan funds will be made available in US FY 1980. This would make the total AID contribution \$6,000,000. At such time the GOI will provide an additional amount of not less than \$4,000,000 for the project making a total GOI contribution of \$5,000,000. Thus the total contribution of AID and the GOI over the life of the project would be not less than \$11,000,000.

Changes of up to 30 percent may be made to line items shown in the Financial Plan (attached) for this phase without formal

amendment of this agreement provided that AID approves any such changes in writing, and that the total AID contribution is not increased or the GOI agreed contribution for this phase is not decreased below that shown on the applicable plan.

The skills of the center's personnel will be expanded and upgraded in the areas of Radio & TV production; management; education technology; and, planning. Media departments will be established and functioning in four teacher training institutions.

The project outputs over a four-year period should include:

- (a) training materials in 6 media categories, 20 hours of TV program and 25 hours of radio program for community education;
- (b) 300 radio programs per year for primary teacher in-service training;
- (c) 30 instructional kits, 60 filmstrips, 300 hours of radio program, 1200 printed modules for open junior secondary schools;

- (e) 10 pilot children TV programs produced for the Child Development Media Program;
- (f) 6 studies completed under the research program;
- (g) library of 20,000 volumes;
- (h) 8 Ph.D.'s, 18 M.A. degrees obtained plus 60 months of short term training; and
- (i) establishment of media departments in four teacher training institutions.

4. Project Management

The Center for Communication Technology for Education and Culture (PTKPK) will have overall responsibility for general guidance and implementation of the project with the assistance of the technical advisory team being financed by an A.I.D. grant.

5. Project Duration

May 1979 through December 1983.

6. Implementation Reimbursement

DEC monitors the project in cooperation with AID to insure compliance with jointly approved project description, selection criteria and cost estimates. SECTION D.2. Refunds.

(a) In the case of any disbursement which is not supported by valid documentation in accordance with this Agreement, or which is not made or used in accordance with this Agreement, or which was for goods or services not used in accordance with this Agreement, A.I.D., notwithstanding the availability or exercise of any other remedies under this Agreement, may require the Grantee to refund the amount of such disbursement in U.S. Dollars to A.I.D. within sixty (60) days after receipt of a request therefor.

(b) If the failure of Grantee to comply with any of its obligations under this Agreement has the result that goods or services financed under the Grant are not used effectively in accordance with this Agreement, A.I.D. may require the Grantee to refund all or any part of the amount of the disbursements under this Agreement for such goods or services in U.S. Dollars to A.I.D. within sixty days after receipt of a request therefor.

(c) The right under subsection (a) or (b) to require a refund of a disbursement will continue, notwithstanding any other provision of this Agreement, for three years from the date of the last disbursement under this Agreement.

(d) (1) Any refund under subsection (a) or (b), or (2) any refund to A.I.D. from a contractor, supplier, bank or other third party with respect to goods or services financed under the Grant, which refund relates to an unreasonable price for or erroneous invoicing of goods or services, or to goods that did not conform to specifications, or to services that were inadequate, will (A) be made available first for the cost of goods and services required for the Project, to the extent justified, and (B) the remainder, if any, will be applied to reduce the amount of the Grant.

Article D: Termination; Remedies (Continued)

(e) Any interest or other earnings on Grant funds disbursed by A.I.D. to the Grantee under this Agreement prior to the authorized use of such funds for the Project will be returned to A.I.D. in U.S. Dollars by the Grantee.

SECTION D.3. Nonwaiver of Remedies. No delay in exercising any right or remedy accruing to a Party in connection with its financing under this Agreement will be construed as a waiver of such right or remedy.

SECTION D.4. Assignment. The Grantee agrees, upon request, to execute an assignment to A.I.D. of any cause of action which may accrue to the Grantee in connection with or arising out of the contractual performance or breach of performance by a party to a direct U.S. Dollar contract with A.I.D. financed in whole or in part out of funds granted by A.I.D. under this Agreement.
