PROJECT AUTHORIZATION

Country: Worldwide

Project Title: Population Technical Assistance  
Project No.: 936-3024

1. Pursuant to Section 104 of the Foreign Assistance Act of 1961 as amended, I hereby authorize up to \$11,750,000 in grant funding over the ten year period 1984-1993 for the centrally funded Population Technical Assistance project. Project funding will be in annual increments and will be subject to the availability of funds, in accordance with normal AID/OYB allotment procedures.

2. In addition, up to \$8,215,000 in supplemental funding is approved for other bureau and mission add-ons.

3. The purpose of the project is to improve the effectiveness of population programs by providing short-term technical assistance services. To this end, the project provides expert consultant services to public and private institutions worldwide to strengthen the design, implementation and evaluation of family planning programs.

4. The contract or other agreement(s) which may be negotiated and executed by the officer(s) to whom such authority is delegated in accordance with A.I.D. regulations and Delegations of Authority shall be subject to the following terms and conditions together with such other terms and conditions as A.I.D. may deem appropriate.

5. Source and origin of goods and services

a. Each developing country where assistance is rendered under this project shall be deemed to be a cooperating country for the purpose of permitting local cost financing.

b. Goods and services shall have their source and origin in the cooperating country or in the United States except as A.I.D. may otherwise agree in writing. Expert consultants and support staff detailed to technical assistance assignments under this project may be residents of any free world country, as defined by A.I.D. geographic code 935.

ACTION MEMORANDUM FOR THE AGENCY DIRECTOR, S&T/HP

FROM: S&T/POP, Steven W. Sinding *AWA*

SUBJECT: Population Technical Assistance Project 936-3024

Action: Your approval is requested for the attached amendment to the authorization for subject project.

Discussion: The Population Technical Assistance project was authorized by Dr. Brady on March 5, 1984 for up to \$11,750,000 over a ten-year period. An amendment to that authorization is now required to reflect a subsequent decision by the Administrator to reduce the duration of the project to two-years. The LOP funding is reduced accordingly. A revised Advice of Program Change is in process.

Recommendation: That you sign the attached authorization amendment.
