I. INTRODUCTION

AMIDEAST presents the sixth Comprehensive Report on the Peace Fellowship Program (PFP) for Egypt, covering all project activities from January 16, 1983 through July 15, 1983. A major human resource development project, the PFP was established jointly by the governments of the Arab Republic of Egypt and the United States. The PFP is committed to the education and training of 1500-1900 young Egyptian professionals at the advanced graduate level, at institutions throughout the U.S., in fields considered relevant to Egypt's needs as a developing nation. Funds for the PFP are provided through the U.S. Agency for International Development (USAID).

*up to 1,900*

On the basis of its thirty years experience designing and operating human resource development programs for the Middle East, AMIDEAST was selected by the Egyptian government to administer the PFP for a five-year period, through July 1985. AMIDEAST provides technical, support, advisory, and training services, which include counseling, document preparation, placement, financial disbursement, orientation, program monitoring, record-keeping, and providing periodic reports, of which this twice-yearly Comprehensive Report is one example. All procedures followed are in accordance with established USAID guidelines for participant training programs.

Candidates are nominated for the PFP by Egyptian universities, research institutions, government ministries, and public and private companies, for sponsorship in academic programs of 10- or 21-month duration. Selection of participants is made by the Egyptian Ministry of Higher Education (MOHE), based on academic excellence and potential contribution to Egypt's development needs. Emphasis is therefore placed on such fields as Agriculture, Architecture, Business, Economics, Education, Engineering, Medicine, and Public Health. Peace Fellows enroll in programs of coursework and research at the graduate and post-doctoral level.

This report will provide information about program activities during the past six months, relating to the ongoing placement and counseling of Peace Fellows, and about program developments and issues discussed by AMIDEAST, the MOHE, and USAID in recent meetings. The report will identify problem areas and include recommendations for their resolution. Addenda in the form of charts and lists will present extensive cumulative data about PFP participants from the project's inception in July 1980 to mid-July 1983.

## II. CAIRO FIELD OFFICE ACTIVITIES

During this reporting period, 231 Peace Fellow's files were received from the Missions Department. Sixty six files were returned to the Missions for reasons such as withdrawal from the program, not showing up for interviews, or insufficient English language proficiency. A total of 318 files were completed and forwarded to AMIDEAST/Washington for placement processing. As of July 15, 1983, the files of 29 10-month Peace Fellows and 26 21-month Peace Fellows were pending completion in the Cairo office; no files were still awaiting the PF to show up for the interview.

The TOEFL exam was administered five times, with the following results:

Exam Date	# PFs Registered	# PFs Tested	550 + Above	500 - 549	450 - 499	Below 450
Jan 1983	51	46	3	10	18	15
Feb 1983	27	26	1	9	12	4
Mar 1983	48	43	1	14	17	11
May 1983	56	50	6	11	21	12
Jun 1983	51	- - - -	Results not yet available - - - -			

Four pre-departure orientation programs were conducted at the American Cultural Center in Garden City. Features of the orientation program are an introduction to the library system used at the Center,

two films ("Student Life in the U.S." and "Graduate Study in the U.S."), a discussion of differing cultural patterns in the U.S. and Egypt presented either by Mrs. Betty Atherton, the wife of Ambassador Atherton, or by Mrs. Marian Precht, the wife of Deputy Chief of Mission, a welcome and discussion of Peace Fellowship Program pre-departure requirements by AMIDEAST/Cairo Director Ronald Wolfe, a presentation by staff members of the Missions Department, and a roundtable discussion about life in the U.S. on the Peace Fellowship Program, with returned Peace Fellows providing first-hand observations and comments. A total of 68 prospective Peace Fellows attended these sessions. The number of Peace Fellows who travelled from Cairo to the U.S. during this time was 178.

Counselor Sue Khalifa continued to travel to Alexandria to meet with Peace Fellows, conduct interviews, review recently-received correspondence, and make other necessary arrangements. A total of 805 meetings with Peace Fellows were recorded during 23 one-day visits. This activity offered great convenience to Peace Fellows in the Alexandria area, who no longer have to take time off from work and pay the expenses of travel and lodging in order to conduct their necessary Peace Fellowship business in Cairo. It has also reduced the high pressure of student traffic in the AMIDEAST/Cairo office.

During this reporting period three training programs were conducted in the Cairo office for Missions Department personnel. The trainees, their titles, and the length of their training programs are given below:

Ms. Omayma Ahmed Farahat  
Technical Member, Financial Section, Missions Department  
February 27 - March 31, 1983

Mr. Mahfouz Moustafa Ahmed  
Head, Nominations Unit, Missions Department  
April 3 - 28, 1983

Mr. Salah Abou El Kheir  
Technical Member, Students Care Section, Missions Department  
May 2 - June 2, 1983

The elements of the training program at the AMIDEAST/Cairo office include a week of observation and work with each of four distinct phases of the Peace Fellowship operation: the reference library of U.S. educational materials, the student counseling unit, the program coordinator's office, and the correspondence and follow-up section of the office. During this training program each trainee became involved in advising student visitors to the office including Peace Fellows, and familiarized themselves with how correspondence flows between the AMIDEAST offices and the Egyptian government, learned basic information related to U.S. university requirements, and learned about specialized tests, including TOEFL, GRE, GMAT, LSAT, ECFMG, and the VQE. They were given the opportunity to observe first hand orientation programs, learn travel and visa procedures, and review all the documents and papers which are required to make submissions to American universities for academic placement.

It is hoped that the Missions Department will continue to assign staff members to the AMIDEAST/Cairo office for training programs. The result is to strengthen relationships between our offices, improve the ability of the Missions Department to conduct its own student programs, and to make our staff members more aware of the procedures, requirements, and constraints of each other.

### III. AMIDEAST/WASHINGTON PROGRAM ACTIVITIES

#### A. PLACEMENT

From January 16, 1983 to July 15, 1983, 318 files were received at AMIDEAST/Washington, bringing to 1575 the total number of placement cases undertaken. Ten of these 318 have since been withdrawn at the request of the MOHF. The following should be noted about the 308 files entering active placement status during this 6-month period:

##### 1. Length of fellowship

10 (13) months.....	191	(63%)
21 (24) months.....	113	(36%)
20 months.....	4	(1%)

##### 2. Degree/non-degree goal

Ph.D.....	61	
M.S.....	37	
	<u>98</u>	(32%)
Degree program admission sought.....		
Master's level courses & research.....	152	
Doctoral level courses & research.....	37	
Post-doctoral research.....	<u>21</u>	
Non-degree admissions sought.....	210	(68%)

##### 3. English language preparation measured in TOEFL scores

Above 525.....	61
500-525.....	45
450-500.....	107
Below 450.....	1
No TOEFL sent with file.....	74

#### 4. Fields of study

Health-related fields.....	99	(33%)
Engineering & applied sciences.....	91	(30%)
Education & social sciences.....	44	(14%)
Agriculture.....	33	(11%)
Business Administration.....	30	(10%)
Architecture.....	6	(1%)
Economics.....	5	(1%)

#### 5. Sponsorship

Universities.....	124	(40%)
Government ministries.....	95	(31%)
Public & private companies.....	72	(24%)
Research institutes & academies.....	17	(5%)

#### 6. Gender

Male.....	238	(78%)
Female.....	70	(22%)

#### 7. Cumulative placement statistics

Total files received from beginning of PFP.....	1575
Number of participants who have completed programs.....	440
Number of participants currently enrolled in U.S.....	495
Number of participants withdrawn/cancelled.....	111
Number of PF placements pending.....	529

These statistics portray a project of great size and complexity. Numerous cases require individual handling due to the inadequate English language preparation of many Peace Fellows, their highly specific academic subject goals, and the need to complete these goals within a designated specific time.

The average TOEFL score for Peace Fellows nominated during this 6-month period is just under 500. Most accredited U.S. universities now require 550 for admission to graduate programs. Almost 60% of these Peace Fellows will therefore be required to enroll in an intensive English language program before qualifying to begin their academic studies.

Approximately three-quarters of these recently-received cases are majoring in very specialized fields of study within medicine, engineering, the applied sciences, and agriculture. The greater the degree of specialization sought, the smaller the number of universities offering suitable programs. The problem is compounded when the only school or schools which offer the PF's specialty require a TOEFL score higher than 500 prior to admission.

Nevertheless, AMIDEAST's placement efforts have been highly successful. Of the 1575 files received in Washington since the inception of the Peace Fellowship Program, 440 Peace Fellows have already completed programs in the U.S. There are currently 495 Peace Fellows in U.S. programs. Per Missions Department requests we have withdrawn 111 files from the program. Another 529 are now in placement pending status. Approximately 360 have received offers of admission to a U.S. university and are preparing to embark on their programs. Some 100 of these should arrive in time for Fall 1983. AMIDEAST anticipates that over 200 more Peace Fellows will arrive in the U.S. to begin programs by Winter 1984, and virtually all the rest of the currently pending cases will be placed by Fall 1984.

*are most cases needed?*

## B. ARRIVAL PREPARATIONS

One of the major activities during the Spring 1983 involved planning for the arrival in the U.S. of the large group of Peace Fellows beginning Fall 1983 academic programs. 187 Peace Fellows arrived during the period of this report, most of them coming in late spring to enroll in summer English courses before starting their academic endeavors. Virtually all arrivals from Egypt attended orientation programs at AMIDEAST/Washington, conducted by the Peace Fellowship Program staff, before travelling on to their campus destinations. An additional 200 PFs are expected to arrive in the U.S. during the late summer and early fall.

## C. CAMPUS VISITS

During the months of March, April, and May 1983, the PFP staff visited a total of 254 Peace Fellows at 73 institutions in 29 states. These visits provide the Peace Fellowship Program with valuable information about each Peace Fellow's individual progress at his/her academic institution. In addition, they provide an opportunity for discussing the PFP with university professors, administrators, and admissions personnel; these contacts are often significant in facilitating the placement of future PFs at those institutions. Samples of the reports written about each PF visited are included in the appendix.

## D. STAFF CONFERENCE AND SEMINAR ATTENDANCE

1. National Association for Foreign Student Affairs (NAFSA)  
National Conference, May 24-27, 1983, Cincinnati, Ohio

Donna Ives MacInnes, Placement and Counseling Supervisor for the PFP, and Ronald Wolfe, Director of the AMIDEAST/Cairo office, both attended the largest NAFSA conference of the year. Sessions

of particular relevance to the PFP treated current issues in graduate admissions policies for foreign students, U.S. Immigration and Naturalization Service requirements for F, J, and M student visas, perspectives on the administration of sponsored student programs, and an update on the problems of placement in U.S. institutions by representatives of the governments of several Middle Eastern countries.

2. U.S. Information Agency, Educational and Cultural Affairs  
National Liaison Committee on Foreign Student Admissions  
Seminar on Current Developments in Higher Education,  
June 8, 1983, Washington, D.C.

Donna MacInnes also represented AMIDEAST and the PFP at this one-day seminar. Also present were representatives of several Washington-based international educational organizations and cultural officers from a number of foreign embassies. Presentations were given on current trends and access to the U.S. higher education system, as well as an overview of the certification of educational documents.

3. Special seminar on Peace Fellows in Dentistry  
University of Illinois, Chicago, Schools of Dentistry  
Continuing Education, May 18-19, 1983, Chicago, Illinois

Jan Rush, Senior Educational Specialist for the Peace Fellowship Program, attended this special two-day seminar, which was held specifically to evaluate the progress and goals of the 5 PFs now enrolled in non-degree dental training programs at the University of Illinois, Chicago. The institution demonstrated its strong interest in designing programs especially to meet the needs of current and future Peace Fellows.

#### E. VISA EXTENSIONS FOR FORMER PEACE FELLOWS

At the request of the Program Management Committee, AMIDEAST will no longer prepare papers for extension of USAID J-1 visas for those former PFs continuing their U.S. study under Missions Department sponsorship. Ms. Carol Pintor, Counselor at the Egyptian Cultural and Educational Bureau, was trained by the Peace Fellowship Program's Senior Administrative Assistant, Amy Levine, in the procedures for arranging visa extensions. The ECEB staff and the AMIDEAST staff continue to confer on this issue, in order to ensure smooth handling of these visa transitions. As of this writing, USAID continues to allow former Peace Fellows to remain in the U.S. on the AID J-1 visa while the matter is given close consideration.

#### IV. MID-PROJECT REVIEW, FEBRUARY 1983, CAIRO

A series of valuable meetings was held in Cairo during February of this year which provided a forum for the exchange of ideas about the future of the Peace Fellowship Program. AMIDEAST's executive staff in attendance were Orin Parker, President, Dorothy LaGuardia, Senior Vice-President for Educational Services, William Benz, Vice-President for Finance and Administration, and Amany El Difrawy, Director of the Peace Fellowship Program.

Meeting with Dr. Abdel Meguid El Sayed and Mr. Fawzy Abdel Zaher, members of the Program Management Committee, and with the senior USAID/Cairo officials concerned with the PFP, the AMIDEAST delegation had an excellent opportunity for a productive exchange of information. AMIDEAST presented Amendments 3 and 4. The first, concerning the alteration of the overhead rate, was approved. The second, concerning the possible extension of PFP administration through December 1985, is still under discussion.

*why suggested?*

Cases of this sort could be referred to the Egyptian Cultural and Educational Bureau for approval of program extensions up to two weeks in length, only where the extension will accommodate the last classes, exams, and research projects in the PF's final academic term. Longer extensions that would alter or expand the Peace Fellow's original study plan would still require Missions Department approval.

B. LENGTH OF ENGLISH LANGUAGE PROGRAM EXTENSIONS

The Missions Department has approved 3-month extensions for English language training in the U.S. for those Peace Fellows with TOEFL scores between 450 and 500. As in the above issue, it cannot be assumed that all intensive English language programs will be a uniform 3 months in length. There is great variation in the duration of suitable English programs at different U.S. institutions. Some are no more than 6 weeks, others require a full calendar term of 15 weeks, before the PF is permitted to begin the academic portion of his program. Currently, some Peace Fellows are actually using only part of their 3-month extensions for English and the rest for additional academic work, while others must reduce their academic endeavors in order to fulfill a longer English program requirement.

*seems logical*

[We recommend that the period of English language extensions be called "one term" or "one quarter" rather than 3 months.] In this way, it can be awarded so that it matches the actual length of the English program in which the Peace Fellow will be registered. AMIDEAST is prepared to document these English program durations at the time placement approval is sought from the Director of the Egyptian Cultural and Educational Bureau.

During this visit to Cairo, Mrs. El Difrawy also worked closely with the Cairo/PPF staff to streamline office procedures, and presented a proposal for the re-allocation of funding for staffing the Cairo office, which was adopted.

V. PROBLEM ISSUES AND RECOMMENDATIONS FOR THEIR RESOLUTION

A. FELLOWSHIP LENGTH

6-14-73  
VI

The initial decision to award Peace Fellowship for 10 or 21 months was made with the intention that the fellowship would cover one or two full years of academic study. However, this original definition did not take into account the tremendous variation in the academic calendars followed by U.S. institutions. We have continually been faced with the problem of Peace Fellows whose exact fellowship ending date falls before the end of their final academic term. AMIDEAST is not authorized to grant extensions of even a few days, although in both USAID's participant training programs and the Missions Department's own fellowship programs this flexibility exists. This often means that we cannot permit Peace Fellows the opportunity of arriving more than a few days before the beginning of classes in order to find housing and to adjust to their new surroundings before starting a rigorous academic schedule; otherwise, they would fall short of fellowship time at the end of their programs.

In these cases, AMIDEAST expends considerable staff time and communication costs in discussing options with the PF, his academic advisors, university admissions personnel, and ultimately with the Missions Department, whose approval for the change of an ending date is required.

7-10-73

We recommend that Peace Fellows be given the same rights for up to 2 weeks' flexibility in their program ending date, as are extended to participants on Missions and USAID programs, without the costly and time-consuming process of obtaining Missions approval.

### C. AUTHORIZATION FOR ENGLISH EXTENSIONS FOR 500 + ABOVE TOEFLS

The Program Management Committee has now established that a TOEFL score of 500 qualifies a Peace Fellow to begin his academic program. PFs with TOEFLs of 450-500 have blanket PMC approval to take English. Those with TOEFLs over 500 must be submitted for Missions authorization for additional English. However, AMIDEAST has continued to provide documentation supporting our finding that most U.S. universities now require either a TOEFL score of 550 prior to graduate academic enrollment or on-site testing after the PF arrives, with the possibility that additional English will be required, regardless of the original TOEFL score. Wherever possible, we seek to place Peace Fellows in institutions with more lenient TOEFL requirements, but given the highly specific study plans requested by our participants, this is not always possible.

In some cases, a complete impasse has been reached: the only institutions offering programs suitable to a Peace Fellow's advanced and specific study plan require a 550 TOEFL or require that the student take additional English courses although his TOEFL is above 500.

We recommend that the Director of the ECEB be granted authority to approve English language study for those PFs with TOEFLs over 500 who would otherwise not be placed in appropriate U.S. programs. AMIDEAST will provide documentation about our placement efforts and evidence that the PF's specialty can only be accommodated at schools requiring TOEFLs above 500 or requiring that the PF be tested upon arrival and possible be required to enroll in English courses. Currently, we must send to Cairo for PMC approval of these cases; this takes so long that the program starting date often has to be re-negotiated; in some instances, the delay may prevent a Peace Fellow's participating at all. Considerable time would be saved if this approval could be granted in the U.S.

#### D. DEGREE GOALS OF MOST PEACE FELLOWS

It became clear early in the Peace Fellowship Program that, although the program was originally designed to provide non-degree academic training, most Peace Fellows preferred to earn a degree during their stay in the U.S. For the PFs from the university sector, PMC modifications approved in August 1981 provided the possibility of applying for Missions Department support to continue their U.S. study through completion of the M.S. or Ph.D. degree.

The desire to earn a degree at a U.S. institution has also been strongly expressed by Peace Fellows from the government and private sectors. In some cases, the PMC has approved extensions up to a total of 12 months for short-term Peace Fellows to earn a degree. In other cases, the PMC has given approval for short-term PFs to remain in the U.S. on the AID J-1 visa in order to complete a degree, but at their own expense or with the financial support of their U.S. university.

JCO.  
If the Peace Fellowship Program is extended or a similar new program implemented, we recommend that serious consideration be given to the universal desire to earn a tangible credential as a result of U.S. study. It has been very satisfying to witness the large number of participants from the public and private sectors who, although they have been away from an academic atmosphere for some time, energetically immersed themselves in their academic programs and performed extremely well. They have found great personal enrichment by this success, but it is undeniable that they would prefer -- and their employers might also benefit from -- earning a degree as a formal measure of their accomplishment.

Most Master's degrees can be obtained within 18 months, or at most 24 months (if English or other remedial courses are required).

#### E. RESEARCH PROGRAM EXPENSES

In a very few instances, research program placements have not been approved on the basis of their costs being too high. We feel that this situation should be re-examined. Tuition costs at U.S. universities have risen considerably, yet the cost of tuition is not considered a factor in the approval of a coursework program. Depending upon the particular study plan or needs of a Peace Fellow, it may be that suitable programs offering relevant research activities are only available at a few or even a single institution. AMIDEAST concurs with the MOHE's desire to keep costs as low as possible so that fellowship support can be offered to the largest number of participants. However, there are cases in which a research program is uniquely appropriate for a Peace Fellow, although it is costly. PFP placement staff regularly attempt to negotiate with U.S. institutions to reduce the costs of proposed research programs, but this should not be at the expense of the quality of the program.

We continue to work closely with the Director for the ECEB to review and discuss these cases and costs. We wish to emphasize, however, that there are as many unusually low-cost programs as high-cost ones, and the overall expenditures will remain at an acceptable average level per participant, well within the budgeted figure for average PF program costs.

#### F. UNEXPECTED EXTENSIONS OF PEACE FELLOWS' PROGRAMS

In response to PF and U.S. university requests, the PMC has approved a number of extensions beyond the originally established ending dates. AMIDEAST agrees that it is preferable for any participant to complete the largest academic project possible, in his perhaps one-time-only chance for U.S. study. However, we wish to point out that the administration of these extensions is costly and time-consuming. Whenever possible, longer fellowship awards to meet expanded academic goals should be considered in advance of the Peace Fellow's arrival in the U.S.

## VI. CONCLUSION

Now that three years have passed since the beginning of the Peace Fellowship Program, it is evident that original project goals are within reach. Despite the initial shortfall of placeable candidates, due to English language inadequacy, 935 participants are currently or have been enrolled in programs of study in the U.S. Given AMIDEAST's earlier estimate that program funds already allocated would cover 1750 participants, there remain 704 Peace Fellows still to engage in programs (excluding the 111 withdrawn from the fellowship rolls). Current placement efforts assure the participation of 529 more Peace Fellows. AMIDEAST is ready to find placements for the remaining 175 candidates, as soon as their files are presented to our office.

There have been many success stories among the participants who have completed programs at U.S. institutions, and numerous Peace Fellows have commented on the direct application to their work in Egypt of their academic and training experiences in the U.S. But it will be in the future that the greatest success of the Peace Fellowship Program will be observed: the ongoing professional and personal relationships between members of the U.S. academic community and the 1750 Peace Fellows taking up their leadership roles in the academic, governmental, and business sectors of Egypt ensure the continuation of joint development efforts between our two nations, to the benefit of all.

Field of Study Distribution of  
Currently Enrolled Peace Fellows

**Previous Page Blank**

FIELD OF STUDY DISTRIBUTION OF CURRENTLY ENROLLED PEACE FELLOWSAGRICULTUREPOST-DOCTORAL RESEARCH PROGRAMS

302	Aly Abdel Hady ALY	Plant Pathology	South Dakota State U
333	Nahed GHONIEM	Veterinary Public Health	U of Illinois/Urbana
448	Mohamed MARZOUK	Veterinary Hygiene	Cal State/San Bernardino
705	Laila SOLIMAN	Organic Chemistry	U of Iowa
723	Nabil HEMEIDA	Veterinary Medicine	U of Illinois/Urbana
736	Mahmoud EL DEEK	Agronomy/Weed Control	Purdue U
746	Adel EL BADRY	Veterinary Medicine	Cornell U
816	Mohamed ABBAS	Agriculture	U of Florida
823	Mostafa EL KATTAN	Microbiology	U of Illinois/Urbana
932	Mohamed RAKHA	Agricultural Zoology	U of Florida
965	Mohamed OTHMAN	Pesticide Chemistry	U of California/Riverside
966	Mohamed EL SHAZLY	Veterinary Pathology	U of Illinois/Urbana
971	Mohamed SHOUKRY	Veterinary Medicine	U of Illinois/Urbana
1156	Ahmed AHMED	Botany	U of Texas/Austin
1166	Rabei SALEH	Veterinary Medicine	Cal State/San Bernardino
1171	Abdel Raouf GHALLAB	Veterinary Medicine	U of Illinois/Urbana
1189	Mohamed MAKR	Food Science	U of California/Davis
1321	El Sayed EL BANHAWY	Entomology	Cornell U

PhD PROGRAMS

159	Mohsen GAMEH	Agronomy/Soil Science	U of Maryland
266	Hussein RAGHAB	Agriculture	Michigan State U
287	Sabry ALY	Veterinary Medicine	Cornell U
306	Saleh MOHAMED	Animal Reproduction	Colorado State U
318	Hesham ABDEL KADER	Horticulture	U of Missouri
382	Mohamed EL ERAKY	Agricultural Economics	Michigan State U
406	Ahmed SOLIMAN	Botany	New Mexico State U
449	Samir KALINI	Agricultural Biochemistry	U of Maryland
492	Ansawy MOFTAH	Plant Physiology	U of Georgia
527	Alaa El Din MORSY	Agriculture	U of Maryland
539	George MOURAD	Agricultural Genetics	U of Missouri

**Previous Page Blank**

FIELD OF STUDY DISTRIBUTION OF CURRENTLY ENROLLED PEACE FELLOWSAGRICULTUREPhD PROGRAMS - continued

543	H. EL SAID ABDEL FATTAH	Veterinary Medicine	Louisiana State U
545	Ahmed AGGOUR	Horticulture	U of Nebraska
549	Mahmoud EL AROUSSI	Poultry Science	U of Missouri
565	Fawzy HASHEM	Soil Microbiology	U of Maryland
566	Nashaat SAAD	Animal Nutrition	Mississippi State U
580	Salah SELIM	Plant Pathology	Purdue U
588	Hani SABRI	Poultry Production	U of Florida
589	Mohamed BEDAIWY	Soil & Water Science	U of California/Davis
599	Aly EL SHERBINI	Ecology	U of California/Davis
622	Ezz El Din ABUSTEIN	Crop Science	North Carolina State U
632	Ali NAWAR	Agronomy	U of Arizona
642	Enayat GOMAA	Dairy Technology	Michigan State U
721	Mona SHOUKRY	Entomology	Cornell U
785	Mohamed SHAMS EL DIN	Nematology	U of Florida
818	El Sayed EL KHATIB	Agriculture	West Virginia U
832	Siham ABDEL GHAFfour	Plant Pathology	Utah State U
856	Wafaa ABDOU	Organic Chemistry	Rutgers U
887	Yousria BAHNASSEY	Cereal Chemistry	North Dakota State U
888	Mosad SHETAEWI	Agriculture	New Mexico State U
890	Mahfouz ABDEL GAWAD	Agriculture	U of Florida
919	Ahmed EL BAKRY	Botany	Michigan State U
959	Emad DAOUD	Biochemistry	Colorado State U
964	Hussein AFEEFY	Organic Chemistry	Pennsylvania State U
973	Mohamed MOUBASHER	Microbiology	U of Texas
979	Taha ABD EL GAWAD	Plant Pathology	U of Georgia
987	Hany ABDEL SALAM	Riology	Duke U
994	William SAID	Entomology	U of Georgia
999	Soliman MOUSA	Agriculture	U of Maryland
1001	Ahmed EL SHAHABY	Soil Microbiology	New Mexico State U
1008	Essam ABDEL HAMID	Biochemistry	U of Tennessee
1031	Gamal HABIB	Parasitology	Old Dominion U
1035	Mamdouh EL HARRIS	Soil Science	U of Arizona
1042	Mahmoud ABDEL AAL	Botany	Texas Tech U

FIELD OF STUDY DISTRIBUTION OF CURRENTLY ENROLLED PEACE FELLOWSAGRICULTUREPhD PROGRAMS - continued

1045	Kamal KAMALY	Food Science	U of Wisconsin
1046	Mohamed SHEREIF	Fisheries & Wildlife	Michigan State U
1063	Mona MELEKA	Veterinary Medicine	Michigan State U
1081	Mohamed IBRAHIM	Agricultural Engineering	U of Maryland
1086	Mohamed KENAWI	Food Science	Michigan State U
1139	Magdy MONTASSER	Plant Pathology -	Rutgers U
1192	Abdel Hady ABDEL NABY	Animal Science	Iowa State U
1203	Laila MOURSY	Entomology	U of Minnesota
1252	Aisha AHMED	Agriculture	U of Arizona
1253	Mohamed DESOKY	Agronomy	U of Maryland
1279	Ibrahim ABDEL HADY	Agriculture	Iowa State U
1333	Medhat RISKALLAH	Agriculture	North Carolina State U
1366	Abdel Rasek EL NAGGAR	Horticulture	U of Nebraska
1403	Samir RABIE	Food Science	Michigan State U
1405	Mariam EL DEEB	Poultry Nutrition	New Mexico State U
1535	Gazaa MORSY	Veterinary Microbiology	Purdue U
1536	Mohamed SADEK	Animal Production	Iowa State U

MASTER'S PROGRAMS

272	Samia EL TOUNY	Entomology	U of Georgia
297	Taha ABDEL LATIF	Agriculture	Michigan State U
346	Laila ABDEL NASSER	Botany	Clemson U
443	Salah ATTIA ISMAIL	Animal Science	Michigan State U
475	Mohamed IBRAHIM	Plant Pathology	Louisiana State U
533	Shaaban KOTB	Agriculture	U of Maryland
623	Abdalla EL BAHRAWY	Food Science/Microbiology	Michigan State U
639	El Sayed HASSANEEN	Horticulture	Ohio State U
665	Mervat SALEEB	Veterinary Medicine	U of Georgia
706	Badran HASSANEIN	Soil Science	Utah State U
745	Ahmed ABDEL BAR	Agricultural Economics	Western Illinois U
749	Adel EL SHERIF	Agricultural Economics	Ohio State U
783	Ibrahim SHIHA	Entomology/Beekeeping	U of Georgia

FIELD OF STUDY DISTRIBUTION OF CURRENTLY ENROLLED PEACE FELLOWSAGRICULTUREMASTER'S PROGRAMS - continued

883	Sayed ABDEL FATTAH	Agriculture	U of Georgia
927	Mohamed EID	Horticulture	Oregon State U
996	Maie EL KASSABY	Biochemistry	Michigan State U
1017	Hesham IBRAHIM	Botany	Utah State U
1069	Sobhy OMRAN	Agriculture	U of Connecticut
1090	Mohammed SAID	Horticulture	Clemson U
1113	Hassan KHALIL	Agriculture	U. of Kentucky
1114	Youssef IBRAHIM	Veterinary Medicine	U of Georgia
1208	Mahmoud EL SHABRAWY	Agriculture	U of Maryland
1234	Agayeb TAWFIK	Agriculture	Cal State Polytech Inst

APPLIED SCIENCEPOST-DOCTORAL RESEARCH PROGRAMS

978	Abdel Mohsen BASHA	Physics	U of Massachusetts
1411	Hala KHALIL	Physics	Oak Ridge National Lab
1440	Farouk MELEK	Chemistry	U of Texas/Austin

PhD PROGRAMS

350	Radwan ABUL NASR	Geology	Iowa State U
384	Magued OSMAN	Statistics	Case Western Reserve U
396	Abdel Fattah MAHMOUD	Earth Sciences/Photogrammetry	U of Wisconsin
495	Renee WAHBA	Physics	U of Alabama
502	Mohamed YEHIA	Physics	U of Cincinnati
564	Amany HAMADA	Chemistry	North Texas State U
702	Abdalla EL MARHOMY	Mathematics	U of Wisconsin
814	Osama HUSSEIN	Mathematical Statistics	U of Iowa
902	Ismail SABBAH	Physics	U of New Mexico
924	Mounira HUSSEIN	Statistics	U of Iowa
988	Magdy METRY	Statistics	U of Pittsburgh

FIELD OF STUDY DISTRIBUTION OF CURRENTLY ENROLLED PEACE FELLOWSAPPLIED SCIENCEPhD PROGRAMS - continued

1016	Mahmoud KHADER	Chemistry	Boston U
1119	Joseph STEPHANOS	Chemistry	Drexel U
1133	Mostafa GAD	Physics	U of Georgia
1306	Yousef MAHGOBE	Statistics	U of Iowa
1410	Ahmad EL GENDY	Chemistry	Oklahoma State U
1534	Mahmoud YOUNIS	Applied Mathematics	U of Wisconsin

MASTER'S PROGRAMS

277	Adel GHARIB	Mathematics	U of Maryland
401	Mohamed RAMADAN	MAThematics	U of Alabama
625	Mohamed EL MAAZAWI	Chemical Metallurgy	Pennsylvania State U
719	Nemat AHMED	Chemistry	U of Cincinnati
771	Fawzy ALY	Metallurgy	U of Alabama
1058	Ahmed EL SHISHTAWY	Geology	U of Cal/Santa Cruz
1358	Ahmed FAHMY	Chemistry	Southern Illinois U
1442	Shadia EL KHODARY	Geology	U of Texas/Arlington

ARCHITECTURE/DESIGN/PLANNINGPhD PROGRAMS

769	Hamdy TEALEB	Urban & Regional Planning	U of Wisconsin
1007	Mottaz SALAMA	Urban & Regional Planning	U of Michigan

MASTER'S PROGRAMS

308	Maha FARID	Design	U of Alabama
319	Yosry MAHMOUD ALI	Design	Michigan State U
372	Moshira EL RAFEY	Architecture	U of Michigan
567	Fatma EL TANANI	Architecture	Catholic U
655	Amr ABDEL AZEEM	Architecture	Michigan State U
729	Amr EL KHODARY	Architecture	Catholic U
882	Hani AYAD	Architecture/Planning	U of Minnesota
1165	Sherif SAMY	Architecture	Catholic U

FIELD OF STUDY DISTRIBUTION OF CURRENTLY ENROLLED PEACE FELLOWSBUSINESS ADMINISTRATION/MANAGEMENTPhD PROGRAMS

688	Hadeya EL HASHASH	Managerial Accounting	U.S. International U
838	Nihad MOSTAFA	Marketing	CUNY/Baruch College
1074	Ahmed EL ZAYAT	Business Administration	U of Pennsylvania
1250	Sayed EL SAYED	Business Administration	CUNY/Baruch College

MASTER'S PROGRAMS

62	Kamelia HEGAZY	Business Administration	Nova U
399	Magda MOHAMED	Business Administration	Nova U
513	Refaat EL GENDIE	Business Administration	Nova U
568	Mohamed HILAL	Accounting	AGSIM
616	Farid SHOSHA	Commerce	AGSIM
645	Farid GALLA	Banking	Florida Int'l U
692	Mohamed ABDEL FATTAH	Business Administration	American U
727	Youssef BADAWEY	Banking & Finance	AGSIM
757	Mohamed ABDEL HAMID	Industrial Management	George Washington U
760	Heshmat AWAD	Banking	George Mason U
789	Gamal ABDEL GHANY	Taxation	U of Southern California
805	Mohammed ALY	Commercial Banking	George Mason U
848	Amany ELL ZAYAT	Commerce	George Mason U
849	Mohamed ABDEL AZIEM	Hotel Management	U of Massachusetts
886	Ahmed EL MEHREZY	Business Administration	U of North Carolina
891	Sameh YOUSSEF	Taxation	U of Southern California
894	Magda RIZK	Management	George Mason U
896	Ali KAMEL	Business Administration	George Mason U
898	Sonia EL GUINDI	International Management	AGSIM
899	Magdy AHMED	Banking & Finance	George Mason U
923	Said THABET	Commerce	American International College
926	Mohamed ABOU EL NOUR	Hotel Management	Purdue U
928	Mostafa NOUR	International Management	AGSIM
1054	Zeinab ZAKI	Marketing	Stanford U

BUSINESS ADMINISTRATION/MANAGEMENTMASTER'S PROGRAMS - continued

1057	Mahmoud MOUSSA	Accounting	AGSIM
1146	Ashraf MAROUF	Business Administration	Appalachian State U
1149	Kazem HANNA	Business/Accounting	American Int'l College
1154	Magdy BOLS	Business Administration	Fairleigh Dickinson U
1184	Osama HUSSEIN	International Business	American U
1212	Nessim ABDEL NOOR	Accounting	American Int'l College
1215	Sherif EL AWADLY	Business Administration	AGSIM
1267	Magda ABDEL RAZEK	Personnel Management	U of Alabama
1390	Mahmoud HASSAN	Business Administration	Eastern Kentucky U

COMMUNICATIONS/INFORMATION SYSTEMSPhD PROGRAMS

245	Saneya EL GALALY	Communications Arts	Cornell U
-----	------------------	---------------------	-----------

MASTER'S PROGRAMS

236	Mahmoud AWAD	Information Systems	New Hampshire College
383	Sohair WASTAWY	Library Science	\Catholic U
397	Farid CORANY	Mass Communications	Emerson College
421	Ishak YOUSSEF	Journalism	Bowling Green State U
552	Magda EL SHERBINI	Library Science	\Catholic U
630	Faten EL SAIGH	Mass Communications	Michigan State U
862	Aly MOHEEB	Public Communication	Boston U
930	Mary TERYAKH	Mass Communication	Temple U
942	Madiha SULTAN	Communications	Florida State U
1040	Ayman KHALIL	Mass Communications	\American U
1070	Hanan NAYEL	Mass Communications	\American U

FIELD OF STUDY DISTRIBUTION OF CURRENTLY ENROLLED PEACE FELLOWSDENTISTRYPOST-DOCTORAL RESEARCH PROGRAMS

680	Medhat ABDALLA	Dentistry	U of Illinois/Chicago
1126	Mostafa DIAB	Dentistry	U of Illinois/Chicago

PhD PROGRAMS

274	Mahmoud HOSNY	Dentistry	Medical College of Georgia
602	Emad HELMY	Oral Surgery	Medical College of Georgia
1211	Mohamed EL KERDANY	Dentistry	U of Southern California
1255	Wessam EL KHOLY	Prosthodontics	Boston U

MASTER'S PROGRAMS

363	Hoda ABDEL LATIF	Dental Public Health	U of Michigan
380	Diana MESSADI	Oral Pathology	Harvard U
403	Maha ABDEL SALAM	Oral Biology	U of Cal/San Francisco
482	Mohamed EL ATTAR	Prosthodontics	U of Pittsburgh
618	Abdel EL TANNIR	Prosthodontics	Indiana U
802	Tarek EL RIFAIE	Dentistry	U of Illinois/Chicago
855	Mohamed REFAIE	Orthodontics	U of Pittsburgh
916	Nahed BAKIR	Dentistry/Biomaterials	Northwestern U
936	Magda GADO	Periodontics	Medical College of Georgia
937	Abdel Hamid SAAD	Oral Biology	U of Maryland
1181	Mohamed KORRA	Dentistry	U of Illinois/Chicago
1314	Shamael MOHAMMAD	Dentistry	Indiana U
1408	Mohamed EL SAID	Periodontics	Washington U
1462	Mostafa TOLBA	Oral Biology	U of Maryland/Baltimore
1489	Soheir ABU EL AMAYEM	Pedodontics	U of Pittsburgh
1490	Hussein GARRANA	Prosthodontics	U of Pittsburgh
1501	Khalid FAWZY	Orthodontics	U of Oklahoma

ECONOMICSPOST-DOCTORAL RESEARCH PROGRAMS

301 Hamdy ABDEL LATIF Economics Temple U

PhD PROGRAMS

206 Hamid EL SAYED Economics Michigan State U  
523 Somaya BADAWY Economics Syracuse U  
681 Abdel Kader ABDEL KADER Economic Development U of Notre Dame  
755 El Sayeda MOUSTAFA Energy Economics U of Michigan  
781 Adel ABADEER Political Economy Boston U  
900 Akila TAHA Economics Boston U  
951 Susan ABDEL GAWAD Economic Development Southern Illinois U

MASTER'S PROGRAMS

457 Mohamed MOHAMED Economics American U  
506 Mohamed ELEISH Economics Syracuse U  
744 Hanaa ABDEL BAR Economics Western Illinois U  
797 Zakaria ALI Economics George Mason U  
865 Mahmoud EL NAHAS Economics Boston U  
1123 Abla ABDEL LATIF Economics U of Southern California  
1285 Mohsen EL BATRAN Economics U of Colorado

EDUCATION/LINGUISTICSPhD PROGRAMS

412 Hussein AMIN Education Ohio State U  
463 Nadia BAKKAR Education U of Illinois/Urbana  
617 Raafat ANTONIOUS TEFL/Linguistics U of South Carolina  
633 Gaber KHALIL Applied Linguistics SUNY/Buffalo  
638 Al Said HAFFOR Physical Education Ohio State U  
752 Omaima ABOU BAKR Education U of California/Berkeley

FIELD OF STUDY DISTRIBUTION OF CURRENTLY ENROLLED PEACE FELLOWSEDUCATION/LINGUISTICSPhD PROGRAMS - continued

830	Medhat RABIE	Linguistics	Indiana U
859	Mervat EL DIB	TEFL/Applied Linguistics	Columbia U
931	Mohammed SHOUKRY	Applied Linguistics	Georgetown U
1068	Soheir ABO EL ELA	Education	U of Pittsburgh
1296	Alaa SHAHEEN	Education/Archaeology	U of Pennsylvania

MASTER'S PROGRAMS

201	Nader KHALIFA	Secondary Education	U of Minnesota
332	Mohamed ABO EL NAGA	Education	Ball State U
351	Mahmoud SALEM	Linguistics	U of South Carolina
362	Kamel BAYOUMY	Educational Administration	U of the Pacific
415	Adel SHENOUDA	Science Education	U of Rochester
519	Badran HASSAN	Education	U of New Mexico
522	Reda HUSSEIN	Vocational Training	U of Minnesota
609	Hala TALAAT	TEFL/Linguistics	U of Michigan
687	El Sayed OSMAN	TEFL/Linguistics	Georgetown U
846	Abdel Rahman AL GIBALY	Linguistics	Indiana U
852	Ahmed SALEM	TEFL	Indiana U
881	Mohamed NEAMA	Manpower Training	St. Francis College
908	Ahmed Khaled AHMED	TEFL	Ball State U
1012	Yousry MOSTAFA	Education	Michigan State U
1066	Abdel Azeem TAHA	TEFL/Linguistics	U of South Florida
1067	Salma OMARA	TEFL	Indiana U
1077	Abbas ELIAN	Linguistics	U of New Mexico
1115	Sobhy DAABIS	Education	Indiana U
1135	Gameil AUF	TEFL	SUNY/Buffalo
1162	Nushi AHMED	TEFL/Linguistics	U of Illinois/Chicago
1217	Magdy MITRY	TEFL	SUNY/Buffalo
1273	Mohamed KANDEAL	Linguistics	U of Illinois/Chicago
1357	Mohamed KANDEEL	TEFL/Linguistics	SUNY/Buffalo
1381	Salah BADR	Education	Indiana U
1391	Berty TANOUS ISHAK	TEFL/Linguistics	SUNY/Buffalo
1421	Mohamed MOSTAFA	Education	U of Connecticut

ENGINEERINGPOST-DOCTORAL RESEARCH PROGRAMS

741	Assem DEIF	Electrical Engineering	U of California/Berkeley
1376	Niveen MAWSOUF	Mechanical Engineering	U of California/Berkeley

PhD PROGRAMS

314	Osman EL NAWAWY	Hydraulics	U of Illinois/Urbana
336	Mahmoud NASR	Chemical Engineering	MIT
353	Ahmed HASHISH	Structures	Wayne State U
354	Mohamed ABO SHOSHA	Textiles	North Carolina State U
360	Mohamed EL SHARKAWY	Electrical Engineering	Southern Methodist U
369	Yousry EL GAMAL	Computer Systems	George Washington U
423	Mostafa HABIB	Mechanical Engineering	Michigan State U
430	Magdy HANNA	Computer Science	U of Minnesota
462	Azza FAHIM	Electrical Engineering	Iowa State U
477	Mohamed GADALLA	Mechanical Engineering	U of Alabama
563	Mohamed ZAGHLOOL	Electrical Engineering	Pennsylvania State U
573	Aiman ABDEL MALEK	Biomedical Engineering	U of Southern California
581	Kassem MOURAD	Mechanical Engineering	North Carolina State U
612	Sabry MOHAMMED	Petroleum Engineering	Texas A & M U
646	Sherif LASHINE	Industrial Engineering	Oklahoma State U
648	Raghab MOHEISEN	Mechanical Engineering	Colorado State U
703	Salwa RASHAD	Mechanical Engineering	U of Wisconsin
708	Moneer MAHMOUD	Electrical Engineering	Arizona State U
712	Ahmed EL ASSY	Mechanical Engineering	U of Michigan
713	Abdel Hay ABDEL HAY	Production Engineering	U of Alabama
753	Ahmed ISMAIL	Civil Engineering	U of South Carolina
766	Magdi MOUSTAFA	Operations Research	North Carolina State U
775	Raos MOSSAD	Mechanical Engineering	New Mexico State U
835	Mostafa KHATTAB	Industrial Engineering	U of Nebraska
910	Elseman ABDEL RASOUL	Mineral Engineering	U of Arizona
986	Youssef EL GENDY	Mechanical Engineering	Southern Methodist U

ENGINEERINGPhD PROGRAMS - continued

1013	Sherif EL FAR	Civil Engineering	Rensselaer Polytechnic Inst
1078	Rasheed ATTA	Mechanical Engineering	Lehigh U
1089	Tarek EL HAKIM	Civil Engineering	U of Cincinnati
1102	Nawal GHOBRIAL	Metallurgy	New Mexico Inst of Mining
1124	Mohamed GABALLA	Mechanical Engineering	U of Arizona
1196	Adel KAMEL	Mechanical Engineering	Florida Inst of Tech
1197	Omar METWALLY	Mechanical Engineering	Pennsylvania State U

MASTER'S PROGRAMS

135	Mohamed B. ALY	Marine Engineering	U of Michigan
212	Amany EL KAYAL	Civil Engineering	Utah State U
237	Nabil NASR	Industrial Engineering	Rutgers U
271	Mokhtar ABOELAZE	Electrical Engineering	U of South Carolina
278	Abdel Aziz MOHAMED	Industrial Engineering	Oklahoma State U
290	Mahmoud ZAYAN	Electrical Engineering	U of South Carolina
304	George ABDOU	Industrial Engineering	Iowa State U
358	Maher YOUAKIM	Structural Engineering	George Washington U
379	Mohamed AHMED	Production Engineering	George Washington U
390	Lotfy EL SAYED	Computer <sup>†</sup> Engineering	New Mexico State U
400	Adel GABALLA	Transportation Engineering	George Washington U
409	Mohamed ALI	Mechanical Engineering	U of Colorado
410	Fathy SALLAM	Metallurgical Engineering	Wayne State U
414	Mahmoud SHABAN	Chemical Engineering	U of Alabama
431	Ahmed KHALIL	Electrical Engineering	U of Maryland
450	Mohamed EL ZAYAT	Civil Engineering	U of Detroit
469	Moomen GAAFARY	Naval Architecture	Stevens Inst of Technology
486	Ahmed EL HIFNAWY	Biomedical Engineering	U of Miami
521	Hoda ARTHANIOUS	Chemical Engineering	U of Alabama
574	Nadia AMIN	Civil Engineering	U of Arizona
583	El Sayed MANSOUR	Electrical Engineering	George Washington U
596	Atef ABDEL SAYED	Mechanical Engineering	Cal State U/Long Beach
600	Samia IBRAHIM	Electrical Engineering	U of Alabama

ENGINEERINGMASTER'S PROGRAMS - continued

631	Nasr TADROS	Computer Science	CUNY/Queens College
634	Safwat SEDHOM	Mechanical Engineering	U of Alabama
656	Omar KHALIL	Biomedical Engineering	U of Southern California
669	Mohamed EL DESOUKY	Mechanical Engineering	Illinois Inst of Technology
684	Joseph YOUSSEF	Electrical Engineering	Clemson U
691	Ivon YOUNAN	Electrical Engineering	Syracuse U
698	El Motassem EL GAMAL	Mechanical Engineering	George Washington U
704	Amer FAHMY	Computer Science	Duke U
709	Bassel TAWFIK	Biomedical Engineering	U of Southern California
710	Samir AHMED	Engineering Administration	George Washington U
714	Ahmed GAITH	Thermodynamics	George Washington U

## PEACE FELLOWSHIP PROGRAM FOR EGYPT

NAME: El Sayed Ahmed EL KHATIB PF# 818 LEVEL: Ph.D. degree  
 FIELD: Agriculture ADVISOR: Dr. Bennett  
 INSTITUTION: University of West Virginia/ DATE OF VISIT: March 15, 1983  
 U.S.D.A., Soil and Water  
 Research Laboratory;  
 Beckley, WV

Mr. El Khatib had completed his coursework at the University of West Virginia before joining the Peace Fellowship Program. He is presently working on his doctoral research at the U.S.D.A., Soil and Water Research Laboratory in Beckley, West Virginia.

His research involves Arsenic in the soil. Arsenic accumulates in the soil primarily because of coal mining techniques, but other industries are also involved. This is not a major problem in Egypt at the present time, but could become one in the future. Also, this technique may be applied to other problems of Egypt.

Mr. El Khatib has made remarkable achievements in research at the U.S.D.A. station. He has published a number of papers and has developed a procedure to determine the Arsenic level in soil called the Differential Pulse Polygraphy. His research has included the Adsorption and Desorption of Arsenic in the Soil, the Kinetics of Arsenic in the Soil and others that have been are being presented at conferences during his stay. His advisor, Dr. Bennett has stated that the Peace Fellow is doing a remarkable amount of work for a doctoral candidate. He also stated that he has never worked with a student of such caliber and couldn't be more pleased with his work.

Mr. El Khatib lives in a rented house in Beckley, WV. He feels that if it were not for the chance to work and research at the U.S.D.A. station, his research would not have been so complete. The facilities there are far superior to most institutions and the equipment and resourses at his disposal far exceed his needs.

PEACE FELLOWSHIP PROGRAM FOR EGYPT

CAMPUS VISIT REPORT

PARTICIPANT: Ahmed Abdel Aziz EL HAKIM #909 PROGRAM: 8 months/M.S. Courses  
 Began 12/28/82

FIELD: Civil Engineering

INSTITUTION: University of Michigan DATE OF VISIT: April 19, 1983  
 Ann Arbor, MI

Ahmed began his program in January of this year enrolling in three academic courses as well as a half-term course in English as a Second Language, upon the recommendation of the university upon his arrival. He did not attend all his English classes and thus received a poor evaluation from the ESL program despite the fact that his English is fairly good. His academic advisor, Professor Robert Harris explained that the Civil Engineering Department likes students to have a 560 TOEFL or better. Ahmed may take a Technical Writing class this summer instead of another ESL course.

Ahmed's particular focus is in Construction Engineering and Management. He would like to take a course in Cost Analysis which he feels is essential to his program (and was written in his study plan), but the course is only offered in the fall quarter. His advisor has written a letter on his behalf requesting Missions to extend his program to 12 months so that he might take this course. This would also allow Ahmed to get his degree, since he would thus be able to complete the required 30 credits for the M.S. If Ahmed is not granted this extension, he hopes that he can have the two months from his ten-month fellowship reinstated so that he might engage in training in his area.

Dr. Harris was skeptical that the student would be able to arrange this. He noted that it is difficult for foreign students to receive training since, due to visa restrictions, they would have to work without pay. This, during a time of high unemployment, is highly problematic. Nevertheless, Ahmed plans to pursue this possibility and mentioned a professor at the university who had his own firm and might be able to provide him with some type of training for a few months.

Dr. Harris has found Ahmed to be a bright and capable individual. He was concerned, however, with the non-degree nature of Ahmed's fellowship. He noted that the NCFD status at the university (Not a Candidate for Degree) was a "second-class" student category and he believed this was frustrating for the student.

Ahmed seemed very well adjusted to social life in the U.S. He described no financial problems. The Peace Fellow lives in an apartment off campus.

## PEACE FELLOWSHIP PROGRAM FOR EGYPT

Campus Visit Report: April 26, 1983

DN  
 PF # 619 Name Gamal EL GHAZALY Program Dates 8/17/82-6/16/83  
 Field of Study Botany/Palynology Degree Goal Post-doctoral research  
 Egyptian Sponsor Alexandria University Program Length 10 months  
 U.S. Institution U of California/Berkeley Department Botany  
 Academic Advisor Dr. William Jensen FSA JoAnne Beall

Dr. El Ghazaly's program is now almost over, and both the PF and his advisor agree that it was extremely successful. Dr. El Ghazaly has been conducting research on cotton seed reproduction, a topic of great relevance to the Egyptian economy, and Dr. Jensen reports that he has made two significant discoveries in a short time. They both wish Dr. El Ghazaly's program were longer so that he could bring his research to a more definitive conclusion. He will be able to publish one paper. The PF has gained considerable experience in the use of the electron microscope, the high voltage electron microscope, and the scanning electron microscope; since he will have access to some of these machines in Egypt, this training will be put to good use.

Dr. Jensen's enthusiasm for this PF and for the program in general was very exciting. It was the first time he had worked with an Egyptian, and Dr. El Ghazaly's high quality of performance convinced Dr. Jensen that he should involve himself in more exchange programs in the future. He was much impressed with the goals and provisions of the Peace Fellowship program, although he recommended that the minimum period allowed for an advanced research program be 12 months. He considered that Dr. El Ghazaly arrived with his goals very clearly established and that he was well organized and highly motivated to work toward those goals. In summary, this program was a very positive experience for both Drs. El Ghazaly and Jensen, and their professional contact should continue for a long time to come.

Two days before I met with the PF his wife gave birth to twin boys. As they already have a 2 year old son, they have been living in family student housing, which provided a 2-bedroom apartment for only \$160/month. It is a 15 minute bus ride from the campus. They have been able to manage adequately on the monthly allowance, although the costs of the delivery of the twins will be high; they will contact the ECEB to discuss coverage of those costs. The PF is also in the process of being reimbursed for medical care he received; he hopes the HAC insurance will provide the full \$400 he had already paid.

A request has been sent to the PMC for their approval that the El Ghazaly family be permitted another month or so to remain in the U.S. without further allowances from the PFP, until it is safe for the wife and infants to travel by air.

Amany El Difrawy  
 May 17, 1983

## PEACE FELLOWSHIP PROGRAM FOR EGYPT

CAMPUS VISIT REPORT

NAME: Salah Aldin NEGM #779

LEVEL: Non-degree master's level

FIELD: Communications

ADVISOR:

INSTITUTION: Florida State University

DATE OF VISIT: 4-12-83

Salah arrived in the U.S. on August 18, 1982. He has a ten month Peace Fellowship and is doing non-degree Master's level coursework in communications at Florida State University in Tallahassee.

When Salah arrived at FSU he had applied for campus housing but was placed on a waiting for a dormitory room. Salah was able with the help of Helen Stevens in the International Students Office to find an apartment off campus within a few days of his arrival in Tallahassee. He pays \$250.00 for a furnished apartment and finds that his \$850.00 a month is ample. Salah finds the people at FSU and in Tallahassee to be extremely friendly and helpful and the area very attractive. However, as Tallahassee has no public transportation he finds it difficult to go shopping.

Salah took three courses during the Fall semester and is presently enrolled in three courses. He feels, however, that his Fellowship could have been more beneficial if the ten months were devoted to ten month of on-the-job training with a national radio broadcasting company i.e. NBC, CBS, ABC or Voice of America instead of academic work. He said that if given the time he would prefer to take coursework to earn his Master's degree at Florida State, but as he only has a ten month program he would like to do practical training. He hopes to do some training with the campus radio station during the summer before the completion of his program.

Because Salah felt that he had many difficulties with the language upon his arrival in Tallahassee, he strongly urges that all Peace Fellows be given at least one month of intensive English at the university at which they will be studying. In the case where an intensive language program is not provided, Salah suggested that the Peace Fellow be allowed to audit an English course while beginning coursework. All the Peace Fellows interviewed at FSU felt the one month of English would help them to become accustomed to local dialects, to find housing, and to become acquainted with the campus and the town. It was explained to the Peace Fellows that were the one month given to take English under the present circumstances, that would be one less month available for coursework and/or training.

Current Research and/or Laboratory Work:

- 396 Electron microscopy of insect salivary-gland nuclei, with emphasis on the immuno-chemical labelling of ribonuclear protein particles.

Training or Field Trips away from Campus:

Attended annual meetings of the Genetics Society of America at St. Louis on June 15-17.

Comments on Academic Problems, if any:

Participant's Signature Gaber Elsayed Mahdy Date 7/14/83

TO BE COMPLETED BY ACADEMIC ADVISOR: PLEASE TYPE OR PRINT IN BLACK INK!

Estimated Date of Completion of Program September 30, 1983

Evaluation of Peace Fellow's Performance:

While Dr. Khadre's appointment is for research and not primarily for course work, she spent a large part of her time in Spring Quarter taking our graduate course in Electron Microscopy and adapting its general methodology to our research problems on ribonuclear protein particle function. With no previous experience in this highly technical area, Dr. Khadre worked into the evenings for two months to master procedures with a high level of skill. She is now under way with the electron microscopy planned in our year's prospectus of research, and is doing very well at it.

## PEACE FELLOWSHIP PROGRAM FOR EGYPT

PROGRAM EVALUATIONNAME: Mohamed Farid Ali #677 FIELD OF STUDY: MicrobiologyACADEMIC INSTITUTION: University of Washington PROGRAM: Ph.D.

1. Please list your academic objectives in coming to the U.S. to study. To what extent were they accomplished?

Objectives :

- 1- Bench training in Clinical Microbiology Lab.
- 2- Collect referances for my Ph.D. project allready registered in Egypt .
- 3- Gain some research skills and techniques .

All my projects had been accomplished .

2. Did your study program in the U.S. improve your professional qualifications?

Please indicate your career plans and how your study program will further them.  
Yes , my study program improved my professional qualification.

This training program enables me to apply to be the Director of the Clinical Microbiology Lab. in Suez Canal School of Medicine .

It helps me to pick up some research techniques and collect update referances to finish my Ph.D. at home which will improve my career as University staff

3. What plans have you made to maintain professional contacts with colleagues in the U.S.? Please indicate whether you attended any professional conference while a student in the U.S. and if you have joined any professional societies or subscribe to any of the professional journals.

It will be personal contacts with colleagues here .

In Seattle , there is a weekly Microbiological Conference rotated among different hospitals , I was a regular attendant .

I did not join any professional societies , but our Medical School in Egypt ( my job ) is subscribing to many professional journals .

4. Did you find that you had sufficient opportunity to increase your own general understanding of the U.S. and the understanding of Americans about your country? Please specify how and in what ways.

Living in the U.S. among many american friends , sure, increased my general understanding of the U.S. . We talked a lot about differances between American and Oriental Cultures and habits , poletics and our problems (as a developing country ) in Egypt .

5. a) Did you have sufficient information about the U.S. to prepare you for your stay here?

Yes, I did .

- b) If you attended an orientation program, either at home or in the U.S. before beginning your studies, please indicate where.

In the U.S. .

- c) Please indicate whether the orientation program was useful to you and in what ways might it be improved.

It was helpful .

6. On the basis of your experience, is there any particular advice you would give to others from your country who intend to study in the U.S.?

1- To improve their language as much as possible .

2- To read more about the U.S.

## PEACE FELLOWSHIP PROGRAM FOR EGYPT

PROGRAM EVALUATIONNAME: Dr. Shadia Hassan Fathy #621 FIELD OF STUDY: Adult EducationACADEMIC INSTITUTION: ACCE Dept., School of Agriculture and Life Sciences PROGRAM: \_\_\_\_\_

1. Please list your academic objectives in coming to the U.S. to study. To what extent were they accomplished?

1. Learning about the department's range of research interests and academic activities.
2. Developing research papers to be considered for possible publications in scientific journals.

## Accomplishments:

1. Participated in all the research seminars, forums and conferences of the department.
2. Developed two research papers. The first (single author) was accepted for publication in the "Rural Sociologist". The second (jointly with my academic advisor), submitted to the national publication series.

2. Did your study program in the U.S. improve your professional qualifications? Please indicate your career plans and how your study program will further them. When resuming my teaching and research activities as an associate professor in the University of Alexandria, I will pursue and help my students develop new research ideas and strategies in relation to my field of interest, "Adult Education".

Getting some research work published is particularly valuable for my career plans.

3. What plans have you made to maintain professional contacts with colleagues in the U.S.? Please indicate whether you attended any professional conference while a student in the U.S. and if you have joined any professional societies or subscribe to any of the professional journals.

I am attaching an application for the Adult Education Association of the USA, and hope to participate in any of the adult educational conferences - one of which will be hosted by my department, ACCE next year.

4. Did you find that you had sufficient opportunity to increase your own general understanding of the U.S. and the understanding of Americans about your country? Please specify how and in what ways.

The issues that have been addressed often were related to:

1. the role of women in development, and
2. the role of the university in community development

5. a) Did you have sufficient information about the U.S. to prepare you for your stay here?

I think so. But may be because this is my second trip to the USA.

- b) If you attended an orientation program, either at home or in the U.S. before beginning your studies, please indicate where.

Did not attend

- c) Please indicate whether the orientation program was useful to you and in what ways might it be improved.

6. On the basis of your experience, is there any particular advice you would give to others from your country who intend to study in the U.S.?

My advise to the post doctoral fellows:

If their intention is to accomplish a piece of work in a year or 10 months it is very important to have the department and the candidate agree in advance (before leaving the country) on the area and feasibility of the research to be performed. This does not only save time, but would also in some cases allow the post doctors to collect useful data or information before leaving their countries.

7. Please add any general comments you wish. We would be particularly interested in knowing whether you have any suggestions for changes or improvements.

Based on what I have mentioned in number 6, I suggest:

1. The research proposal written by the post doctors when applying to the peace fellowship, should be forwarded to the academic department which s/he is supposed to join.
2. A reaction should be made by this department as to: a) whether they intend and could collaborate with the candidate in pursuing such research topic, b) provide other alternatives in light of the available research projects, staff, and areas of interest.
3. Decisions should be understood and agreed upon by both the department and the post doctor, before s/he leaves the country, concerning:
  1. The research topic to be pursued, and
  2. The colleague or professor who will cooperate with the post doctor upon his arrival to the USA.

## PEACE FELLOWSHIP PROGRAM FOR EGYPT

PROGRAM EVALUATION

NAME: Gavil Yassa-Cirzis 651 FIELD OF STUDY: Finance and Banking

ACADEMIC INSTITUTION: Florida International University PROGRAM: C.I.B & C.I.B.M.

1. List your academic objectives in coming to the U.S. to study. To what extent were they accomplished?

My objectives were to study banking system and to know the up - to - date methods of handling international operations.

I have studied two programs in banking: Certificate in banking program management ( C.I.B ) and certificate in international banking program ( C.I.B.M ).

These programs are close to my objectives.

2. Did your study program in the U.S. improve your professional qualifications? Please indicate your career plans and how your study program will further them.

The two certificate program in banking ( C . I . B ) and ( C.I.B.M. ) improved my professional qualifications. They include many subjects related to my career and they will promote my job as a head of foreign operation department in Banque Du Caire - Cairo .

3. What plans have you made to maintain professional contacts with colleagues in the U.S.? Please indicate whether you attended any professional conference while a student in the U.S. and if you have joined any professional societies or subscribe to any of the professional journals.

To maintain professional contacts with colleagues in U.S. , I have had many friends ( Teachers, Bankers and others) who may provide me with any information related to my business as a banker.

I have also subscribed to Business week magazine . and I will subscribe to America-Mideast Educational & Training Services, Inc.  
1717 Massachusetts Avenue, N.W. • Suite 100 • Washington, D.C. 20036 • (202) 797-7900 • Telex 440160 • Cable: Amideast

the American banker association so as to keep touch with any development in banking field.

4. Did you find that you had sufficient opportunity to increase your own general understanding of the U.S. and the understanding of Americans about your country? Please specify how and in what ways.

Through my relationship with some americans , I have inc reased my own understanding of the U.S and the unde standing of american about my country.

5. a) Did you have sufficient information about the U.S. to prepare you for your stay here?

Yes, I have.sufficient information about the U,S. that may prepare me

to so stay here.

- b) If you attended an orientation program, either at home or in the U.S. before beginning your studies, please indicate where.

Yes, It was at the American embassey in Cairo

- c) Please indicate whether the orientation program was useful to you and in what ways might it be improved.

It was useful and helpful to me as a foreigner.

6. On the basis of your experience, is there any particular advice you would give to others from your country who intend to study in the U.S.?

A person should have a good working knowledge in English language before coming . He must adapt himself quickly to The American customs. He also must keep touch with the newest information.

7. Please add any general comments you wish. We would be particularly interested in knowing whether you have any suggestions for changes or improvements.

I don,t have any suggestions for changes or improvements because the program is very good and helpful for the Egyptians.

## PEACE FELLOWSHIP PROGRAM FOR EGYPT

## PROGRAM COMPLETION REPORT

PARTICIPANT: Ahmed GHONEIM                      PFP NUMBER: 56  
 INSTITUTION: Pennsylvania State U.      DATE BEGAN PFP PROGRAM: March 1, 1981  
 FIELD OF STUDY: Business Administration      DATE COMPLETED PFP PROGRAM: February 28, 1983  
 PROGRAM: M.B.A. degree                      EGYPTIAN SPONSOR: Cairo University

Ahmed GHONEIM #56 arrived March 1, 1981 to begin a 21 month program in Business Administration at Pennsylvania State University. He studied English while beginning his research.

Ahmed began his program as a Ph.D. researcher and since his topic dealt with "Analysis of the Egyptian Industrial Buyer Behavior", he felt he should go to Egypt to gather the research. He tried to get funds from A.I.D., the Egyptian Ministry of Higher Education and AMIDEAST, and each refused, saying he should have brought statistics with him.

In June of 1982 the Missions Department gave their approval for Mr. Ghoneim to change to an M.B.A. degree and have a 24 month fellowship instead of 21 months.

The Peace Fellow attended the American Marketing Association Conference in Washington, DC August 8-12, 1981.

In November of 1982 Mary Hegland from AMIDEAST visited Ahmed and found that he had adjusted well to the U.S. and was progressing well, having just been admitted to the Ph.D. program after completing the master's work.

In February of 1983 Ahmed received the Missions Department's approval for continuing for the Ph.D. after completion of the Peace Fellowship Program.

Ahmed terminated the Peace Fellowship February 28, 1983 and began the Missions Fellowship March 1, 1983.

PEACE FELLOWSHIP PROGRAM FOR EGYPT

## PROGRAM COMPLETION REPORT

PARTICIPANT: Hamdy SeifElNasr                      PFP NUMBER: 213  
 INSTITUTION: Pennsylvania State Univ./USDADATE BEGAN PFP: June 22, 1981  
 FIELD OF STUDY: Plant Pathology                      DATE COMPLETED PFP: June 2, 1983  
 PROGRAM: Post Doctoral research                      EGYPTIAN SPONSOR: National Research Center

Hamdy Seif El Nasr #213 arrived June 22, 1981 to begin a 21 month post doctoral research program in plant pathology at Pennsylvania State University preceded by three months of Intensive English since his TOEFL score was 487.

Hamdy began his research on "the effect of pathogenic organisms on forage crops such as alfalfa" immediately following his English program.

Although his 24 month program was to end June 21, 1983, he chose to leave on June 2 upon the recommendation by his advisor that his work was completed.

During his stay, Mr. Seif El Nasr was visited in November of 1982 by Mary Hegland who found that he had adjusted well and had produced a great deal of publishable research data.

July 10-16 the Peace Fellow attended the National Alfalfa Improvement Conference in Davis, California and August 15-September 15 Mr. Seif El Nasr spent a one month internship period at the University of Minnesota to participate in a field screening and evaluation of alfalfa diseases.

## PEACE FELLOWSHIP PROGRAM for EGYPT

**america-mideast educational & training services, inc.**

### PROGRAM COMPLETION REPORT

PARTICIPANT:	Hussein Bakir OTEIFA	PFP NUMBER:	416
INSTITUTION:	American Graduate School of International Management	DATE BEGAN PFP:	May 31, 1982
FIELD OF STUDY:	Business/Accounting	DATE COMPLETED PFP:	June 30, 1983
PROGRAM:	Master's level courses	EGYPTIAN SPONSOR:	Sabbour Associates

Hussein Bakir Oteifa arrived in the United States on May 31, 1982 to enroll in 3 months of intensive English at the American Graduate School of International Management before beginning his 10-month Master's level-course program at the same school the Fall term of 1982.

During the Fall term Mr. Oteifa registered for 5 courses: Advanced English as a Second Language; Advanced English Composition; Managerial Finance; Intermediate Accounting; and International Marketing and earned 15 credit hours.

Although students in the degree program were required to earn 45 credit hours to earn their degrees the Peace Fellow was required to complete an additional 3 credit hours as he had not had sufficient background in the area of finance and accounting. At the beginning of the Spring 1983 term the Peace Fellow registered for 6 courses (18 credit hours): Middle East Survey; Cross Cultural Communications; Management Accounting; Guidelines in Worldwide Operations; Advanced International Management; and International Trade Administration.

At the end of the Spring semester Hussien needed 6 additional credits for his degree. He was able to earn 3 credits in an independent study course which he was able to complete before the termination of his Fellowship. However, the regulations at the AGSIM are such that a student is permitted to take only one independent study course per semester. Hussein, therefore, was required to take a regular course during the summer in order to complete his degree. In February of 1983 Mr. Oteifa received permission from the Missions Department to extend his stay in the United States an additional 2 months to complete his degree. This extension was at his own expense.

Mr. Oteifa did very well and was positive about his experience in the U.S. As of this date no official transcript has been received by this office. The necessary papers requesting his transcripts have been sent to AGSIM.

PEACE FELLOWSHIP PROGRAM FOR EGYPT

## PROGRAM COMPLETION REPORT

PARTICIPANT: Monique Shaker	FPF NUMBER: 293
INSTITUTION: Stevens Inst. of Technology	DATE BEGAN PFP: August 23, 1981
FIELD OF STUDY: Computer/Management Science	DATE COMPLETED PFP: May 22, 1983
PROGRAM: MS coursework	EGYPTIAN SPONSOR: Engineering & Indust. Design Development Center

Monique Shaker # 293 arrived August 23, 1981 to attend Stevens Institute of Technology in Hoboken, New Jersey in a Computer/Management program. Monique's sponsor is her employer, the Engineering and Industrial Design Development Center.

She was to pursue master's level courses during her 21 month fellowship.

Monique was unhappy with Stevens Institute because each course credit was only 2.5 instead of the usual 3.0 and thus it would take longer to reach her goal plus some courses she wanted were not available at Stevens. Her advisor recommended in Spring 1982 that she be able to take some courses at New York University which were not available at her home institution. ECB approval was secured and Monique took four credits there. Because of the difficulty of transferring credits, she was not able to continue.

Monique was visited November 1981 by Mike McDonnell who noted that Monique was considering transferring since Stevens did not have many courses in Data Base Management which was her main interest. At that point Monique was still adjusting. She later chose to stay at Stevens Institute. In May 1983 she was awarded the M.S. in Computer Science with major interest in Management Science. Monique's fellowship ended May 22, 1983 and she returned to Egypt in June.

Monique was visited in November of 1982 by Mary Hegland. Mary found that Monique, although unhappy with Stevens Institute, made the best of her training possibilities and designed the best possible program for her position in her sponsoring agency.

On the whole Monique's grades were above average. Although she received some C's, she was able to balance them with A's in other courses to emerge with a 3.2 GPA.

Monique attended the 16th Hawaii International Conference on Systems Science January 4-7, 1983 and benefitted greatly from it.
