ACTION MEMORANDUM FOR THE DEPUTY ASSISTANT ADMINISTRATOR  
FOR TECHNICAL COOPERATION, S&T

FROM: S&T/POP, Steven W. Sinding *MW*  
SUBJECT: Natural Family Planning Education and Training,  
936-3029

Action: Your approval is requested to amend subject project to  
1) permit addition of \$875,000 to Cooperative Agreement  
DPE-3029-A-4023-00 with Family of the Americas Foundation, Inc.  
(FAF); and 2) approve FAF as the recipient organization.

Discussion: The Natural Family Planning Education and Training  
project was authorized for \$1,100,000 on February 10, 1984, and  
amended May 13, 1985, to increase the authorized amount by  
\$25,000. FAF has requested additional funding under the project  
for expansion of Billings Ovulation Method (BOM) training  
activities and distribution of additional BOM educational  
materials and film copies. An Advice of Program Change is  
required for this additional funding and is in process.

Family of the Americas Foundation, Inc., is an affiliate of  
World Organization on Ovulation Method Billings (WOOMB). WOOMB  
and FAF staff are the originators of the method and have the  
most experience in developing BOM materials and teaching the  
method in developed and developing countries. Based on this  
background and experience, FAF was originally approved on  
February 10, 1984, as the grantee, without consideration of  
other sources. This amendment to the authorization is an  
expansion of activities and geographic regions. FAF's status  
with regard to unique capability in the BOM has not changed  
since the original authorization.

Recommendation: That you 1) sign the attached Project  
Authorization Amendment and 2) approve the selection of the  
grantee for increased funding without consideration of other  
sources.
