ASIA/NEAR EAST BUREAU

PROJECT DEVELOPMENT/IMPLEMENTATION

REPORT NO. 1

OFFICE OF PROJECT DEVELOPMENT

OFFICE OF TECHNICAL RESOURCES

AGENCY FOR INTERNATIONAL DEVELOPMENT
WASHINGTON, D. C. 20523

ASIA/NEAR EAST BUREAU
AGENCY FOR INTERNATIONAL DEVELOPMENT
INTERNATIONAL DEVELOPMENT COOPERATION AGENCY
WASHINGTON, D. C. 20523

This report includes Asia and Near East Bureau projects and programs being developed and implemented in the Middle East, North Africa, Southern Europe and Asia.

In the past, the total portfolio of projects and programs were published highlighting, as appropriate, projected contracting activities. However, with this revised format, this report includes only those activities involving procurement of goods/services that may offer possible contracting opportunities to the private sector. Information contained in this report is subject to change without further notification. You are encouraged to stay in contact with the Project Officer listed for those projects in which you may be interested.

The Project Officers listed after each project are AID/ Washington Project Officers. Project responsibility may fluctuate from one report to the next because of job assignments.

We hope that this report, in its revised format, will be useful. In the event that additional project information is desired, the project officer may be contacted on the telephone number listed after each project, preceded by area code 202.

DATE: March 31, 1986

FISCAL YEAR 1987 AND EARLIER
(\$ Millions)

BANGLADESH

PROJECT TITLE/NUMBER: Agro-Climatic Environmental Monitoring
Project (388-0046)

IMPLEMENTING AGENCY: Space Research and Remote Sensing
Organization of the Ministry of Defense

<u>INITIAL FY</u>	<u>LOP AMOUNT</u>	<u>GRANT/LOAN</u>	<u>PACD</u>
1981	\$7.4	G	1989

PURPOSE: To improve planning and management of land and water resources in Bangladesh through upgrading the Government of Bangladesh's (BDG) capability to obtain, analyze and disseminate agro-climatic data.

PRIME CONTRACTOR(S): NASA

CONTRACTING ACTIVITIES:

Construction: n/a

Architecture/Engineering: n/a

Technical Assistance: To be provided through an 8(a)
set-aside contract

Equipment/Materials: n/a

Evaluation: Mid-term and final evaluations to be scheduled

PROJECT OFFICER: Lloyd Feinberg
Office Symbol/Phone Number: ANE/PD/SA 647-8964

CAPITAL AND TECHNICAL ASSISTANCE PROJECTS (LOAN/GRANT)

FISCAL YEAR 1987 AND EARLIER
(\$ Millions)

BANGLADESH

PROJECT TITLE/NUMBER: Agricultural Research II (388-0051)

IMPLEMENTING AGENCY: Bangladesh Agriculture Research Council

<u>INITIAL FY</u>	<u>LOP AMOUNT</u>	<u>GRANT/LOAN</u>	<u>PACD</u>
1981	\$46.5(*)	G	6/04/87

PURPOSE: The project will establish the institutional capability of the Bangladesh Government (BDG) to coordinate and implement a nationwide agriculture research system focused on increasing food production, small farmer income, and rural employment.

(*) = Planned but not yet authorized

PRIME CONTRACTOR(S): Winrock International, International Rice Research Institute (IRRI), and Denver Wildlife Research Center

CONTRACTING ACTIVITIES:

Construction: n/a

Architecture/Engineering: n/a

Technical Assistance: RFP to be issued June/July 1986 for extension of technical assistance to continue research activities currently ongoing. It will be a HC contract.

Equipment/Materials: n/a

Evaluation: n/a

PROJECT OFFICER: Helen Gunther

Office Symbol/Phone Number: ANE/TR/ARD 647-7327

CAPITAL AND TECHNICAL ASSISTANCE PROJECTS (LOAN/GRANT)

FISCAL YEAR 1987 AND EARLIER

BANGLADESH

PROJECT TITLE/NUMBER: Feeder Roads Maintenance and Improvement
(388-0056)

IMPLEMENTING AGENCY: Ministry of Local Government, Rural Development
& Cooperatives - Local Government Engineering
Bureau

<u>INITIAL FY</u>	<u>LOP AMOUNT</u>	<u>GRANT/LOAN</u>	<u>PACD</u>
1981	20.2(*)	G	1987

(*) = Planned but not yet authorized

PURPOSE: To improve rural access by institutionalizing routine farm to market road maintenance at the zila level of local government and increasing the pace of road development.

PRIME CONTRACTOR(S): Wilbur Smith and Associates

CONTRACTING ACTIVITIES:

Construction: Funding of selected improvement work and maintenance activities

Architecture/Engineering: n/a

Technical Assistance: Possible assistance on a subcontracting basis to the Local Government Engineering Bureau in the areas of planning, management, logistics, procurement and local revenue mobilization

Equipment/Materials: Procurement of certain pieces of road construction and maintenance equipment

Evaluation: Mid-term and end-of-project evaluations will be held.

PROJECT OFFICER: Lloyd Feinberg
Office Symbol/Phone Number: ANE/PD/SA 647-8964

CAPITAL AND TECHNICAL ASSISTANCE PROJECTS (LOAN/GRANT)

FISCAL YEAR 1987 AND EARLIER

BANGLADESH

PROJECT TITLE/NUMBER: Fertilizer Distribution Improvement II
(388-0060)

IMPLEMENTING AGENCY: Ministry of Agriculture

<u>INITIAL FY</u>	<u>LOP AMOUNT</u>	<u>GRANT/LOAN</u>	<u>PACD</u>
1984	\$52.0	G	9/30/89

PURPOSE: To increase agricultural production by increasing fertilizer consumption. Project will continue process of developing private sector involvement in fertilizer distribution and will promote development of large scale private fertilizer wholesalers.

PRIME CONTRACTOR(S): RFP to be issued July/August 1986

CONTRACTING ACTIVITIES:

Construction: To be determined

Architecture/Engineering: To be determined

Technical Assistance: To be determined

Equipment/Materials: To be determined

Evaluation: n/a

PROJECT OFFICER: Helen Gunther

Office Symbol/Phone Number: ANE/TR/ARD 647-7327

CAPITAL AND TECHNICAL ASSISTANCE PROJECTS (LOAN/GRANT)

FISCAL YEAR 1987 AND EARLIER

PROJECT TITLE/NUMBER: Homestead Agro-Forestry Research (388-0062)

IMPLEMENTING AGENCY: Ministry of Agriculture and Forests

<u>INITIAL FY</u>	<u>LOP AMOUNT</u>	<u>GRANT/LOAN</u>	<u>PACD</u>
1986	\$18.0	G	1991

PURPOSE: To enhance the capability of institutions within the Ministry of Agriculture and Forests to carry out research, extension, training and education to better assist rural families to increase production of trees, shrubs, bamboo and ground covers on their homesteads.

CONTRACTING ACTIVITIES:

Construction: n/a

Architecture/Engineering: n/a

Technical Assistance: A major technical assistance contract to provide consulting services in agro-forestry, farming systems research, extension training, forest economics, etc. Possible sub-contracting opportunities for 8(a) firm or HBCU. RFP may be issued in August-September 1986.

Equipment/Materials: To be determined

Evaluation: Mid-term and final evaluations to be scheduled

PROJECT OFFICER: Helen Gunther

Office Symbol/Phone Number: ANE/TR/ARD 647-7327

CAPITAL AND TECHNICAL ASSISTANCE PROJECTS (LOAN/GRANT)

FISCAL YEAR 1987 AND EARLIER
(\$ Millions)

BANGLADESH

PROJECT TITLE/NUMBER: Small Enterprise Development (388-0066)

IMPLEMENTING AGENCY: Micro Industries Development Assistance Society (MIDAS) and the Bangladesh Small and Cottage Industries Corporation (BSCIC)

<u>INITIAL FY</u>	<u>LOP AMOUNT</u>	<u>GRANT/LOAN</u>	<u>PACD</u>
1986	\$8.0(*)	G	1991

(*) = Planned but not yet authorized

PURPOSE: To extend technical assistance and credit for the establishment or expansion of small enterprises that can make exceptional contributions to business development and off farm employment in Bangladesh. This will be accomplished through grants to MIDAS and possibly PSCIC, a parastatal business promotion organization.

PRIME CONTRACTOR(S): Not yet determined

CONTRACTING ACTIVITIES:

Construction: n/a

Architecture/Engineering: n/a

Technical Assistance: Possible opportunities in the area of small venture capital development, financial management, etc.

Equipment/Materials: n/a

Evaluation: Final evaluation of MIDAS component of the existing Rural Industries Project will be incorporated with some design activities for this project in March 1986 under a centrally funded project in FY 1988/89.

PROJECT OFFICER: Lloyd Feinberg

Office Symbol/Phone Number: ANE/PD/SA 647-8964

CAPITAL AND TECHNICAL ASSISTANCE PROJECTS (LOAN/GRANT)

FISCAL YEAR 1987 AND EARLIER

BANGLADESH

PROJECT TITLE/NUMBER: Rural Electrification Phase III (388-0070)

IMPLEMENTING AGENCY: Rural Electrification Board (REB)

<u>INITIAL FY</u>	<u>LOP AMOUNT</u>	<u>GRANT/LOAN</u>	<u>PACD</u>
1986	\$58.6	G	1990

PURPOSE: To provide funds for construction of distribution lines and substations on Rural Electrification sites previously financed by USAID. Also provides funds for technical assistance supplied for the entire Phase III Rural Electrification program.

PRIME CONTRACTOR(S): National Rural Electrification Cooperatives Association; Gilbert Commonwealth Associates

CONTRACTING ACTIVITIES: Contracting approach under consideration.

Construction: Intensification of existing electrical cooperatives

Architecture/Engineering: n/a

Technical Assistance: Assistance to REB on engineering and management/financial issues; host country contracting for distribution system equipment.

Equipment/Materials: Wooden electrical poles, anchor logs and cross arms, and assorted electrical systems materials and equipment

Evaluation: Mid-term and final evaluations will be scheduled.

PROJECT OFFICER: Mark Gellerson

Office Symbol/Phone Number: ANE/TR/ENR 647-7327

CAPITAL AND TECHNICAL ASSISTANCE PROJECTS (LOAN/GRANT)

FISCAL YEAR 1987 AND EARLIER
(\$ Millions)

CYPRUS

PROJECT TITLE/NUMBER: Relief and Rehabilitation (233-0001)

IMPLEMENTING AGENCY: United Nations High Commissioner for
Refugees (UNHCR)

<u>INITIAL FY</u>	<u>LOP AMOUNT</u>	<u>GRANT/LOAN</u>	<u>PACD/TDD</u>
1975	\$160.0	G	9/86-6/87

PURPOSE: To provide assistance to the approximately 200,000 Cypriots displaced by the events of 1974. Funding is divided roughly on the basis of population with 19.05% for the Turkish Cypriot north and 80.95% for the Greek Cypriot south primarily contracting opportunities will exist for equipment and materials.

PRIME CONTRACTOR(S): UNHCR

CONTRACTING ACTIVITIES: All contracting is done by UNHCR or by sub-grantees.

Construction: locally procured

Architecture/Engineering: Usually funded from other sources

Technical Assistance: n/a

Equipment/Materials: Primarily machine tools, hand tools, manufactured items and ductile pipes. The UNHCR will procure the equipment and materials.

PROJECT OFFICER: Ault Nathanielsz

EGYPT

PROJECT TITLE/NUMBER: Suez Cement Plant (263-0012)

IMPLEMENTING AGENCY: Suez Cement Company

<u>INITIAL FY</u>	<u>LOP AMOUNT</u>	<u>GRANT/LOAN</u>	<u>PACD</u>
1976	\$105.0	G	1976

PURPOSE: To construct a Portland cement plant and auxiliary facilities capable of producing one million tons of cement per year.

PRIME CONTRACTOR(S): H. K. Ferguson, International, Inc., The Fuller Company, The Ibberson Company, Polysius Corp. and The Claudious Peters Co.

CONTRACTING ACTIVITIES:

Construction: n/a

Architecture/Engineering: Modification of equipment design

Technical Assistance: Operational staff training for the operators of the modified equipment and management training in exceptional management situations

Equipment/Material: Equipment will be needed for plant modifications to bring it up to original design production levels.

Evaluation: Planned for FY 86

PROJECT OFFICER: L. M. Marshall

PROJECT TITLE/NUMBER: Industrial Production-Gypsum (263-0101.6)

IMPLEMENTING AGENCY: Sinai Manganese Company

<u>INITIAL FY</u>	<u>LOP AMOUNT</u>	<u>GRANT/LOAN</u>	<u>PACD</u>
1978	\$12.8	G \$2.3 L \$10.5	5/31/88

PURPOSE: To provide funding for the development of a 300,000 MT/Year calcined gypsum plant for Sinai Manganese Company at Ras Malaab. The proceeds of the re-loan will be used to fund production machinery, equipment, spare parts and a power plant. The proceeds of the re-grant will be used to fund engineering, project implementation, management services and ocean freight.

PRIME CONTRACTOR(S): Mc Kee/Kearney (Joint Venture) and Wood Processing Technologies, Inc.

CONTRACTING ACTIVITIES:

Construction: Construction of a calcined gypsum plant

Architecture/Engineering: n/a

Technical Assistance: n/a

Equipment/Materials: To process, handle, move, pack and ship gypsum products

Evaluation: n/a

PROJECT TITLE/NUMBER: Girls' Access to Education (GATE) (367-0151)

IMPLEMENTING AGENCY: Ministry of Education and Culture (MOEC)

<u>INITIAL FY</u>	<u>LOP AMOUNT</u>	<u>GRANT/LOAN</u>	<u>PACD</u>
1986	\$1.550	G	3/30/90

PURPOSE: To improve girls' access to education in Nepal. The project will assist the MOEC to increase female participation in education through support of the women's education unit within the MOEC which will develop model community Women's Education Centers (WEC), including preschool and nonformal education components. A.I.D. will provide funds for technical assistance, commodities, training and minor construction costs. Project outputs will include an infrastructure capable of administering and expanding GATE's planned 30 community-supported WECS in two districts.

PRIME CONTRACTOR(S): None to date. Technical assistance contract will probably be let sometime this FY depending on funds available to project.

CONTRACTING ACTIVITIES:

Construction: Local construction

Architecture/Engineering: n/a

Technical Assistance: 1 long-term technical advisor to be resident in Nepal; 15 months of short-term technical assistance will also be required.

Equipment/Materials: To be purchased locally

Evaluation: Three external evaluations planned - Dates to be determined

(IRNR) (367-0154)

IMPLEMENTING AGENCY: Tribhuvan University

<u>INITIAL FY</u>	<u>LOP AMOUNT</u>	<u>GRANT/LOAN</u>	<u>PACD</u>
1987	\$14.4	G	1994

PURPOSE: Improve IRNR's capability to meet Nepal's need for trained foresters and resource managers. Assistance will be directed towards development of B.Sc. and field extension agent training programs. The project will emphasize improvement of quality and relevance of training and devote special attention to training of women and remote area students. A.I.D. inputs will include funding technical assistance, training, some commodities and small scale construction works.

PRIME CONTRACTOR(S): None to date. It is expected that a single contractor will be responsible for all technical assistance, commodities and the implementation of the participant training program. USAID/Nepal would like to contract with a Historically Black College/University with extensive natural resources management training experience as the primary contractor. 8(a) firms, with similiar experience, and perhaps in a joint venture with a larger more experienced firm, will also be favorably considered.

CONTRACTING ACTIVITIES:

Construction: Local construction

Architecture/Engineering: n/a

Technical Assistance: Approximately 10 person years of long-term expatriate assistance will be required in the areas of, inter alia, forest engineering, soil conservation and watershed management. Short-term assistance will also be required.

Equipment/Materials: The project will supply limited numbers of micro-computers, laboratory and teaching equipment.

Evaluation: To be determined

OMAN

PROJECT TITLE/NUMBER: Water Resources Development (272-0104)

IMPLEMENTING AGENCY: Under discussion with Government

<u>INITIAL FY</u>	<u>LOP AMOUNT</u>	<u>GRANT/LOAN</u>	<u>PACD</u>
1986	\$75.0	L	1990

PURPOSE: To provide guidance to and develop the capability of existing institutions in the use, allocation, development, control and management of Oman's limited water resources; and to execute selected water and wastewater projects as coordinated components of the program to develop new sources and to make more efficient use of existing water resources.

Outputs: Master plan for sewer and water and an improved water distribution system for the capital areas.

Inputs: Technical assistance to assist the Government of Oman in the preparation and revision of the master plans; Architecture/Engineering services to design and supervise the construction of the water distribution system for capital area equipment and material needs for the construction of the planned system.

PRIME CONTRACTOR(S): None selected

CONTRACTING ACTIVITIES:

Construction: Water Distribution System

Architecture/Engineering: Design water distribution system for capital area

Technical Assistance: Water Resources Advisor currently being sought. Additional assistance through one or more competitively let contracts might also be sought.

Program (391-0468)

IMPLEMENTING AGENCY: Ministry of Food and Agriculture

<u>INITIAL FY</u>	<u>LOP AMOUNT</u>	<u>GRANT/LOAN</u>	<u>PACD</u>
1982	\$375.0	G/L	12/31/87

PURPOSE: To increase the productivity of the agriculture sector through the provision of imported commodities and equipment; and to provide balance of payments support. Financing has been provided thus far for fertilizer, cotton, and wheat imports, and for equipment in support of other AID financed development projects.

PRIME CONTRACTOR(S): Connell Brothers (Procurement Services Agent [PSA]); Aegis International; US suppliers

CONTRACTING ACTIVITIES

Construction: n/a

Architecture/Engineering: n/a

Technical Assistance: n/a

Equipment/Materials: The PSAs mentioned above have performed procurement services for acquiring equipment in support of ongoing development projects. Some additional equipment (forthcoming workshop) for the Irrigation Systems Management Project through these PSAs may be required. Other commodities (fertilizer, cotton, wheat) have been procured directly by the Government of Pakistan. Additional wheat purchases are anticipated in 1986 by the Pakistan Embassy in Washington, D.C. In addition, procurement of equipment directly by private sector Pakistani firms in the agriculture sector to enhance their productivity or expand operations is anticipated. This may include such categories as earth moving and land clearing equipment, irrigation equipment, agricultural industrial equipment and materials, commodity storage facilities, food processing machinery, and farm equipment.

1982	\$7.550*	L	*

PURPOSE: This grant is assisting Tunisia in developing long-term links between Tunisia and the United States through new initiatives in the private sector. The project promotes technology transfer in support of other AID projects, providing technical assistance in, inter alia, introducing U.S. dairy management techniques, equipment leasing, production and management techniques to private sector producers, expatriate tax reform.

PRIME CONTRACTOR(S): n/a

CONTRACTING ACTIVITIES

Construction: n/a

Architecture/Engineering: n/a

Technical Assistance: Various, on a "targets of opportunity" basis.

Equipment/Materials: n/a

Evaluation: n/a

PROJECT OFFICER: Joseph M. Carroll

Office Symbol/Phone Number: ANE/PD/MEDNE 647-9064

* It is anticipated that this project will undergo a major amendment or rewrite as a new project in FY 86 based on the new Mission CDSS and an evaluation performed in late CY 85.

YEMEN

PROJECT TITLE/NUMBER: Agriculture Development Support: CORE
Subproject (279-0052.1)

IMPLEMENTING AGENCY: Ministry of Agriculture Education

<u>INITIAL FY</u>	<u>LOP AMOUNT</u>	<u>GRANT/LOAN</u>	<u>PACD</u>
1980	\$24.9	G	9/30/87

PURPOSE: To improve the capacity of the Yemen Arab Republic to plan and monitor a National Agricultural Development Program supportive of private sector production and marketing. The basic project inputs are: (A) technical advisory assistance; (B) training; (C) subproject design/mobilization, and (D) the provision of administrative logistical support to the program. Current subproject outputs are as follows: (a) Inservice training, short-term technical training and long-term academic training. (b) Five subprojects have been designed and are operational; one is in the design stage. (c) Administration and logistical support are being provided reasonably satisfactorily to the Program.

PRIME CONTRACTOR(S): Consortium for International Development, Oregon State University

CONTRACTING ACTIVITIES: May 31, 1986 is the planned start-up date for Phase II and the Mission plans to contract directly with Oregon State University for the CORE subproject extension.

Construction: Most of the construction envisioned has been completed.

Architecture/Engineering: n/a

Technical Assistance: The CORE advisors or Ministry of Agriculture and Fisheries (MAF) at various phases in the program require special studies or reports like the Agriculture Sector Assessment just completed and the assistance in the MAF five year plan.

Equipment/Materials: Each lead university goes through their own procurement procedures for and equipment or material which may be needed on any subproject.

Evaluation: The Poultry Extension Training Subproject (PETS) and Horticulture Improvement and Training Subproject (HITS) will have outside evaluations. These subprojects are up for redesign or continuation.
