ACTION MEMORANDUM FOR THE SENIOR ASSISTANT ADMINISTRATOR, S&amp;T

FROM: S&T/RUR, Curtis R. Jackson *C. R. Jackson*SUBJECT: Amendment to the Project Authorization for the HBCU  
Research Project (936-5053)

Problem: Your authorization is needed to amend the Project Authorization for the HBCU Research Project to extend the project assistance completion date to FY 1992.

Discussion: Most of the HBCU Research proposals which were approved for FY 1988 funding exceed the project termination date of September 30, 1989. The Office of Procurement is reluctant to negotiate grants which continue beyond that date because the research would be unfinished long after the project has officially ended. We have prepared an amended Project Authorization which extends the completion date to September 30, 1992. The Project is undergoing evaluation and no further modifications in the Project Authorization will be undertaken until the evaluation results are available.

Recommendation: That you indicate your approval of the extension of the project completion date by signing the attached amended Project Authorization.
