ACTION MEMORANDUM FOR THE ACTING AGENCY DIRECTOR FOR HUMAN RESOURCES

FROM: S&T/ED, David Sprague *DS*

SUBJECT: Radio Assisted Community Basic Education
(Project No. 936-5807)

Problem: To extend the estimated final year of obligation from FY 85 to FY 86.

Background: This project was initiated in 1981 to demonstrate how high quality radio instruction with local community paraprofessionals can provide primary school equivalency to rural children who do not have access to schools. The contractor, InterAmerica Research Associates, needs additional funds to provide a radio studio and office space for integrating the project into the Secretariat of Education and to close out the project. Therefore, additional funding is required to meet these costs. This amendment will permit S&T/ED to add additional funding for this fiscal year's operation.

Recommendation: That you approve the change in estimated final year of obligation by signing the attached PAF amendment number 4.
