ACTION MEMORANDUM FOR THE AGENCY DIRECTOR FOR HUMAN RESOURCES

FROM: S&T/RD, Eric Chetwynd (Acting) *EC*
SUBJECT: Amendment of the Authorization for the Performance
Management Project (936-5317)

Problem: You are requested to approve an amendment to the authorization for the Performance Management Project (PMP) (936-5317) to permit a FY 89 Operating Year Budget (OYB) transfer from the Africa Bureau Office of Development Planning, Policy Analysis and Research Division (AFR/DP/PAR) to finance a field activity.

Discussion: The field activity would assist in the FY 90 design and implementation of S&T/RD/IDM's follow-on project to PMP, "Implementing Policy Change" (IPC) which is expected to have a distinct Africa focus. Collaboration between S&T/RD and AFR/DP would serve to support the management of policy reform implementation in sub-Saharan African countries. In order to initiate this collaboration, AFR/DP would like to finance an unsolicited proposal, submitted by a management consulting firm with considerable African experience, to (a) undertake a year's collaboration with organizations in one sub-Saharan African country to facilitate their implementing restructuring policies; and (b) identify problems of implementation as well as promising concepts, approaches, and activities helpful to solve them.

The proposed work under this OYB transfer would be consistent with the scope of work for PMP as the project has been concerned with implementing policy as well as other dimensions of improving LDC program management. At the recommendation of the project's 1988 evaluation, we have been focussing the PMP's work more on policy implementation and sustainability. We welcome this opportunity to collaborate with the Africa Bureau and seek your authorization of this OYB transfer.

Recommendation: That you sign the attached Project Authorization Amendment.
