Project Authorization

Name of Country	Worldwide
Project Title	Women's and Infants' Nutrition
Project Number	936-5117

1. Pursuant to Section 103 and 104 of the Foreign Assistance Act of 1961, as amended, I hereby authorize the Women's and Infants' Nutrition Project involving centrally-funded planned obligations of not to exceed \$25,000,000 over a ten year period from the date of authorization, subject to the availability of funds in accordance with A.I.D./allotment process, to help in financing foreign exchange and local currency costs for the project. The project is also authorized to make use of Economic Support Funds (ESF) and the Development Fund for Africa, as appropriate. Funding available for the project may also include up to \$10,000,000 contributed by central bureaus, regional bureaus and A.I.D. missions.

2. The project will continue, refine and expand the Agency's central technical resources to improve the nutritional status of women and children in developing countries. This will lead to reduced childhood mortality and morbidity. The project will provide service/technical assistant/field support for infant and young child nutrition, conduct operations research on the nutritional needs of adolescent girls and reproductive age women, support clearinghouse(s) to collect and disseminate information on topics related to women's and children's nutrition, and establish effective coordination with related activities financed by A.I.D. and other donors.

3. The agreements which may be negotiated and executed by the office(s) to whom such authority is delegated in accordance with A.I.D. regulations and Delegation of Authority shall be subject to the following essential terms and covenant and major conditions, together with such other terms and conditions as A.I.D. may deem appropriate.
