Technical Support

I. Project Description and Explanation

A. Background

The Technical Support project provides for program support and overhead costs for each of the technical and related management divisions of USOM. The Technical Support local currency Trust Fund Budget covers the funding requirements of local hire personnel and other local costs which cannot be attributed specifically to individual projects.

B. The Purpose of this Agreement

This agreement enables USOM, through provision of baht, to employ local hire personnel and pay for other local costs not specifically attributed to individual projects.

II. United States Government Contribution

During FY 1972 (TFY 2515), The United States Government will provide U.S. direct hire and contract personnel and U.S. source origin commodities. Obligation of such funds is provided for in other documents.

III. Royal Thai Government Contribution

The Royal Thai Government (RTG) will provide baht to pay salaries for local Thai personnel and provide for other local costs up to a total of B34,500,000 (\$1,725,000). See Annex "B" for FY 1972 (TFY 2515) Trust Fund Budget details.
