The Administrator's Review of the University Services Agreement project (University of North Carolina - previous title was University Programmatic Services) was held on April 22, 1971. The decision resulting from the Review provided the following authorities:

- (1) FY 1971 funding would be limited to forward-funding requirements for core staff plus subprojects which could be approved by A.I.D. prior to July 1, 1972 (i.e. subprojects approved by TA/POP, Regional Bureaus and USAIDs).
- (2) The five-year budget (from FY 1971 through FY 1975) was approved at the level of \$5 million.
- (3) Annual determination of funding requirements within the \$5 million was determined to be within the authority of AA/TA subject to submission and review of terms and conditions of a revised PROP (including clearance by Regional Bureaus).

The forgoing provisions are also applicable to this Project Authorization.

11. Approved in substance for the life of the project as described in the PROP, subject to the conditions cited in Block 10 above, and the availability of funds. Detailed planning with cooperating country and drafting of implementation documents is authorized.

This authorization is contingent upon timely completion of the self-help and other conditions listed in the PROP or attached thereto.

This authorization will be reviewed at such time as the objectives, scope and nature of the project and/or the magnitudes and scheduling of any inputs or outputs deviate so significantly from the project as originally authorized as to warrant submission of a new or revised PROP.
