Between The

Government of Jamaica

and the

United States of America

Article 1: The Agreement

By this AGREEMENT, the Government of the United States of America acting through the Agency for International Development (hereinafter referred to as "A.I.D.") and the Government of Jamaica hereby agree as follows:

Article 2: Financing

SECTION 2.1. The Grant. For the purpose of providing balance of payments support to the Government of Jamaica to enable it to continue with its economic stabilization program begun earlier and to proceed with efforts to remove restrictions on the economy which hinder long term development, and to increase production and employment, A.I.D., pursuant to the Foreign Assistance Act of 1961, as amended, agrees to grant the Government of Jamaica under the terms of this Agreement an amount not to exceed Two Million Four Hundred and Eighty-Nine Thousand United States Dollars (US\$2,489,000) ("Grant").

Article 3: Conditions Precedent to Disbursement

SECTION 3.1. First Disbursement. Prior to the first disbursement under this Agreement, or to the issuance by A.I.D. of documentation pursuant to which disbursement will be made, the Government of Jamaica will furnish to A.I.D., in form and substance satisfactory to A.I.D.:

(a) A statement representing and warranting that the named person(s) have the authority to act as the representative(s) of the Government of Jamaica together with a specimen signature of each person certified as to its authenticity.

(b) Written evidence that a separate account has been established by the Government of Jamaica at a United States bank in the United States specifically and only for the receipt of the U.S. dollars made available under the Agreement.

SECTION 3.2. Notification. When A.I.D. has determined that the Conditions Precedent specified in Section 3.1. have been met, it will promptly notify the Government of Jamaica.

SECTION 3.3. Terminal Dates for Conditions Precedent. If the Conditions specified in Section 3.1. have not been met within thirty (30) days from the date this Agreement is made and entered into, or such later date as A.I.D. may agree to in writing, A.I.D., at its option, may terminate this Agreement by written notice to the Government of Jamaica.

Article 4: Disbursement

SECTION 4.1. Request for Disbursement and Deposit of Disbursed Funds. The disbursement of the Grant funds made available under this Agreement will be made pursuant to duly executed Requests for Disbursement by the Government of Jamaica and subsequent to satisfaction of the Conditions Precedent to Disbursement in Article 3. Each Request for Disbursement will be submitted, using A.I.D. form 1130-2(1-65), to the Mission Director, USAID Mission to Jamaica, in form and substance satisfactory to A.I.D., together with the documentation specified in Article 3. In accordance with the Request for Disbursement, A.I.D. will deposit the funds into the account of the Government of Jamaica at a United States bank in the United States designated by the Government of Jamaica pursuant to the Section 3.1.(b). No other funds shall be commingled in this account.

SECTION 4.2. Date of Disbursement. The date of disbursement will be deemed to be the date(s) on which the funds are deposited to the specified account of the Government of Jamaica.

SECTION 4.3. Terminal Date for Requesting Disbursement. Terminal date for requesting disbursement of grant funds will be six (6) months from the date of this Agreement, except as A.I.D. may otherwise agree in writing. Following such date, A.I.D. shall be under no obligation to disburse any funds remaining undisbursed and may unilaterally deobligate such funds with no further notice to the Government of Jamaica.

Article 5: Use of Funds

SECTION 5.1. Acceptable Uses. The Government of Jamaica agrees that the funds made available under this Agreement, together with any interest earned thereon while held in the separate account mentioned in Section 4.1., shall be used to effect debt service payments.

SECTION 5.2. Ineligible Procurement. The Government of Jamaica agrees that the debt to be serviced pursuant to Section 5.1. shall not include debt known to have been incurred to finance equipment for surveillance, abortion, gambling, or weather modification; luxury items; or pesticides which are not registered by the U.S. Environmental Protection Agency for use without restriction. Service of debt owed to the U.S. government (exclusive of FMS debt) shall have first priority, followed by servicing of debt owed to multilateral development banks and the IMF.

SECTION 5.3. Use Approval and Documentation. The Government of Jamaica further agrees to notify A.I.D. of those debt transactions which qualify under the criteria stated in Section 5.1. Following A.I.D. authorization of those specific transactions, the Government of Jamaica will withdraw sufficient funds from the separate account for direct payment to the end user. The Government of Jamaica will furnish such reports on uses to verify compliance with this requirement as A.I.D. may specify in writing and as is satisfactory to A.I.D. in form and substance. Such documentation shall be retained by the Bank of Jamaica as part of its files related to this Agreement and shall be available for review and/or audit in accordance with Section 9.2. hereof.

SECTION 5.4. Redeposit. The Government of Jamaica further agrees to redeposit in the said separate account any amounts, as directed by A.I.D., representing funds applied to a disallowed use, and to reprogram such funds to a permitted use.

Article 6: Special Covenant

The Government of Jamaica covenants that, except as A.I.D. may otherwise agree in writing, it will cooperate to assure that the purpose of this Agreement will be accomplished. To this end, the Parties, at the request of either, will exchange views on the progress of the program.

Article 7: Local Currency

SECTION 7.1. Deposit of Local Currency. The Government of Jamaica agrees that, except as A.I.D. may otherwise agree in writing:

- (a) Within two weeks of the end of the month in which a disbursement occurs under the Grant, it will provide to A.I.D. a bank statement showing that it has deposited Jamaican dollar funds in an amount equivalent to the U.S. dollar disbursement in a special account at the Bank of Jamaica, using the highest rate of exchange which is not unlawful for such transactions in Jamaica, on the date of

the dollar disbursement, in determining the amount to be so deposited. This special account shall be used only for the deposit of Jamaican dollars attributable to this Agreement.

(b) Until such funds are released from the Special Account for mutually agreed uses, interest will accrue thereon and be paid into the same account on a quarterly basis at the minimum rate of interest specified by the Bank of Jamaica as payable on ordinary savings deposits in commercial banks in Jamaica.

SECTION 7.2. Use of Local Currency. The Government of Jamaica further agrees that, except as A.I.D. may otherwise agree in writing:

(a) It will use the Jamaican dollar funds in the Special Account and any interest paid thereon only for purposes agreed upon with A.I.D. and consistent with the A.I.D. program of assistance to Jamaica. A sectoral approach to programming will be jointly agreed upon in implementation letters executed subsequent to this Agreement.

(b) The Government of Jamaica will report to A.I.D., in form and substance satisfactory to A.I.D., that the local currency funds allocated pursuant to this Agreement were used for the agreed upon purposes.

SECTION 7.3. Redeposit. The Government of Jamaica further agrees to redeposit in the said separate account any amounts, as directed by A.I.D., representing funds applied to a disallowed use, and to reprogram such funds to a permitted use.

Article 8: Termination.

Either party may terminate this Agreement by giving the other party thirty (30) days written notice. Termination of this Agreement will terminate any obligations of the parties to provide financial or other resources to the Project pursuant to this Agreement. Notwithstanding any termination, or refund, the provisions of this Agreement will continue in effect unless and until the Government of Jamaica has refunded the entire amount of the Grant to A.I.D. hereunder.

Article 9: Miscellaneous

SECTION 9.1. Taxation. This Agreement and the amount to be granted hereunder shall be free from any taxation or fees imposed under any laws in effect within Jamaica.

SECTION 9.2. Records. The Government of Jamaica agrees to maintain financial records relating to compliance with this Agreement, and to local currency funds allocated pursuant to Article 6 of this Agreement, by use of its usual accounting procedures, which shall follow generally accepted accounting procedures. All such financial records shall be maintained for at least three years after the final disbursement and shall be made available at any reasonable time to authorized representatives of A.I.D. for the purpose of examination and inspection.

SECTION 9.3. Communications. Any notice, request, document, or other communication submitted by either party to the other under this Agreement will be in writing or by telegram, cable, or radiogram, and will be deemed duly given or sent when delivered to such party at the following addresses:

To Government of Jamaica:

The names of the representatives of the Government of Jamaica, with specimen signatures, will be provided to A.I.D., which may accept as duly authorized any instrument, signed by such representatives in **implementation of this Agreement, until receipt of written notice of revocation of their authority.**

Nothing in this Memorandum should be construed as modifying the Agreement or any of its provisions herein referred to or explained.

I. General

The Government and USAID agree that a full discussion of progress toward compliance with the Terms, Conditions, and Covenants of this Agreement shall be undertaken on a regular basis. Accordingly, the Government and USAID agree to continue the present system of quarterly reviews chaired by the Governor of the Bank of Jamaica.

In order that these reviews may take place on a timely basis, it is essential that both the Government and USAID officers charged with responsibility for implementation have ready and timely access to all the necessary data. It is further agreed that these funds will be delivered by check to the Controller, USAID in four (4) equal installments on the first day of each calendar quarter of the Jamaican Government's fiscal year 1990/91 for use in accordance with the terms of the Trust Fund Agreement.
