18. SUMMARY DESCRIPTION

The purpose of the \$20.0 million ESF-VII Program Grant for Senegal is to help alleviate the severe short-term budget crisis of the Government of Senegal (GOS).

Of the total amount, \$19.5 million will be a cash disbursement to the GOS for budget support and \$500,000 will be earmarked for an associated technical assistance project (685-0300).

To date, \$14.5 million of the cash disbursement program grant and all of the \$500,000 technical assistance project have been obligated. This authorization permits the further obligation of \$1.0 million under the cash disbursement program grant.

Per State 232660 dated July 17, 1991, A, AA/AFR granted USAID/Senegal Director an ad hoc DOA to approve a PAAD Facesheet Amendment No. One to ESF-VII program increasing funding by \$1.0 million.
