1. Project Title: Kenya Development and Support Project (1996)
2. A.I.D. Project Number: 615-0510
3. Project Description:
4. These funds may be used to finance.
  - a. Surveys of customer attitudes and opinions, and other customer relations efforts.
  - b. Strategy-related studies, sector assessments, or other special studies that assist in defining strategic objectives, enhance policy dialogue efforts or lead to a better understanding of institutional or technical constraints.
  - c. Development or programs or activities, feasibility studies, operations research, and pilot testing of hypotheses that may lead to the exploration of new strategic directions, or to the final design of a program or activity.
  - d. Small research activities or support thereto, including state-of-the-art surveys/studies required for exploration of new strategic directions.
  - e. General purpose activities such as seminars, workshops, and special economic, sectoral or statistical surveys and studies that cannot be associated with a single, discrete program or activity. This category includes the publication and other dissemination of appropriate research and technical studies.
  - g. Reasonable pre-activity or pre-program implementation costs or bridge funding between terminating and follow-on activities or programs.
  - h. Costs associated with monitoring or auditing program assistance activities such as cash transfers, commodity import programs, sector assistance, and PL 480, when the relevant program assistance agreement does not contain adequate funding for such purposes.

- 3 -  
/

- i. Program costs associated with monitoring or auditing host country owned local currency when local currency is unavailable for this purpose.
  - j. Travel or short-term training costs of host country public or private sector counterpart personnel when funds from other programs or activities are unavailable for this purpose.
5. Grantee Financing: The Government of the Republic of Kenya will contribute on an in-kind basis, in an amount at least equal to that shown in Paragraph 4 of the Title page. That contribution will include office space, workshop and seminar facilities, secretarial support services, computer services, telecommunications support, and some research and review staff time.
