

ANNEX I  
LIMITED SCOPE GRANT AGREEMENT  
PROJECT DESCRIPTION  
PD & S PROJECT NO. 398-0249

A. Project Purpose:

The purpose of this project activity is to support the Ministry of Public Health in doing the overall health strategy for the Republic of Yemen for 1992-1996. Development of this strategy will be based on a health manpower assessment which will:

1. Identify the manpower available, their skill levels and their distribution;
2. Identify mismatches between available manpower and health needs; and,
3. Determine future manpower requirements and capacities of health manpower institutions to meet those needs.

The assessment will lead to a health manpower projection and plan to the year 2010. The Ministry of Public Health is the lead agency which will coordinate among other relevant ministries and agencies to complete the national survey , data processing and analysis. The total cost is estimated at approximately \$250,000.

B. Project Activity:

A.I.D. funding will be used to cover the cost of the following types of activities associated with the assessment:

- a) Stationary and supplies
- b) Editing of the plan
- c) Typing and binding
- d) Data processing
- e) Translation
- f) Data collection in Governorates of Sadah, Hajah, Marib, Hodeidah.
- g) Training courses for interviewers

However, PD & S money will not pay for salaries, overtime and/or the per diems of the Ministry of Public Health or other Government employees.

PD and S funds will be released in tranches to the Ministry of Public Health with an initial advance not to exceed YR120,000.0 only when this advance is liquidated in full with receipts for eligible expenditures, as approved by A.I.D., will additional funds be released. The Ministry of Public Health will request funds under this agreement (including the initial advance) via a letter to USAID which shall include a listing of projected needs and estimated costs. A check will be requested from the United States Disbursing Officer in Paris, France and upon its return to Sana'a will be released to the Ministry of Public Health. The Ministry of

Public Health is responsible for doing adequate forward planning to insure that all funds are properly accounted for and adequate funds are available on a timely basis.

C. Terms of the Project:

A.I.D. funding is hereby provided through the Project Assistance Completion date of December 31, 1992; however, it is anticipated that the activity will be completed by June 15, 1992.

D. Illustrative Budget:
