F o r e w o r d

This report presents a record of the Agency for International Development Project Assistance Program as of September 30, 1985. Volume II includes all projects completed as of September 30, 1985. An asterisk to the left of the title in Volume I identifies projects completed during the current and prior years which had activity during the current fiscal year. Volume I is identified in it's own foreward.

Fiscal data in this Volume II is presented by -

1. Worldwide Summary - Technical Field.
2. Bureau Summary - Tehncial Field.
3. By Country - By Project - Technical Field.

The following glossary of terms should be considered when using this Volume:

1. Total Cost - Represents the total U. S. Dollars attributed to the Project.
2. Completion Date - the Project Assistance Completion Date (PACD) - the terminal date for which all goods and services must be received at the project site.
3. Projects are considered completed when all obligations for the project have been liquidated either by payment or cancellation, i.e., obligations equal expenditures.
