9.							
10.							

Q. 513 Do any of your children who are not living with you contribute to your household financially ?

Yes

No

How much did they contribute in cash or in kind during the past year ?

In Cash.....

In Kind.....

SECTION-- 6

TIME ALLOCATION DATA

Now I would like to record your activities (and the activities of each of your children who are living with you) during the day, from waking up in the morning to going to sleep at night. I need to do this for one day in each of three seasons in the year :

RICE AREAS (i) Harvesting (about November)
(ii) Slack (about February)
(iii) Harvest (about April)

WHEAT AREAS (i) Sowing (about October)
(ii) Slack (about February)
(iii) Harvesting (about April/May)

Let us begin by fixing some points in time during the day, which will help us in recording how much time you spend at each task, and how much time you spend in leisure :

--do you have a watch ?

--do your children go to school and return at fixed times ?
(or other members of the household go to work and return at fixed times)

--do any buses or trains go past the village at fixed times ?

--do you hear the azaan ?

FIX WHATEVER REFERENCE POINTS POSSIBLE. IF NOTHING CAN BE FIXED, USE THE POSITION OF THE SUN, AS INDICATED ON PAGES 31 TO 33.

Please think of a typical day during (rice harvest in November/wheat sowing in October), and tell me what you do during such a day, starting from the time you wake up in the morning.

AFTER RECORDING THE WOMAN'S ACTIVITIES, RECORD EACH OF HER CHILDREN'S ACTIVITIES DURING THAT SAME DAY.

Now, what do each of your boys and girls do during that day ?

AFTER COMPLETING ONE SEASON, MOVE ON TO THE NEXT SEASON.

USE THE FOLLOWING CODES

Codes		
1.	AGRICULTURE	
2.	CATTLE CARE	(including collecting fodder; grazing and watering cattle; milking and processing milk)
3.	WAGE LABOUR	(including agricultural and non-agricultural wage labour) INTERVIEWER : ASK HOW MANY DAYS IN A WEEK THERE IS WORK DURING THAT SEASON.
