DIRECTORY OF LOCAL NGOS

INTRODUCTION

This Directory of Local NGOs includes information about the indigenous NGOs operating in the Northwest Frontier Province. It is particularly focused on organizations operating at the community level.

The directory has been developed through the cooperation and efforts of the InterAgency Group, an informal network of NGOs, government agencies, development projects and others engaged in community participation activities within the Northwest Frontier Province. A sub-committee of the InterAgency Group designed and reviewed the questionnaire for the Survey.

Preparation of the directory was made possible through financial support from the United States Agency for International Development (USAID) through its contract with the Coverdale Organization.

This Directory is based on information obtained through a Survey of NGOs undertaken during the Spring, 1993. An initial questionnaire was mailed to the organizations that appeared on the list of organizations registered with the Provincial Social Welfare Department that was made available to us by the Department at that time. The information provided has been entered into a database from which this directory has been generated.

This is by no means a complete list. Approximately 900 questionnaires were mailed. Approximately 75 of these were returned as undeliverable. Two hundred and thirty three organizations returned completed questionnaires and are included in this directory. Organizations that have been missed can be included as, or if, the database and directory are updated and reissued.

The purpose for undertaking the survey and preparing the directory was to encourage and promote the sharing of information and cooperation and collaboration among the respective NGOs, agencies, organizations and projects operating in the province. At a minimum the directory can help the users become more aware of who is engaged in different types of activities within NWFP.

WHILE GREAT CARE HAS BEEN EXERCISED IN THE PRESENTATION OF THE INFORMATION PROVIDED, NO RESPONSIBILITY CAN BE ASSUMED FOR THE ACCURACY OR COMPLETENESS OF THE INFORMATION. APOLOGIES ARE OFFERED FOR ANY ERRORS WHICH HAVE OCCURRED IN THE PREPARATION OF THE DIRECTORY.

DATA AVAILABLE

The information used in developing the directory is available on computer in dBASE IV data files. Organizations wishing to have the data may contact the Coverdale Organization at the address given below.

ACKNOWLEDGEMENTS

A large number of people have contributed time and effort some as paid consultants and others as volunteers, to the preparation of this directory. These include: M. Idris, Agriculture University; Agil Niazi, Computer Consultant; Bushra Gohar; GTZ/FECT; Earhard Foelimi, Kalam Integrated Development Project; Javed Majeed, Sarhad Rural Support Corporation; Douglas I. Grube, Coverdale Organization; Haseeb-ur-Rahman, Coverdale Organization; Amna Ahmed, Field Coordinator, Strengthening Participatory Organization; Michele Tayman. Swabi Integrated Agriculture Project.

The individuals who cooperated by completing the questionnaires and assisting with their design and refinement deserve special appreciation and thanks.

COMMENTS REQUESTED

USERS OF THE DIRECTORY ARE REQUESTED AND ENCOURAGED TO SEND CORRECTIONS, ADDITIONS AND SUGGESTIONS FOR IMPROVING ITS UTILITY TO:

INTERAGENCY GROUP, c/o The Coverdale Organization,
2 Railway Road, University Town, Peshawar, Pakistan.
Telephone: 521-842253; 521-41919; FAX: 521-842251.

TABLE OF CONTENTS

INTRODUCTION.....	i
TABLE OF CONTENTS.....	iii
INSTRUCTIONS.....	v
MAIN BODY:.....	1
DISTRICT/AGENCY INDEX.....	259
SECTOR INDEX.....	265
SECTOR INDEX (Supplement).....	285
BENEFICIARIES INDEX.....	287
BENEFICIARIES INDEX (Supplement).....	301
LIST OF ORGANIZATIONS.....	309

INSTRUCTIONS

This Directory consists of seven parts:-

1. The 'MAIN BODY'
2. The 'DISTRICT/AGENCY INDEX
3. The 'SECTOR INDEX'
4. The 'SECTOR INDEX (Supplement)'
5. The 'BENEFICIARIES INDEX'
6. The 'BENEFICIARIES INDEX (Supplement)'
7. The 'LIST OF ORGANIZATIONS'

These components are described below.

MAIN BODY

This part of the directory contains the basic information about the organizations. The organizations are arranged in alphabetical order by name. The entry for each organization starts on a separate page. Thus if the name of an organization is known, it is possible to locate it without reference to the indices. An effort has been made to make the headings in the MAIN BODY self explanatory. However the field headings were not defined for the respondents. Thus there are no standard interpretations of these terms.

Relation to Indices:

The position of the organization name in the DISTRICT/AGENCY INDEX is determined by the contents of the 'DISTRICT/AGENCY' field in the first block of its MAIN BODY entry. The organization name's appearances in the SECTOR INDEX are determined by the 'sectors' that it is active in which are listed under 'Sectors' in the second block of its MAIN BODY entry. The groups listed under 'Beneficiaries' in the MAIN BODY determine where the organization's name will appear in the BENEFICIARIES INDEX.

DISTRICT/AGENCY INDEX

Purpose:

The purpose of the DISTRICT/AGENCY INDEX is to enable the user to locate the MAIN BODY entries for organizations operating in the districts/agencies that are of interest to the user.

Use:

The user first locates the relevant geographic location heading in the index. Since the entries in the MAIN BODY are arranged in alphabetical order by name, it is then a simple matter to locate the relevant entry for any of the organizations listed under that heading.

Format:

The ordering of this index is the geographical areas in which organizations operate. These include districts and agencies. The DISTRICT/AGENCY headings in the index are in alphabetical order. The names of the organizations appearing under these headings are also in alphabetical order.

SECTOR INDEX

Purpose:

The purpose of this index is to enable the user to locate the MAIN BODY entries of organizations involved with a particular sector.

Use:

The user first locates the sector heading of interest and then the organizations' names. Since the entries in the MAIN BODY are arranged in alphabetical order by name, once that is known the relevant MAIN BODY entry can easily be located.

Format:

This index is ordered by the 'sectors' in which the listed organizations are involved. The 'Sector' headings are in alphabetical order. Within the 'Sector' headings the names of organizations are also in alphabetical order. Since a given organization may be multi-sectoral its name may appear several times in the SECTOR INDEX. Once for each 'sector'.

SECTOR INDEX (Supplement)

The 'Sectors' (See SECTOR INDEX) appearing as sector headings in the SECTOR INDEX were marked by the responding organizations from a list of sectors given in the questionnaire. Where the choices given were not adequate or required further elaboration the responding organizations have provided either a supplementary list of sectors or a statement elaborating their sectoral involvement. Where this has occurred these supplementary lists or statements have been included in the SECTOR INDEX (Supplement) immediately following the organization's name. The organizations' names are in alphabetical order.

BENEFICIARIES INDEX

Purpose:

The purpose of this index is to enable the user to locate the MAIN BODY entries of organizations that benefit particular groups of people.

Use:

The user first locates the beneficiaries heading

that is of interest and then the organizations' names. Since the entries in the MAIN BODY are arranged in alphabetical order by name, once that is known the relevant MAIN BODY entry can easily be located.

Format:

This index is ordered by the 'beneficiaries' identified by the organizations. The 'Beneficiaries' headings are in alphabetical order. Within the 'Beneficiaries' headings the names of organizations are also in alphabetical order. Since a given organization may benefit more than one type of beneficiary, its name may appear several time in the index. Once for each type of 'beneficiary'.

BENEFICIARIES INDEX (Supplement)

The 'Beneficiaries' (See BENEFICIARIES INDEX) appearing as beneficiaries headings in the BENEFICIARIES INDEX were marked by the responding organizations from a list of beneficiaries given in the questionnaire. Where the choices given were not adequate or required further elaboration the responding organizations have provided either a supplementary list of beneficiaries or a statement elaborating on the types of beneficiaries. Where this has occurred these supplementary lists or statements have been included in the BENEFICIARIES INDEX (Supplement) immediately following the organization's name. The organizations' names are in alphabetical order.

LIST OF ORGANIZATIONS

This is a list of the names of all of the organizations appearing in the Directory arranged in alphabetical order. For convenient access it has been placed at the very end of the Directory.

MAIN BODY
