Introduction

The Provincial Education Statistic Profile Series is based upon information collected as part of the October 1991 School Census.

The Balochistan Education Management Information System has performed the task of data collection, processing, validation, and output with great care, and with the support of the offices of the Secretary Education Balochistan, the Director of Education Schools, and the Additional Director of Primary Education. Significant support has been provided by the Primary Education Development Program (PED) under USAID sponsorship, and by the National Education Management Information System under UNDP/UNESCO sponsorship.

The BEMIS Provincial Education Statistics Profile Series includes seven separate reports as follows.

1. Summary Data for Balochistan
2. Enrollment Data by District
3. Teaching Staff Information
4. Master List of Schools
5. Master list of Govt Middle and High Schools
6. Master list of Private Schools
7. Human resource Survey

The BEMIS Provincial Education Statistic Profile Series is published as the Official Education Statistical Books of the Education Department Government of Balochistan and is distributed by BEMIS to all the Provincial, Divisional, and District Education Offices. Copies of the Provincial Education Statistics Profiles can be obtained through the office of the Secretary of Education Balochistan, the office of the Director of Education Schools, the office of the Additional Director of Primary Education, or directly at the BEMIS Computer Center at C-11 Railway Housing Society, Quetta.

The BEMIS Working Committee is responsible for the publication and distribution of the Statistical Profiles and appreciates all comments, corrections, suggestions, and support.

ACKNOWLEDGEMENTS

The Balochistan Education Management Information System (BEMIS) Working Committee wishes to acknowledge the contribution of hundreds of people that collected and processed the Fall 1991 school Census data.

Their effort resulted in the 1991 Balochistan Education Statistics profile Series.

As with the Fall 1990 School Census, it will not be possible to name over 600 individuals throughout the Province that participated in the task. However we appreciate the efforts of the Field Researchers that visited over 7546 schools and collected the data. As before, the quality of the information depended mostly on them.

We wish to acknowledge the efforts of the Supervisors, Learning coordinators and SDEOs who reviewed each proforma.

Once again the support received from the 20 District Education officers and the Female Divisional Education officer is commended.

Special acknowledgements are given to those whom have continuously provided BEMIS with the necessary support to carry out the tasks assigned:

Prof. Anwar Khetran, Secretary Education.
Mr. Sarwar Mengal, Dy. Secretary Education (Dev.).
Mr. Tamkeen Abassi, Director Education (Schools).
Mr. Malik Ijaz Ahmed, Add. Dir. Primary Education.
Mr. Faiz Jaffar, Asst. Dir. Primary Education.
Mr. Hashmat Ali, Asst. Dir. Primary Education.
Ms. Tahira Qazalbash, Asst. Primary Education.
Mr. Mohammad Sarfraz, Asst. Dir. BEMIS.

Special thanks are given to the BEMIS support staff for their computer skills and hard work:

Ms. Ghazala Siddique
Ms. Pamela Sequeira
Mr. Junaid Siddique
Mr. Hafeez Ahmed

We appreciate the contributions, recommendations, and technical advice provided by Mr. Fahim Akbar from NEMIS and Ms. Suman Bhattacharjea, PED Consultant.

Thank You

The BEMIS Working Committee

Methodology

The Data for the Provincial Statistics Profiles Series has been collected through the Balochistan Education Management Information System (BEMIS) in October 1991. The data was collected on site from each individual school. Over six hundred trained Data Collectors physically inspected each school and completed the corresponding questionnaire. The data was checked at the site and certified by the Head Teacher, Head Master or Principal of the School.

During data collection the Sub District Education Officers (SDEOs) performed pre described supervisory function which included random site checks for the validation of data, and certification of each completed questionnaire. Each questionnaire was further verified and signed by the corresponding District Education Officers.

After the certification were completed, all questionnaires were delivered to the office of the Additional Director of Primary Education for verification, after which they were delivered at BEMIS computer center for data entry.

BEMIS ran several checks for the validation of data including consistency of data, location of missing schools, random validation of school data and others.

Disclaimer

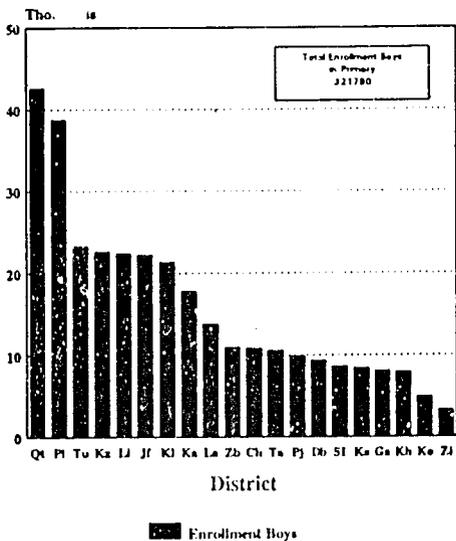

Great care has been put in the collection and processing of the data contained in this Education Statistical Profile of Balochistan. All the data has been processed and output using computerized procedures. However, the data that comes out of the computer is only as good as the data that is collected and put into it.

Through the BEMIS data collection procedures we have tried to cover all of the schools in the province. however, 139 schools that were included in the 1990 School Census and Education Profile did not report data for this 1991 Education Statistical Profile.

these "missing" schools are listed in a Seperate Report. In spite of the care that has been taken, errors are likely to be found. We have conducted several validation procedures, but the most important validation is that performed by the users of this Profile. We appreciate your interest in going through pages performing your own validation of the data. If you find discrepancies please notify the BEMIS Working Committee office at C-11 Railway Housing Society, Quetta, or BEMIS at 41057. Please remember that though all our procedures are computerized, a computer is nothing but a machine and that it is only human to make mistakes.

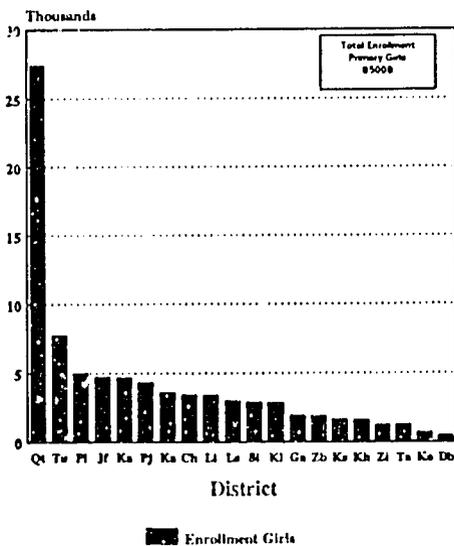

The BEMIS Working Committee.
