DAIC321	Validation for Training Centre Construction Targeting Tsunami Youth	Hambantota	1/26/2005	2/5/2005	3/5/2005
Completed	KVTC, Kawantissa Vocational Training Centre - Tissamaharama				
	GRANT SUMMARY: This grant will provide assistance for the preparation of a detailed construction plan and a rated Bill of Materials (BOM) for the construction of a training shed at the Kawantissa Vocational Training Centre in Tissamaharama Rajamaha Viharaya in Tissamaharama. The training shed will enable students at the facility, who will now include tsunami affected youth, to work on large scale equipment in a weather conditions, thereby increasing the number of trained youth available for employment in the agricultural machinery sector.				
DAIC322	Tissamaharama Moves On - Community Clean-up in Kirinda	Hambantota	1/20/2005	1/20/2005	1/30/2005
Completed	TPS, Tissamaharama Pradesiya Sabha				
	GRANT SUMMARY: This grant will provide assistance for a community clean-up of Kirinda village in Tissamaharama for four days from the 26th through the 30th of January. This effort will mobilize the Muslim and Sinhalese communities together to clean up their affected areas while the Tissamahara Pradesiya Sabha (local authority) will mobilize their volunteer group to support the effort. The grant will cover heavy equipment hire, tools, fill and transport. This grant links to a separate grant that will support inter-religious ceremonies before and after the clean-up to commemorate the dead and bless the living.				
DAIC323	Tissamaharama Moves On - Multi-Religious Ceremonies for Kirinda	Hambantota	1/26/2005	1/26/2005	1/31/2005
Completed	TRV - Tissamahara Rajamaha Viharaya				
	GRANT SUMMARY: This grant will provide assistance for a multi-religious, multi-cultural program on 30 January in Kirinda to commemorate the victims and bless the survivors of the 26 December tsunami. The activities will be held at the place that was destroyed due to the tsunami and that has been designated by the local authority as a venue for a memorial park in the future. Multi-religious and multi-cultural events will be take place during the final ceremony to uplift the morale of the people and celebrate the achievements of the region in overcoming the disaster.				
DAIC324	Providing Social Activities for Tsunami-affected IDPs in Ampara	Ampara	1/28/2005	2/1/2005	5/31/2005
Completed	EOFD, Eastern Organization For Democracy				
	GRANT SUMMARY: This grant will organize friendly sport and entertainment programs in 45 IDP camps and other areas in Ampara district to promote a return to normalcy. The planned activities will allow the people in the camps to engage in a number of social activities to help them overcome the bad memories brought on by the tsunami.				
DAIC325	Support for Post-tsunami Cleanup Activities in Thirukkivil	Ampara	1/28/2005	1/30/2005	3/1/2005
Completed	SWEIDO VISION, Thirukovil				
	GRANT SUMMARY: This grant will provide heavy equipment and cash-for-work unskilled labor to begin cleanup in three villages in Ampara's Thirukovil DS division. The laborers will come from the IDP camps in this area with special consideration given to affected women. The grant will also provide some office infrastructure support to the grantee. This grant will cover the cost of unskilled labor and hand tools and hiring charges for an excavator, a front end loader, and tractors and trailers.				
DAIC326	Community Clean-up in Rekawa, Tangalle	Hambantota	1/20/2005	1/20/2005	2/28/2005
Completed	ACDF, Arunalu Community Development Foundation				
	GRANT SUMMARY: This grant will provide assistance for the clean up of Wellodaya village in Rekawa, Tangalle for three days from 27 through 29 January. One hundred fifty (150) people will participate, consisting of 75 people from the affected community and 75 volunteers from non-affected areas of Tangalle, Ambalantota and Undukiriwela. The site of the clean-up has been identified as the permanent resettlement location for people from affected areas of Rekawa.				
DAIC327	Preparing the Public's Mindset for Recovery in Hambantota District	Hambantota	2/4/2005	2/4/2005	7/30/2005
Cleared	TDA, Total Development Association				
	GRANT SUMMARY: This grant will provide assistance for the series of street drama performances and community discussions in four affected locations in Hambantota district. The street dramas have been designed to address post-tsunami trauma among affected communities and focus peoples' minds on a more hopeful future. In addition, the USAID-funded film "Take This Road" will be screened in affected communities and camps. Thereafter, facilitated meetings will be held with the viewers to demonstrate that their experience of the disaster was similar to the experiences of conflict-affected communities in the North and East.

DAIC328	Mobilizing Tsunami Affected Through Cash for Work for Debris Sorting 2	Galle	2/7/2005	2/8/2005	3/6/2005
Completed	Help-O, Human & Environmental Links Progressive Organization				
	GRANT SUMMARY: This grant will provide cash for work to nearly 5000 affected people of the Asian Tsunami in the Galle district to sort debris prior to their removal to dumping sites, thereby alleviating the growth of a culture of idleness in camps for displaced in the aftermath of the disaster. The overall guidance provided by the GA office and the monitoring of the Sri Lanka Army Engineering Regiment will develop relationships between government, military and civil entities. Four contingents of women will be running community kitchens providing lunch and refreshments. World Vision will be providing the necessary heavy machinery while the traffic police, SL Navy, Central Environmental Authority, Urban Development Councils, Divisional Councils and the GN's of each area will be involved in this process.				
DAIC329	Forming Transitional Psychosocial Support Groups through Cash-for-work	Galle	2/7/2005	2/7/2005	5/26/2005
Completed	MDC, Multi Diversity Community (hosted by SLCSDF)				
	GRANT SUMMARY: This grant will provide technical assistance to screen 240 affected youths in 40 Galle District camp zones for an on-the-job training in developing a capacity for transitional psycho-social support for a period of two months under the cash-for-work program aimed at alleviating post traumatic stress disorders in the aftermath of the tsunami utilizing tools of theatre, music and visual arts. While serving the general populace, Life Foundation together with the Department of Child Probation, will focus on early childhood development and Multi Diverse Community will focus on other children and youth until such time pre-schools, and schools are fully functional and professional in the field of psychology can plug in. UNICEF will provide stationary kits for children while their professional support program will be linked at appropriate moments. Other professional organizations will provide weekly refresher courses.				
DAIC330	Repairing Tsunami Damaged School Furniture	Ampara	2/10/2005	2/14/2005	7/30/2005
Cleared	CWWS, Construction Workers Welfare Society				
	GRANT SUMMARY: This grant will support skilled carpenters and welders from a non-affected Sinhalese district to work with affected Tamils and Muslims from Ampara to clean and repair broken school furniture in tsunami-affected Ampara schools. OTI will provide tools and cash-for-work to 160 affected skilled workers in the Akkaraipattu area; skilled laborers from non-affected areas will work at a reduced rate.				
DAIC331	Water and Sanitation for Akkaraipattu Temporary Schools	Ampara	2/10/2005	2/21/2005	4/30/2005
Completed	CWWS, Construction Workers Welfare Society				
	GRANT SUMMARY: This grant will provide water tanks and semi-permanent toilets in selected temporary school sites in the Akkaraipattu Education Zone. This grant will also provide livelihood opportunities for local displaced masons by replacing lost tool kits and bringing them together with skilled masons from Bandarawela to construct the toilets. Finally, this activity will bring together multi-ethnic communities to work together in rebuilding tsunami-affected coastal communities.				
DAIC332	Support for Tsunami-affected Fishing Grantee	Ampara	2/13/2005	2/14/2005	7/29/2005
Cleared	VFCS, Vinayagapuram Divisions 3 & 4 Fishermen Cooperative Society				
	GRANT SUMMARY: This grant will re-equip fishermen who were previously supported by USAID/OTI but who were severely affected by the tsunami. The grant will restart their livelihoods by replacing similar numbers of fishing boats and equipment supplied by the first grant but lost during the disaster so that the grantee's membership may use these items on a rotating basis. The grant will cover the cost of fishing boats and equipment and the transport of these materials.				
DAIC333	Tsunami Disaster Response: Youth Clean Up Along Northern Coast 2	Trincomalee	2/13/2005	2/14/2005	6/15/2005
Cleared	SDF, Social Development Foundation, Pulmoddai				
	GRANT SUMMARY: This grant will support the Social Development Foundation in cleaning up six Tsunami-affected Grama Niladari divisions along the northern coast of Trincomalee District. Two hundred youth from the area will be involved in this activity. USAID/OTI will cover the cost of equipment rentals, refreshments, transportation, tools, cleaning kits, T-shirts and coordination expenses. The Grantee will cover the cost of the project manager's allowance, cost of facilitation and organizational expenses for the meetings.				
DAIC334	Tsunami Disaster Response: Youth Clean Up Along Northern Coast 1	Trincomalee	2/12/2005	2/13/2005	6/30/2005
Cleared	NYSC, National Youth Services Council				
	GRANT SUMMARY: This grant will support NYSC to cleanup eight Grama Niladari divisions along the the northern coast of Trincomalee District. Approximately 400 youth from Kurunegala, Kegalle, Polonnaruwa and Kandy districts will be involved in this activity. USAID/OTI will cover the rental cost of the clean up equipment, refreshments, transportation, tools, cleaning kits, T-shirts, temporary toilets, tents for camping and coordination expenses. The Grantee will cover the salary cost of coordinators, some lodging for youth, transportation for officers and the organizing expenses.

DAIC335	Post Tsunami Clean-up: Restoring the Beach Front at Polhena	Matara	2/14/2005	2/15/2005	3/15/2005
Completed	SCC, Sinharaja Conservation Committee				
	GRANT SUMMARY: This grant will provide equipment, transport and facilities for the grantee to mobilize an inter-ethnic group of 300 volunteers drawn from a pool of beneficiaries from a previous Deniyaya-based USAID/OTI project to work in a post-tsunami wreckage clean-up of Polhena beach in the Matara DS Division. The program will center around a clean-up of Matara's very popular tourist (local and foreign) sea bathing area, which was severely affected by the tsunami. The restoration of the location is envisaged to encourage the return of tourists and would provide an opportunity for the community to recommence their livelihood activities that centred around this locale. A follow-up grant to rehabilitate the damaged structures is planned in coordination with the Matara Municipal Council.				
DAIC336	Mobilizing Cash-for-Work Youth Teams for Psycho-Social Support Program	Matara	2/17/2005	2/18/2005	5/10/2005
Completed	CDC, Community Development Centre				
	GRANT SUMMARY: This grant will provide technical assistance to mobilize 200 youth from 21 IDP settlements and provide them with on-the-job training in transitional psycho-social programs to help tsunami traumatized children come to terms with their trauma and prepare them to face the future with confidence. The program will select youth from transitional shelters to undergo an initial training and then be deployed on a cash-for-work basis as facilitators to identify the needs of and work with children, using diverse tools such as group activities in reading, story telling, art, games and other forms of recreation. The grant is aimed at providing an environment for the children to process their traumatic experiences of loss, being scared and witnessing destruction, and to deal with the issues surrounding the trauma.				
DAIC337	Mobilizing Affected Community for Clean-up on Cash-for-Work Basis	Matara	2/17/2005	2/18/2005	3/13/2005
Completed	EPF, Environmental Protection Foundation				
	GRANT SUMMARY: This grant will provide equipment, transport and facilities for the grantee to mobilize a group of 340 tsunami-affected people on a cash-for-work basis and 50 volunteers from Kamburupitiya/Matara in a collective endeavor to clean up and sort debris from habitable and cultivatable land and wells in 4 tsunami-affected villages in Matara district.				
DAIC338	Volunteer Youth Join Affected Community for Debris Sorting & Clean-up	Matara	2/15/2005	2/16/2005	3/20/2005
Completed	Help-O, Human and Environmental Link Progressive (Matara Branch)				
	GRANT SUMMARY: This grant will provide equipment, transport and facilities for the grantee to mobilize a group of 500 tsunami-affected workers to team up for a collective endeavor with a volunteer group from Ruhunu University in developing social ties and peace-related information exchange focused on generating greater support for a negotiated settlement. A total of 600 people will work together in a post-tsunami wreckage clean-up of private land around three villages within Matara Four Gravets DS division of the Matara district.				
DAIC339	Tangalle Reawaken - Rehabilitation of Tangalle Market	Hambantota	2/16/2005	2/17/2005	7/30/2005
Cleared	TUC, Tangalle Urban Council				
	GRANT SUMMARY: This grant will provide assistance for the rehabilitation of the Tangalle Pola (market), which was destroyed by the tidal waves on 26 December 2004. Through the rehabilitation of the pola, an important community symbol and gathering place, the grantee hopes to signal a return to normalcy in Tangalle and revitalize lost livelihoods. In exchange for the pola's rehabilitation, the Tangalle Urban Council has agreed to grant a 6-month tax amnesty to all traders coming to the pola. This grant will integrate with others that, together, aim to create a momentum towards recovery.				
DAIC340	Equipping the ZEO and DEOs in Tsunami-affected Education Zones	Ampara	2/14/2005	2/15/2005	4/11/2005
Completed	ZED, Zonal Education Department, Akkaraipattu				
	GRANT SUMMARY: This grant will support the Zonal Education Offices of Kalmunai and Akkaraipattu as well as the Divisional Education Offices of Pothuvil and Thirukkivil (affected by the tsunami), by re-equipping them to face the challenges of steering education back to normal in the affected areas. Necessary equipment to bridge the communications shortfall will be provided mainly to improve coordination between the relevant agencies.				
DAIC341	Tangalle Reawakens - Tangalle Pola Promotion and Training for Traders	Hambantota	2/17/2005	2/18/2005	6/18/2005
Completed	BCG, Business Creations (GTE) Ltd	Moneragala			
	GRANT SUMMARY: This grant will provide assistance for a promotional road show for the re-opening of the Tangalle Pola and a business management training for retail traders at the pola. The activity will include a needs assessment and data collection of previous traders at the Tangalle Pola, a pola re-opening promotion program in 40 different locations in Hambantota and other districts and customized Improve Your Business (IYB) non-residential training program for 120 small and medium-sized pola traders.				
DAIC342	Tangalle Reawakens - Tangalle Pola Refuse Awareness Program	Hambantota	2/19/2005	2/21/2005	8/31/2005
Cleared	ACDF, Arunalu Community Development Foundation				
	GRANT SUMMARY: This grant will provide assistance for garbage disposal, waste management and a community awareness program in Tangalle town as a supporting project to the Tangalle Pola rehabilitation activity. Through this project, Tangalle Urban Council and Arunalu will coordinate for the proper implementation of refuse disposal. Tangalle UC will provide their staff and other facilities to collect and dispose of the garbage that collects every day in the town and Pola while Arunalu will do the community awareness and monitoring of the program.

DAIC344	Tsunami Disaster Response: Youth Rebuilding Livelihoods	Trincomalee	2/21/2005	2/21/2005	5/21/2005
Cleared	SDF, Social Development Foundation				
	GRANT SUMMARY: This grant will support the Social Development Foundation in providing repair servicing to fishing, agricultural and small scale business machineries and equipments that were damaged by the Tsunami. Up to 80 youth will work and learn from senior technicians on these repairs. USAID/OTI will cover the costs of the small parts, servicing costs and refreshments for the team. The grantee will cover the costs of coordination, tools, field officers allowances and organizing expenses.				
DAIC345	Tsunami Disaster Response: Youth Discussions on Lessons Learned	Trincomalee	2/24/2005	3/1/2005	6/30/2005
Cleared	SLRCS, Sri Lanka Red Cross Society				
	GRANT SUMMARY: This grant is a follow on grant from DAIC284: Tsunami Disaster Relief Clean Up in Trincomalee Town and Gravets. This grant will enable the youth who participated in the successful clean up project to discuss and share their impressions and lessons learned for the purposes of strengthening relationships, and organizational learning in the event that a future activity is needed. USAID/OTI will cover the costs of the certificates, visibility souvenirs and facilitation expenses. The Grantee will cover the costs of project and documentation coordinator and meeting expenses.				
DAIC346	Tsunami Disaster Response: Youth Discussions on Lessons Learned	Trincomalee	2/24/2005	3/1/2005	6/30/2005
Cleared	MPC, Muthur Peace Committee				
	GRANT SUMMARY: This grant is a follow on grant from DAIC273: Tsunami Disaster Relief Clean Up in Muthur division of Trincomalee District. This grant will enable the youth who participated in the successful clean up project to discuss and share their impressions and lessons learned for the purposes of strengthening relationships, and organizational learning in the event that a future activity is needed. USAID/OTI will cover the costs of the certificates, visibility souvenirs and facilitation expenses. The Grantee will cover the costs of project and documentation coordinator and meeting expenses.				
DAIC347	Tsunami Disaster Response: Youth Discussions on Lessons Learned	Trincomalee	2/24/2005	3/1/2005	6/30/2005
Cleared	Pradeshya Saba of Kinniya				
	GRANT SUMMARY: This grant is a follow on grant from DAIC282: Tsunami Disaster Relief Clean Up in Kinniya Division of Trincomalee District. This grant will enable the youth who participated in the successful clean up project to discuss and share their impressions and lessons learned for the purposes of strengthening relationships, and organizational learning in the event that a future activity is needed. USAID/OTI will cover the costs of the certificates, visibility souvenirs and facilitation expenses. The Grantee will cover the costs of project and documentation coordinator and meeting expenses.				
DAIC348	Tsunami Disaster Response: Youth Clean Up Along Northern Coast 3	Trincomalee	2/24/2005	3/7/2005	6/30/2005
Cleared	CTF, Community Trust Fund				
	GRANT SUMMARY: This grant will support CTF to clean up five Tsunami-affected Grama Niladari divisions along the northern coast of Trincomalee District. Approximately 150 youth from Puttalam and Anuradhapura districts and 50 youth from Trincomalee will be involved in this activity. USAID/OTI will cover the rental costs of the clean up equipment, refreshments, transportation, tools, cleaning kits, T-shirts, temporary toilets, tents for camping and coordination expenses. The Grantee will cover the salary cost of coordinators, some lodging for youth, transportation for officers and the organizing expenses.				
DAIC350	Multi-ethnic Youth Collaborative Clean-up at Galle Fort	Galle	2/24/2005	2/25/2005	3/24/2005
Completed	GHF, Galle Heritage Foundation				
	GRANT SUMMARY: This grant will provide technical assistance for 300 multi-ethnic youth volunteers to come together in cleaning the post-tsunami debris from the Galle fort area, a world cultural heritage site. Under the guidance of the Galle Heritage Foundation youth will introduce a garbage management system within the fort after completing the two-day clean-up. Ex-officio members of the foundation, including the Government Agent and the Member of Parliament for Galle District, will be assisting this endeavor.				
DAIC351	Enhancing Civil Governmental Relations through Galle Beach Clean-up	Galle	2/23/2005	2/24/2005	3/23/2005
Completed	CCD, Coastal Conservation Department				
	GRANT SUMMARY: This grant will provide technical assistance and equipment to the Coastal Conservation Department to clean up garbage dumped on the beaches of the Galle District in the aftermath of the tsunami. The activity will provide an opportunity for the government sector and civil society to work together in eliminate a grave environmental hazard, while providing cash for work to a local labor force working under the supervision of coastal guards to sort garbage and remove to approved sites. The Government Agent and the Central Environmental Authority in Galle will be assisting this endeavor.				
DAIC352	Clean-up of Karagan Lagoon and Canals in Hambantota	Hambantota	2/23/2005	2/24/2005	3/5/2005
Completed	HUC, Hambantota Urban Council				
	GRANT SUMMARY: This grant will provide assistance for the clean-up and rehabilitation of public water courses in Hambantota town. The grant will cover the clean-up of Karagan Lagoon, the clean-up of the ma canal and sub-canals, and rehabilitation of damaged roads around the lagoon to improve the living conditions of tsunami-affected people in Hambantota town. The clean-up of these important water courses has been identified by the public as a priority need. The grantee will mobilize 150 volunteer workers for this initiative.

DAIC353	Support for Tsunami-Affected Fishing Societies in Oluvil	Ampara	3/10/2005	3/15/2005	8/15/2005
Cleared	VIUPU FCSO, Fishermen's Co-op Societies, Oluvil				
	GRANT SUMMARY: This grant will re-equip fishermen who were previously supported by USAID/OTI but who were severely affected by the tsunami. The grant will restart their livelihoods by replacing similar numbers of fishing boats and equipment supplied by the first grant but lost during the disaster so that the grantee's membership may use these items on a rotating basis. The grant will cover the cost of fishing boats and equipment and the transport of these materials.				
DAIC390	Rebuilding Trincomalee - Bus Stand Rehabilitation	Trincomalee	5/28/2005	5/30/2005	10/31/2005
Cleared	Urban Council of Trincomalee				
	GRANT SUMMARY: This grant will support the rehabilitation of the bus stand and surrounding area, a focal point in Trincomalee town centre where people from all ethnic communities meet. This will be achieved through mobilising 150 multi ethnic youth peace brigadiers from Trincomalee, Kantale and Thambalagamuwa who were trained under grant DAIC192, further strengthening relationships in the process.
