## PLASTIC SHEETING

**PARTNERED ITEM:** None

**WAREHOUSE LOCATED:** Dubai, Miami, Pisa

**ITEM DESCRIPTION:** This sheeting is specially designed for shelter and can be used to replace damaged or destroyed walls or roofing or to construct temporary shelter for people in need. Because of its high cost and unique qualities, the sheeting should be used only to meet temporary human shelter requirements. This plastic sheeting should last more than 1 year under normal field conditions; it functions extremely well in hot climates.
