The Mozambique country study was carried out during May – June 2004 by a team from the Nordic Consulting Group (Denmark), one of the five consulting firms in the consortium carrying out the evaluation. The NCG team consisted of Johan Holmberg (Team Leader), Pamela Rebelo, Sven Nilsson and Firmino Mucavele<sup>1</sup>. Throughout the mission excellent assistance was provided by the WFP CO, and the team wishes to express its appreciation to the CO Director, Ms Angela van Rynbach, and her staff for their help and support, in particular Mr. Peter Haag who organized the mission's programme and tirelessly responded to questions and requests.

---

<sup>1</sup> Replaced by Bruno Lopes de Araújo during the first week only, since Professor Mucavele had to accompany the Head of State on a state visit to France during that week.
