The Caribbean Development Bank ("Grantee")

And

The United States of America, acting through the Agency for

Article 1: The Agreement

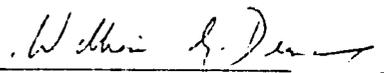

The purpose of this Agreement is to provide the Grantee an additional Grant of A.I.D. funds to continue implementation of this project as originally agreed between the two parties on June 25, 1976 under ProAg 76-3.

The additional funds provided herein are in accordance with the original Agreement, Article V, page 5-6, Preliminary Technical Assistance Plan and Illustrative Budget: "...It is anticipated that the total amount budgeted will be incrementally funded on an annual basis over the four year project life. ...Additional A.I.D. funding obligations shall be subject to the availability of funds and may be effected only by amendment of this project agreement."

In accordance with Article III: Purpose of Grant Funds, and Article V: Preliminary Technical Assistance Plan and Illustrative Budget of the original Grant Agreement, to assist the Grantee to meet the costs of carrying out the project, A.I.D. pursuant to the Foreign Assistance Act of 1961, as amended, agrees to grant the Grantee under the terms of the original Agreement the final increment, not to exceed one hundred and sixty six thousand United States ("U.S.") dollars (\$166,000) ("Grant"). With this agreement, Grant Funds provided under this project total US\$400,000. The Grant may be used to finance the costs of technical assistance services related to the planning, implementation and evaluation of the Caribbean Development Bank's Small Farmer Development program as set forth in Article III: Purpose of Grant Funds of the original agreement.

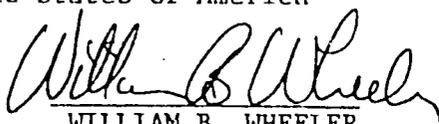

All other conditions of the original Grant Project Agreement No. 76-3 dated June 25, 1976, and Revisions one and two dated September 22, 1976 and August 31, 1977 respectively remain unchanged.
