

AGENCY FOR INTERNATIONAL ASSISTANCE

USAID/TURKEY

I N D E X

of

AID PROJECTS IN TURKEY

This list has been prepared to include within one USAID project numbering system (as provided for in M.O. 1095.2, 10/26/67), all USAID projects beginning in 1949 - for:

Technical Assistance
Capital Assistance

(U.S. Dollar and Local
Currency Activities)

(Supersedes listing prepared in September 1963 and Supplement No. 1 of January 1964. The financial data shown is the latest available to the Mission).

AVB/POD

Date: August 22, 1969.

USAID/TURKEY

LISTING OF AID PROJECTS IN TURKEY

Beginning: 1949

Technical and Capital - (U.S. Dollar and
Assistance Local Currency)

Title	Description and Purpose	Project Number
Technical Support		277-15-999-000
Cotton Survey	Disapproved.	277-11-290-001
Hydraulic Engineer	Disapproved.	277-11-220-002
Survey of Salt Industry (1949)	Survey of the salt industry in Turkey: propose measures for modernization to increase production.	277-15-210-003
Turkish State Railway Consultants (1949)	(1) Prepare a revised system of accounts and statistics; (2) improve locomotive operations at engine houses; (3) study freight rate structure, passenger fares, baggage charges, express rates; (4) assist in establishing new schedules; and (5) increase production in locomotive and freight car repair shops. (See Project 097)	277-11-270-004
Statistical Training (1950 -	Train personnel of the Central Statistical Office in theoretical and practical statistical techniques. (See Project 364)	277-11-720-005
Financial Survey in Turkey (1949)	(1) Make a preliminary study of financial system; (2) prepare short-term recommendations; (3) prepare a report and make recommendations on long-range fiscal problems.	277-11-750-006
Consulting Metallurgist	Disapproved.	277-11-290-007

<u>Title</u>	<u>Description and Purpose</u>	<u>Project Number</u>
Cons., Pyro Metallurgist	Disapproved.	277-11-290-008
Lead Smelting Metallurgist (1950)	To survey Balkerdag ore field and Keban lead concentrates; determine whether the ore from these properties could be profitably treated in a blast furnace.	277-15-290-009
Woolen Mills	Cancelled.	277-15-230-010
Hydraulic Engineers to U.S. (1949)	Train two civil engineers of the Public Works Adm. in planning and designing hydraulic works.	277-11-220-011
U.S. Steel Consultant (1950)	To survey the Karabuk steel plant and advise on a sintering plant, lake plant, and general operations.	277-13-210-012
Sampling Expert	Cancelled.	277-11-780-013
Business Censor	Cancelled.	277-11-780-014
Statistical Group (1950)	Assist the Central Statistical Office in setting up and conducting population, agricultural, manufacturing, and business censuses; also develop a crop and livestock reporting service.	277-11-780-015
Büyük Menderes Valley (1950)	To study and report on flood control, irrigation and hydro-electric power development of the Büyük Menderes River.	277-11-290-016
Hydraulic Engineer (1950)	Conduct a survey of hydraulics projects to determine quantity and quality of personnel required to improve maintenance and operations and to plan additional irrigation projects.	277-11-220-017

<u>Title</u>	<u>Description and Purpose</u>	<u>Project Number</u>
City Planning Group (1950)	1. Conduct preliminary study of housing, public building construction, and community planning with a view to making specific recommendations; 2. Implementation.	277-11-710-018
Harbor Design Expert	Cancelled.	277-11-340-019
Meat Packing Consultants (1950)	Study meat packing and cold storage plants; train veterinarians in inspection methods; assist in setting up plants.	277-15-150-020
Seaways Consultants (1950)	Management audit of State Seaways and Ports Adm. and operational aspects to determine means of improving operations.	277-15-360-021
Aviation Experts (1950)	Set up a repair shop and train Turkish personnel in the maintenance, testing and overhauling of engines; supervise and train personnel in the installation of radio ranges, port control equipment, and lighting systems.	277-11-370-022
Irrigation & Water Dev. Training (1949-)	Train two engineers and two technicians in methods of underground water for irrigation.	277-11-120-023
Reorganization of Social Sec. System	Make recommendations and assist in reorganizing the Social Security System, with emphasis on the retirement fund.	277-11-820-024
Combustion Engineer	Cancelled.	277-11-220-025
Agriculture Advisory Group (1950)	Advise and assist the Ministry of Agriculture in broad agricultural activities in an effort to increase agricultural productivity. (See Project 126)	277-11-190-026

<u>Title</u>	<u>Description and Purpose</u>	<u>Project Number</u>
Agricultural Trainees 1950 -	Train participants in advanced agricultural methods.	277-11-190-027
Training/ Coal Mining 1950 -	Train personnel in the operation and maintenance of modern coal and lignite mining equipment.	277-11-210-028
Tourist Consultant	Cancelled.	277-11-940-029
Agricultural Professors to U.S. 1950 -	Agricultural educators of Turkish universities to U.S. to observe agricultural methods.	277-11-110-030
Civil Aviation Training 1950 -	Train personnel at Turkish airfields in aircraft and air traffic control and radio maintenance.	277-11-370-031
Accountant for Coal Mines	Assist Management of coal mines in Turkey to establish a simplified coal-accounting system.	277-11-210-032
Gediz Valley Survey 1950 -	To survey the Gediz Valley dam-site with a view to recommending the most appropriate type of construction.	277-11-250-033
Meteorological Trainees 1950 -	Provide one year's training in weather observation in the U.S. for 14 employees of the Turkish Weather Bureau and an additional year's study in weather forecasting for five members of the group.	277-11-370-034
Program Mgt. Expenses, TA Program 1950 -	To cover program management expenses, ^{Arrangements Branch,} Wash., D.C., in connection with training and observation visits of Turkish experts under the technical assistance program.	277-11-720-035
Fiscal Org. & Procedures 1951	Survey Min. of Finance organization, procedures, and problems so as to improve financial management.	277-11-720-036

Title	Description and Purpose	Project Number
Economic Advisors	Cancelled.	277-11-290-037
Hybrid Seed Corn Produc- tion (1950)	Assist in evaluation and applica- tion of information from field trials of hybrid seed corn.	277-11-130-038
Hybrid Seed Corn Trainees	Cancelled. (Trainees to work with consultant under project 038).	277-11-130-039
Reforestation Training 1951 -	Provide training in modern refore- station techniques for Ministry of Agriculture specialist with a view to developing Turkey's timber areas.	277-11-170-040
Livestock Production & Meat Ind. 1950 -	Provide on-the-job training in U.S. packing plants and work with U.S. veterinarians in the field.	277-15-130-041
Animal Nutrition Training 1951 -	Study methods of animal nutrition for application in Turkey upon return.	277-11-190-042
Telecommuni- cations 1951 -	Modernize telephone facilities and set up plant to administer the facilities. (Cont'd under Project 143)	277-11-220-043
Survey & Reor- ganization of PTT Factory	Combined with project 043.	277-11-220-044
Training in Tel. Adm. 1951 -	Provide on-the-job training and study in all phases of modern telecommunications for applica- tion to PTT.	277-11-220-045
Soil Mgt. Training 1951-	Study modern soil techniques for testing and application on return to Turkey.	277-11-120-046

<u>Title</u>	<u>Description and Purpose</u>	<u>Project Number</u>
Highway Engineers Training 1950 -	To study the latest developments in programming, administration, and construction of modern high-ways by observing the U.S. system.	277-11-310-047
Semi-Arid Forestation	Cancelled.	277-11-170-048
Sümerbank Executives Training 1951 -	Provide training in theory and techniques of industrial management, both academic and in-plant training. (Program developed and managed by Cornell University).	277-11-270-049
Murgul Copper Plant Staff Tng. 1950	Provide supervisory personnel to train Turks in the operation of the Murgul Copper Plant through on-the-job training; assist in the operation of the plant until the Turkish staff is able to take charge.	277-13-270-050
Public Utility Experts for EIE	Cancelled. (Implemented under Project 141)	277-11-220-051
Electrical Power Eng. Training 1950 -	Train four engineers in the U.S. at the Bureau of Reclamation in design, construction, and management of power generation facilities.	277-11-220-052
Industrial Eng. Tng.	Cancelled.	277-11-250-053
Costs/Tng. and Obs. Visits 1950	To cover program management costs of TA Division, Wash, DC, for FY 1951 in connection with training and observation visits of Turkish experts.	277-11-740-054
Ministry of Finance Trainees 1951-	Train personnel of Min. of Finance in budgetary matters, national income, revenue and treasury functions, procurement procedures, etc.	277-11-740-055

<u>Title</u>	<u>Description and Purpose</u>	<u>Project Number</u>
Training in Maintenance of Steam Locomotives 1950 -	Provide training in steam locomotive maintenance and repair and managerial techniques (for a period of two months following completion of TA OEEC 14).	277-11-270-056
Oil Industry Consultant	Cancelled. (Need otherwise met).	277-11-210-057
Highway Traffic Training 1951-	Provide training for Chief of Traffic Sec., Gen. Dir. of Highways, Ministry of Public Works, in the correlation and analysis of field study data for latest techniques in highway traffic to enable him to assist in designing and planning of highways.	277-15-310-058
Advanced Public Administration 1951 -	To provide training for faculty members in the U.S. in public adm. theory and practices, particularly in public finance.	277-11-730-059
Gediz Dam Review Bd. 1951 -	To analyze and evaluate existing data on the proposed Demirkoru Dam and make recommendations concerning construction of the dam.	277-11-250-060
Brucellosis Control Training 1950 -	One month's observation training at Brucella Lab. in the U.S. (following attendance at 3rd Inter-American Conf. on Brucellosis Control) preparatory to assuming charge of new Brucella Lab. at Inst. of Bacteriology, Min. of Agric.	277-13-130-061
Training/ Meat Packing Ind. 1951	To study the meat packing industry (participant already in U.S.), particularly practical training and study in the use of by-products, e.g. skins and hydres, to update the industry in Turkey.	277-15-150-062
Evros-Meriç River Basin Survey 1951.	To study and prepare report on flood control, drainage, irrigation, watershed erosion control and hydroelectric power possibilities of the Evros-Meriç River Basin.	277-11-240-063

<u>Title</u>	<u>Description and Purpose</u>	<u>Project Number</u>
Agricultural Resettlement Advisor 1951-	Advise on resettlement problems in Turkey; study and develop plans for a long-range resettlement program.	277-11-190-064
Manpower Utilization Experts 1951-	Pilot project to assist the Turkish Government in the formulation of plans to develop a manpower utilization program.	277-11-460-065
Secretarial Support 1951-1958	Provide stenographic services for Technical Assistance projects. Total: \$87,000.	277-15-990-066
Students to MIT (1951)	Provide training at MIT for an employee of the Turkish State Seaways Administration and a chemical engineer at Karabük Iron and Steel Works.	277-15-290-067
Aircraft Pilot Instructor	Cancelled.	277-11-370-068
Electrical Technician Trainees 1952 -	Train electrical technicians in the operation and maintenance of an interconnected hydroelectric power system.	277-11-220-069
Mine Elec- trification Specialist 1952 -	Provide an expert to train electrical technicians in the installation and maintenance of electrical equipment in coal mines in Turkey.	277-11-210-070
Copper Metal- lurgist 1952-1956	To provide training in the U.S. in engineering (copper metallurgists) for foremen of the Ergani copper mine smelter.	277-12-210-071
Meteorological Executive Trainees 1951 -	Trainees to observe and study operational techniques and procedures in U.S. military and civilian meteorological organizations.	277-11-995-072

<u>Title</u>	<u>Description and Purpose</u>	<u>Project Number</u>
Conversion of Aircraft Plant 1951-	Study the feasibility of converting an aircraft factory into one for manufacture of spare parts for military equipment.	277-11-390-073
Harvard Adv. Mgt. Program	Cancelled.	277-11-110-074
Agriculture Extension	Assist in establishing and developing an extension service for Turkey. Begun: FY 1952; End: FY 1966 Total: \$378,000 (Combined with Project 369)	277-11-110-075
Training/Ag. Administrators 1952-1956	Provide training in adm. management for 15 executive and administrative officials of the Min. of Agric.	277-11-190-076
Training/Ag. Special Subjects 1952 -	Provide training in the application of technical and scientific information and methods in order to increase agric. production in Turkey, and distribute products more efficiently.	277-11-190-077
Home Econ. Training 1952 -	Provide training in the U.S. for one year in home economics and nutrition for two participants.	277-11-160-078
Highway Engineers Training 1952 -	Provide training for Turkish engineers in U.S. methods of highway construction and maintenance.	277-11-310-079
Chemical Engineers Training 1951-	Provide training for the Director of Chemical Res. and Director of Alemdag Powder Factory (for MKEK) in the processes and production of ballistic, TNH & NH propellant powder lead oxide as used in detonators, and other chemical processes.	277-11-210-080

Title	Description and Purpose	Project Number
Production Assistance Activities 1952 -	To cover the cost of sending various consultants to Turkey.	277-11-290-081
Land Tenure Conf. & Tng. Program 1951 -	Provide funds for the Undersecretary Min. of Agric., to attend the Land Tenure Conf. in the U.S. and fund 12 months' training in land tenure for participant (Yalaz).	277-11-190-082
Farm Mgt. Institute 1951 -	Fund attendance of the Dir. of Bureau of Econ., Min. of Agric., at Farm Management Institute.	277-11-140-083
Railroad Eng. & Dispatch Tng.	Cancelled.	277-11-310-084
EIE Admin. Trainees 1952 -	Train civil and electrical eng. in operating power facilities, surveying and planning power resources, and designing hydro-electric plants, steam plants, and transmission systems.	277-11-220-085
SugarCane Experiment Study 1952 -	Study results of experiments in cane sugar extraction and processing, and evaluate feasibility of establishing cane sugar industry in Turkey:	277-15-230-086
Railroad Dispatch Experts 1954 -	Provide a team of American experts to advise and assist in the planning, installation, and initial operation of a modern railway telephone dispatching system; train Turkish personnel to operate system.	277-11-330-087
Airport Equipment Experts 1952-1957	Provide a team of U.S. electrical engineers to supervise installation of instrument landing equipment (at Istanbul, Ankara, Diyarbakir, Adana, Afyon, Izmir, Erzurum, Konya & Elazig); train Turkish technicians in install., maintenance & repair of equipment. Total: \$18,000	277-11-370-088

<u>Title</u>	<u>Description and Purpose</u>	<u>Project Number</u>
Yeşilirmak River Dev. Plant	Not approved.	277-11-290-089
Highway Equipment Training 1951-	To familiarize a competent Turkish civil engineer with U.S. methods of repair and maintenance of road building equipment to enable him to direct the establishment of repair shops in Turkey for road building equip. and extensive highway dev.	277-11-310-090
Lab. & Res. Equipment .	To cover purchase of laboratory and research equipment for various university uses. (Combined with Projects 136, 149, 175).	277-11-290-091
Highway Traffic Training	Cancelled.	277-11-310-092
Nutrition & Home Econ. Training 1953 -	Provide six months' training in the U.S. in institutional feeding, food preservation, and nutrition for Turkish women, who will conduct seminars upon return to Turkey for personnel preparing food in factories, mills, messhalls, etc.	277-15-160-093
International Payments Trainee 1952 -	Provide three months' training for the Chief of the Turkish Balance of Payments Div. in balance of payments techniques and foreign exch. budgeting and operation according to a program arranged by IMF.	277-11-750-094
Railroad Off. Procedure Study 1952 -	To assist in developing more effective office procedures in the railroad organization. (See Proj. 172).	277-11-330-095
Railroad Job Eval. Study 1952-1957	Provide for a study of the Turkish State Railways org. in order to evaluate various jobs and equitable compensation therefor. Total: \$10,000	277-11-330-096

<u>Title</u>	<u>Description and Purpose</u>	<u>Project Number</u>
Railroad Shop Prod. Training 1952-	To continue the training program in production engineering started under Project 004.	277-11-330-097
Port of Iskenderun Study 1952-	Study the administrative organization and operating practices of the Port of Iskenderun and determine the minimum additional equipment needed to improve operations.	277-11-340-098
Automotive Maint. Tng.	Cancelled.	277-11-240-099
Audio-Visual Aids Specialists 1954-1957	Advise the Ministry of Education on the organization, structure, staffing, equipment needs and operation of the Audio-Visual Aids Center and branches. Total: \$22,000	277-11-690-100
Liquid Oxy. Experts	Cancelled pending plant completions. (See project 184).	277-15-210-101
Highway Dir. Training	Cancelled.	277-11-310-102
Nutrition Program Techniques 1952 -	To acquaint the head of the Ag. Chem. Dept., College of Agric., with the latest techniques in the analysis of materials for human and animal nutrition; formulate nutrition programs.	277-11-160-103
MKEK Defense Production 1952 -	Enable MKEK to increase plant production by assisting in the supervision of various departments of the plant and in on-the-job training.	277-11-270-104
Highway Contractors Training	Cancelled.	277-11-310-105

Title	Description and Purpose	Project Number
M.I.T. Foreign Student Summer Study/1952	To defray cost of student attending the M.I.T. summer session.	277-11-690-106
Geology & Petroleum Consultant 1954-	Conduct two months' study and advise on ways to streamline the agency and improve research and program activities.	277-11-210-107
Adult Education Training 1952-	Provide four months' training for Dir. Gen. of Adult Ed., Min. of Ed., in effective methods of organizing and administering Dept. of Adult Ed.	277-11-610-108
Advisor/Cotton Production 1952-	Assist the Min. of Agric. to develop a program to improve the quality and uniformity of cotton production.	277-11-140-109
EIE Exec. Training 1952-	Provide observation training for Turkish eng. executives in U.S. methods of electric power production and distribution.	277-11-220-110
Railway Ports Reorganization 1953-	Assist the Turkish Govt. to implement recommendations of the Anderson & Nicholas "Report on Iskenderun Operations and Ports Organization".	277-11-340-111
U.S. Commerce Trade Experts	Cancelled.	277-11-220-112
Grain Storage & Movement Specialists 1952-	Expert to advise TMO in improving grain storage and movement facilities with a view to developing export potentialities. Total: \$6,000	277-12-130-113
Highway Engineers Training 1952-1957	Provide training for 10 additional highway engineers at U.S. Bureau of Public Roads. (Twenty highway eng. trained under Projects 047 and 079).	277-11-310-114

Title	Description and Purpose	Project Number
Statistical Specialist 1951-	To complete analysis of population, agriculture, and business manufacturers censuses. Initiate program of business & mfg. statistics & train statistical personnel.	277-15-780-115
Ground Water Development Training 1953-	Provide training in U.S. methods of investigation, drilling and well installation to assist in ground water development.	277-11-120-116
Ground Water Development Specialists 1953-	Conduct ground water investigations; initiate projects for their implementation; train Turkish personnel to carry on the work; and develop new projects.	277-11-120-117
Hydraulic Engineers Training 1953-	Provide training in dam construction, both concrete and earth type, for two engineers from the Department of Hydraulic Works.	277-11-220-118
Training for MKEK Pers. 1952-	Special training for two officials of MKEK: Specifically, to study in the U.S. in conjunction with the Logistics Production Committee of NATO re production methods for steel cases on small arms ammunition.	277-11-230-119
Tax and Finance Trainees 1955-1957	Training in tax and finance matters, including operation of regional and divisional offices, collection methods, excise tax system, organization and management practices of Internal Revenue Office.	277-15-750-120
Seaways Consultants 1950-	To make a management audit of the State Seaways & Ports Admin., including organization and operational aspects to determine feasibility and means of increasing efficiency of its operations.	277-11-340-121

<u>Title</u>	<u>Description and Purpose</u>	<u>Project Number</u>
Improvement of Airways Maintenance & Operations 1950-	Establish aircraft repair shops and train Turkish personnel in the maintenance, testing, and overhauling of engines; supervise the installation of radio ranges, port control equipment, and lighting systems; train personnel in their operation.	277-11-370-122
Malaria Control Group 1951-	(1) Provide specialists and supplies to augment the Turkish malaria control campaign; (2) reduce the incidence of malaria by an impact program to a point where outside assistance is no longer needed; (3) assure proper utilization of supplies and equipment purchased through MSA funds.	277-11-511-123
Mine Equipment Training	Provide supervision for the installation of underground D.C. equipment, such as rectifiers and trolley equipment, and train personnel in their operation and maintenance in Turkey's bituminous coal area.	277-11-210-124 (Cancelled)
Civil Aeronautics Training 1953-	Training in connection with installation and operation of a system of air communications in Turkey.	277-11-225-125
Agricultural Advisory Group 1953-	Continue work started under project 026, to increase agricultural productivity.	277-11-190-126
Malaria Surveillance Training	Provide a sixty-day briefing on malaria surveillance and environmental health work in the U.S.	277-11-511-127
Hybrid Seed Corn Demonst.	Procure hybrid seed corn in U.S. for use in Turkey.	277-11-190-128
Agricultural Training 1953-	Provide three to five months' training in the U.S. for top officials of Min. of Agric. to observe agricultural programs and organization.	277-11-140-129

Title	Description and Purpose	Project Number
Cotton Classification & Tech. Tng. 1954-	Train four technicians in modern methods of cotton classification and spinning and fiber analysis techniques.	277-11-140-130
Cotton Classification & Merchandising Spec. 1954-	Teach Turkish personnel improved methods of processing, classifying, storing, baling, and merchandising cotton.	277-11-190-131
Meat Packing Consultants 1953-	Train Turkish personnel in the operation of a meat packing industry and assist in setting up plants in Erzurum, Konya, Ankara, and Istanbul.	277-11-150-132
Cotton Research & Saw Gin Tng.	Cancelled.	277-11-130-133
Home Economics Specialists	Disapproved. Two Home Economist positions funded under Project 075.	277-11-160-134
Vocational & Trade Schools & Adult Trade Training	SGI (Spring Garden Institute) project: to establish schools to train technicians in automotive maintenance and repair. Begun: FY 1955; End: FY 1965 Total: \$2,232,000	277-11-610-135
Procurement of Equip./ Proj. 135	To provide supplies and equipment needed to implement training program for Project 135.	277-11-610-136
Public Administration Trainees 1953 -	To acquaint four of the top teachers in public admin. in Turkey with programs and activities in the field of Public Adm. in the U.S.	277-11-590-137
Procurement of Soils Laboratory Equipment 1954-	To procure specialized equipment for the soil testing laboratory of the Gen. Dir. of Highways and for use in instruction and training in soil testing for construction work.	277-11-310-138

<u>Title</u>	<u>Description and Purpose</u>	<u>Project Number</u>
Agricultural Training	This project was set up to establish administrative mechanism to process trainees in agricultural training. See projects 148, 155 to 168, & 173.	277-11-190-139
Motor Spare Parts Produc.	Cancelled.	277 -11-290-140
EIE Power Study 1954-1957	(Replaces Proj. 051) Designed to provide a comprehensive study of present facilities for the development of electrical power in Turkey, and thus provide information to formulate future plans and programs in field of electrical power development. Total: \$28,000	277-11-220-141
Water Resources Mgt. and Development	Provide a corps of U.S. specialists to assist the Turkish Government in establishing a Dept. of Land and Water Resources Dev., patterned after the U.S. Bureau of Reclamation; train personnel in certain phases of the work. Begun: FY 1954; End: FY 1968 Total: \$2,084,000 (See Projects 149 and 426)	277-11-120-142
Telecommuni- cation Con- sultants 1953-1956	(Ext. of Proj. 043). Assist the Turkish Postal, Telegraph and Telephone Adm. to reorganize and revitalize the entire adm. and service facilities; train engineers, technicians, and adm. personnel in operation of modern telephone system. Total: \$7,000	277-11-225-143
Turkish Ind. Assistance Commission	Not implemented at this time. See Proj. 199.	277-150-910-144
Livestock Disease Control 1953	Provide for attendance of three Turkish veterinarians from the Ministry of Agriculture at the Intra-European TA training course on Livestock Disease Control, May 18-June 12, 1953, at The Hague.	277-11-130-145

Title	Description and Purpose	Project Number
Pasture & Fodder Improvement & Utilization	Provide for participation of Turkish representatives at the Intra-European TA training course on Pasture and Fodder Improvement and Utilization, June 15 - July 10, 1953, at Wageningen, the Netherlands.	277-11-190-146
Methods of Agricultural Extension	Provide for participation of four Turkish Agriculturalists at the Intra-European training course on methods of Agricultural Extension- July 13, to August 8, 1953, at Wageningen, at Netherlands.	277-11-190-147
Horticultural Training	Training of four horticulturalists of the Ministry of Agriculture for one year in the U.S. in horticulture and extension practices.	277-11-110-148
Land & Water Use	Assistance to Ministry of Agriculture in developing soil and water resources programs in Turkey, emphasizing irrigation and drainage, soil and water conservation, soil survey and land classification, soils analysis research, and farm management for irrigation and conservation. Begun: FY 1951; End: FY 1967. Total: \$1,472,000. (See Projects 142 and 426)	277-11-120-149
Livestock & Poultry Development	To assist in carrying out a broad program of livestock and poultry improvement by developing the organization and training personnel in staff extension service to work with village farmers. Begun: FY 1951, End: FY 1960. Total: \$610,000.	277-11-130-150
Crops, Grass & Forage Improvement	To establish an effective grass and forage extension program, through short training courses and on-the-job training. Begun: FY 1954; End: FY 1961. Total: \$422,000	277-11-130-151

<u>Title</u>	<u>Description and Purpose</u>	<u>Project Number</u>
Training in Chemical Mfg. 1953 -	Train the Assistant Director and Chief Engineer of MKEK in the latest methods of manufacturing TNT, smokeless powder, nitro- glycerine, etc.	277-11-210-152
Ammunition Packing Tng.	Cancelled.	277-15-230-153
Ammunition Packing Consultant	Cancelled.	277-15-230-154
Farm Mechan- ization Tng. 1953-	Provide one year's training in the U.S. for Min. of Agriculture employees in agricultural machinery and extension practices.	277-11-190-155
Wheat Breeding Training 1953 -	Train two technicians in the U.S. in wheat breeding methods.	277-11-130-156
Plant Protection Training 1953	Technicians to U.S. for familiar- ization visit in research and extension methods for combatting plant disease and insect control, with special emphasis on cotton and cereal crops.	277-11-130-157
Home Economics Training 1953-	Participants to U.S. for training and practical experience in home economics extension.	277-11-160-158
Range Management Training 1953-	Provide training in the principles and practices of range management to enable trainees to organize and supervise a program in Turkey for the improvement of range resources.	277-11-140-159

<u>Title</u>	<u>Description and Purpose</u>	<u>Project Number</u>
Soils Use & Mgt. Training 1953 -	Provide trainees of Min. of Agric. one year's training in the U.S. in soils information and extension, soil classification, mapping, and management.	277-11-120-160
Utilization of Forest Products Tng. 1953 -	Train foresters of the Min. of Agri. in the U.S. in the utilization of forest products so that upon return- ing to Turkey they can develop activi- ties in this field, such as kiln drying of lumber, manufacture of pressboard, chemical by-products, etc.	277-11-170-161
Forestry Mgt. Tng. 1953 -	Provide training in the U.S. in fores- try management practices.	277-11-170-162
Tree Nursery & Woodlot Dev. Tng. 1953 -	Train three participants in the U.S. in the management of tree nur- series, production of seedlings, and planting of trees under dryland conditions.	277-11-190-163
Forestry Tng. Insect Dis- ease Control Etc. 1953 -	Provide training in the U.S. and practical experience in combatting forest fires, insect and disease control	277-11-170-164
Pasture & Forage Training 1953 -	Train personnel in pasture and for- age practices and extension service.	277-11-130-165
Irrigation Training 1953 -	Provide training and practical ex- perience in farm irrigation and water use and improve effectiveness of service provided to farmers and owners of irrigated farms.	277-11-120-166
Poultry Husbandry Training 1953 -	Provide training and practical experience in the U.S. in various phases of poultry husbandry to assist in the development of this industry in Turkey.	277-11-130-167

<u>Title</u>	<u>Description and Purpose</u>	<u>Project Number</u>
Advisor to Ind. Dev. Bank on Basic Materials Program	Disapproved.	277-15-290-168
Participant Language Tng. Program	Establish under a contract with Georgetown University a center for the teaching of English. Develop textbooks and materials for the teaching of English; provide advice and assistance to Gazi Pedagogical Inst. in Ankara in the training of English language teachers; assist the Armed Forces Literacy Training Program. Begun: FY 1954; End: FY 1964 Total: \$1,287,000	277-15-690-169
Public Adm. Trainees 1953-	Strengthen public administration in Turkey by providing training in the practice, teaching, and research activities in public adm.	277-11-790-170
Mgt. Tng. Program 1954-1957	(1) Survey local management practices in order to plan and implement mgt. tng. courses; (2) train Turkish instructors to teach industrial mgt. subjects; and (3) conduct seminars with top and middle management in the fields of personnel administration, production, marketing, and top-management techniques. Project total: \$4,000	277-11-270-171
Railway Off. Procedures 1954 -	Implement recommendations of the report on administrative procedures prepared for the Turkish State Railways under Project 095.	277-11-330-172
Bacteriology Training (Livestock) 1954 -	Specialized training for Min. of Agric. technicians in diagnosis and treatment of disease in livestock; other aspects, such as artificial insemination, animal feeding; also poultry disease diagnosis and treatment.	277-11-130-173

<u>Title</u>	<u>Description and Purpose</u>	<u>Project Number</u>
Pullorum Antigen Prod. Demonstration 1953 -	Procure equipment necessary for the manufacture of pullorum antigen to assist the poultry industry.	277-15-230-174
Highway Engineering Advisors	Assist the Turkish Directorate of Highways to plan and implement a program for building and improving a system of national highways. Begun: FY 1953; End: FY 1959 Total: \$547,000	277-11-310-175
Specialized Weather Forecasting Training 1954 -	Furnish intensive training in weather and marine forecasting to provide more reliable weather service in the Black Sea region and throughout Turkey.	277-11-995-176
Weather Equipment Trainees 1954 -	Provide training in the maintenance of meteorological equipment to enable trainees to operate and maintain radio and radiosonde equipment.	277-11-995-177
Meteorology Specialists	Help establish an in-service training school to create a permanent corps of qualified meteorologists and weather observers for the Turkish weather service. Begun: FY 1954; End: FY 1960. Total: \$49,000	277-11-995-178
Grain Storage Handling & Move- ment Team	Cancelled.	277-11-190-179
Workers Education Training	Provide training to Turkish workers and trade union representatives in a variety of skills needed to build a productive work force and develop and strengthen a sound basic trade union movement. Begun: FY 1958; End: FY 1962. Total: \$138,000	277-11-410-180

<u>Title</u>	<u>Description and Purpose</u>	<u>Project Number</u>
M-1 Smokeless Powder Specialist 1954 -	Provide the services of an American specialist for two or three months to assist the mechanical and chemical industries in Turkey in the manufacture of M-1 smokeless powder.	277-15-210-181
Social Insurance Trainees 1954 -	Provide training in the organization and administration of federal and state social security systems.	277-11-820-182
Industrial Foremen's Tech. Tng.	Inactive. (Trainees in fields proposed not accepted in U.S. industrial firms.)	277-11-290-183
Liquid Oxygen Explosives Training 1954 -	Provide four months' training in the U.S. in the manufacture and use of liquid O2 explosives for four technicians who will work at the Divrigi iron mine.	277-15-210-184
Retirement Fund Trainee 1954 -	Provide six months' training in the U.S. in the establishment and maintenance of records and filing systems for administration of the retirement fund.	277-11-990-185
Technical & Audio-Visual Aids 1954 -	To make available during calendar year 1954 various technical aids to the type "B" experts who are in Turkey, to the Turkish information center, Istanbul, the audio-visual aids center, and center for coordination of technical assistance in Ankara.	277-11-690-186
Livestock Feed Mixing Trainees 1954 -	Two employees of the Ministry of Agriculture to the U.S. for five months' training in methods of mixing feed for livestock.	277-11-130-187

<u>Title</u>	<u>Description and Purpose</u>	<u>Project Number</u>
Certification & Laboratory Testing of Seed Training 1954 -	One year's training in the U.S. for two employees of the Ministry of Agriculture in techniques of seed certification and laboratory testing.	277-11-190-188
Farm Mechani- zation Tng. 1954 -	One year's training in the U.S. for employees of the Min. of Agric. in the operation and maintenance of agriculture machinery and exten- sion methods used in transmitting the techniques to farmers.	277-11-190-189
Training in Adminis. of Irrigation Programs 1954 -	Provide training for two key employees of the Min. of Agric. in the overall aspects of farm irrigation and water use as carried out by the Dept. of Agric., land grant colleges, and extension services in the U.S.	277-11-120-190
Farm Irrigation Training 1954 -	Give three Ministry of Agric. employees an opportunity to obtain practical experience in farm irrigation and water use.	277-11-120-191
Pasture & Forage Tng. 1954 -	Train technicians of the Ministry of Agric. in the U.S. in pasture and forage techniques, including research, administration, extension organization, and field application methods.	277-11-130-192
Study of Agri. Supply Agencies 1955-	Three months' visit for five Donatim Directors to study the operation of U.S. sales agencies for agricultural equipment and supplies.	277-11-190-193
Livestock Mgt. Tng. 1954 -	Assistance to Div. of Veterinary Affairs, Min. of Agric., which is responsible for livestock improve- ment and disease control in Turkey.	277-11-130-194

<u>Title</u>	<u>Description and Purpose</u>	<u>Project Number</u>
Study of Extension Methods 1954 -	Improve the effectiveness of the Turkish Agricultural Extension Service.	277-11-110-195
Farm Organi- zation and Management 1954 -	Training of State Farm personnel to enable them to organize and administer more effectively the 19 State Farms in Turkey, which serve as distribution centers for seed, fruit tree seedlings, breed- ing animals; and as demonstration farms.	277-11-140-196
Forest Management 1954 -	Assistance in the development of forests and improvement of forest products processing in Turkey.	277-11-170-197
Farm Production 1954 -	Improve the efficiency of the 19 State Farms in Turkey.	277-11-140-198
Ind. Inv. & Promotion Program (Inv. Enc. Act).	Facilitate industrial develop- ment and expansion by providing a mechanism for ascertaining and evaluating industrial opportuni- ties and stimulating domestic and foreign investments. Begun: FY 1956; End: FY 1964. (Combined with Project 372)	277-15-910-199
Pasture & Forage Adm. 1954 -	Members of Turkey's national pasture and forage committee to U.S. to observe organizational and operational features of pasture and forage work.	277-15-130-200
Sheep Feeding & Management 1954-	Provide practical training in sheep husbandry to assist in the implementation of the livestock program.	277-11-130-201

<u>Title</u>	<u>Description and Purpose</u>	<u>Project Number</u>
Agriculture LC Demonstra- tion/Visual Aids 1953 -	Demonstrations for the Extension Advisory & Info. Service; train personnel in the use of teaching materials and methods designed to help farmers increase production; provide public support for con- tinued expansion of agriculture advisory work.	277-15-110-202
Plant Prot. & Insect Control 1954 -	Contribute to agricultural pro- duction by improving plant protection and insect control.	277-11-140-203
Home Econ. Extension 1954 -	Provide extension service with a view to increasing food availa- bility and improving health and living standards in rural areas.	277-11-110-204
Horticulture 1954 -	To improve production and quality of fruits & vegetables.	277-11-130-205
Poultry Disease & Parasite Control 1954 -	Assist the poultry industry and agricultural production in Turkey by a study of disease prevention and control.	277-11-130-206
Forest Range & Watershed Management 1954 -	Increase agricultural produc- tion by improving grassland management.	277-15-170-207
Cattle Feeding & Management 1954 -	Assistance to improve and increase milk and meat production.	277-11-190-208
Livestock Disease Control 1955 -	Assistance in livestock disease prevention and control from field operation standpoint.	277-11-130-209
MKEK Defense Industries	Cancelled.	277-11-270-210

Title	Description and Purpose	Project Number
Advanced Agric. Training (University of Nebraska cont.)	Project designed to assist in the establishment and development of Atatürk University in Erzurum, through the services of Univ. of Nebraska contract team. Atatürk University intended to provide academic training in agriculture and other fields; study and research training of Turkish professors at U.S. universities; and information and extension services to the local agricultural community. Begun: FY 1954; End: FY 1968 Total: \$3,907,000	277-11-110-211
Public Adm. (N.Y. Univ.) and Law Professors Training	Assist the Faculty of Political Science, Univ. of Ankara, in developing and strengthening activities in the field of public administration. Provide study for Turkish law professors in U.S. Begun: FY 1954; End: FY 1960 Total: \$768,000	277-11-770-212
Univ.Contract/ Medical	Cancelled.	277-15-69-213
EIE Planning Engineers Training 1954-1955	Train Turkish civil and electrical engineers and staff of EIE in planning and designing hydro and thermal power plants and power transmission line systems. Total: \$2,000	277-11-220-214
Production Engineering Dev. & Tng. 1954 -	Provide in-plant training for 50 key employees of the State Railway Administration.	277-11-330-215
Ministry of Labor Trainees 1955 -	Provide intensive practical training in administration to personnel of the Ministry of Labor.	277-11-490-216

<u>Title</u>	<u>Description and Purpose</u>	<u>Project Number</u>
Poultry Husbandry 1954 -	To improve the production of poultry and poultry products.	277-11-130-217
Dairy Processing 1954 -	Improve the quality of dairy products, particularly milk processing.	277-11-190-218
Training/ Cotton Processing 1954 -	Provide training in the operation of cotton processing equipment.	277-11-190-219
Research/ Legume Prod. 1954 -	Training in research methods and techniques to improve legumes and increase agriculture produc- tion in Turkey.	277-11-130-220
Agricultural Ext. & Info. Service 1954-	Improve the facilities and effec- tiveness of communicating knowl- edge of new and improved practices to farmers and farm families.	277-11-110-221
Soils Produc- tivity Research Training 1954-	Improve agricultural production and increase food availability through soil science.	277-11-110-222
Retirement Fund Actuar- ial Tng. 1954-	Provide six months' training in the U.S. for the Actuary of the Turkish Retirement Fund in actuarial processes and operations.	277-11-995-223
Plant Breeding 1954-	Assist in increasing agricultural productivity and food availa- bility in Turkey through plant breeding.	277-11-140-224
Teaching & Research Equip. (Medical)	Cancelled.	277-15-690-225

<u>Title</u>	<u>Description and Purpose</u>	<u>Project Number</u>
Load Dispatching Trainees 1955	Provide 12 months' training in the U.S. for eight employees of Etibank in all phases of electrical power operation, transmission, and maintenance. (Charles T. Main contract).	277-15-220-226
Food Tech- nology 1954	Improve food quality and availability in Turkey.	277-11-110-227
Dairy & Live- stock Mktg. 1954	Improve the quality and availability of livestock and livestock products marketed for food.	277-15-150-228
Trade Union Leaders Tng.	Disapproved for 1954 funds.	277-11-410-229
Agriculture Ext. & Info. Aids and Materials 1954	Project to provide \$15,000 to cover dollar cost of screening, procuring, and shipping technical books, literature, and related miscellaneous items required to support technical assistance projects - and 90% counterpart and local currency for demonstration projects in the field of agriculture.	277-15-110-230
Purse Seine Fishing Specialists 1954-1958	Train fishermen in Turkey in the techniques of handling California-type purse seines. Total: \$17,000	277-11-130-231
Airline Operations Training	Project designed to provide the services of an American air carrier to assist the Turkish State Airline improve, modernize, and expand its air transport service. FY 1955 - FY 1961 Total: \$2,163,000	277-11-370-232

<u>Title</u>	<u>Description and Purpose</u>	<u>Project Number</u>
Food Industry Regulation Training 1954 -	Provide additional study in food industry regulation to upgrade capability in this field.	277-11-190-233
Low Cost Housing Advisor 1955-1957	American housing expert to advise the Turkish Government on low-cost housing and implementation of the program. Total: \$12,000	277-11-830-234
Industrial Relations Research Tng. 1955-1961	Four months' training in the U.S. for two Turkish university professors in the field of industrial relations.	277-11-410-235
Organization & Operation of Employment Services 1955 -	Three officials of the Turkish Employment Service to study and observe the organization and operation of the U.S. Employment Service.	277-15-290-236
Agric. Res., Educ., and Extension 1955 -	Provide 3 to 12 months' training in the U.S. for 17 employees of the Turkish Min. of Agriculture in various phases of agriculture extension and information and home economics extension to develop and strengthen the info. and ext. service throughout Turkey.	277-11-110-237
Land and Water Resources 1955 -	Provide 12 months' training in the U.S. for six employees of the Ministry of Agriculture and a member of the Faculty of Agric., University of Ankara, in soils analysis and research, irrigation research, soil survey methods, and soil conservation practices.	277-11-120-238

<u>Title</u>	<u>Description and Purpose</u>	<u>Project Number</u>
Livestock & Crop Development 1955 -	Project provides 3 to 12 months' training in the U.S. for 46 employees of the Ministry of Agriculture in subjects such as poultry and livestock production and management; agriculture production, seed improvement, and plant protection; pasture and forage protection and management; milk processing and handling; fruit and vegetable canning.	277-11-130-239
Forestry Training 1955 -	Provide 3 to 12 months' training in the U.S. for 12 employees of the Forestry Directorate, Min. of Agriculture, in afforestation, nurseries, forestry protection and harvesting, utilization and fabrication of forest products, and forest management.	277-11-170-240
Agricultural Machinery 1955 -	Three to twelve months' training in the U.S. for eight employees of the Min. of Agric. in drainage and land-leveling equipment, agricultural machinery, farm equipment testing, etc - to assist in developing farm mechanization in Turkey.	277-15-190-241
Load Dis- patching Training 1955-1956	Training for one year in the U.S. for two electrical engineers of the Istanbul Municipal Works in load dispatching and utility systems operations. Total: \$11,000	277-11-220-242
Istanbul Traffic Study 1955-1957	Engineering and traffic study of the City of Istanbul with a view to establishing a primary arterial route, including a Bosphorus crossing and a system of feeder routes. Total: \$79,000.	277-11-310-243

Title	Description and Purpose	Project Number
Sariyar Hydroelectric Project 1956 - 1960	Provide engineering services and equipment for the construc- tion of the Sariyar hydroelectric dam and power plant. Total: \$1,782,000	277-12-220-244
Bosphorus Aerial Trans- mission Line 1957-1959	Project provides equipment and U.S. engineering services to design, supervise, direct, and administer the construction of an aerial transmission line across the Bosphorus. Total: \$1,452,000	277-11-220-245
Traffic Police Adminis. 1955 -	Ten months' training in the U.S. in traffic police administration for two employees of the Ministry of Interior, who will be assigned as traffic police chiefs in Ankara and Izmir.	277-11-710-246
(Syracuse Univ.) Audio-Visual Aids Center	Cancelled.	277-15-690-247
Cobalt Recovery Processes 1955-1957	Study of cobalt recovery process at the Ergani copper smelter. Total: \$9,000.	277-11-210-248
Mining Advisors (Zonguldak Coal Mine) 1955-1958	Technical assistance in: 1) main- tenance of mining equipment; 2) establishment of mine foreman training program; and 3) training in mine safety and rescue work. Total: \$1,254,000 (Combined with Project 254)	277-11-210-249
Improvement of Zonguldak Harbor	Provide equipment and consulting engineering services for con- struction of Zonguldak harbor.	277-12-340-250

<u>Title</u>	<u>Description and Purpose</u>	<u>Project Number</u>
Hydro Power Plant Tng. 1955-1961	Project provides 12 months' training in the U.S. for 20 employees of Etibank in power plant maintenance and repair (electrical and mechanical) and sub-station maintenance and repair to develop the nucleus of an operating and maintenance force for the Sariyar, Hirfanli, Gediz, and Akcay-Kemer power plants under construction. Begun: FY 1955; End: FY 1961 Total: \$161,000	277-11-220-251
Forest Resources Development	Develop an effective Turkish Forest Service capable of managing the 27 million acres of forest land in Turkey to maximum advantage; develop programs of rehabilitation and reforestation; timber inventory; construct basic network of forest access roads; prepare forest recreation and wildlife plans; provide assistance to the Forest Faculty, Istanbul University, and the Turkish Forest Research Institute. Begun: FY 1955; End: FY 1967 Total: \$1,368,000	277-11-170-252
Employ. Serv. Manpower Util.	Cancelled.	277-11-460-253
Zonguldak Coal Basin Development 1949	Provide equipment and engineering services required for the development of the Zonguldak coal basin. (Combined with Proj. 249)	277-12-210-254
Taxation Law Tng. 1955 -	Member of the Faculty of Law, Univ. of Ankara, to study U.S. tax laws and prepare a report on the tax structure of Turkey for the "World Tax Series" being undertaken at Harvard University. (See Project .433)	277-11-770-255

Title	Description and Purpose	Project Number
Operation & Mgt., Meat Packing Plants	Cancelled	277-11-150-256
Middle East Tech. Univ. (Univ. of Pa. Consultant) 1955-1957	Short-term advisory assistance to METU in the establishment of a School of Architecture with related institutes of city and village planning and modernization of con- struction methods and materials. Total: \$4,000	277-11-830-257
Ministry of Labor Trainees 1955 -	Four months' training in the U.S. for five key officials of the Min. of Labor in industrial safety, workers' health, and conciliation and mediation. (See Projects 356 & 397).	277-11-410-258
Grain Storage Project 1955-1960	Provide equipment and consulting engineering services for grain storage facilities in Turkey. Total: \$1,222,000	277-12-250-259
Handicraft & Home Industries Consultant	Cancelled.	277-15-290-260
Trade Union Admin. & Services	Six top trade union officials to study in the U.S. for three months the admin. functions of trade- union management and services pro- vided by national and local unions, such as: recreation, labor educa- tion, medical clinics, insurance, credit organizations, cooperative workers' housing, etc. (Project suspended; see Project 356)	277-11-410-261
Agricultural Machinery	Training in the U.S. for one year for four employees of the Min. of Agric. in agricultural machinery to strengthen the farm mechaniza- tion program in Turkey. (Project cancelled)	277-11-190-262

<u>Title</u>	<u>Description and Purpose</u>	<u>Project Number</u>
Gen. Agric. Adminis. 1956-1960	Six provincial Governors of agricultural provinces in Turkey to U.S. to observe agricultural methods and practices, with special emphasis on agric. administration at state and county levels.	277-11-190-263
Civil Aviation Training 1956-1962	Team of U.S. Civil Aviation experts to assist in organizing a Turkish Dept. of Civil Aviation and Training staff. (See proj. 232, Airline Opr. Program, PAA). Total: \$1,225,000	277-11-370-264
Public Finance & Fiscal Adm.	Cancelled.	277-11-750-265
Peaceful Uses of Atomic Energy Tng.	To finance training of Turkish scientists and engineers to qualify them to participate in atomic energy programs to be developed in Turkey in the future. Begun: FY 1956; End: FY 1959 Total: \$250,000.	277-11-990-266
Power Plng. (Hydro. Data Study & Tng.)	Assistance to EIE in organization methods and techniques relating to hydrological studies, lead estimating, and power statistics. Begun: FY 1957; End: FY 1963 Total: \$254,000.	277-11-220-267
Electrical Network Analyzer Training 1956-1960	Project provides for electrical network analyzer study on contractor's equipment in England. Total: \$15,000.	277-11-220-269
Murgul Copper Mine Ext. Program 1956-1960	Provide equipment required to increase production of copper at Murgul mine. Total: \$569,000	277-12-210-269

<u>Title</u>	<u>Description and Purpose</u>	<u>Project Number</u>
Agric. Mktg. & Processing 1957-1960	Project provides eight months' training in the U.S. for employees of the Min. of Agric. in fruit and vegetable canning. Total: \$2,000.	277-11-150-270
Ind. Mgt. Training	Assist in establishment of Industrial Center in Ankara, with regional offices in Izmir and Istanbul. Begun: FY 1959; End: FY 1964 (Combined with Project 372)	277-15-290-271
Dev. Planning Graduate Tng. in Econ. Dev. 1956-1959	Project provides 12 months' training at Vanderbilt Univ. in economic research and analysis of problems of economic growth and development. Total: \$17,000	277-11-755-272
Murgul Copper Mine Sulphuric Acid Sea Line 1956-1960	Provide commodities to convey sulphuric acid from three storage tanks to ships loading at Hopa.	277-12-210-273
Electric Power Planning 1956-1960	Two months' training in the U.S. for two key engineers of EIE in power management and organization procedures, methods used in selecting alternative electrical facilities, and in construction, operation, and maintenance of power facilities.	277-11-220-274
Irrigation & Drainage Engineer	Cancelled.	277-11-120-275
Industrial Allocation System	Experts to assist in the development and installation of a system of allocation of imported raw materials, supplies, and spare parts to Turkish industry. Begun: FY 1956; End: 1961 Total: \$53,000	277-15-290-276

<u>Title</u>	<u>Description and Purpose</u>	<u>Project Number</u>
Crop & Livestock Insurance 1956-1959	Four months' training in the U.S. for two employees of the Min. of Agric. in all phases of crop and livestock insurance. Total: \$4,000.	277-11-190-277
Rural Youth Leadership 1956-1958	Participation of four Ministry of Agric. employees in the AID-sponsored Rural Youth Leadership Training Course. Total: \$5,000	277-11-160-278
