Assessment of the Iraqi Economy: A Bibliography

Farnaz Amini, MA

KSC Research Series

ABSTRACT: This report provides a list of resources which examine the state of the Iraqi economy. In researching this topic the following sources were consulted: USAID Development Experience Clearinghouse (DEC), International Monetary Fund, The World Bank, World Economic Forum, World Economic Outlook, Congressional Research Service, Strategic Insights and the Brookings Institution.

The USAID Knowledge Services Center is operated by Bridgeborn, Inc. and Library Associates, and funded by M/CIO/KM and M/HR/TE under contract AID-OAA-C-08-00004. The contents of this document are the sole responsibility of the Knowledge Services Center and do not necessarily reflect the views of USAID or the United States Government.
