AIDAR NOTICE 93-2
Effective Date: 9/8/93

A brief summary of the changes being made to the AIDAR follows:

- 709.507-2 A new clause is being added which requires the contractor to notify the Contracting Officer in writing if after award it discovers either an actual or potential organizational conflict of interest (OCI) with respect to the contract. This clause is used if one of the FAR OCI solicitation clauses, FAR 52.209-7 or 52.209-8, is used. It differs from the FAR clauses in that it is specifically for OCI discovered during the performance of a contract.
- 726.301 The coverage on disadvantaged enterprises is amended to add a limitation on subcontracting under contracts for technical assistance services which are awarded using less than full and open competition under the authority of 706.302-71.
- 737.206 Thresholds for Executive approval for advisory and assistance (A&A) services has been amended to raise the thresholds. Based on experience with A&A services and considering the Agency's project approval process, AID has decided to increase the threshold for A&A Executive approval.

SUBPART 709.5 -- ORGANIZATIONAL CONFLICTS OF INTEREST

709.507-2 Contract clause.

(a)-(b) [Reserved]

(c) In order to avoid problems from organizational conflicts of interest that may be discovered after award of a contract, the clause found at 752.209-71 should be inserted in all contracts whenever the solicitation includes one of the FAR organizational conflict of interest solicitation clauses, FAR 52.209-7 or 52.209-8.

PART 726 -- OTHER SOCIOECONOMIC PROGRAMS

SUBPART 726.3 -- SUBCONTRACTING REQUIREMENT

726.301 Requirement for subcontracting with disadvantaged enterprises.

(a) In addition to the requirements in FAR Subpart 19.7, any new contract or modification which constitutes new procurement (except for a contract or modification with a disadvantaged enterprise as defined in 726.101) with respect to which more than \$500,000 is to be funded with amounts made available for development assistance or for assistance for famine recovery and development in Africa shall contain a provision requiring that not less than ten percent of the dollar value of the contract must be subcontracted to disadvantaged enterprises, including disadvantaged enterprises which are not small.

(b) This requirement does not apply when the contracting officer, with the concurrence of the Director of OSDDBU, certifies there is no realistic expectation of U.S. subcontracting opportunities and so documents the file. If the contracting officer and the Director of OSDDBU do not agree, the determination will be made by the head of the contracting activity. See 726.104 for guidance on other potential exceptions.

(c) The contracting officer shall insert the clause in 752.226-2 in any solicitation or contract as provided in paragraph (a) of this section, unless exempted in accordance with the provisions of paragraph (b) of this section.

726.302 Limitations on subcontracting

The contracting officer shall insert the clause at 752.226-3, Limitations on Subcontracting, in any solicitation and contract for technical assistance services which is to be awarded under the authority of 706.302-7.

PART 737 -- SERVICE CONTRACTING

SUBPART 737.2 -- ADVISORY AND ASSISTANCE SERVICES

737.206 Requesting Activity Responsibilities.

(a) - (b) [Reserved]

(c) AID's written approval procedures for advisory and assistance services are as follows:

(1) A signed justification and approval, as specified in paragraph (c)(2) of this section, must accompany each request for a contract for advisory and assistance services. If the Contracting Officer determines that a requested contract is for advisory and assistance services and the required justification and approval has not been prepared, the request will be returned to the cognizant project office together with a Memorandum stating that the requested contract has been determined to be for advisory and assistance services, that justification and approval is required, and that the request for contract services will be acted upon when it is returned accompanied by the required justification and approval.

(2) The justification and approval must be clearly identified as a justification for advisory and assistance services, and must provide the following information:

(i) Need and Utilization: State concisely the specific need for procuring the advisory and assistance service, including the objectives and the anticipated benefits for the Agency. State the estimated cost of the services, and evaluate the cost in terms of anticipated utilization of the work product.

(ii) Review of Prior Work: Briefly describe efforts made to ensure that the proposed advisory and assistance service does not, in the given circumstances, duplicate work conducted previously. Where appropriate, describe the results of an AID Data Bank search. (The AID Data Bank is located in the Directorate for Policy, Center for Development Information and Evaluation, Office of Development Information--POL/CDIE/DI).

(iii) In-House Capability: Describe the expertise needed for the service and state whether such expertise exists in AID. If it is found that the expertise does exist in AID, and is available for assignment to the work, state why AID personnel are not being assigned to the task.

(3) The justification must be approved by an officer one level above the organizational unit requesting the service but two levels above during the fourth quarter of the fiscal year. For Mission-awarded direct contracts, these guidelines regarding approval levels should be followed whenever possible; however, throughout the fiscal year, the approval officer need be no higher than the principal AID Office at the post. 270).

737.206(c)(2)(iii)

(4) In addition to the requirements in paragraphs (c)(1) through (3), approval by the AID Advisory and Assistance Executive (see 737.270) is required for:

(i) Contracts for A&A services which benefit the host country and are funded under a project agreement when the estimated value is \$15 million or more for the first year of the contract.

(ii) Contracts for A&A services which are not funded under a project agreement, regardless of the beneficiary, when the estimated value is \$1 million or more for the first year of the contract.

737.270 AID Advisory and Assistance Executive.

As required by OMB Circular A-120, the Administrator has designated the Associate Administrator for Finance and Administration as the AID Advisory and Assistance Executive, responsible for assuring that advisory and assistance acquisitions comply with the terms of OMB Circular A-120.

PART 752 -- SOLICITATION PROVISIONS AND CONTRACT CLAUSES

SUBPART 752.2 -- TEXTS OF PROVISIONS AND CLAUSES

752.209-71 Organizational conflicts of interest discovered after award.

As prescribed in 709.507-2, for use if one of the FAR organizational conflict of interest solicitation clauses, FAR 52.209-7 or 52.209-8, is used.

Organizational Conflicts of Interest Discovered After Award (June 1993)

(a) The Contractor agrees that, if after award it discovers either an actual or potential organizational conflict of interest with respect to this contract, it shall make an immediate and full disclosure in writing to the Contracting Officer which shall include a description of the action(s) which the Contractor has taken or proposes to take to avoid, eliminate or neutralize the conflict.

(b) The Contracting Officer shall provide the contractor with written instructions concerning the conflict. AID reserves the right to terminate the contract if such action is determined to be in the best interest of the Government.

(End of Clause)

AIDAR Notice 93-2
Effective: 9-8-93

752.226-3 Limitation on subcontracting.
As prescribed in 726.302, insert the following clause:

Limitations on Subcontracting
(June 1993)

By submission of an offer and execution of a contract, the Offeror/Contractor agrees that in performance of the contract, at least 51 percent of the cost of contract performance incurred for personnel shall be expended for employees of the contractor or employees of other disadvantaged enterprises eligible under the terms of 706.302-71. For the purposes of this clause, independent contractors hired by the contractor shall be considered employees of the contractor.

(End of Clause)

PART 752 -- SOLICITATION PROVISIONS AND CONTRACT CLAUSES

SUBPART 752.70 -- TEXTS OF AID CONTRACT CLAUSES

752.7029 Post Privileges.
For use in all AID contracts involving performance overseas.

POST PRIVILEGES (JULY 1993)

(a) Routine health room services may be available, subject to post policy, to U.S. citizen contractors and their authorized dependents (regardless of citizenship) at the post of duty. These services do not include hospitalization, or predeparture or end of tour medical examinations. The services normally include such medications as may be available, immunizations and preventive health measures, diagnostic examinations and advice, and home visits as medically indicated. Emergency medical treatment is provided to U.S. citizen employees and dependents, whether or not they may have been granted access to routine health room services, on the same basis as it would be to any U.S. citizen in an emergency medical situation in the country.

752.7033 Physical Fitness.
For use in all AID contracts involving performance overseas.

PHYSICAL FITNESS (JULY 1993)

(b) Assignments of 60 days or more in the Cooperating Country.

(1) The Contracting Officer shall provide the contractor with a reproducible copy of the "AID Contractor Employee Physical Examination Form". This form is an information collection; it has been reviewed and approved by OMB, and assigned Control No. 0412-0356. Information required by the Paperwork Reduction Act for reporting the burden estimate, the points of contact regarding burden estimate, and the OMB approval expiration date, are printed on the form. The contractor shall reproduce the form as required, and provide a copy to each employee and authorized dependent proposed for assignments of 60 days or more in the Cooperating Country. The contractor shall have the employee and all authorized dependents obtain a physical examination from a licensed physician, who will complete the form for each individual. The employee will deliver the physical examination form(s) to the embassy health unit in the Cooperating Country.

**APPENDIX D -- DIRECT AID CONTRACTS WITH A U.S. CITIZEN OR A U.S. RESIDENT
ALIEN FOR PERSONAL SERVICES ABROAD**

1. General

(a) Purpose. This appendix sets forth the authority, policy, and procedures under which AID contracts with a U.S. citizen or U.S. resident alien for personal services abroad.

(b) Definitions.

(1) "Personal services contract" (PSC) means a contract that, by its express terms or as administered, makes the contractor personnel appear, in effect, Government employees (see FAR 37.104).

(2) "Employer-employee relationship" means an employment relationship under a service contract with an individual which occurs when, as a result of (i) the contract's terms or (ii) the manner of its administration during performance, the contractor is subject to the relatively continuous supervision and control of a Government officer or employee.

(3) "Non-personal services contract" means a contract under which the personnel rendering the services are not subject either by the contract's terms or by the manner of its administration, to the supervision and control usually prevailing in relationships between the Government and its employees.

(4) "Independent contractor relationship" means a contract relationship in which the contractor is not subject to the supervision and control prevailing in relationships between the Government and its employees. Under this relationship, the Government does not normally supervise the performance of the work, control the days of the week or hours of the day in which it is to be performed, or the location of performance.

(5) "Resident Hire" means a U.S. citizen who, at the time of hire as a PSC, resides in the cooperating country (i) as a spouse or dependent of a U.S. citizen employed by a U.S. government agency or under any U.S. government-financed contract or agreement, or (ii) for reasons other than for employment with a U.S. government agency or under any U.S. government-financed contract or agreement. A U.S. citizen for purposes of this definition also includes persons who at the time of contracting are lawfully admitted permanent residents of the United States.

(6) "U.S. resident alien" means a non-U.S. citizen lawfully admitted for permanent residence in the United States.

(7) "Abroad" means outside the United States and its territories and possessions.

(8) "AID direct-hire employees" means civilian employees appointed under AID Handbook 25 procedures.

2. Legal Basis

(a) Section 635(b) of the Foreign Assistance Act of 1961, as amended (hereinafter referred to as the "FAA") provides the Agency's contracting authority.

(b) Section 636(a)(3) of the FAA (22 U.S.C. 2396 (a)(3)) authorizes the Agency to enter into personal services contracts with individuals for personal services abroad and provides further that such individuals "...shall not be regarded as employees of the U.S. Government for the purpose of any law administered by the Civil Service Commission." 1/

3. Applicability

(a) This appendix applies to all personal services contracts with U.S. citizens or U.S. resident aliens to provide assistance abroad under Section 636(a)(3) of the FAA.

(b) This appendix does not apply to:

(1) Nonpersonal services contracts with U.S. citizens or U.S. resident aliens; such contracts are covered by the basic text of the FAR and the AIDAR.

(2) Personal services contracts with individual Cooperating Country Nationals (CCNs) or Third Country Nationals (TCNs); such contracts are covered by Appendix J of this chapter.

(3) Other personal services arrangements covered by AID Handbook 25 -- Employment and Promotion.

(4) Interagency agreements (e.g., PASAs and RSSAs) covered by AID Handbook 12 -- Use of Federal Agencies.

4. Policy

(a) General. AID may finance, with either program or operating expense (OE) funds, the cost of personal service as part of the Agency's program of foreign assistance by entering into a direct contract with an individual U.S. citizen or U.S. resident alien for personal services abroad.

(1) Program funds. Under the authority of Section 635(h) of the FAA, program funds may be obligated for periods up to five years where necessary and appropriate to the accomplishment of the tasks involved.

(2) Operating Expense Funds. Pursuant to AID budget policy, OE funded salaries and other recurrent cost items may be forward funded for a period of up to three (3) months beyond the fiscal year in which these funds were obligated. Non-recurring cost items may be forward funded for periods not to exceed twenty-four (24) months where necessary and appropriate to accomplishment of the work.

(b) Limitations on Personal Services Contracts.

(1) Personal services contracts may only be used when adequate supervision is available.

(2) Personal services contracts may be used for commercial activities. Commercial activities provide a product or service which could be obtained from a commercial source. See Attachment A of OMB Circular A-76 for a representative list of such activities.

(3) Personal services contracts may be used for Governmental functions (defined by OMB Circular A-76 and OFPP Policy Letter 92-1 as functions so intimately related to the public interest as to mandate performance by Government employees) except:

(i) Entering into any agreement (e.g., loan, grant, contract) on behalf of the United States.

(ii) Making decisions involving governmental functions such as planning, budget, programming and personnel selection. Services will be limited to making recommendations with final decision-making authority reserved for authorized AID direct-hire employees.

1/ The Civil Service Commission is now the Federal Office of Personnel Management.

(iii) Supervision of AID direct-hire U.S. citizen employees.

(c) Withholdings and Fringe Benefits.

(1) Personal services contractors (PSCs) are Government employees for purposes of Title 26 of United States Code and are therefore subject to social security (FICA) and Federal income tax (FIT) withholdings. As employees, they are ineligible for the "foreign earned income" exclusion under the IRS regulations (see 26 CFR 1.911-3(c)(3)).

(2) Personal services contractors are treated on par with other Government employees, except for programs based on any law administered by the Federal Office of Personnel Management (e.g., incentive awards, life insurance, health insurance, and retirement programs covered by 5 CFR Parts 530, 531, 831, 870, 871, and 890). While PSCs are ineligible to participate in any of these programs, the following fringe benefits are provided as a matter of policy:

(i) The employer's FICA contribution for retirement purposes.

(ii) A contribution against the actual costs of the PSC's annual health and life insurance costs. Proof of health and life insurance coverage and its actual cost to the PSC shall be submitted to the Contracting Officer before any contribution is made. (See also paragraph 4(c)(3) of this Appendix.)

(A) The contribution for health insurance shall not exceed 50% of the actual cost to the PSC for his/her annual health insurance, or the maximum U.S. Government contribution for a direct-hire employee, as announced annually by the Office of Personnel Management, whichever is less. If the PSC is covered under a spouse's health insurance plan, where the spouse's employer pays some or all of the health insurance costs, the cost to the PSC for annual health insurance shall be considered to be zero.

(B) The contribution for life insurance shall be up to 50% of the actual annual costs to the PSC for life insurance, not to exceed \$500.00 per year.

(iii) PSCs shall receive the same percentage pay comparability adjustment as U.S. Government employees subject to the availability of Mission funds.

(iv) PSCs shall receive a 3% annual salary increase subject to satisfactory performance. Such increase may not exceed 3% without a deviation. This 3% limitation also applies to extensions of the same service or negotiations for a new contract for the same or similar services unless a deviation has been approved.

(v) PSCs shall receive the following allowances and differentials provided in the State Department's Standardized Regulations (Government Civilians Foreign Areas) on the same basis as U.S. Government employees (except for resident hires, see paragraph 4(d) and Section 11, General Provisions, Clause 22, "Resident Hire Personal Services Contractors"):

- (A) temporary lodging allowance (Section 120), 2/
- (B) living quarters allowance (Section 130), 2/
- (C) post allowance (Section 220), 2/
- (D) supplemental post allowance (Section 230), 2/
- (E) separate maintenance allowance (Section 260), 3/
- (F) education allowance (Section 270), 3/
- (G) educational travel (Section 280), 3/
- (H) post differential (Chapter 500),
- (I) payments during evacuation/authorized departure (Section 600),
- (J) danger pay (Section 650).

Any allowance or differential that is not expressly stated in this paragraph is not authorized for any PSC unless a deviation is approved.

(vi) Health room services may be provided in accordance with the clause of this contract entitled "Physical Fitness and Health Room Privileges."

(vii) PSCs are eligible to receive benefits for injury, disability, or death under the Federal Employees' Compensation Act since the law is administered by the Department of Labor, not the Office of Personnel Management.

(viii) PSCs are eligible to earn four hours of annual leave and four hours of sick leave for each two week period. However, PSCs with previous PSC service (not previous U.S. Government civilian or military service) earn either six hours of annual leave for each two week period if their previous PSC service exceeds 3 years, or eight hours of annual leave for each two week period if their previous PSC service exceeds 15 years.

(3) A PSC who is a spouse of a current or retired Civil Service, Foreign Service, or Military Service member and who is covered by their spouse's Government health or life insurance policy is ineligible for the contribution under paragraph 4(c)(2)(ii) of this appendix.

(4) Retired U.S. Government employees shall not be paid additional contributions for health or life insurance under their contract (since the Government will normally have already paid its contribution for the retiree) unless the employee can prove to the satisfaction of the Contracting Officer that his/her health and life insurance does not provide or specifically excludes coverage overseas. If coverage overseas is excluded, then eligibility as cited above applies.

2/ Mission Directors may authorize per diem in lieu of these allowances.

3/ These allowances are not authorized for short tours (i.e., less than a year).

(5) Retired U.S. Government employees may be awarded Personal Services Contracts without any reduction in or offset against their Government annuity.

(d) Resident Hire Personal Services Contractors.

Resident hire PSCs are not eligible for any fringe benefits (except contributions for FICA, health insurance, and life insurance), including differentials and allowances, unless such individuals can demonstrate to the satisfaction of the Contracting Officer that they have received similar benefits and allowances from their immediately previous employer in the cooperating country, or the Mission Director may determine that payment of such benefits would be consistent with the Mission's policy and practice and would be in the best interests of the U.S. Government.

(e) Salary Setting.

(1) Salaries for Personal Services Contractors shall be established based on the market value of the position being recruited for. This requires the Contracting Officer in coordination with the Project Officer to determine the correct market value (a salary range) of the position to be filled. The market value of the position then becomes the basis, along with the applicant's certified salary history on the SF 171, "Personal Qualifications Statement," for salary negotiations to be conducted by the Contracting Officer. The SF 171 must be retained in the permanent contract file. Salaries should be consistent with the FS/GS grade level equivalent that the position would normally warrant.

(2) If approved by the Mission Director or the cognizant Assistant Administrator, based on written justification, salary may be negotiated based on the applicant's current earnings adjusted in accordance with the factors set out in paragraphs (e)(2)(i) through (iii) below. Current earnings must be certified by the contractor on the SF 171, (see paragraph 6(b)(3) of this Appendix). This is guidance for establishing initial salaries not subsequent increases for the same contractor performing the same function.

(i) As a rule, up to a 3 percent increase above current earnings may be given. However, a 3 percent increase is awarded only to a PSC whose earnings are based on a period of twelve months or more; 2 percent for established earnings of less than twelve months but not less than four months; or 1 percent for established earnings during the past four months.

(ii) Additional percentages may be given for the following factors. If a PSC has worked in a developing country for more than two years, an additional 1 percent may be awarded. Education related to the area of specialization and above the minimum qualification required may warrant an additional 1 percent, and those specialties for which there is keen competition in the employment market or a serious shortage category nationwide may be awarded an additional 2 percent. In addition, related technical experience over 5 years may increase the percentage by 1 and over ten years by 3.

(iii) All requests for an initial rate of pay above 10 percent over current earnings must be approved in writing by the appropriate Regional Assistant Administrator or Mission Director. Current earnings are actual earnings for work reasonably related to the position for which the applicant is being considered.

(3) When an applicant has no current earnings history (e.g., a person returning to the workforce after an absence of a number of years) or when an applicant's current earnings history doesn't accurately reflect the applicant's job market worth (e.g., a Peace Corps volunteer), every effort should be made to establish a market value for the position as a basis for negotiation, notwithstanding the lack of a current earnings history, provided that the applicant has the full qualifications for the job and could command a similar salary in the open job market.

(4) Salaries in excess of the FS-1 level must also be approved by the appropriate Regional Assistant Administrator or Mission Director, as provided for in Appendix G of this chapter.

(f) Incentive Awards.

U.S. PSCs are not eligible to participate in any special awards programs.

(g) Annual Salary Increase.

PSC's contracts written for more than one year should provide for a 3% annual increase based on satisfactory performance.

(h) Pay Comparability Adjustment.

PSCs shall receive the same percentage pay comparability adjustment as that received by U.S. Government employees subject to the availability of Mission funds.

5. Soliciting for Personal Services Contracts.

(a) Project Officer's Responsibilities. The Project Officer will prepare a written detailed statement of duties and a statement of minimum qualifications to cover the position being recruited for. The statement shall be included in the procurement request (e.g., AID Form 1350-1, Project Implementation Order/Technical Services (PIO/T)); the request shall also include the following additional information as a minimum:

(1) The specific foreign location(s) where the work is to be performed, including any travel requirements (with an estimate of frequency);

(2) The length of the contract, with beginning and ending dates, plus any options for renewal or extension;

(3) The basic education, training, experience, and skills required for the position;

(4) An estimate of what a comparable GS/FS equivalent position should cost, including basic salary, allowances, and differentials, if appropriate;

(5) A list of Government or host country furnished items (e.g., housing); and

(6) If the PSC will be providing consulting services, include the justification required by AIDAR 737.270(b).

(b) Contracting Officer's Responsibilities.

(1) The Contracting Officer will prepare the solicitation for personal services which shall contain:

(i) Three sets of SF 171s and SF 171As. (Upon receipt, one copy of each SF 171 and SF 171A shall be forwarded to the Project Officer.)

(ii) A detailed statement of duties or a completed position description for the position being recruited for.

(iii) A copy of the prescribed contract Cover Page, Contract Schedule, General Provisions as appropriate, as well as the FAR Clauses to be incorporated in full text and by reference.

(iv) A copy of the AID General Notice entitled "Employee Review of the New Standards of Conduct".

(2) The Contracting Officer shall comply with the requirements of AIDAR 706.302-70(c) as detailed in paragraph 5(c) below.

(c) Competition.

(1) Under AIDAR 706.302-70(b)(1), Personal Services Contracts are exempt from the requirements for full and open competition with two limitations that must be observed by Contracting Officers:

(i) offers are to be requested from as many potential offerors as is practicable under the circumstances, and

(ii) a justification supporting less than full and open competition must be prepared in accordance with FAR 6.303.

(2) A class justification was approved by the AID Procurement Executive to satisfy the requirements of AIDAR 706.302-70(c)(2) for a justification in accordance with FAR 6.303. Use of this class justification for Personal Services Contracts with U.S. Citizens or U.S. Resident Aliens is subject to the following conditions:

(i) If recruited from the United States, the position was either publicized in a U.S. trade/professional/technical publication, the Commerce Business Daily or a newspaper or similar publication, or the procedure in paragraph (iii) below was followed.

(ii) If recruited locally, the position was publicized in the same way that the Mission announces direct hire U.S. citizen positions, or the procedure in paragraph (iii) below was followed.

(iii) As an alternative to the procedures in paragraphs (i) and (ii) above, at least 3 individuals were considered by consulting source lists (e.g., applications or resumes on hand) or conducting other informal solicitation.

(iv) Extensions or renewals with the same individual for continuing services do not need to be publicized.

(v) A copy of the class justification (which was distributed to all AID Contracting Officers via Contract Information Bulletin) must be included in the contract file, together with a written statement, signed by the Contracting Officer, that the contract is being awarded pursuant to AIDAR 706.302-70(b)(1); that the conditions for use of this class justification have been met; and that the cost of the contract is fair and reasonable.

(3) Since the award of a Personal Services Contract is based on technical qualifications, not price, and since the SF 171, "Personal Qualifications Statement", and SF 171A, "Continuation Sheet for Standard Form 171", are used to solicit for such contracts, FAR Subparts 15.4 and 15.5 and FAR Parts 52 and 53 are inappropriate and shall not be used. Instead, the solicitation and selection procedures outlined in this Appendix shall govern.

(4) If the appropriate competitive procedure in paragraph (2) above is not followed, the Contracting Officer must prepare a separate justification as required under AIDAR 706.302-70(c)(2).

6. Negotiating a Personal Services Contract.

Negotiating a Personal Services Contract is significantly different from negotiating a nonpersonal services contract because it establishes an employer-employee relationship; therefore, the selection procedures are more akin to the personnel selection procedures.

(a) Project Officer's Responsibilities. The Project Officer shall be responsible for reviewing and evaluating the applications (i.e., SF 171s) received in response to the solicitation issued by the Contracting Officer. If deemed appropriate, interviews may be conducted with the applicants before the final selection is submitted to the Contracting Officer.

(b) Contracting Officer's Responsibilities.

(1) The Contracting Officer shall forward a copy of each SF 171 received under the solicitation to the Project Officer for evaluation.

(2) On receipt of the Project Officer's recommendation, the Contracting Officer shall conduct negotiations with the recommended applicant. Normally, the Contracting Officer shall negotiate only the salary (see the salary setting coverage in paragraph 4(e) of this Appendix). The terms and conditions of the contract, including differentials and allowances, are not negotiable or waivable without a properly approved deviation (see AIDAR 701.470). If the Contracting Officer can negotiate a salary that is fair and reasonable, then the award shall be made.

(3) The Contracting Officer shall use the certified salary history on the SF 171 as the basis for salary negotiations, along with the market value of the position being recruited for, and the Project Officer's cost estimate.

(4) The Contracting Officer will obtain two copies of IRS Form W-4, "Employee's Withholding Allowance Certificate" from the successful applicant. (Upon receipt, the Contracting Officer will forward one copy of the W-4 to the office of the Controller.)

(5) Security clearance is required for all U.S. citizens entering into AID PSCs. The Contracting Officer will obtain four sets of SF 86, "Security Investigation Data for Sensitive Position", from the successful applicant and forward them to the Office of Security. PSCs may receive a preliminary clearance and be placed under contract prior to receipt of clearance provided the appropriate paper work has been completed, reviewed by IG/SEC/PSI and acknowledged as a "no objection" to the appropriate Mission. See General Provision 24.

7. Executing a Personal Services Contract.

Contracting activities, whether AID/W or Mission, may execute Personal Services Contracts, provided that the amount of the contract does not exceed the contracting authority that has been redelegated to them under Delegation of Authority No. 1103 "To the Assistant to the Administrator for Management,

Concerning Acquisition Functions" (50 FR 23842), as amended (see AIDAR 702.170-10).

In executing a Personal Service Contract, the Contracting Officer is responsible for insuring that:

(a) The proposed contract is within his/her delegated authority;
(b) A PIO/T covering the proposed contract has been received;
(c) The proposed scope of work is contractible, contains a statement of minimum qualifications from the technical office requesting the services, and is suitable to the use of a Personal Services Contract in that:

(1) Performance of the proposed work requires or is best suited for an employer-employee relationship, and is thus not suited to the use of a non-personal services contract;

(2) The scope of work does not require performance of any function normally reserved for Federal employees (see paragraph 4(b) of this Appendix); and

(3) There is no apparent conflict of interest involved (if the Contracting Officer believes that a conflict of interest may exist, the question should be referred to the cognizant legal counsel).

(d) Selection of the contractor is documented and justified. AIDAR 706.302-70(b)(1) provides an exception to the requirement for full and open competition for Personal Services Contracts abroad (see paragraph 5(c) of this Appendix);

(e) The standard contract format prescribed for Personal Services Contracts (Sections 10, 11 and 12 to AIDAR Appendix D) is used; or that any necessary deviations are processed as required by AIDAR 701.470. (Note: The prescribed contract format is designed for use with contractors who are residing in the U.S. when hired. If the contract is with a U.S. citizen residing in the cooperating country when hired, contract provisions governing physical fitness and travel/transportation expenses, and home leave, allowances, and orientation should be suitably modified (see paragraph 4(d) of this Appendix). These modifications are not considered deviations subject to AIDAR 701.470. Justification and explanation of these modifications is to be included in the contract file);

(f) Orientation is arranged in accordance with General Provision 23;

(g) The contractor has submitted the names, addresses, and telephone numbers of at least two persons who may be notified in the event of an emergency (this information is to be retained in the contract file);

(h) The contract is complete and correct and all information required on the contract Cover Page (AID Form 1420-36A) has been entered;

(i) The contract has been signed by the Contracting Office and the contractor, and fully executed copies are properly distributed;

(j) The following clearances, approvals and forms have been obtained, properly completed, and placed in the contract file before the contract is signed by both parties:

(1) Security clearance, including the completed SF 87, to the extent required by AID Handbook 6, Security; (see General Provisions 14 and 24 in Section 11 of this Appendix).

(2) Mission, host country, and project office clearance, as appropriate;

(3) Medical examinations and certifications as required by the contract general provision entitled "Physical Fitness and Health Room Privileges";

(4) One original executed IRS Form W-4 entitled "Employee's Withholding Allowance Certificate" and one copy shall be obtained. The original shall be sent to the Controller of the paying office and one shall be placed in the contract file;

(5) The approval for any salary in excess of FS-1, in accordance with Appendix G of this chapter;

(6) A copy of the class justification or other appropriate explanation and support required by AIDAR 706.302-70, if applicable;

(7) Any deviation to the policy or procedures of this appendix, processed and approved under AIDAR 701.470;

(8) A fully executed SF 171;

(9) The Memorandum of Negotiation; and

(10) The Contracting Officer's signed certification that competition requirements have been met or satisfied as described in paragraph 5(c) of the policy text of Appendix D. The certification shall be a part of the Memorandum of Negotiations.

(k) Funds for the contract are properly obligated to preclude violation of the Anti-Deficiency Act, 31 U.S.C. 1341 (the Contracting Officer ensures that the contract has been properly recorded by the appropriate accounting office prior to its release for the signature of the selected contractor);

(l) The contractor receives and understands the AID General Notice entitled "Employee Review of the New Standards of Conduct" and a copy is attached to each contract as provided for in paragraph (c) of General Provision 2, Section 11";

(m) Agency conflict of interest requirements as set out in the General Notice "Employee Review of the New Standards of Conduct" are met by the contractor prior to his/her reporting for duty;

(n) A copy of a Checklist for Personal Services contractors which may be in the format set out above or another format convenient for the Contracting Officer, provided that a memorandum containing all of the information described in this paragraph 7 shall be prepared for each PSC and placed in the contract file;

(o) The block entitled, "Project No." on the Cover Page of the contract format is completed by inserting the four-segment project number as prescribed in AID Handbook 18, Information Services;

(p) The contractor understands that he/she is an employee of the United States for purposes of the Foreign Assistance Act of 1961, as amended, and Title 26 United States Code. This subjects the employee to withholding for both FICA and Federal Income Tax and precludes the employee from receiving the Federal Earned Income Tax exclusion of 26 U.S.C. Section 911. See Special Note on the Cover Page.

(q) The contractor also understands that he/she may commence work prior to the completion of the security clearance. However, until such time as clearance is received, the contractor may not have access to classified or administratively controlled materials. Failure to obtain clearances will constitute cause for termination.

8. Post Audit.

The Inspector General, or his/her designee, audits the Personal Services Contracts of all contracting activities for the purpose of ensuring conformance to applicable policy and regulations.

9. Contracting Format.

The prescribed Contract Cover Page, Contract Schedule, and General Provisions for Personal Services Contracts covered by this appendix are included as follows:

10. Form AID 1420-36, "Cover Page" and "Schedule".

Information required by the Paperwork Reduction Act (burden estimate, points of contract, and OMB approval expiration date) is printed on the form. The contractor and all authorized dependents shall obtain a physical examination from a licensed physician, who will complete the form for each individual. The contractor will deliver the physical examination form(s) to the embassy health unit in the Cooperating Country. A copy of the

These services do not include hospitalization, or predeparture or end of tour medical examinations. The services normally include such medications as may be available, immunizations and preventive health measures, diagnostic examinations and advice, and home visits as medically indicated. Emergency medical treatment is provided to U.S. citizen contractor employees and dependents, whether or not they may have been granted access to routine health room services, on the same basis as it would be to any U.S. citizen in an emergency medical situation in the country.

4. WORKWEEK AND COMPENSATION (PAY COMPARABILITY ADJUSTMENTS) (DEC 1985)

(a) Workweek.

The contractor's workweek shall not be less than 40 hours, unless otherwise provided in the Contract Schedule, and shall coincide with the workweek for those employees of the Mission or the Cooperating Country agency most closely associated with the work of this contract. If the contract is for less than full time (40 hours weekly), the annual and sick leave earned shall be prorated (see the General Provision of this contract entitled Leave and Holidays).

(b) Compensation (Pay Comparability) Adjustments.

The contractor's compensation shall be adjusted to reflect the pay comparability adjustments which are granted from time to time to U.S. direct-hire employees by Executive Order for the statutory pay systems. Any adjustments authorized are subject to the availability of Mission funds and shall not exceed that percentage stated in the Executive Order granting the adjustment. Further, the adjusted compensation may not exceed the maximum FS-1 annual compensation (or the equivalent daily rate).

5. LEAVE AND HOLIDAYS (JULY 1993)

(a) Vacation Leave.

(1) The contractor shall earn vacation leave at the rate of 13 workdays per annum or 4 hours every 2 weeks. However, no vacation shall be earned if the tour of duty is less than 90 days.

(2) Notwithstanding paragraph (a)(1) above, if the contractor has had previous PSC service (i.e., has served under other personal services contracts (PSCs) covered by Sec. 636(a)(3) of the FAA), he/she shall earn vacation leave at the rate of either 6 hours every two weeks for cumulative PSC service exceeding 3 years, or 8 hours every two weeks for cumulative PSC service exceeding 15 years. Former Civil Service, Foreign Service, or a Military Service experience is not creditable towards PSC service for annual leave purposes.

(3) It is understood that vacation leave is provided under this contract primarily for the purposes of affording necessary rest and recreation during the tour of duty in the Cooperating Country. The contractor in consultation with the AID Mission shall develop a vacation leave schedule early in his/her tour of duty taking into consideration project requirements, employee preference and other factors. All vacation leave earned by the contractor must be used during his/her tour of duty. All vacation leave earned by the contractor but not taken by the end of his/her tour of duty will be forfeited unless the requirements of the project precluded the employee from taking such leave and the Contracting Officer, with the endorsement of the Mission, approves one of the following as an alternative:

(i) Taking, during the concluding weeks of the employee's tour, leave not permitted under (a)(3) of this clause, or

(ii) Lump-sum payment for leave not taken provided such leave does not exceed the number of days which can be earned by the employee during a twelve month period.

(4) With the approval of the Mission Director, and if the circumstances warrant, a contractor may be granted advance vacation leave in excess of that earned, but in no case shall a contractor be granted advance vacation leave in excess of that which he/she will earn over the life of the contract. The contractor agrees to reimburse AID for leave used in excess of the amount earned during the contractor's assignment under the contract.

(b) Sick Leave.

Sick leave is earned at a rate not to exceed 13 work-days per annum or 4 hours every 2 weeks. Unused sick leave may be carried over under an extension of this contract but the contractor will not be compensated for unused sick leave at the completion of this contract.

(c) Home Leave.

(1) Home leave is leave earned for service abroad for use only in the United States, in the Commonwealth of Puerto Rico, or in the possessions of the United States.

(2) A contractor who is a U.S. citizen or U.S. resident alien and has served at least 2 years overseas, as defined in paragraph (c)(4) below, under this contract, and has not taken more than 30 workdays leave (vacation, sick, or leave without pay) in the United States, may be granted home leave of not more than 15 work days for each such year of service overseas; provided, that the contractor agrees to return overseas upon completion of home leave under an

additional 2 year appointment, or for such shorter period of not less than 1 year of overseas service under the contract as the Mission Director may approve in advance. Home leave must be taken in the United States, the Commonwealth of Puerto Rico, or the possessions of the United States, and any days spent elsewhere will be charged to vacation leave or leave without pay.

(3) Notwithstanding the requirement in paragraph (c)(2) above, that the contractor must have served 2 years overseas under this contract to be eligible for home leave, the contractor may be granted advance home leave subject to all of the following conditions:

(i) Granting of advance home leave would in each case serve to advance the attainment of the objectives of this contract;

(ii) The contractor shall have served a minimum of 18 months in the Cooperating Country on his/her current tour of duty under this contract; and

(iii) The contractor shall have agreed to return to the Cooperating Country to serve out the remainder of his/her current tour of duty and an additional 2 year appointment under this contract, or such other additional appointment of not less than 1 year of overseas service as the Mission Director may approve.

(4) The period of service overseas required under paragraph (c)(2), or paragraph (c)(3) above, shall include the actual days in orientation in the United States (less language training) and the actual days overseas beginning on the date of departure from the U.S. port of embarkation on international travel and continuing, inclusive of authorized delays enroute, to the date of arrival at the U.S. port of debarkation from international travel. Allowable vacation and sick leave taken while overseas, but not leave without pay, shall be included in the required period of service overseas. An amount equal to the number of days of vacation and sick leave taken in the United States, the Commonwealth of Puerto Rico, or the possessions of the United States will be added to the required period of service overseas.

(5) Salary during travel to and from the United States for home leave will be limited to the time required for travel by the most expeditious air route. The contractor will be responsible for reimbursing AID for payments made during home leave if, in spite of the undertaking of the new appointment, the contractor, except for reasons beyond his/her control as determined by the Contracting Officer, does not return overseas and complete the additional required service. Unused home leave is not reimbursable under this contract.

(6) To the extent deemed necessary by the Contracting Officer, a contractor in the United States on home leave may be authorized to spend not more than 5 days in work status for consultation at AID/Washington before returning to post of duty. Consultation at locations other than AID/Washington as well as any time in excess of 5 days spent for consultation, must be approved by the Mission Director or the Contracting Officer.

(d) Holidays.

The contractor, while serving abroad, shall be entitled to all holidays granted by the Mission to U.S.-citizen direct-hire employees.

(e) Military Leave.

Military leave of not more than 15 calendar days in any calendar year may be granted to a contractor who is a reservist of the Armed Forces, provided that military leave has been approved in advance by the Contracting Officer or

the Mission Director. A copy of any such approval shall be provided to the Contracting Officer.

(f) Leave Without Pay.

Leave without pay may be granted only with the written approval of the Contracting Officer or Mission Director.

(g) Leave Records.

The contractor shall maintain current leave records for himself/herself and make them available, as requested by the Mission Director or the Contracting Officer.

6. DIFFERENTIAL AND ALLOWANCES (JUNE 1990)

(a) The following differential and allowances will be granted to the contractor and his/her authorized dependents to the same extent and on the same basis as they are granted to U.S. citizen direct-hire employees at the Mission by the Standardized Regulations (Government Civilians, Foreign Areas), as from time to time amended, except as noted to the contrary below:

	<u>Applicable Reference to Standardized Regulations</u>
(1) Post Differential	Chapter 500 and Tables in Chapter 900
(2) Living Quarters Allowance	Section 130
(3) Temporary Lodging Allowance	Section 120
(4) Post Allowance	Section 220
(5) Supplemental Post Allowance	Section 230
(6) Payments During Evacuation	Section 600
(7) Educational Allowance	Section 270
(8) Separate Maintenance Allowance	Section 260
(9) Danger Pay Allowance	Section 650
(10) Educational Travel	Section 280

(1) Post Differential

Post differential is an additional compensation for service at places in foreign areas where conditions of environment differ substantially from conditions of environment in the continental United States and warrant additional compensation as a recruitment and retention incentive. In areas where post differential is paid to AID direct-hire employees, post differential not to exceed the percentage of salary as is provided such AID employees in accordance with the Standardized Regulations (Government Civilians, Foreign Areas) Chapter 500 (except the limitation contained in Section 552, "Ceiling on Payment") Tables-Chapter 900, as from time to time amended, will be reimbursable hereunder for employees in respect to amounts earned during the time such employees actually spend overseas on work under this contract. When such post differential is provided to the contractor, it shall be payable beginning on the date of arrival at the post of assignment and continue, including periods away from post on official business, until the close of business on the day of departure from post of assignment enroute to the United States. Sick or vacation leave taken at or away from the post of assignment will not interrupt the continuity of the

assignment or require a discontinuance of such post differential payments, provided such leave is not taken within the United States or the territories of the United States. Post differential will not be payable while the employee is away from his/her post of assignment for purposes of home leave. Short-term employees shall be entitled to post differential beginning with the forty-third (43rd) day at post.

(2) Living Quarters Allowance

Living quarters allowance is an allowance granted to reimburse an employee for substantially all of his/her cost for either temporary or residence quarters whenever Government-owned or Government-rented quarters are not provided to him/her at his/her post without charge. Such costs are those incurred for temporary lodging (temporary lodging allowance) or one unit of residence quarters (living quarters allowance) and include rent, plus any costs not included therein for heat, light, fuel, gas, electricity and water. The temporary lodging allowance and the living quarters allowance are never both payable to an employee for the same period of time. The contractor will receive living quarters allowance for payment of rent and utilities if such facilities are not supplied. Such allowance shall not exceed the amount paid AID employees of equivalent rank in the Cooperating Country, in accordance with either the Standardized Regulations (Government Civilians, Foreign Areas), Chapter 130, as from time to time amended, or other rates approved by the Mission Director. Subject to the written approval of the Mission Director, short-term employees may be paid per diem (in lieu of living quarters allowance) at rates prescribed by the Federal Travel Regulations, as from time to time amended, during the time such short-term employees spend at posts of duty in the Cooperating Country under this contract. In authorizing such per diem rates, the Mission Director shall consider the particular circumstances involved with respect to each such short-term employee including the extent to which meals and/or lodging may be made available without charge or at nominal cost by an agency of the United States Government or of the Cooperating Government, and similar factors.

(3) Temporary Lodging Allowance

Temporary lodging allowance is a quarters allowance granted to an employee for the reasonable cost of temporary quarters incurred by the employee and his/her family for a period not in excess of (i) three months after first arrival at a new post in a foreign area or a period ending with the occupation of residence (permanent) quarters, if earlier, and (ii) one month immediately preceding final departure from the post subsequent to the necessary vacating of residence quarters. The contractor will receive temporary lodging allowance for himself/herself and authorized dependents, in lieu of living quarters allowance, not to exceed the amount set forth in the Standardized Regulations (Government Civilians, Foreign Areas), Chapter 120, as from time to time amended.

(4) Post Allowance

Post allowance is a cost-of-living allowance granted to an employee officially stationed at a post where the cost of living, exclusive of quarters cost, is substantially higher than in Washington, D.C. The contractor will receive post allowance payments not to exceed those paid AID employees in the Cooperating Country, in accordance with the Standardized Regulations (Government Civilians, Foreign Areas), Chapter 220, as from time to time amended.

(5) Supplemental Post Allowance

Supplemental post allowance is a form of post allowance granted to an employee at his/her post when it is determined that assistance is necessary to defray extraordinary subsistence costs. The contractor will receive supplemental post allowance payments not to exceed the amount set forth in the Standardized Regulations (Government Civilians, Foreign Areas), Chapter 230, as from time to time amended.

(6) Payments During Evacuation

The Standardized Regulations (Government Civilians, Foreign Areas) provide the authority for efficient, orderly, and equitable procedure for the payment of compensation, post differential and allowances in the event of an emergency evacuation of employees or their dependents, or both, from duty stations for military or other reasons or because of imminent danger to their lives. If evacuation has been authorized by the Mission Director, the contractor will receive payments during evacuation for himself/herself and authorized dependents evacuated from their post of assignment in accordance with the Standardized Regulations (Government Civilians, Foreign Areas), Chapter 600, and the Federal Travel Regulations, as from time to time amended.

(7) Educational Allowance

Educational allowance is an allowance to assist the contractor in meeting the extraordinary and necessary expenses, not otherwise compensated for, incurred by reason of his/her service in a foreign area in providing adequate elementary and secondary education for his/her children. The contractor will receive educational allowances payments for his/her dependent children in amounts not to exceed those set forth in Standardized Regulations (Government Civilians, Foreign Areas), Chapter 270, as from time to time amended.

(8) Separate Maintenance Allowance

Separate maintenance allowance is an allowance to assist an employee who is compelled by reason of dangerous, notably unhealthful, or excessively adverse living conditions at his/her post of assignment in a foreign area, or for the convenience of the Government, to meet the additional expense of maintaining his/her dependents elsewhere than at such post. The contractor will receive separate maintenance allowance payments not to exceed that made to AID employees in accordance with the Standardized Regulations (Government Civilians, Foreign Areas), Chapter 260, as from time to time amended.

(9) Danger Pay Allowance

Danger pay allowance is an allowance to provide additional compensation above basic compensation to employees in foreign areas where civil insurrection, civil war, terrorism or wartime conditions threaten physical harm or imminent danger to the health or well-being of the employee. The danger pay allowance is in lieu of that part of the post differential which is attributable to political violence. Consequently, the post differential may be reduced while danger pay is in effect to avoid dual crediting for political violence. The contractor shall be allowed danger pay allowance not to exceed that paid AID employees in the Cooperating Country, in accordance with the Standardized Regulations (Government Civilians, Foreign Areas), Chapter 650, as from time to time amended.

(10) Educational Travel

Educational travel is travel to and from a school in the United States for secondary education (in lieu of an educational allowance) and for college education. The contractor will receive educational travel payments for his/her dependent children provided such payment does not exceed that which would be payable in accordance with the Standardized Regulations (Government Civilians, Foreign Areas), Chapter 280, as from time to time amended. Educational travel shall not be authorized for contractors whose assignment is less than two years.

The allowances provided in paragraphs 1 through 10 of this provision shall be paid to the contractor in dollars or in the currency of the Cooperating Country in accordance with practice prevailing at the Mission, or the Mission Director may direct that the contractor be paid a per diem in lieu thereof as prescribed by the Standardized Regulations (Government Civilians, Foreign Areas), as from time to time amended.

7. SOCIAL SECURITY, FEDERAL INCOME TAX, AND FOREIGN EARNED INCOME (JUNE 1990)

(a) Since the contractor is an employee, F.I.C.A. contributions and U.S. Federal Income Tax withholding shall be deducted in accordance with regulations and rulings of the Social Security Administration and the U.S. Internal Revenue Service, respectively.

(b) As an employee, the contractor is not eligible for the "foreign earned income" exclusion under the IRS Regulations (see 26 CFR 1.911-3(c)(3)).

8. ADVANCE OF DOLLAR FUNDS (DEC 1985)

If requested by the contractor and authorized in writing by the Contracting Officer, AID will arrange for an advance of funds to defray the initial cost of travel, travel allowances, authorized precontract expenses, and shipment of personal property. The advance shall be granted on the same basis as to an AID U.S.-citizen direct-hire employee in accordance with AID Handbook 22, Chapter 4.

9. INSURANCE (JUNE 1990)

(a) Worker's Compensation Benefits.

The contractor shall be provided worker's compensation benefits in accordance with the Federal Employees' Compensation Act.

(b) Health and Life Insurance.

(1) The contractor shall be provided a maximum contribution of up to 50% against the actual costs of the contractor's annual health insurance costs, provided that such costs may not exceed the maximum U.S. Government contribution for direct-hire personnel as announced annually by the Office of Personnel Management.

(2) The contractor shall be provided a contribution of up to 50% against the actual costs of annual life insurance not to exceed \$500.00 per year.

(3) Retired U.S. Government employees shall not be paid additional contributions for health or life insurance under their contracts. The Government will normally have already paid its contribution for the retiree unless the employee can prove to the satisfaction of the Contracting Officer that his/her

health and life insurance does not provide or specifically excludes coverage overseas. If excluded coverage overseas were the case, then eligibility as cited above would be applicable.

(4) Proof of health and life insurance coverage shall be submitted to the Contracting Officer before any contribution is paid. On assignments of less than one year, costs for health and life insurance shall be prorated and paid accordingly.

(5) A contractor who is a spouse of a current or retired Civil Service, Foreign Service, or Military Service member and who is covered by their spouse's Government health or life insurance policy is ineligible for the contribution under paragraphs (a)(1) or (a)(2) of this provision.

(c) Insurance on Private Automobiles.

If the contractor or his/her dependents transport, or cause to be transported, privately owned automobile(s) to the Cooperating Country, or any of them purchase an automobile within the Cooperating Country, the contractor agrees to ensure that all such automobile(s) during such ownership within the Cooperating Country will be covered by a paid-up insurance policy issued by a reliable company providing the following minimum coverages, or such other minimum coverages as may be set by the Mission Director, payable in U.S. dollars or its equivalent in the currency of the Cooperating Country: injury to persons, \$10,000/\$20,000; property damage, \$5,000. The contractor further agrees to deliver, or cause to be delivered to the Mission Director, the insurance policies required by this clause or satisfactory proof of the existence thereof, before such automobile(s) is operated within the Cooperating Country. The premium costs for such insurance shall not be a reimbursable cost under this contract.

10. TRAVEL AND TRANSPORTATION EXPENSES (JULY 1993)

(a) General

(1) AID/Washington Office of Administrative Services, or such other office as may be designated by that office, may furnish Transportation Requests (TR's) to the contractor for transportation authorized by this contract originating in the United States, and the executive or administrative officer at the Mission may furnish TR's for such authorized transportation which is payable in local currency or is to originate overseas. When transportation is not provided by the Government-issued TR, the contractor shall procure his/her own transportation, the costs of which will be reimbursed in accordance with the terms of this contract.

(2) The contractor will be reimbursed for reasonable, allocable and allowable travel and transportation expenses incurred under and for the performance of this contract. Determination of reasonableness, allocability and allowability will be made by the Contracting Officer in accordance with AID's established policies and procedures for AID direct-hire employees, and the particular needs of the project being implemented by this contract. The following paragraphs provide specific guidance and limitations on particular items of cost.

(b) U.S. Travel and Transportation.

The contractor shall be reimbursed for actual transportation costs and travel allowances in the United States as authorized in the Contract Schedule or approved in advance by the Contracting Officer or the Mission Director. Transportation costs and travel allowances shall not be reimbursed in any amount greater than the cost of, and time required for, economy-class commercially scheduled air travel by the most expeditious route except as otherwise provided in paragraph (g) of this provision unless economy air travel is not available and the contractor certifies to this in his/her voucher or other documents submitted for reimbursement.

(c) International Travel. For travel to and from post of assignment, the contractor shall be reimbursed for travel costs and travel allowances from place of residence in the United States (or other location provided that the cost of such travel does not exceed the cost of the travel from the contractor's residence in the United States) to the post of duty in the Cooperating Country and return to place of residence in the United States (or other location provided that the cost of such travel does not exceed the cost of travel from the post of duty in the Cooperating Country to the contractor's residence) upon completion of services by the individual. Reimbursement for travel will be in accordance with AID's established policies and procedures for its direct-hire employees and the provisions of this contract, and will be limited to the cost of travel by the most direct and expeditious route. If the contract is for longer than one year and the contractor does not complete one full year at post of duty (except for reasons beyond his/her control), the costs of going to and from the post of duty for the contractor and his/her dependents are not reimbursable hereunder. If the contractor serves more than one year but less than the required service in the Cooperating Country (except for reasons beyond his/her control) the costs of going to the post of duty are reimbursable hereunder but the costs of going from post of duty to the contractor's permanent, legal place of residence at the time he or she was employed for work under this contract, or other location as approved by the Contracting Officer, are not reimbursable under this contract for the contractor and his/her dependents. When travel is by economy class accommodations, the contractor will be reimbursed for the cost of transporting up to 10 kilograms/22 pounds of accompanied personal baggage per traveler in addition to that regularly allowed with the economy ticket provided that the total number of pounds of baggage does not exceed that regularly allowed for first class travelers. Travel allowances for travelers shall not be in excess of the rates authorized in the Standardized Regulations (Government Civilians, Foreign Areas)-hereinafter referred to as the Standardized Regulations - as from time to time amended, for not more than the travel time required by scheduled commercial air carrier using the most expeditious route. One stopover enroute for a period of not to exceed 24 hours is allowable when the traveler uses economy class accommodations for a trip of 14 hours or more of scheduled duration. Such stopover shall not be authorized when travel is by indirect route or is delayed for the convenience of the traveler. Per diem during such stopover shall be paid in accordance with the Federal Travel Regulations as from time to time amended.

(d) Local Travel. Reimbursement for local travel in connection with duties directly referable to the contract shall not be in excess of the rates established by the Mission Director for the travel costs of travelers in the Cooperating Country. In the absence of such established rates the contractor shall be reimbursed for actual travel costs in the Cooperating Government or the Mission, including travel allowances at rates not in excess of those prescribed by the Standardized Regulations.

(e) Indirect Travel for Personal Convenience. When travel is performed by an indirect route for the personal convenience of the traveler, the allowable costs of such travel will be computed on the basis of the cost of allowable air fare via the direct usually traveled route. If such costs include fares for air or ocean travel by foreign flag carriers, approval for indirect travel by such foreign flag carriers must be obtained from the Contracting Officer or the Mission Director before such travel is undertaken, otherwise only that portion of travel accomplished by the United States-flag carriers will be reimbursable within the above limitation of allowable costs.

(f) Limitation on Travel by Dependents. Travel costs and allowances will be allowed for authorized dependents of the contractor and such costs shall be reimbursed for travel from place of abode to assigned station in the Cooperating Country and return, only if the dependent remains in the Cooperating Country for at least 9 months or one-half of the required tour of duty of the contractor, whichever is greater, except as otherwise authorized hereunder for education, medical or emergency visitation travel. If the dependent is eligible for educational travel pursuant to the "Differential and Allowances" clause of this contract, time spent away from post resulting from educational travel will be counted as time at post.

(g) Delays Enroute. The contractor may be granted reasonable delays enroute while in travel status when such delays are caused by events beyond the control of the contractor and are not due to circuitous routing. It is understood that if delay is caused by physical incapacitation, he/she shall be eligible for such sick leave as provided under the "Leave and Holidays" clause of this contract.

(h) Travel by Privately Owned Automobile (POV). If travel by POV is authorized in the contract schedule or approved by the Contracting Officer, the contractor shall be reimbursed for the cost of travel performed in his/her POV at a rate not to exceed that authorized in the Federal Travel Regulations plus authorized per diem for the employee and for each of the authorized dependents traveling in the POV, if the POV is being driven to or from the Cooperating Country as authorized under the contract, provided that the total cost of the mileage and the per diem paid to all authorized travelers shall not exceed the total constructive cost of fare and normal per diem by all authorized travelers by surface common carrier or authorized air fare, whichever is less.

(i) Emergency and Irregular Travel and Transportation.
Emergency transportation costs and travel allowances while enroute, as provided in this section, will be reimbursed not to exceed amounts authorized by the Foreign Service Travel Regulations for AID-direct hire employees in like circumstances under the following conditions:

(1) The costs of going from post of duty in the Cooperating Country to the employee's permanent, legal place of residence at the time he or she was employed for work under this contract or other location for contractor employees

and dependents and returning to the post of duty, subject to the prior written approval of the Mission Director that such travel is necessary for one of the following reasons.

(i) Need for medical care beyond that available within the area to which the employee is assigned, or serious effect on physical or mental health if residence is continued at assigned post of duty. The Mission Director may authorize a medical attendant to accompany the employee at contract expense if, based on medical opinion, such an attendant is necessary.

(ii) Death, or serious illness or injury of a member of the immediate family of the employee or the immediate family of the employee's spouse.

(2) When, for any reason, the Mission Director determines it is necessary to evacuate the contractor or contractor dependents, the contractor will be reimbursed for travel and transportation expenses and travel allowance while enroute, for the cost of the individuals going from post of duty in the Cooperating Country to the employee's permanent, legal place of residence at the time he or she was employed for work under this contract or other approved location. The return of such employees and dependents may also be authorized by the Mission Director when, in his/her discretion, he/she determines it is prudent to do so.

(3) The Mission Director may also authorize emergency or irregular travel and transportation in other situations, when in his/her opinion, the circumstances warrant such action. The authorization shall include the kind of leave to be used and appropriate restrictions as to time away from post, transportation of personal and household effects, etc.

(j) Home Leave Travel. To the extent that home leave has been authorized as provided in the "Leave and Holidays" clause of this contract, the cost of travel for home leave is reimbursable for travel costs and travel allowances of travelers from the post of duty in the Cooperating Country to place of residence in the United States (or other location provided that the cost of such travel does not exceed the cost of travel to the contractor's residence in the United States) and return to the post of duty in the Cooperating Country. Reimbursement for travel will be in accordance with the Uniform State/AID/USIA Foreign Service Travel Regulations, as from time to time amended, and will be limited to the cost of travel by the most direct and expeditious route. Travel allowances for travelers shall be accordance with the rates authorized in the Standardized Regulations as from time to time amended, for not more than the travel time required by scheduled commercial air carrier using the most expeditious route. One stopover enroute for a period of not to exceed 24 hours is allowable when the traveler uses economy class accommodations for a trip of 14 hours or more of scheduled duration. Such stopover shall not be authorized when travel is by indirect route or is delayed for the convenience of the traveler. Per diem during such stopover shall be paid in accordance with the Standardized Regulations.

(k) Rest and Recuperation Travel. If approved in writing by the Mission Director, the contractor and his/her dependents shall be allowed rest and recuperation travel on the same basis as authorized AID direct-hire Mission employees and their dependents.

(1) Transportation of Motor Vehicles, Personal Effects and Household Goods.

(1) Transportation costs will be paid on the same basis as for AID direct-hire employees serving the same length tour of duty, as authorized in the schedule. Transportation, including packing and crating costs, will be paid for shipping from the point of origin in the United States (or other location as approved by the Contracting Officer) to post of duty in the Cooperating Country and return to point of origin in the United States (or other location as approved by the Contracting Officer) of one privately-owned vehicle for the contractor, personal effects of the contractor and authorized dependents, and household goods of the contractor not to exceed the limitations in effect for such shipments for AID direct-hire employees in accordance with the Foreign Service Travel Regulations in effect at the time shipment is made. These limitations may be obtained from the Contracting Officer.

(2) The cost of transporting motor vehicles and household goods shall not exceed the cost of packing, crating, and transportation by surface common carrier. In the event that the carrier does not require boxing or crating of motor vehicles for shipment to the Cooperating Country, the cost of boxing or crating is not reimbursable. The transportation of a privately owned motor vehicle for a contractor may be authorized as a replacement of the last such motor vehicle shipped under this contract for such contractor when the Mission Director determines, in advance, and so notifies the contractor in writing, that the replacement is necessary for reasons not due to the negligence or malfeasance of the contractor. The determination shall be made under the same rules and regulations that apply to authorized Mission U.S. citizen direct-hire employees.

(m) Unaccompanied Baggage.

Unaccompanied baggage is considered to be those personal belongings needed by the traveler immediately upon arrival of the contractor and dependents, consideration should be given to advance shipments of unaccompanied baggage. The contractor will be reimbursed for costs of shipment of unaccompanied baggage (in addition to the weight allowance for household effects) not to exceed the limitations in effect for AID direct-hire employees in accordance with the Foreign Service Travel Regulations as in effect when shipment is made. These limitations are available from the Contracting Officer. This unaccompanied baggage may be shipped as air freight by the most direct route between authorized points of origin and destination regardless of the modes of travel used. This provision is applicable to home leave travel when authorized by the terms of this contract.

(n) International Ocean Transportation.

(i) Transportation of things. Where U.S. flag vessels are not available, or their use would result in a significant delay, the contractor may obtain a release from the requirement to use U.S. flag vessels from the Transportation Division, Office of Procurement, Agency for International Development, Washington, D.C. 20523-1419, or the Mission Director, as appropriate, giving the basis for the request.

(ii) Transportation of persons. Where U.S. flag vessels are not available, or their use would result in a significant delay, the contractor may obtain a release from the requirement to use U.S. flag vessels from the Contracting Officer or the Mission Director, as appropriate.

(2) Transportation of foreign-made vehicles. Reimbursement of the costs of transporting a foreign-made motor vehicle will be made in accordance with the provisions of the Foreign Service Travel Regulations.

(3) Reduced rates on U.S.-flag carriers are in effect for shipments of household goods and personal effects of AID contractors between certain locations. These reduced rates are available provided the shipper furnishes to the carrier at the time of the issuance of the Bill of Lading documentary evidence that the shipment is for the account of AID. The Contracting Officer will, on request, furnish to the contractor current information concerning the availability of a reduced rate with respect to any proposed shipment. The contractor will not be reimbursed for shipments of household goods or personal effects in amounts in excess of the reduced rates which are available in accordance with the foregoing.

(o) Storage of household effects. The cost of storage charges (including packing, crating, and drayage costs) in the U.S. of household goods of the contractor will be permitted in lieu of transportation of all or any part of such goods to the Cooperating Country under paragraph (1) above provided that the total amount of effects shipped to the Cooperating Country or stored in the U.S. shall not exceed the amount authorized for AID direct-hire employees under the Uniform Foreign Service Travel Regulations. These amounts are available from the Contracting Officer.

11. PAYMENT (JUNE 1990)

(a) Once each month (or at more frequent intervals, if approved by the paying office indicated on the Cover Page), the contractor may submit to such office form SF 1034 "Public Voucher for Purchases and Services Other Than Personal" (original) and SF 1034-A (three copies), each voucher identified by the AID contract number properly executed in the amount of dollars claimed during the period covered. The voucher forms shall be supported by:

(1) The contractor's detailed invoice, in original and two copies, indicating for each amount claimed the paragraph of the contract under which payment is to be made, supported when applicable as follows:

(i) For compensation - a statement showing period covered, days worked, and days when contractor was in authorized travel, leave, or stopover status for which compensation is claimed. All claims for compensation will be accompanied by, or will incorporate, a certification signed by the Project Officer covering days or hours worked, or authorized travel or leave time for which compensation is claimed.

(ii) For travel and transportation - a statement of itinerary with attached carrier's receipt and/or passenger's coupons, as appropriate.

(2) The first voucher submitted shall account for, and liquidate the unexpended balance of, any funds advanced to the contractor.

(b) A final voucher shall be submitted by the contractor promptly following completion of the duties under this contract but in no event later than 120 days (or such longer period as the Contracting Officer may in his/her discretion approve in writing) from the date of such completion. The contractor's claim, which includes his/her final settlement of compensation, shall not be paid until after the performance of the duties required under the terms of this contract has been approved by AID. On receipt and approval of the voucher designated by the contractor as the "final voucher" submitted on form SF 1034 (original) and SF 1034-A (three copies), together with a refund check for the balance remaining on hand of any funds which may have been advanced to the contractor, the Government shall pay any amounts due and owing the contractor.

(c) Interest on Overdue Payments

(1) The Prompt Payment Act, Public Law 97-177 (96 Stat. 85.31; U.S.C. 1801) is applicable to payments under this contract and requires the payment to the contractor of interest on overdue payments and improperly taken discounts.

(2) Determinations of interest due will be made in accordance with the provisions of the Prompt Payment Act and Office of Management and Budget Circular A-125 except as provided in paragraph (3) below or as otherwise specifically provided under this contract.

(3) Notwithstanding the provisions of OMB Circular A-125, Section 4.1, the Government will use its best efforts to make payments under this contract as soon as practicable following receipt of a proper invoice.

12. CONVERSION OF U.S. DOLLARS TO LOCAL CURRENCY (DEC 1985)

Upon arrival in the Cooperating Country, and from time to time as appropriate, the contractor shall consult with the Mission Director or his/her authorized representative who shall provide, in writing, the policy the contractor shall follow in the conversion of U.S. dollars to local currency.

This may include, but not be limited to the conversion of said currency through the cognizant U.S. Disbursing Officer, or Mission Controller, as appropriate.

13. POST OF ASSIGNMENT PRIVILEGES (JULY 1993)

Privileges such as the use of APO, PX's, commissaries and officer's clubs are established at posts abroad under agreements between the U.S. and host governments. These facilities are intended for and usually limited to members of the official U.S. establishment including the Embassy, AID Mission, U.S. Information Service and the Military. Normally, the agreements do not permit these facilities to be made available to non-official Americans. However, in those cases where facilities are open to non-official Americans, they may be used.

14. SECURITY REQUIREMENTS (JUNE 1990)

(d) The contractor agrees to submit immediately to the Mission Director or Contracting Officer a complete detailed report, appropriately classified, of any information which the contractor may have concerning existing or threatened espionage, sabotage, or subversive activity.

(e) The Government agrees that, when necessary, it shall indicate by security classification or administratively controlled designation, the degree of importance to the national defense of information to be furnished by the contractor to the Government or by the Government to the contractor, and the Government shall give written notice of such security classification or administratively controlled designation to the contractor and of any subsequent changes thereof. The contractor is authorized to rely on any letter or other written instrument signed by the Contracting Officer changing a security classification or administratively controlled designation of information.

(f) The contractor agrees to certify after completion of his/her assignment under this contract that he/she has surrendered or disposed of all classified and/or administratively controlled information in his/her custody in accordance with applicable security instructions.

In this capacity, he/she is responsible for the total AID Program in the Cooperating Country including certain administrative responsibilities set forth in this contract and for advising AID regarding the performance of the work under the contract and its effect on the U.S. Foreign Assistance Program. The contractor will be responsible for performing his/her duties in accordance with the statement of duties called for by the contract. However, he/she shall be under the general policy guidance of the Mission Director, and shall keep the Mission Director or his/her designated representative currently informed of the progress of the work under this contract.

No costs of any kind incurred by the contractor after the date such notice is delivered shall be reimbursed hereunder except the cost of return transportation (not including travel allowances), if approved by the Contracting Officer. (3) For the convenience of AID, when the contractor is unable to complete performance of his/her services under the contract by reason of sickness or physical or emotional incapacity based upon a certification of such circumstances by a duly qualified doctor of medicine approved by the Mission. The contract shall be deemed terminated upon delivery to the Contractor of a termination notice. Upon such a termination, the contractor shall not be entitled to compensation except to the extent of any unused vacation or sick leave but shall be entitled to return transportation, travel allowances, and unaccompanied baggage costs at rates specified in the contract and subject to the limitations which apply to authorized travel status.

(b) The contractor, with the written consent of the Contracting Officer, may terminate this contract upon at least 15 days' written notice to the Contracting Officer.

20. USE OF POUCH FACILITIES (JULY 1993)

(a) Use of diplomatic pouch is controlled by the Department of State. The Department of State has authorized the use of pouch facilities for AID contractors and their employees as a general policy, as detailed in paragraphs (a)(1) through (a)(6) of this provision. However, the final decision regarding use of pouch facilities rests with the Embassy or AID Mission. In consideration of the use of pouch facilities as hereinafter stated, the Contractor agrees to indemnify and hold harmless the Department of State and AID for loss or damage occurring in pouch transmission.

(1) Contractors are authorized use of the pouch for transmission and receipt of up to a maximum of 0.90 kilogram/2 pounds per shipment of correspondence and documents needed in the administration of foreign assistance programs.

(2) U.S. citizen contractors are authorized use of the pouch for personal mail up to a maximum of 0.45 kilogram/one pound per shipment (but see (a)(3) below). Non-U.S. citizen Contractors are not permitted use of the pouch for personal mail except to the extent that such use may be authorized by the Chief of Mission.

(3) Merchandise, parcels, magazines, or newspapers are not considered to be personal mail for purposes of this clause, and are not authorized to be sent or received by pouch.

(4) Official and personal mail under paragraphs (a)(1) and (2) of this provision, sent by pouch, should be addressed as follows:

Individual's Name (C),
Agency for International Development
Washington, D.C. 20523-0001.

(5) Mail sent via the diplomatic pouch may not be in violation of U.S. Postal laws and may not contain material ineligible for pouch transmission.

(6) Use of military postal facilities (APO/FPO) is authorized to U.S. contractors on the same basis as approved for direct-hire employees at the AID Mission. Posts having access to APO/FPO facilities and using such for diplomatic pouch dispatch, may, however, accept official and personal mail for the pouch provided, of course, adequate postage is affixed when onward transmission (mail to other than AID/W) through U.S. postal channels is required.

(b) The contractor shall be responsible for compliance with these guidelines and limitations on use of pouch facilities.

(c) Specific additional guidance on use of pouch facilities in accordance with this clause is available from the Post Communication Center at the Embassy or AID Mission.

21. BIOGRAPHICAL DATA (JUNE 1990)

(a) The contractor agrees to furnish biographical information to the Contracting Officer, on forms (SF 171 and 171As) provided for that purpose.

(b) Emergency locator information. The contractor agrees to provide the following information to the Mission Administrative Officer on arrival in the host country regarding himself/herself and dependents:

(1) Contractor's full name, home address, and telephone number including any after-hours emergency number(s).

(2) The name and number of the contract, and whether the individual is the contractor or the contractor's dependent.

(3) The name, address, and home and office telephone number(s) of each individual's next of kin.

(4) Any special instructions pertaining to emergency situations such as power of attorney designees or alternate contact persons.

22. RESIDENT HIRE PERSONAL SERVICES CONTRACTOR (JUNE 1990)

A contractor meeting the definition of a Resident Hire PSC contained in Section 11, General Provisions, Clause 1, Definitions, shall not be eligible for any fringe benefits (except contributions for FICA, health insurance and life insurance), allowances, or differentials, including but not limited to travel and transportation, medical, orientation, home leave, etc., unless such individual can demonstrate to the satisfaction of the Contracting Officer that he/she has received similar benefits/allowances from their immediately previous employer in the Cooperating Country, or the Mission Director determines that payment of such benefits would be consistent with the Mission's policy and practice and would be in the best interests of the U.S. Government.

23. ORIENTATION AND LANGUAGE TRAINING (LONG TOUR) (JULY 1993)

(a) Except as set forth in paragraph (b)(4) below, the Contractor shall receive a maximum of 2 weeks AID orientation before travel overseas. The dates of orientation shall be selected by the Contractor and approved by the Contracting Officer from the orientation schedule provided by AID.

(b) As either set forth in the Contract Schedule, or provided in writing by the Contracting Officer, the following may be authorized taking into consideration specific job requirements, contractor's prior overseas experience, or unusual circumstances, in connection with orientation of individual Contractors:

- (1) Modified orientation,
- (2) Language training,
- (3) Orientation for Contractor's dependents at contract expense.
- (4) Waiver of orientation for individual contractor.

(c) Transportation costs and travel allowances not to exceed one round trip from the Contractor's residence to place of orientation and return will be reimbursed, pursuant to Clause 10 of the General Provisions, entitled "Travel and Transportation Expenses," if the orientation is more than 80 kilometers/50 miles from the contractor's residence. Allowable salary costs during the period of orientation are also reimbursable.

24. CONDITIONS FOR CONTRACTING PRIOR TO RECEIPT OF SECURITY CLEARANCE (JULY 1993)

(a) Resident Hire U.S. PSC. The contractor may commence work prior to the completion of the security clearance. However, until such time as clearance is received, the contractor shall have no access to classified or administratively controlled materials. Further, failure to obtain clearance will constitute cause for contract termination in accordance with paragraph (a)(2) of General Provision 16 of this contract.

(b) U.S. PSC - Non-Resident Hire. The contractor may elect to commence travel to post immediately to begin work prior to completion of the security clearance. However, until such time as security clearance is received, the contractor shall:

- (1) Have no access to classified or administratively controlled materials;
- (2) Be authorized to travel to post himself/herself only; and
- (3) Be authorized no entitlements other than those normally authorized for short term (less than a year) employees at post. Even if the contract is for one year or more, dependents may not accompany contractor unless at his/her expense, and transportation/storage of household/personal effects and motor vehicle will not be financed by AID prior to the receipt of the security clearance. Upon receipt of clearance, the Contracting Officer will authorize reimbursement of any such costs borne at contractor's expense prior to clearance provided they are reasonable, allocable and allowable. If appropriate given the

AIDAR Notice 93-3

[HB 14 Interim Update: 1]

length of time remaining, the Contracting Officer will authorize dependent travel and shipment/storage of motor vehicle and effects. Allowances which would not be provided to short term employees will be authorized after clearance is received provided that the contractor is otherwise entitled to such benefits. Failure to obtain the security clearance will constitute cause for contract termination in accordance with paragraph (a)(2) of General Provision 16 of this contract.

25. MEDICAL EVACUATION (MEDEVAC) SERVICES (JULY 1993)

(a) The contractor agrees to obtain medevac service coverage for himself/herself and his/her authorized dependents while performing personal services abroad. Coverage shall be obtained pursuant to the terms of the contract between AID and AID's medevac service provider unless exempted in accordance with paragraph (b).

(b) The following are exempted from the requirements in paragraph (a):

(i) Contractors and their dependents with a health insurance program that includes sufficient medevac coverage as approved by the Contractor Officer.

(ii) Contractors and their dependents located at Missions where the Mission Director makes a written determination to waive the requirement for such coverage based on findings that the quality of local medical services or other circumstances obviate the need for such coverage.

(c) Information on the current medevac service provider, including application procedures, is available from the Contracting Officer.

Appendix J -- Direct AID Contracts With Cooperating
Country Nationals And With Third Country
Nationals For Personal Services Abroad

1. General

(a) Purpose. This appendix sets forth the authority, policy, and procedures under which AID contracts with cooperating country nationals or third country nationals for personal services abroad.

(b) Definitions. For the purpose of this appendix:

(1) "Personal services contract" (PSC) means a contract that, by its express terms or as administered, makes the contractor personnel appear, in effect, Government employees (see FAR 37.104).

(2) "Employer-employee relationship" means an employment relationship under a service contract with an individual which occurs when, as a result of (i) the contract's terms or (ii) the manner of its administration during performance, the contractor is subject to the relatively continuous supervision and control of a Government officer or employee.

(3) "Non-personal services contract" means a contract under which the personnel rendering the services are not subject either by the contract's terms or by the manner of its administration, to the supervision and control usually prevailing in relationships between the Government and its employees.

(4) "Independent contractor relationship" means a contract relationship in which the contractor is not subject to the supervision and control prevailing in relationships between the Government and its employees. Under these relationships, the Government does not normally supervise the performance of the work, or the manner in which it is to be performed, control the days of the week or hours of the day in which it is to be performed, or the location of performance.

(5) "Contractor" means a cooperating country national or a third country national who has entered into a contract pursuant to this appendix.

(6) "Cooperating country" means the country in which the employing AID Mission is located.

(7) "Cooperating country national (CCN)" means an individual who is a cooperating country citizen or a non-cooperating country citizen lawfully admitted for permanent residence in the cooperating country.

(8) "Third Country National (TCN)" means an individual
(i) who is neither a citizen nor a permanent legal resident alien of the United States nor of the country to which assigned for duty, and
(ii) who is eligible for return to his/her home country or country of recruitment at U.S. Government expense [see Section 12, General Provision 9 paragraph (n)].

2. Legal Basis.

(a) Section 635(b) of the Foreign Assistance Act of 1961, as amended, hereinafter referred to as the "FAA", provides the Agency's contracting authority.

(b) Section 636(a)(3) of the FAA authorizes the Agency to enter into personal services contracts with individuals for personal services abroad and provides further that such individuals ". . . shall not be regarded as employees of the U.S. Government for the purpose of any law administered by the Civil Service Commission." 1/

3. Applicability.

(a) This appendix applies to all personal services contracts with CCNs or TCNs to provide assistance abroad under Section 636(a)(3) of the FAA.

(b) This appendix does not apply to:

(1) Contracts for non-personal services with TCNs or CCNs; such contracts are covered by the basic text of the FAR and AIDAR.

(2) Personal services contracts with U.S. citizens or U.S. resident aliens for personal services abroad; such contracts are covered by Appendix D of this chapter.

(3) Appointments of experts and consultants as AID direct-hire employees; such appointments are covered by AID Handbook 25, Employment and Promotion.

4. Policy.

(a) General. AID may finance, with either program or operating expense (OE) funds, the cost of personal services as part of the Agency's program of foreign assistance by entering into a direct contract with a CCN or a TCN for personal services abroad.

(1) Program funds. Under the authority of Section 636(h) of the FAA, program funds may be obligated for periods up to five years where necessary and appropriate to the accomplishment of the tasks involved.

(2) Operating expense funds. Pursuant to AID budget policy, OE funded salaries and other recurrent cost items may be forward funded for a period of up to three (3) months beyond the fiscal year in which these funds were obligated. Non-recurring cost items may be forward funded for periods not to exceed twenty-four (24) months where necessary and appropriate to accomplishment of the work.

(b) Limitations on Personal Services Contracts.

(1) Personal services contracts may only be used when adequate supervision is available.

(2) Personal services contracts may be used for commercial activities. Commercial activities provide a product or service which could be obtained from a commercial source. See Attachment A of OMB Circular A-76 for a representative list of such activities.

(3) Personal services contracts may be used for _____ Governmental functions (defined by OMB Circular A-76 as functions so intimately related to the public interest as to mandate performance by Government employees) except:

1/ The Civil Service Commission is now the Federal Office of Personnel Management.

(i) Entering into any agreement (e.g., loan, grant, contract) on behalf of the United States.

(ii) Making decisions involving governmental functions such as planning, budget, programming and personnel selection. Services will be limited to making recommendations with final decision-making authority reserved for authorized AID direct-hire employees.

(iii) Supervision of AID direct-hire U.S. citizen employees.

(iv) Services which involve security classified material.

(c) Conditions of Employment.

(1) General. For the purpose of any law administered by the U.S. Office of Personnel Management, AID PSC contractors are not to be regarded as employees of the U.S. Government, are not included under any retirement or pension program of the U.S. Government, and are not eligible for the Incentive Awards Program covered by Uniform State/AID/USIA regulations. Each AID Mission is expected to participate in the Joint Special Embassy Incentive Awards Program. The program is administered by a joint committee which establishes procedures for submission, review and approval of proposed awards. Other than these exceptions, CCNs and TCNs who are hired for work in a cooperating country under PSCs generally will be extended the same benefits and be subject to the same restrictions as Foreign Service Nationals (FSNs) employed as direct-hires by the AID Mission.

(2) Compensation.

(i) It is AID's general policy (see AIDAR 722.170) that PSC compensation may not, without the approval of the Mission Director or Assistant Administrator, exceed the prevailing compensation paid to personnel performing comparable work in the cooperating country. Compensation for TCN or CCN personal services contractors set in accordance with the provisions in subparagraphs 4c(2)(ii)(A)(B) below satisfies this requirement.

(ii) In accordance with Section 408(a)(1) of the Foreign Service Act of 1980, a local compensation plan forms the basis for all compensation payments to FSNs which includes CCNs and TCNs. The plan is each post's official system of position classification and pay, consisting of the local salary schedule which includes salary rates, statements authorizing fringe benefit payments, and other pertinent facets of compensation for TCNs and CCNs, and the local position classification system as reflected in the Local Employee Position Classification Handbook (LEPCH) or equivalent in effect at the Mission. Compensation for PSCs will be in accordance with the local compensation plan, to the extent that it covers employees of the type or category being employed, unless the Mission Director determines otherwise. If the Mission Director determines that compensation in accordance with the local plan would be inappropriate in a particular instance, then compensation will be set in accordance with (in order of preference):

(A) Any other Mission policies on foreign national employee compensation; or

(B) Paragraphs 4(c)(d)(e)(g) and (h) of Appendix D. When compensation is set in accordance with this exception, the record shall be documented in writing with a justification prepared by the requesting office and approved by the Mission Director.

(iii) The earning of leave (annual and sick), allowances and differential (if applicable), salaries and all other related benefits can not be enumerated in this Appendix as they vary from Mission to Mission and are based upon the compensation plan for each.

(iv) Unless otherwise authorized, the currency in which compensation is paid to contractors shall be in accordance with the prevailing local compensation practice of the post.

(v) CCN and TCN contractors are eligible for allowances and differential on the same basis as direct-hire FSN employees under the post compensation plan.

(vi) An AID PSC who is a spouse of a current or retired U.S. Civil Service, U.S. Foreign Service, or U.S. military service member, and who is covered by their spouse's government health or life insurance policy, is ineligible for a contribution towards the costs of annual health and life insurance.

(vii) Retired CCNs and TCNs may be awarded personal services contracts without any reduction in or offset against their Government annuity.

(3) Incentive Awards.

(i) All Cooperating Country Nationals direct-hire and Personal Services Contractors (PSCs) and Third Country Nationals (PSCs) of the Foreign Affairs Community are eligible for the Joint Special Embassy Incentive Awards Program.

(ii) The Joint Country Awards Committee administers each post's (Embassy) award program, including establishment of procedures for submission, review and approval of proposed awards.

(4) Training. CCN and TCN PSCs are eligible for most of the training courses offered in the Training Course Schedule. However, applications will be processed on a case-by-case basis and are required to be approved by the Contracting Officer.

5. Soliciting for Personal Services Contracts.

(a) Project Officer's Responsibilities. The Project Officer will prepare a written detailed statement of duties and a statement of minimum qualifications to cover the position being recruited for; the statement shall be included in the procurement request. The procurement request shall also include the following additional information as a minimum:

(1) The specific foreign location(s) where the work is to be performed, including any travel requirements (with an estimate of frequency);

(2) The length of the contract, with beginning and ending dates, plus any options for renewal or extension;

(3) The basic education, training, experience, and skills required for the position;

(4) A certification from the officer in the Mission responsible for the LEPCH or equivalent that the position has been reviewed and is properly classified as to a title, series and grade in accordance with the LEPCH. If the position does not fall within the LEPCH or equivalent system, an estimate of compensation based on

subparagraphs 4(c)(2)(ii)(A) or (B) of this Appendix after consultations or in coordination with the contract officer or executive officer;

(5) A list of Government or host country furnished items (e.g., housing); and

(6) If the PSC will be providing advisory and assistance services, include the justification required by AIDAR 737.270(b).

(b) Contracting Officer's Responsibilities.

(1) The Contracting Officer will prepare the solicitation for personal services which shall contain:

(i) Three sets of certified biographical data and salary history. (Upon receipt, one copy of the above information shall be forwarded to the Project Officer);

(ii) A detailed statement of duties or a completed position description for the position being recruited for;

(iii) A copy of the prescribed contract Cover Page, Contract Schedule, and General Provisions as well as the FAR Clauses to be included in full text as well as those to be incorporated by reference; and

(iv) A copy of General Notice entitled "Employee Review of the New Standards of Conduct" dated October 30, 1992.

(2) The Contracting Officer shall comply with the limitations of AIDAR 706.302-70(c) as detailed in paragraph 5(c) below.

(c) Competition.

(1) Under AIDAR 706.302-70(b)(1), Personal Services Contracts are exempt from the requirements for full and open competition with two limitations that must be observed by Contracting Officers:

(i) offers are to be requested from as many potential offerors as is practicable under the circumstances, and

(ii) a justification supporting less than full and open competition must be prepared in accordance with FAR 6.303.

(2) A class justification was approved by the AID Procurement Executive to satisfy the requirements of AIDAR 706.302-70(c)(2) for a justification in accordance with FAR 6.303. Use of this class justification for Personal Services Contracts with Cooperating Country Nationals and Third Country Nationals is subject to the following conditions:

(i) New contracts are publicized consistent with Mission/Embassy practice on announcement of direct hire FSN positions. Renewals or extensions with the same individual for continuing service do not need to be publicized.

(ii) A copy of the class justification (which was distributed to all AID Contracting Officers via Contract Information Bulletin) must be included in the contract file, together with a written statement, signed by the Contracting Officer, that the contract is being awarded pursuant to AIDAR 706.302-70(b)(1); that the conditions for use of this class justification have been met; and that the cost of the contract is fair and reasonable. If the conditions in paragraphs (2)(i) and (ii) are not followed, the Contracting Officer must prepare a separate justification as required under AID 706.302-70(c)(2).

(3) Since the award of a personal services contract is based on technical qualifications, not price, and since the biographical data and salary history are used to solicit for such contracts, FAR Subparts 15.4 and 15.5 are

inappropriate and shall not be used. Instead, the solicitation and selection procedures outlined in this Appendix shall govern.

6. Negotiating a Personal Services Contract.

Negotiating a Personal Services Contract is significantly different from negotiating a nonpersonal services contract because it establishes an employer-employee relationship; therefore, the selection and negotiations procedures are more akin to the personnel selection procedures.

(a) Project Officer's Responsibilities. The Project Officer shall be responsible for reviewing and evaluating the applications received in response to the solicitation issued by the Contracting Officer. If deemed appropriate, interviews may be conducted with the applicants before the final selection is submitted to the Contracting Officer.

(b) Contracting Officer's Responsibilities.

(1) The Contracting Officer shall forward a copy of biographical data and salary history received under the solicitation to the Project Officer for evaluation.

(2) On receipt of the Project Officer's recommendation, the Contracting Officer shall conduct negotiations with the recommended applicant. The terms and conditions of the contract will normally be in accordance with the local compensation plan which forms the basis for all compensation on payments paid to FSNs which includes CCNs and TCNs.

(3) The Contracting Officer shall use the certified salary history on the certified statement of biographical data and salary history as the basis for salary negotiations, along with the Project Officer's cost estimate.

(4) The Contracting Officer will obtain necessary data for a security and suitability clearance to the extent required by AID Handbook 6, Security.

7. Executing a Personal Services Contract.

Contracting activities, whether AID/W or Mission, may execute Personal Services Contracts, provided that the amount of the contract does not exceed the contracting authority that has been redelegated to them. See AIDAR 701.601.

In executing a personal service contract, the Contracting Officer is responsible for insuring that:

(a) The proposed contract is within his/her delegated authority;

(b) A written detailed statement of duties covering the proposed contract has been received;

(c) The proposed scope of work is contractible, contains a statement of minimum qualifications from the technical office requesting the services, and is suitable for a personal services contract in that:

(1) Performance of the proposed work requires or is best suited for an employer-employee relationship, and is thus not suited to the use of a non-personal services contract;

(2) The scope of work does not require performance of any function normally reserved for direct-hire Federal employees (under paragraph 4(b) of this Appendix); and

(3) There is no apparent conflict of interest involved (if the Contracting Officer believes that a conflict of interest may exist, the question should be referred to the cognizant legal counsel);

(d) Selection of the contractor is documented and justified (AIDAR 706.302-70(b)(1) provides an exception to the requirement for full and open competition for Personal Services Contracts abroad; see paragraph 5(c) of this Appendix);

(e) The standard contract format prescribed for a Cooperating Country National and a Third Country National personal services contract (Sections 9, 10 or 11, 12, and 13 of this Appendix as appropriate) is used, or that any necessary deviations are processed as required by AIDAR 701.470;

(f) The contractor has submitted the names, addresses, and telephone numbers of at least two persons who may be notified in the event of an emergency (this information is to be retained in the contract file);

(g) The contract is complete and correct and all information required on the contract Cover Page (AID form 1420-36B) has been entered;

(h) The contract has been signed by the Contracting Officer and the contractor, and fully executed copies are properly distributed;

(i) The following clearances, approvals and forms have been obtained, properly completed, and placed in the contract file before the contract is signed by both parties:

(1) Security clearance to the extent required by AID Handbook 6, Security;

(2) Mission, host country, and project office clearance, as appropriate;

(3) Medical clearance(s) based on a full medical examination(s) and certification of same by a licensed physician. The physician's certification must be in the possession of the Contracting Officer prior to signature of contract. If a TCN is recruited, medical clearance requirements apply to the contractor and each dependent who is authorized to accompany the contractor;

(4) The approval for any salary in excess of FS-1, in accordance with Appendix G of this chapter;

(5) A copy of the class justification or other appropriate explanation and support required by AIDAR 706.302-70, if applicable;

(6) Any deviation to the policy or procedures of this Appendix, processed and approved under AIDAR 701.470;

(7) The memorandum of negotiation;

(j) The position description is classified in accordance with the LEPCH, and the proposed salary is consistent with the local compensation plan or the alternate procedures established in 4(c)(2)(ii) above;

(k) Funds for the contract are properly obligated to preclude violation of the Anti-Deficiency Act, 31 U.S.C. 134 (the Contracting Officer ensures that the contract has been properly recorded by the appropriate accounting office prior to its release for the signature of the selected contractor);

(l) The contractor receives and understands AID General Notice entitled "Employee Review of the New Standards of Conduct" dated October 30, 1992 and a copy is attached to each contract, as provided for in paragraph (c) of General Provision 2, Section 12;

(m) Agency conflict of interest requirements, as set out in Chapter 2D and 2F of AID Handbook 24, are met by the contractor prior to his/her reporting for duty;

(n) A copy of a Checklist for Personal Services Contractors which may be in the form set out above or another form convenient for the contracting officer, provided that a form containing all of the information described in this paragraph 7 shall be prepared for each PSC and placed in the contract file;

(o) In consultation with the regional legal advisor and/or the regional contracting officer, the contract is modified by deleting from the General Provisions (Sections 12 and 13 of this Appendix) the inapplicable clause(s) by a listing in the Schedule; and

(p) The block entitled, "Project No." on the Cover Page of the contract format is completed by inserting the four-segment project number as prescribed in AID Handbook 18, Information Services if the PSC is project-funded.

8. Contracting Format.

The prescribed Contract Cover Page, Contract Schedules, General Provisions and FAR Clauses for personal service contracts for TCNs and CCNs covered by this Appendix are included as follows:

9. "Cover Page" for a contract with a Cooperating Country National or with a Third Country National.

10. "Schedule" for a contract with a Cooperating Country National or with a Third Country National.

11. "Optional Schedule for Contract with a Cooperating Country National or with a Third Country National."

[Use of the Optional Schedule is intended to serve as an alternate procedure for OE funded Foreign Service National PSCs. The schedule was developed for use when the Contracting Officer anticipates incremental recurring cost funded contracts. It should be noted that the Optional Schedule eliminates the need to amend the contract each time funds are obligated. However, the Contracting Officer is required to amend each contract not less than twice during a 12 month period to ensure that the contract record of obligations is up to date and agrees with the figures in the master funding document.]

12. "General Provisions" for contract with a Cooperating Country National or with a Third Country National.

13. FAR Clauses to be incorporated in full text as well as by reference in personal services contracts.

(a) General. The contractor will be reimbursed in currency consistent with the prevailing practice at post and at the rates established by the Mission Director for authorized travel in the cooperating country in connection with duties directly referable to work under this contract. In the absence of such established rates, the contractor shall be reimbursed for actual costs of authorized travel in the cooperating country if not provided by the cooperating government or the Mission in connection with duties directly referable to work hereunder, including travel allowances at rates prescribed by AID Handbook 22, "Foreign Service Travel Regulations", as from time to time amended.

The Executive or Administrative Officer at the Mission may furnish Transportation Requests (TR's) for transportation authorized by this contract which is payable in local currency or is to originate outside the United States. When transportation is not provided by Government issued TR, the contractor shall procure the transportation, and the costs will be reimbursed. The following paragraphs provide specific guidance and limitations on particular items of cost.

(b) International Travel. For travel to and from post of assignment, the TCN contractor shall be reimbursed for travel costs and travel allowances from place of residence in the country of recruitment (or other location provided that the cost of such travel does not exceed the cost of the travel from the place of residence) to the post of duty in the cooperating country and return to place of residence in the country of recruitment (or other location provided that the cost of such travel does not exceed the cost of travel from the post of duty in the cooperating country to the contractor's residence) upon completion of services by the individual. Reimbursement for travel will be in accordance with AID's established policies and procedures for its CCN and TCN direct-hire employees and the provisions of this contract, and will be limited to the cost of travel by the most direct and expeditious route. If the contract is for longer than one year and the contractor does not complete one full year at post of duty (except for reasons beyond his/her control), the costs of going to and from the post of duty for the contractor and his/her dependents are not reimbursable hereunder. If the contractor serves more than one year but less than the required service in the cooperating country (except for reasons beyond his/her control) costs of going to the post of duty are reimbursable hereunder but the costs of going from post of duty to the contractor's permanent, legal place of residence at the time he or she was employed for work under this contract are not reimbursable under this contract for the contractor and his/her dependents. When travel is by economy class accommodations, the contractor will be reimbursed for the cost of transporting up to 10 kilograms/22 pounds of accompanied personal baggage per traveler in addition to that regularly allowed with the economy ticket provided that the total number of pounds of baggage does not exceed that regularly allowed for first class travelers. Travel allowances for travelers shall not be in excess of the rates authorized in the Standardized Regulations (Government Civilians, Foreign Areas) hereinafter referred to as the Standardized Regulations - as from time to time amended, for not more than the travel time required by scheduled commercial air carrier using the most expeditious route. One stopover enroute for a period of not to exceed 24 hours is allowable when the traveler uses economy class accommodations for a trip of 14 hours or more of scheduled duration. Such stopover shall not be authorized when travel is by indirect route or is delayed for the convenience of the traveler. Per diem during such stopover shall be paid in accordance with the Federal Travel Regulations as from time to time amended.

(c) Local Travel. Reimbursement for local travel in connection with duties directly referable to the contract shall not be in excess of the rates established by the Mission Director for the travel costs of travelers in the Cooperating Country. In the absence of such established rates the contractor shall be reimbursed for actual travel costs in the Cooperating Government or the Mission, including travel allowances at rates not in excess of those prescribed by the Standardized Regulations.

(d) Indirect Travel for Personal Convenience of a TCN. When travel is performed by an indirect route for the personal convenience of the traveler, the allowable costs of such travel will be computed on the basis of the cost of allowable air fare via the direct usually traveled route. If such costs include fares for air or ocean travel by foreign flag carriers, approval for indirect travel by such foreign flag carriers must be obtained from the Contracting

Officer or the Mission Director before such travel is undertaken, otherwise only that portion of travel accomplished by the United States-flag carriers will be reimbursable within the above limitation of allowable costs.

(e) Limitation on Travel by TCN Dependents. Travel costs and allowances will be allowed for authorized dependents of the contractor and such costs shall be reimbursed for travel from place of abode in the country of recruitment to the assigned station in the Cooperating Country and return, only if the dependent remains in the Cooperating Country for at least 9 months or one-half of the required tour of duty of the contract, whichever is greater, except as otherwise authorized hereunder for education, medical, or emergency visitation travel.

Dependents of the TCN contractor must return to the country of recruitment or home country within thirty days of the termination or completion of the contractor's employment, otherwise such travel will not be reimbursed under this contract.

(f) Delays Enroute. The contractor may be granted reasonable delays enroute while in travel status when such delays are caused by events beyond the control of the contractor and are not due to circuitous routing. It is understood that if delay is caused by physical incapacitation, he/she shall be eligible for such sick leave as provided under the "Leave and Holidays" clause of this contract.

(g) Travel by Privately Owned Automobile (POV). If travel by POV is authorized in the contract schedule or approved by the Contracting Officer, the contractor shall be reimbursed for the cost of travel performed in his/her POV at a rate not to exceed that authorized in the Federal Travel Regulations plus authorized per diem for the employee and, if the POV is being driven to or from the cooperating country as authorized under the contract, for each of the authorized dependents traveling in the POV, provided that the total cost of the mileage and the per diem paid to all authorized travelers shall not exceed the total constructive cost of fare and normal per diem by all authorized travelers by surface common carrier or authorized air fare, whichever is less.

(h) Emergency and Irregular Travel and Transportation.
[For TCNs only]. Emergency transportation costs and travel allowances while enroute, as provided in this section, will be reimbursed not to exceed amounts authorized by the Foreign Service Travel Regulations for FSN direct-hire employees in like circumstances under the following conditions:

(1) The costs of going from post of duty in the cooperating country to another approved location for the contractor and authorized dependents and returning to post of duty, subject to the prior written approval of the Mission Director, when such travel is necessary for one of the following reasons:

(i) Need for medical care beyond that available within the area to which contractor is assigned.

(ii) Serious effect on physical or mental health if residence is continued at assigned post of duty.

(iii) Serious illness, injury, or death of a member of the contractor's immediate family or a dependent, including preparation and return of the remains of a deceased contractor or his/her dependents.

(2) Emergency evacuation when ordered by the principal U.S. Diplomatic Officer in the cooperating country. Transportation and travel allowances at safe haven and the transportation of household effects and automobile or storage thereof when authorized by the Mission Director, shall be payable in accordance with established Government regulations.

(3) The Mission Director may also authorize emergency or irregular travel and transportation in other situations when in his/her opinion the circumstances warrant such action. The authorization shall include the kind of leave to be used and appropriate restrictions as to time away from post, transportation of personal and household effects, etc.

(i) Country of Recruitment Travel and Transportation. [For TCNs only]. The contractor shall be reimbursed for actual transportation costs and travel allowances in the country of recruitment as authorized in the Schedule or approved in advance by the Contracting Officer or the Mission Director. Transportation costs and travel allowances shall not be reimbursed in any amount greater than the cost of, and time required for, economy-class commercial-scheduled air travel by the most expeditious route except as otherwise provided in paragraph (h) above, unless economy air travel is not available and the contractor adequately documents this to satisfaction of the Contracting Officers in documents submitted with the voucher.

(j) Rest and Recuperation Travel. [For TCNs only].

If approved in writing by the Mission Director, the contractor and his/her dependents shall be allowed rest and recuperation travel on the same basis as direct-hire TCN employees and their dependents at the post under the local compensation plan.

(k) Transportation of Personal Effects (Excluding Automobiles and Household Goods). [For TCNs only].

(1) General. Transportation costs will be paid on the same basis as for direct-hire employees at post serving the same length tour of duty, as authorized in the schedule. Transportation, including packing and crating costs, will be paid for shipping from contractor's residence in the country of recruitment or other location, as approved by the Contracting Officer (provided that the cost of transportation does not exceed the cost from the contractor's residence) to post of duty in the cooperating country and return to the country of recruitment or other location provided the cost of transportation of the personal effects of the contractor not to exceed the limitations in effect for such shipments for AID direct-hire employees in accordance with the Foreign Service Travel Regulations in effect at the time shipment is made. These limitations may be obtained from the Contracting Officer.

The cost of transporting household goods shall not exceed the cost of packing, crating, and transportation by surface common carrier.

(2) Unaccompanied Baggage. Unaccompanied baggage is considered to be those personal belongings needed by the traveler immediately upon arrival of the contractor and dependents. To permit the arrival of effects to coincide with the arrival of the contractor and dependents, consideration should be given to advance shipments of unaccompanied baggage. The contractor will be reimbursed for costs of shipment of unaccompanied baggage (in addition to the weight allowance for household effects) not to exceed the limitations in effect for AID direct-hire employees in accordance with the Foreign Service Travel Regulations in effect when shipment is made. These limitations are available from the

AIDAR Notice 93-3
Effective: 12-2-93
[HB 14 Interim Update: 1]

Contracting Officer. This unaccompanied baggage may be shipped as air freight by the most direct route between authorized points of origin and destination regardless of the modes of travel used.

(l) Reduced Rates on U.S.-Flag Carriers.

Reduced rates on U.S.-flag carriers are in effect for shipments of household goods and personal effects of AID contractors between certain locations. These reduced rates are available provided the shipper furnishes to the carrier at the time of the issuance of the Bill of Lading documentary evidence that the shipment is for the account of AID. The Contracting Officer will, on request, furnish to the contractor current information concerning the availability of a reduced rate with respect to any proposed shipment. The contractor will not be reimbursed for shipments of household goods or personal effects in amounts in excess of the reduced rates which are available in accordance with the foregoing.

(m) Transportation of things. [For TCNs Only]. Where U.S. flag vessels are not available, or their use would result in a significant delay, the contractor may obtain a release from the requirement to use U.S. flag vessels from the Transportation Division, Office of Procurement, Agency for International Development, Washington, D.C. 20523-1419, or the Mission Director, as appropriate, giving the basis for the request.

(n) Repatriation Travel. [For TCNs Only]. Notwithstanding other provisions of this Clause 9, a TCN must return to the country of recruitment or to the TCN's home country within 30 days after termination or completion of employment or forfeit all right to reimbursement for repatriation travel. The return travel obligation [repatriation travel] assumed by the U.S. Government may have been the obligation of another employer in the area of assignment if the employee has been in substantially continuous employment which provided for the TCN's return to home country or country from which recruited.

(o) Storage of household effects. [For TCNs Only].
