**General Provisions**

**Section 1. Citation**

These regulations may be cited as the Campaign Finance Regulations.

**Section 2. Definitions**

In these regulations, unless the context otherwise requires --

- (1) "The Commission" means the National Elections Commission of the Republic of Liberia.
- (2) "Contribution" means any gift, subscription, loan, advance or deposit of money, or anything having pecuniary value, that is either given to a campaign committee, or which is made with the knowledge and consent of a candidate or an authorized agent of candidate or a political party. It shall include in-kind gifts, but shall exclude the value of services of individuals who volunteer without compensation, as well as the value of loans made in the ordinary course of business, meaning as a business transaction where interest is charged.
- (3) "Expense" means any purchase, payment distribution, loan, advance, deposit or gift of money or anything of value that is either made by a campaign committee, or which is made with the knowledge and consent of a candidate or an authorized agent of a candidate or political party. An expense shall also include:
  - (a) disbursements for any news story, commentary, or editorial distributed through the facilities of any broadcasting station, newspaper, magazine, or other periodical publication and/or such facilities as may be owned or controlled by a candidate or a political party; or
  - (b) disbursements made by persons or entities acting independently and/or without consultation with, or direction from, a candidate or political party for the purpose of supporting or challenging a candidate or political party.
- (4) "Candidate" means any individual who has either been endorsed by a political party for election to an elective office in Liberia or who runs independently.

**Section 3. Organization of Campaign Committees**

- (1) Every political party and every candidate shall designate a campaign committee, which may include persons who are not members of any political party, to act on its or their behalf. Each campaign committee shall:
  - (a) Designate a treasurer and a depository bank; and

- (b) Register with the Commission, stating the name of the committee, the name and address of the treasurer along with four (4) executives of the committee, and the name and address of the depository bank as specified in Form CF01.
- (2) No campaign committee shall receive a contribution or make expense when there is a vacancy in the position of treasurer. In the event a treasurer shall be terminated, die or retire, the candidate or party shall notify the Commission within 72 hours of such events. A replacement shall be appointed and the candidate or party shall amend its registration. The Commission thereafter shall accept the new treasurer.

**Part II**  
**Accounting for Contributions and Expenses**

**Section 4. Accounting of contributions**

- (1) Every contribution received by a treasurer of a campaign committee shall be accounted for by the treasurer to the campaign committee within five (5) working days of receipt. The record shall include information providing the campaign committee with the name, address, occupation and employer (if any) of the contributor, the date of the contribution, and the amount of the contribution as specified in Forms CF03 and CF03a.
- (2) All contributions over US\$250.00 or its equivalent in Liberian Dollars received by a campaign committee/treasurer shall be deposited into the account identified in the registration statement.

**Section 5. Citizenship of contributor**

- (1) No contribution shall be made to, or knowingly accepted by, a campaign committee/treasurer from a person who is not a citizen of the Republic of Liberia.
- (2) If the person making a contribution is a citizen of the Republic of Liberia, but is not physically resident within the territory of the Republic at the time the contribution is made, the contributor shall provide the person accepting the contribution on behalf of the committee a statement, on a form to be provided by the Commission (Form CF07), attesting that the funds representing the contribution are the personal funds of the non-resident contributor and that the contribution is not comprised of funds owned or controlled by a non-citizen of Liberia. Said attestation shall be furnished to the Commission, along with the funds representing the contribution from the non-resident Liberian citizen, and the Commission may take the attestation into consideration in determining whether to remit said funds back to the campaign committee pursuant to Chapter 7.2 of The New Elections Law of 1986.

**Section 6. Prohibition of contributions from anonymous sources, corporations, unions, banks and abuse of state resources**

- (1) No contribution shall be made, or knowingly received, from anonymous sources, funds belonging to a corporation, a labor organization or a bank.
- (2) Campaign committees shall not utilize public resources for campaign activities and shall not receive any contribution resulting from an abuse of state resources.
- (3) The treasurer of each campaign committee shall be responsible for making a good faith effort to determine whether funds contributed to the campaign committee represent such prohibited contributions. In the event that the treasurer determines, after making a good faith effort, that a prohibited contribution has been tendered to the campaign committee, the treasurer shall refund the contribution and advise the Commission.

**Section 7. Limitation of election expenses**

Elections expenses shall not be incurred or authorized by a candidate or party beyond the Liberian dollar equivalent of the following amounts:

- (a) For President, in excess of Two Million United States Dollars (US \$2,000,000.00).
- (b) For Vice President, in excess of One Million United States Dollars (\$1,000,000.00).

- (e) For any other elective public office, in excess of Seventy-Five Thousand United States Dollars (\$75,000.00).

This section shall not be construed to mean that political parties and/or candidates shall be required to have a defined amount deposited in support of a given candidate for the positions in this section.

**Section 8. Accounting of expenses**

- (1) All expenses made on behalf of a campaign committee shall be recorded by the treasurer within five (5) working days. This record shall include the date, recipient, purpose and amount of the expense as specified in Form CF04. No expense shall be made by a campaign committee for any purpose that is prohibited by law, including but not limited to, paying voters for voting. No expense shall be made beyond the expense limitations as specified in Section 20 of the Electoral Reform Law, 2004.

- (2) All expenses over US\$250.00 or its equivalent in Liberian Dollars made on behalf of a campaign committee shall be made by check. All expenses made by a campaign committee, except expenses made personally by the candidate on behalf of his or her candidacy, shall be made from the account identified in the registration statement.

**Section 9. Expenses from personal funds of candidates**

- (1) Candidates may make expenses on behalf of their campaigns from their personal funds.
- (2) In the event that a candidate makes personal expenses from his or her personal funds to advance his or her candidacy, the candidate shall report that expense to the treasurer of the candidate's authorized campaign committee pursuant to Section 15 of these regulations. Expenses made by candidates from personal funds to advance their candidacies shall be subject to, and included within, the applicable expense limits for that candidate as provided elsewhere by law.
- (3) All candidates shall submit a completed Candidate Financial Disclosure form in the form prescribed by the Commission (Form CF08). This record shall include income, assets, and liabilities of the candidate.

**Section 10. Generic expenses by a political party**

In the event of an expense made by the campaign committee of a political party that benefits simultaneously more than one candidate of that political party, the party's campaign committee shall apportion the expense among said candidates by dividing its value by the number of candidates benefited.

**Section 11. In-kind gifts**

- (1) Contributions in-kind given to campaign committees shall constitute contributions to the campaign committee. The in-kind contribution shall be calculated at prevailing market value at date received.
- (2) In-kind transactions shall be tallied against the expense limitations for the candidate on whose behalf they were given as specified in Section 20 of the Electoral Reform Law 2004.

**Section 12. Bookkeeping requirements**

- (1) The treasurer of a campaign committee shall maintain a book of accounts for all contributions received, and all expenses made by and on behalf of the campaign committee.
- (2) The treasurer shall also maintain the record of contributors, on standard forms to be promulgated by the Commission (see attached Forms CF03 and CF03a), for each contribution received, and the documentary records for each expense (Form CF04) made by the committee.

- (3) The book of accounts, the contributor records and the documentary records shall be made available during normal working hours to the Commission on demand.

This record shall be complete as of the close of books fourteen (14) days before said election, and ten (10) days after said election, as the case may be. In case of run-off elections as specified in section 15 of Electoral Reform Law, 2004, the itemization of contributions and expenditures (Forms CF01 to CF 07, inclusive) for candidates contesting those elections shall be submitted fifteen (15) days after the official results of the run-off elections are announced.
- (3) With respect to contributions, the records shall include an itemization of the name, address, occupation and employer (if any) of the contributor, as well as the date and amount of the contribution as specified in Forms CF03 and CF03a.
- (4) With respect to expenses, the records shall include the date, recipient, purpose of the expense, and amount as specified in Form CF04. In the case of expenses made by campaign committees of political parties that simultaneously benefit more than one candidate, the expense shall be allocated among said candidates by dividing the amount of the expense by the number of candidates benefited, and that allocation shall be reported to the Commission by each treasurer.

**Section 16. Prohibition against embezzlement by candidates**

- (1) A candidate may not utilize funds contributed to his or her campaign committee to defray personal expenses.
- (2) For the purpose of this section, "personal expenses" means any expense that the candidate would have incurred irrespective of his or her candidacy, such as payments for personal clothing items, rent, mortgage, utilities, vacations, personal expenses of family members, and other expenses that are not related to campaigning for office.

**Part IV**

- (2) The Commission shall have the power to retain an independent auditing agency to conduct certified audits of the financial transactions of a campaign committee. A person or organization appointed by the Commission to the Audit Committee or commissioned by the Commission to conduct certified audits shall not be a member of any political party, an appointed accountant or employee of any party, or have been or served in such a capacity during the three years prior to appointment.
