

training information packet

April, 1988

INTRAH Training Information Packets (TIPs) are provided in an effort to share useful ideas, outstanding training or reference materials, and relevant information on a variety of subjects with trainers, training program managers and field workers in FP/MCH.

This INTRAH Training Information Packet is the "1988 List of Free Materials in Family Planning /Maternal and Child Health." The materials are free of charge to persons working in developing countries, and can be ordered by writing directly to the agency identified. We have included a sample request letter for your reference. Please note that INTRAH is not the distributor of the materials on this list, except for the following:

- Concepts and Issues in Family Planning.
- Glossaire de Termes de Planification Familiale / Glossary of Family Planning Terms.
- INTRAH Training Information Packets (TIPs).
- Teaching and Learning with Visual Aids.
- "Where There Are No... A 1988 Calendar for Trainers."

If you have questions or comments about this INTRAH Training Information Packet , or if you have information about other free materials which we could include in the next update of this list, please write to:

Catherine Murphy
Training Materials Officer
Program for International Training in Health
School of Medicine
University of North Carolina at Chapel Hill
208 North Columbia Street, Campus Box 8100
Chapel Hill, North Carolina 27514 USA.

We encourage you to share this and future INTRAH Training Information Packets (TIPs) with your colleagues. We also welcome your ideas for topics we should address in the future.

SAMPLE LETTER

If you do not have letterhead,
put your full name, the name of your
organization, and your complete
business address here.

Date

Name and address of the
distributing organization

First Paragraph:

Begin your letter by briefly describing what your organization does and your role within that organization. You may want to explain how you use materials in your organization.

Second Paragraph:

Clearly state the purpose of this letter: "I am writing to request..." Your intended use of such materials could be explained in more detail here. You may want to ask if there are other publications available from this distributor on related subjects. Include the number of copies requested and languages preferred when requesting materials.

Your signature.

Your printed name and title.

Curriculum Development in Population Education:

Abstract Bibliography, Series 6.

(1985). Curriculum development in series of literature reviews and articles. Addresses formal and non-formal educational systems, specific subject areas, evaluation and research, national experiences and innovations in curriculum development. Available in English from: Population Education Programme Service, UNESCO Regional Office for Education in Asia and the Pacific, P.O. Box 1425 General Post Office, Bangkok 10500, Thailand.

EASWESPOP-Fertility.

Microcomputer Software (1987). A menu driven interactive package of programs on fertility estimation by various indirect methods including: Brass P/F Ratio method, Parity increment method, Rele's method, Palmore's Regression method and own-children method. Hardware requirements: IBM PC or compatibles with 256 KB RAM memory. Program language: Compiled Turbo Pascal. Available in English only from: Data Analysis Unit/ EASWES POP, Population Institute, East and West Center, 1777 East-West Road, Honolulu, Hawaii 96848 USA.

Family, Fertility and Contraception in Asia and the Pacific: A Review of Seven Cross-Comparative Micro-Demographic Country Studies.

Asian Population Series No. 65. Case study series (31 pages). In a departure from conventional analyses of fertility, this 1986 series of studies examines the relations between fertility and the family. Includes a review of the following major elements: conceptualization, methodology, results and implications. Available in English from: United Nations Economic and Social Commission for Asia and the Pacific, The United Nations Building, Rajadamnern Avenue, Bangkok 10200, Thailand.

International Dateline.
(See Health)

**Learning Experiences in
Population Education.**

Training package (1985). Designed as prototype package of curricula materials for non-formal education system. Consists of guidelines for package development and use, proposed curriculum, users' guides, sample learning materials and survey instruments. Available in English from: Population Education Programme Service, UNESCO Regional Office for Education in Asia and the Pacific, P.O. Box 1425 General Post Office, Bangkok 10500, Thailand.

**Learning Experiences in
Population Education:
Volume 2.**

Training package (1985). Designed as a prototype package of curricula materials for formal education systems. Includes pretest of sample materials, guidelines for training package development and use. Provides a proposed population education curriculum at secondary school level. Available in English from: Population Education Programme Service, UNESCO Regional Office for Education in Asia and the Pacific, P.O. Box 1425 General Post Office, Bangkok 10500, Thailand.

POPULATION

Popline.

Computer Access. Provides bibliographic citations and abstracts to worldwide literature on population and family planning, including research in human fertility, contraceptive methods, community-based services, program evaluation, demography, censuses, vital statistics and related health policy. Available to FP agencies in English from: Population Information Program, John Hopkins University, 624 North Broadway, Baltimore, Maryland 21205 USA.

Population.

Newsletter. Briefing papers on issues in the population field including: world abortion trends, population growth and economic development, world population growth and global security. Available in English from: Population Crisis Committee, 1120 19th Street, NW, Washington, DC 20036 USA.

Population.

Monthly Newsletter. Latest developments in the population field and efforts of the United Nations Fund for Population Activities. Available in English, Spanish, French and Arabic from: Information and External Relations Division, UNFPA, 220 East 42nd Street, New York, New York 10017 USA.

Population and Development Review.

Quarterly Journal. Scholarly articles on interrelationships between population and socio-economic development, discussion of related issues in public policy. Available in English from: Population Council, Publications and Information Office, One Dag Hammarskjold Plaza, New York, New York 10017 USA.

Population Education Accessions List.

(See Resource Lists)

Population Education in Asia and the Pacific.

Irregularly published newsletter. Programme reports, documentation, regional news and variety of discussion fora. Includes section on publications in circulation. Available in English from: Population Education Programme Service, UNESCO Regional Office for Education in Asia and the Pacific, P.O. Box 1425 General Post Office, Bangkok 10500, Thailand.

POPULATION

Population Education in Asia: What Research Says.

Abstract Bibliography, Series 4. (1983). This volume focuses on problems in researching, evaluating and monitoring population education activities. Research findings synthesized. Sections include: Knowledge, Attitude and Behavior of Teachers, Students and Parents Towards Population Education Issues; Personnel Training; Curriculum and Materials Development; Teaching Methodologies; Evaluation of Classroom Instruction and Programme Evaluation. Available in English from: Population Education Programme Service, UNESCO Regional Office for Education in Asia and the Pacific, P.O. Box 1425 General Post Office, Bangkok 10500, Thailand.

220

POPULATION

Population Education in Non-formal Education and Development Programs:

A Manual for Field Workers.

Manual (1981, 260 pages). Provides practical examples of strategies, approaches and materials integrating population education into various development programmes. Also serves as reference for field workers in planning, implementing and evaluating out-of-school population education programmes. Prototype examples of curricula, materials and evaluation instruments are provided to be adapted to suit specific local needs. Available in English from: Population Education Programme Service, UNESCO

Regional Office for Education in Asia and the Pacific, P.O. Box 1425 General Post Office, Bangkok 10500, Thailand.

Population Education Series: Science, Social Studies, Health and Home Economics, Mathematics.

Four booklets (1984). Education for secondary level. Each book includes sample lessons, suggested activities, teaching hints and sample tests. Illustrations that may be freely reproduced are provided. Available in English from: Population Education Programme Service, UNESCO Regional Office for Education in Asia and the Pacific, P.O. Box 1425 General Post Office, Bangkok 10500, Thailand.

Population Policy: A Manual for Policy Makers and Planners.

Isaacs, S.L., Cairns, G.S. and Heckel, N.H. Book. Available in English from: Operation Research/Publications, Center for Population and Family Health, 60 Haven Avenue, New York, New York 10032 USA.

Population Programmes and Projects, Vol. 1: Guide to Sources of International Population Assistance, 1985. (Fourth Edition).

Book (420 pages). Published every three years with occasional supplements. Lists various types of assistance available from multilateral, regional, bilateral, non-governmental, university, research and training groups. Includes assistance restrictions and instructions on applying for aid. Available in English, French and Spanish from: United Nations Fund for Population Activities (UNFPA), 220 East 42nd Street, New York, New York, 10017 USA.

Population Programmes and Projects, Vol. 2: Inventory of Population Projects in Developing Countries Around the World, 1983/84.

Book (730 pages). Annual issue. Lists countries' demographic data, government views toward family planning issues, and current program, according to type of financial assistance. Available in English only from: United Nations Fund for Population Activities (UNFPA), 220 East 42nd Street, New York, New York, 10017 USA.

Population Reports.

Report Papers (five per year). One topic per issue including: Social Marketing, AIDS, Population and Development, Family Planning and other topics in population. Available in English with some issues in French, Spanish, Arabic and Portuguese from: Population Information Program, The Johns Hopkins University, 624 North Broadway, Baltimore, Maryland 21205 USA.

POPULATION

Report and Papers of the Expert Group Meeting on Social and Psychological Aspects of Fertility Behavior.

Asian Population Studies Series No. 26. (90 pages, 1974). Report discusses cultural, situational and policy influences on fertility behavior. A section on personal and family influences deals with topics such as: value orientation, attitudes, personality and interpersonal communication. Includes a selected bibliography of relevant research. Available in English from: United Nations Economic and Social Commission for Asia and the Pacific, The United Nations Building, Rajadamnern Avenue, Bangkok 10200, Thailand.

Report: First Conference of Asian Forum of Parliamentarians on Population and Development.

Booklet (137 pages). Conference report from New Delhi, India, 1984. Background and proceedings. Available in English from: Global Committee of Parliamentarians on Population and Development, 304 East 45th Street, 12th floor, New York, New York 10017 USA.

POPULATION

Report: International Parliamentary Assembly on Population and Development.

Booklet (65 pages). 1984 conference report from Mexico. Various committee reports on population, women's status and family planning. Available in English from: Global Committee of Parliamentarians on Population and Development, 304 East 45th Street, 12th floor, New York, New York 10017 USA.

Review and Assessment Report on the Parliamentary Movement on Population and Development.

Booklet (1986). Provides information on parliamentary activities around the world, including the role played by the Global Committee. Available in English, French and Spanish from: Global Committee of Parliamentarians on Population and Development, 304 East 45th Street, 12th floor, New York, New York 10017 USA.

Selected Entries on Demography and Its Bearing on Population Education in Seven Asian Countries: Abstract Bibliography. Series 7.

(1986) Presents articles on mortality, fertility, migration, urbanization and distribution, nuptiality and other population issues. Available in English from: Population Education Programme Service, UNESCO Regional Office for Education in Asia and the Pacific, P.O. Box 1425 General Post Office, Bangkok 10500, Thailand.

Some Techniques for Measuring the Impact of Contraception.

Project report (1974). Asian Population Studies Series No. 18. This study examines the impact of contraception, especially on the birth and growth rates. Brief, selective reviews of pertinent literature are presented. Available in English from: United Nations Economic and Social Commission for Asia and the Pacific, The United Nations Building, Rajadamnern Avenue, Bangkok 10200, Thailand.

Teaching Methodologies for Population Education.

Manual (1985). Provides guidelines and sample lessons for two teaching methods: the discovery or inquiry approach, and the values clarification approach. Includes theoretical discussion, procedures for application of each methodology and a number of sample lessons. Accompanies abstract bibliography entitled: Teaching Methodologies in Population Education, Series 5. Available in English from: Population Education Programme Service, UNESCO Regional Office for Education in Asia and the Pacific, P.O. Box 1425 General Post Office, Bangkok 10500, Thailand.

**Teaching Methodologies in
Population Education:
Abstract Bibliography, Series 5.**

Bibliography (1984). Accompanies the manual entitled: "Teaching Methodologies for Population Education". Series 5 deals with various concrete issues and problems raised by population education workers. Reviews publications on subjects related to different teaching methodologies as applied in population education. Available in English from: Population Education Programme Service, UNESCO Regional Office for Education in Asia and the Pacific, P.O. Box 1425 General Post Office, Bangkok 10500, Thailand.

**Training in Out-of-School
Population Education,
Abstract Bibliography, Series
3.**

Soft cover book (1982, 88 pages). Articles on personnel training, curriculum development, training materials, research and evaluation in population education. Available in English from: Population Education Programme Service, UNESCO Regional Office for Education in Asia and the Pacific, P.O. Box 1425 General Post Office, Bangkok 10500, Thailand.

POPULATION

Update.

Quarterly Newsletter. Informal information and news for those interested in population and development.

Available in English and French from: Global Committee of Parliamentarians on Population and Development, 304 East 45th Street, 12th Floor, New York, New York 10017 USA.

202

**PROGRAM
COMPONENTS**

Abidjan Plan of Action.

Pamphlet. Adapted from the last workshop for French speaking Parliamentarians of the Sub-Sahara, March 1987. Limited editions are available in English and French from: Global Committee of Parliamentarians on Population and Development, 304 East 45th Street, 12th Floor, New York, New York 10017 USA.

Adult Education

(See Resource Lists)

Adult Education and Development.

Journal. Published twice a year. Issues in adult education and development including literacy, training, policy, women's issues and project reports are presented. Available in English, French and Spanish from: German Adult Education Association, Department for International Cooperation, Rheinallee 1, 5300 Bonn 2, Federal Republic of Germany.

PROGRAM COMPONENTS

African Region Planned Parenthood and Women's Development Programme: Report of the December 1983 Anglophone Project Managers' Workshop.

Project report (34 pages). A report on a workshop held to enable experienced project managers to share their experience with managers of new projects. Topics discussed include common problems of project planning, leadership issues and evaluation. *NOTE: IPPF will consider supplying this document free of charge ; however, details of intended usage and distribution should accompany all requests for free materials.* Available in English from: Marketing Manager, International Planned Parenthood Federation, 18-20 Lower Regent Street, London SW1Y 4PW United Kingdom.

AID Resource Report.

Bi-monthly newsletter aimed at fieldworkers. Available in English from: Office of Development, Room 509, SA-14, Information and Utilization, Bureau of Science and Technology, Agency for International Development, Washington DC 20523 USA.

Appropriate Technology for Health Newsletter.

(See Health)

PROGRAM COMPONENTS

Basic Processes and Principles for Population/Family Planning Communication: PCS Packet Number 3.

Information packet (1984). Wall chart and brochure outlining the basic principles required for a successful communications project. Communication, in this case, refers to both interpersonal and mass media communications. Available in English, French and Spanish from: Population Communication Services, Population Information Program, The Johns Hopkins University, 624 North Broadway, Baltimore, Maryland 21205 USA.

Beyond the Flipchart: Three Decades of Development Communication.

Bulletin (1985). A summary of the knowledge the Academy of Educational Development has gathered in its numerous communication and development projects. It captures the major currents of change and serves as an agenda for the future. Ideas on how to use accumulated knowledge for a new generation of communications for development are shared. Available in English from: Clearinghouse on Development Communication, 1255 23rd Street, NW, Washington, DC 20037 USA.

Beyond Relief.

Newsletter. For individuals or groups in areas of farming, education, husbandry, manufacturing and water management. Alternating issues available in French. Available in English from: African Development Foundation, 1625 Massachusetts Ave., NW, Suite 600, Washington, DC 20036 USA.

Bridging the Gap: A Participatory Approach to Nutrition Education.

Book (1982). Addresses training for community health and nutrition workers, directed toward uncovering health and nutritional problems and planning and evaluating community needs. Gives specific outlines for workshops including: How to Create Learning Activities with Card Games, Flannel-board Stories, Demonstrations, and Posters covering topics in Child Weighing, Vegetable Production, and Diarrhea. Available in English from: Creative Associates, 3201 New Mexico Avenue, Suite 270, Washington, DC 20016 USA.

Casebook for Family Planning Management.

Book (1977, 338 pages). Covers what difference management can make, what is needed for good management, how to put it all together with case studies as examples. Contact the Pathfinder Commodities Department for application. Available in English from: The Pathfinder Fund, Nine Galen Street, Suite 217, Watertown, Massachusetts 02172-4501 USA.

CEDPA Worldwide.

Quarterly newsletter. Updates CEDPA activities, project reports and news briefs. Available in English from: The Center for Development and Population Activities, 1717 Massachusetts Ave. NW, Washington, DC 20036 USA.

ClipArt:

Rural Women in Action.

Reference material (1984). A collection of line drawings of women from different countries in a variety of activities related to their daily work. Available in English and French from International Women's Tribune Center, 777 United Nations Plaza, New York, New York 10017 USA.

ClipArt:

Women: The Password is Action.

Reference material (1988). A collection of line drawings of women from different countries taking active roles. Available in English and French from: International Women's Tribune Center, 777 United Nations Plaza, New York, New York 10017 USA.

PROGRAM COMPONENTS

Communications in Family Planning: Report of a Working Group.

Asian Population Studies Series No. 3. Research notes (1968, 164 pages). Group considered family planning communications in the context of national development, reviewing methods, media and materials used in FP programmes. Discussions of theoretical and practical aspects of communication including: programme planning, design, production and distribution of communication materials, training, experimentation and evaluation issues. Available in English from: United Nations Economic and Social Commission for Asia and the Pacific, The United Nations Building, Rajadamnern Avenue, Bangkok 10200, Thailand.

Community Participation in Family Planning: Issues and Examples.

Contraceptive Social Marketing Lessons from Experience.

(See Health)

Cooperation South.

(Formerly "TCDC News"). Irregularly issued newsletter on technical cooperation among developing countries. Reviews projects using new technology in effort to provide practical, substantive information to workers in developing countries. Available in English, French, Arabic and Spanish from: United Nations Development Programme, One United Nations Plaza, New York, New York 10017 USA.

The Coordinator's Notebook.

Notebook designed to strengthen and extend existing information networks. Available in English from: The Consultative Group, c/o UNICEF-PDPD/A-6M, 866 UN Plaza, New York, New York 10017 USA.

Development Communication Report.

Quarterly newsletter. Technology, communication and education. Clearinghouse of articles. Available in English with some articles translated into French from: Clearinghouse on Development and Communication, 1255 23rd Street, NW, Washington, DC 20037 USA.

Development Education Exchange Papers.

Bi-monthly publication reviews world-wide developmental issues. Available in English and French from: Freedom from Hunger Campaign, Action for Development, Food and Agriculture Organization, Via Terme di Caracalla, 00100 Rome, Italy.

PROGRAM COMPONENTS

Development Forum.

10 Issues per year. Exchange of news and ideas. Available in English and French from: United Nations, One United Nations Plaza, Room dc1-559, New York, New York 10017 USA.

Development Work and Volunteer Service and Project Review.

Book. A model for 5-day in-service workshop for Peace Corps volunteers. Focus on problem solving. Available in English from: Peace Corps, Information Collection and Exchange, Office of Training and Program Support, 806 Connecticut Avenue, NW, Washington, DC 20526 USA.

Drug Information Bulletin.

(See Health)

Encouraging Men to Take More Responsibility for Family Planning: PCS Packet Number 2.

Information packet (1984). Samples of promotional materials aimed at recruiting more men into family planning. Available in English, French and Spanish from: Population Communication Services, Population Information Program, The Johns Hopkins University, 624 North Broadway, Baltimore, Maryland 21205 USA.

PROGRAM COMPONENTS

Family Planning for All: Programme Strategies in Culturally and/or Economically Disadvantaged Rural Slum and Marginalized Areas.

Report (140 pages). Report of the IPF Social Science Working Party held in Mexico in 1978. Presents principles and recommendations for family planning programme strategies in remote rural areas and urban slum areas. Available in English from: Marketing Manager, International Planned Parenthood Federation, 18-20 Lower Regent Street, London SW1Y 4PW United Kingdom.

GATE.

Quarterly journal providing practical information on low-cost technologies appropriate to the needs in developing countries. Available in English from: German Appropriate Technology Exchange, GTZ/GmbH, P.B. 5180, Dag Hammarskjold-Weg 1, D-6236 Eshborn 1, Federal Republic of Germany.

The Handbook for Family Planning Operations Research Design.

Manual (1983). Basic procedures for setting up a family planning field research project and writing a research proposal. Describes techniques for designing, conducting and evaluating research projects. Available in English and French from: The Population Council, Office of Communications, One Dag Hammarskjold Plaza, New York, New York 10017 USA.

Husband-Wife Communication and Practice of Family Planning.

Asian Population Studies Series No. 16. Case study (1974, 203 pages). This study examines the nature and extent of communication between husbands and wives in different cultural settings. Available in English from: United Nations Economic and Social Commission for Asia and the Pacific, The United Nations Building, Rajadamnern Avenue, Bangkok 10200, Thailand.

Ideas and Action.

Bi-monthly newsletter for non-governmental organizations involved in rural development. Issues such as non-formal education, communication techniques, health and agriculture are covered. Available in English, French and Spanish from: Freedom from Hunger Campaign, Action for Development, Food and Agriculture Organization, Via Terme di Caracalla, 00100 Rome, Italy.

IDRC Report.

Quarterly magazine. Issues and program reports in agriculture, health, information and social sciences. Available in English and French from: International Development Research Center, 250 Albert St., P.O. Box 8500, Ottawa, Ontario K1G 3H9 Canada.

INTERCOM.

Newsletter of UNICEF activities aimed at health education, development and fundraising groups. Emphasis on communication of ideas between policy-makers and implementors internationally.

Available in English and French from: UNICEF, International Division, UN Plaza, New York, New York 10017 USA.

INTRAH Training Information Packets (TIPS).

PROGRAM COMPONENTS

Planned Parenthood and Women's Development, Lessons from the Field.

Publication (1982, 67 pages). Describes the IPPF PPWD programme. Includes case studies. A summary of lessons from the field, reports on the environment, needs identification, strategies, participants, partners, family planning, costs and funding mechanisms, problems and constraints, assessment and monitoring, and the impact of IPPF.

NOTE: IPPF will consider supplying this document free of charge - however, details of intended usage and distribution should accompany all requests for free materials.

Available in English, French, Arabic and Spanish from: Marketing Manager, International Planned Parenthood Federation, 18-20 Lower Regent Street, London SW1Y 4PW United Kingdom.

PROGRAM COMPONENTS

Planning and Management of Community Projects: A Manual on Programme Development, Leadership Training and Management of Group Projects.

Book (1982, 99 pages). Aims at providing project personnel with resource materials to assist them to carry out activities at various stages of programme development and implementation. Chapters on leadership of groups, pre-planning and evaluation are also included. *NOTE: IPPF will consider supplying this document free of charge - however, details of intended usage and distribution should accompany all requests for free materials.* Available in English and French from: Marketing Manager, International Planned Parenthood Federation, 18-20 Lower Regent Street, London SW1Y 4PW United Kingdom.

Pretesting Communications Materials, with Special Emphasis on Child Health and Nutrition Education: A Manual for Trainers and Supervisors.

Paperback book. Illustrated (1984, 62 pages). Guide on how to research, identify and avoid ambiguities in visual communication. Deals primarily with visual aids, posters and other print media. Available in English from: PSC Section, UNICEF, P.O. Box 1435 Rangoon, Burma.

Print Materials for Nonreaders: PCS Packet Number 1.

Information Packet (1983). Contains 3 sample materials that have been specially developed for specific country needs. Also includes an overview on visual literacy and guidelines and methodology. Order form for additional information also provided. Available in English, French and Spanish from: Population Communication Services, Population Information Program, The Johns Hopkins University, 624 North Broadway, Baltimore, Maryland 21205 USA.

Production of Teaching Aids.

(1975) From the National Workshop on Communication and Production of Educational Materials in Population Education and Family Planning held in Quezon City, Philippines. Available in English from: Population Communications Services, The Johns Hopkins University, 624 North Broadway, Baltimore, Maryland 21205 USA.

Radio's Role in Development: Five Strategies of Use.

Bulletin (1976) prepared by Emile McAnany. Focuses on radio in rural setting of developing countries where it may have the greatest potential for aiding human growth and development. Available in English from: Clearinghouse on Development Communication, 1255 23rd Street, NW, Washington, DC 20037 USA.

**Reaching Young People:
PCS Packet Number 5.**

Information packet (1985). Sample materials for reaching young adults with responsible parenthood messages. Includes section to help adapt programs in your community. Available in English, French and Spanish from: Population Communication Services, Population Information Program, The Johns Hopkins University, 624 North Broadway, Baltimore, Maryland 21205 USA.

**Report and Selected Papers of
the Regional Project on
Pretesting and Evaluation of
Educational Materials Used in
Family Planning Programmes.**

Asian Population Studies Series No. 27. Report (1975, 56 pages). Theoretical issues discussed. Practical procedures provided. A comprehensive bibliography of materials in the field of pretesting and evaluation is presented. An insert contains a simplified guide for conducting pretesting and evaluation of educational materials by field workers. Available in English from: United Nations Economic and Social Commission for Asia and the Pacific, The United Nations Building, Rajadamnern Avenue, Bangkok 10200, Thailand.

**Review and Assessment
Report on the Parliamentary
Movement on Population and
Development.**
