

# USE OF COUNSELING CARD

## COUNSELING CARD CONTENT

A counseling card should have image in reverse face and explanation text in the recto face

## MODE OF USE

Ask questions to interact with the person and mainly remember following questions :

- **How do you think about the picture or image?**
  - What is the main idea?
  - Encourage the discussion
  - Listen carefully the response
  
- **Verify if the person get correctly the meaning of the message**
  - Ask the person to explain clearly the main idea
  - Congratulate her if she answers correctly
  - Complete if needed the response
  - Solicit exchange and debate
  - Ask for points requiring more ample explanation
  - Definitely clarify topic to avoid poor understanding
  - It is necessary to persuade the person to adopt the desired practice but he last decision belongs to her
