THAILAND
AGRICULTURAL EXTENSION OUTREACH PROJECT
PROJECT PAPER ADDENDUM

The Project Paper for the Agricultural Extension Outreach Project is written for a total funding level of \$3,100,000, of which \$3,000,000 would be in the form of a Development Loan to the Kingdom of Thailand to implement the project itself. The \$100,000 would be in the form of a Development Grant to fund certain evaluation services and related costs. Under the Project Paper as written, both the loan and grant elements are contained within the Agricultural Extension Outreach project, No. 493-0280.

The Asia Bureau intends to fund the \$100,000 grant element of this project during FY 1977 under the Regional Program Development and Support project, No. 498-0249. Therefore, all references to the \$100,000 grant in the original Project Paper which indicate that it will be authorized as part of the project should be disregarded.

A revised Project Paper Facesheet is attached hereto to reflect the above by deleting all references in it to the \$100,000 grant element.

All recipients of the original Project Paper are requested to affix a copy of this Addendum inside the front cover of all copies.
